

The Stuttgart Tax Center will open its doors Feb. 1 to officially kick off the tax season.

Walk-in service is available from 9 a.m. to 3:30 p.m. The tax center offers this professional service to all ID card holders—free of charge.

The Tax Center offers professional tax services from IRS-trained and certified tax preparers, with oversight from a tax attorney.

You will need to bring your ID card, all tax forms, copies of social security cards and individual taxpayer identification numbers, last year's return, and a bank card or canceled check with your routing and account numbers for direct deposit.

For additional information, contact the Stuttgart Tax Center at 421-4588/civ. 0711-729-4588, or stop by the Tax Center in Building 3312 on Kelley Barracks.

The Stuttgart tax team looks forward to serving you!
