DAA Additional Comments:

A Certificate of Networthiness is the result of reviewing technical documentation, industry research, DoD and Army guidelines and regulations, as well as interviews with current Army administrators of these applications. This application has not been reviewed as part of an accredited system. It is the responsibility of the DOIM to test this application, once installed on the network, in accordance with all applicable Security Technical Implementation Guidelines, and this recommendation is made based on the ability of the DOIMs to configure this product, once on their networks, to be fully compliant. This Certificate of Networthiness is not valid should the version no longer be supported or if not compliant with the most current Army Golden Master baseline. Purchase of this product must meet the requirements of FAR 4.11. The Army Valid CoN List is available on AKO by accessing the following links: <https://www.us.army.mil/suite/page/137030> or <https://idm.netcom.army.mil/Organizations/SubOrgs/ESTA/Networthiness/CoNApproval/Approval%20Pages/Public%20Page.aspx>.
