

EXPERIENCE

Senate Majority Leader Harry Reid

Senior National Security Advisor (2007-present)

- Manage all key national security strategy, policy, legislative and public communication activities for the U.S. Senate Majority Leader in his role setting the Congressional and national agenda.
- Legislative and policy initiatives include: development of strategy options on Iraq, Afghanistan, and Pakistan/counterterrorism; enhancement of intelligence analysis on Iran; Iran sanctions legislation; oversight of Iraq SOFA negotiations; Foreign Intelligence Surveillance Act (FISA) modernization; war appropriations to address Army/Marine Corps readiness; strengthened Congressional support for North Korea six-party talks; securing passage of post-9/11 GI Bill.

Senior Defense and Intelligence Advisor (2005-2007)

- Handled all “Gang of 8” highly-sensitive intelligence operations oversight matters.
- Extensive policy coordination and negotiation with other Congressional leaders and committees, the White House, executive branch departments, the intelligence community, non-governmental organizations, and foreign governments on counterterrorism, Iran, North Korea, WMD proliferation, Middle East affairs, and other policy matters.

Permanent Select Committee on Intelligence, U.S. House of Representatives

Professional Staff Member (2002-2005)

- Conducted oversight to improve intelligence community WMD counterproliferation and counterterrorism activities; contributed to Congressional investigations of pre-9/11 counterterrorism intelligence and Iraq WMD intelligence, and to intelligence reform legislation establishing the Director of National Intelligence.
- Assessed effectiveness of U.S. intelligence operations at site visits across more than 20 countries.

Booz | Allen | Hamilton

Associate (2000-2001)

- Managed small teams conducting investment due diligence, market and financial analysis, assessments of corporate strategy, and post-merger integration working for senior management clients in Fortune 500 telecom and banking companies.
- Identified initial cost reductions in implementing a strategic realignment of a global bank; assessed the network buildout strategy of a Latin American telecommunications startup.

Deutch Commission to Assess the Organization of the Federal Government to Combat Weapons of Mass Destruction

Senior Policy Analyst (1998-1999)

- Conducted analysis and formulated recommendations to Congress and the White House for improving U.S. government effectiveness in combating WMD proliferation.

Office of the President, American University

Senior Staff Assistant (1995-1997)

- Supported university President and senior leadership team in developing and executing an 18-month strategic planning process repositioning the university to capitalize on its international comparative advantages.

Carnegie Endowment for International Peace

Junior Fellow, Nuclear Nonproliferation Project (1994-1995)

- Research analyst and publications managing editor on issues of nuclear nonproliferation and cooperative threat reduction with Russia; non-governmental observer of April 1995 Nuclear Nonproliferation Treaty extension negotiations at U.N.

EDUCATION

Harvard University, John F. Kennedy School of Government, Masters in Public Policy (2000)

- 1 of approximately 12 nominated for best masters thesis, 1 of 4 selected as best graduate teaching fellow of the year

University of the South (Sewanee, Tennessee), Bachelor of Arts in Political Science (1994)

- Phi Beta Kappa, *Magna Cum Laude*, with Departmental Honors

ADDITIONAL ACTIVITIES

Council on Foreign Relations

Life Member

Task Force on Weapons of Mass Destruction, Alliance for American Leadership (2004)

Member

- Assisted presidential campaign by writing memoranda on policy toward Iran and North Korea and on the presidential transition regarding intelligence issues.

Council for Emerging National Security Affairs, CENSA

Co-Founder (1999) and Member

- Member of founding team establishing a bipartisan national security policy network growing to more than 200 members active on four continents. Wrote business plan and developed and executed two-year funding and growth strategy.
- Directed CENSA's Presidential Transition Memorandum Task Force, managing a 30-author team over eight months to develop bipartisan policy memoranda to the presidential transition teams. Final report distributed in November 2000 to more than 300 researchers and policymakers.

Harvard-Stanford Preventive Defense Project, William J. Perry and Ashton B. Carter, Co-Chairs

Research Affiliate (1999-2001)

- Participated in the Defense Organization and Management study team geared toward the national defense reorganization efforts of the new presidential administration.

- Co-authored book chapter on the globalization and commercialization of the defense industrial base.
- Co-developed a Harvard graduate course, *Controlling Proliferation of Weapons of Mass Destruction*.

WHITE PAPERS AND PUBLICATIONS

- Marcel Lettre, *Recommendations for Managing the Presidential Transition in the Intelligence Community*, White Paper to the Presidential Transition Team (Washington, DC: November 2004).
- Marcel Lettre et al., *Consensus Statement of the Term-Member Roundtable on Long-Term Strategic Alternatives for US Policy Toward Iran* (Washington, DC: Council on Foreign Relations, 2003).
- Marcel Lettre and James Anderson, eds., *Passing the Torch: Recommendations to the Next President on Emerging National Security Issues* (Cambridge, MA: Council for Emerging National Security Affairs, 2000).
- Ashton B. Carter with Marcel Lettre and Shane Smith, "Chapter 6: Keeping the Technological Edge," in Ashton B. Carter and John P. White, eds., *Keeping the Edge: Managing Defense for the Future* (Cambridge, MA: Harvard-Stanford Preventive Defense Project, 2000).
- Marcel Lettre, *Coordinating National Security Policy and International Economic Policy at the White House: The NSC-NEC Joint Staff Mechanism*, White Paper to the Presidential Transition Team (Cambridge, MA: September 2000).
- Marcel Lettre, managing editor, *Former-Soviet Nuclear Weapon and Sensitive Export Status Report* (Washington, DC:

Carnegie Endowment for International Peace and Monterey Institute, July 1995).

PERSONAL

(b)(6)

(b)(6)

- **Emergency Medical Technician (1995-1998).** Volunteer with Bethesda-Chevy Chase Rescue Squad. Participated in the 9/11 World Trade Center response with New York EMTs from 11 a.m. – 6 p.m.

Frank Libutti
Lieutenant General

General Libutti is a native of Huntington, Long Island, NY. Graduating from The Citadel, he entered the Marine Corps Officer Candidate Program in August 1966 and was commissioned a second lieutenant in October 1966. In March 1967, he served as an Infantry Platoon Commander with the 1st Battalion, 9th Marines in Vietnam.

In 1968, he returned to Quantico, VA, for duty at the Officer Candidates School. During this tour, he served consecutively as Chief Instructor, Tactics Section; Commanding Officer, and Branch Head, Academic Section. He was promoted to captain in November 1969. Upon completion of his duties at he remained there to attend the Amphibious Warfare School.

General Libutti transferred to Amphibious Squadron THREE, San Diego, CA, in 1972, as Squadron Combat Cargo Officer. Upon completion of a two-year tour, he was assigned to the 1st Battalion, 2d Marines, 2d Marine Division, Camp Lejeune, NC, as an Infantry Company Commander, followed by staff positions at the battalion headquarters. There, he served as the Logistics Officer and later as the Operations Officer. Promoted to major in May 1977, General Libutti was reassigned as the Executive Officer, Marine Barracks, Naples, Italy. He returned from overseas in August 1980 to attend the Command and Staff College at Quantico, VA. Following graduation, he was transferred to Headquarters Marine Corps, Washington, DC, for duty as the Head of the Career Management Section, Manpower Department. In May 1982, he was promoted to lieutenant colonel and reassigned as the Assistant Secretary of the General Staff for the Office of the Assistant Commandant and Chief of Staff, where he served through May 1983. He was reassigned in June 1983 as the Senior Marine Aide to the Commandant of the Marine Corps.

From August 1985 until June 1986, General Libutti attended the National War College, Washington, DC. Following graduation, he was assigned as the Executive Officer, 1st Marine Regiment, 1st Marine Division, Camp Pendleton, CA. General Libutti was reassigned as the Commanding Officer of 1st Reconnaissance Battalion, where he remained in command until October 1987, when he was designated as the Commanding Officer, Contingency MAGTF 1-88 and promoted to colonel.

Returning to Camp Pendleton, CA, in May 1988, General Libutti served as the Assistant Chief of Staff, Intelligence, 1st Marine Division. He assumed command of the 11th MEU in August 1988 and remained in command until July 1990. The following month, General Libutti was reassigned to the Office of the Chairman, Joint Chief of Staff, for duty as the Marine Corps Member of the Chairman's Staff Group. While serving in this capacity, he was selected in December for promotion to brigadier general and was promoted to that grade on March 23, 1992. General Libutti was then assigned as the Commander, Forward Headquarters Element/Inspector General of the United States Central Command, MacDill AFB, FL, on July 10, 1992.

In August 18, 1992, he was designated Commanding General, Joint Task Force Provide Relief (emergency airlift of food to Somalia and Kenya), a position he held until November 1992, at which time he resumed his duties in Tampa, FL.

He was promoted to major general and assumed duties as Commanding General, 1st Marine Division on July 22, 1994. He served as the Division Commander until June 7, 1996. During his last assignment, he served as the Commanding General, III Marine Expeditionary Force/Commander, Marine Corps Bases Japan until June 8, 1999.

General Libutti received the Defense Distinguished Service Medal while serving as the Assistant Chief of Staff C/J-5, United Nations Command, Combined Forces Command, United States Forces Korea and as Commander, Marine Forces Korea. He held this position from June 20, 1996 until July 20, 1997. He was promoted to his current rank of Lieutenant General on July 10, 1997.

In June 22, 1999 General Libutti was assigned as Commander, U.S. Marine Corps Forces Pacific/Commanding General, Fleet Marine Force, Pacific/Commander, U.S. Marine Corps Bases, Pacific headquartered at Camp H.M. Smith, HI.

General Libutti's personal decorations include: Defense Distinguished Service Medal (first award), the Silver Star Medal; Defense Superior Service Medal with two bronze oak leaf clusters; Legion of Merit with gold star; Purple Heart with two gold stars; Navy and Marine Corps Commendation Medal; Republic of Korea Chonsu Medal; and the Combat Action Ribbon. General Libutti was also presented with the Order of the Rising Sun, Gold and Silver Star, by the Emperor of Japan for service dedicated to the security of Japan and the mutual cooperation between Japan and the United States.

Resume

Steve Lillie

Deputy Chief, TRICARE Operations [GS 15 (NSPS YC-3)]

Health Program Operations

TRICARE Management Activity, US Department of Defense

I. Personal Data

(b)(6)

A large rectangular area of the resume is redacted with a solid grey fill. The redaction covers the entire content of section I, Personal Data.

- 2004 -2006 Supervisory Health Program Analyst, TRICARE Operations, TRICARE Management Activity
- 2002-2004 Director, Program Development, TRICARE Management Activity Program Operations
- 2000-2002 Director, Over-65 Benefits Division, TRICARE Management Activity Program Operations
- 1998-2000 Chief, Program Design & Innovation TRICARE Management Activity
- 1996-1998 Chief (GS -15), Program Development and Program Analysis, OSD Health Affairs
- 1985 – 1996 Health Program Analyst (GS 13), Health Systems Planner (GM 14), Office of Demonstrations and Special Programs, OSD (Health Affairs)
- 1976-1985 Program Analyst, U. S. Department of Health and Human Services

Significant Awards

January 2001 -- Exceptional Civilian Service Award Bronze Palm –
USD (Personnel & Readiness)

July 1998 -- Exceptional Civilian Service Award – OSD (Health
Affairs)

Education

1970-1973 -- University of North Carolina, Chapel Hill, Major Field -
- Botany

Significant Publications

2001 -- “CHAMPUS and the Department of Defense Managed Care
Programs”, Chapter in The Managed Health Care Handbook, 4th
Edition, Edited by Peter Kongstvedt

1991-2006 -- Numerous Federal regulations governing Military
Health System activities.

II. Qualifications

- Widely recognized as one of the key experts on TRICARE, the Department’s health care benefits program for active duty members and their families, retirees, their families, and survivors.
- Extensive knowledge and experience in health care issues and the military health system. combined with outstanding analytic abilities and writing and speaking skills.

- Proven leader on health care benefit issues, providing analysis and leading the ongoing discussion of how best to meet the health care needs of military beneficiaries. His efforts affect the future of both military medicine and the entire U.S. Health Care system. Currently guiding analytic and research efforts to support operational policy development for TRICARE, DoD's managed health care program, including benefit design, provider network development and reimbursement, and enrollment policy

III. Significant Accomplishments

- **Establishment of TRICARE** – Key architect of TRICARE, which combines the care provided in military medical treatment facilities with care purchased under CHAMPUS (the Civilian Health and Medical Program for the Uniformed Services) to create a comprehensive managed health care delivery system for military beneficiaries.
 - Wrote the initial regulations describing the program in 1995, led the development of the TRICARE benefit structure.
 - Helped to establish TRICARE as the key mechanism for ensuring that military beneficiaries have access to affordable, high quality health care services. .
- **Implementation of TRICARE For Life** --Health Care for Military Retirees and Their Families -- key program manager for the successful implementation of the TRICARE For Life. providing lifetime, comprehensive health care coverage to uniformed services retirees over age 65 and their families.
 - Reconciled diverse viewpoints, resolved programmatic issues, and explained the new program to a wide array of audiences.
 - Leading up to implementation of TFL in 2001, led a 4 year effort to develop and implement 6 different test programs for provision of health care services to seniors, in 26 different locations across the country.

- **Health Benefits for Reservists and their Families** -- directed the development of new benefits for Reserve Component members.
 - Implemented the TRICARE Reserve Family Demonstration Project Three days following the 9/11 attacks, to ensure continuity of care for family members of the Reserve component personnel called to active duty in support of Federal contingency operations.
 - Led the revision of Department policy to enable Reservists' family members to enroll in TRICARE Prime or TRICARE Prime Remote, the most attractive health plan options.
 - Guided led implementation of new programs to smooth the transition to and from TRICARE coverage for reservists and their families – providing benefits in advance of activation, and extending coverage for six months after demobilization.
 - Led implementation of a new program, TRICARE Reserve Select, to enable drilling reservists who have served in support of contingency operations to purchase TRICARE Standard coverage if they commit to continued service.

- **Beneficiary Communications** -- played a key role in the establishment and ongoing effectiveness of the TRICARE Beneficiary Panel, composed of about 25 beneficiary group representatives. Founded in late 2000 to support implementation of the TRICARE For Life program, this group meets frequently to exchange information on program policies and initiatives, and beneficiary concerns about TRICARE. As chairman of the Panel, focused the group's efforts and encouraged maximum two-way communications between the Department and its beneficiaries. This group has been heralded as a model for effective communications with beneficiaries, and has contributed greatly to successful implementation of military health care programs and improving public perceptions of TRICARE.

DONALD P. LOREN

(b)(6)

PROFESSIONAL PROFILE

Over thirty-two years experience as a national and corporate level strategic policy decision maker, executive leader, innovative problem solver and organizational spokesperson. Proven national and international negotiator with exceptional people-to-people communications skills, extensive global travel and overseas residence experiences. Demonstrated ability to articulate and achieve organizational goals in the multicultural, multinational and interagency national security policy and program sponsorship environments. Extremely noteworthy service at the highest levels of federal government in the naval, joint, and intelligence community fields. Executive leadership, organizational effectiveness, analytical ability and project management skills include:

- Long Range Strategic Planning
- Future Concepts & Concepts Development
- Corporate Planning
- Revitalization & Team Building
- Sound Financial Management
- Operational Planning
- Negotiations & Conflict Management
- Multimedia Presentations

EXPERIENCE

SENIOR FEDERAL GOVERNMENT LEADERSHIP **2006-PRESENT DEPUTY DIRECTOR FOR OPERATIONS SUPPORT, NATIONAL COUNTERTERRORISM CENTER, WASHINGTON, DC**

- Responsible to the Director NCTC in fulfilling responsibilities to the President and Director of National Intelligence mandated by the Intelligence Reform and Terrorism Prevention Act of 2004 and Executive Order 13354 designating NCTC as the primary US government organization for analyzing and integrating all intelligence pertaining to terrorism and counterterrorism.
- Set the strategic direction for managing real time counterterrorism intelligence support to all US government agencies with counterterrorism responsibilities.
- Led NCTC efforts in the provision of global and timely counterterrorism situational awareness, integrated orchestration of counterterrorism threat information, and readiness for the NCTC to respond to crisis and participate in national security special events.

STRATEGIC PLANNING **2003-2005 DEPUTY DIRECTOR, STRATEGIC PLANS AND POLICY (J-5), POLITICAL-MILITARY AFFAIRS (EUROPE, NATO, RUSSIA, AND AFRICA) THE JOINT STAFF, WASHINGTON, DC**

- Responsible to the Chairman, Joint Chiefs of Staff for the development of U.S. national security policy for Europe, Russia, NATO and Africa. Participated actively in the National Security Council policy deliberation process by serving as the principal Joint Staff representative at Policy Coordinating Committee meetings and briefing/accompanying the principal military representatives at Principals and Deputies committee and NSC meetings during both routine and crisis situations.
- Led concept development, strategic planning and competitive assessments for various national military program pursuits and initiatives.
- Routinely met with Chiefs of Defense and Ministers of Defense of 94 countries, and led conduct of mil-to-mil Joint Staff talks with 38 countries. Coordinated with the Office of the Secretary of Defense, the Supreme Allied Commanders, and the U.S. military delegation to NATO in developing U.S. government policy within the NATO Alliance.

DONALD P. LOREN

CORPORATE PLANNING 2001-2003 DEPUTY DIRECTOR SURFACE WARFARE FOR SURFACE SHIPS, OFFICE OF THE CHIEF OF NAVAL OPERATIONS, WASHINGTON, D.C.

- Served as advisor and program sponsor for surface warfare matters pertaining to current and future surface combatants including maintenance and modernization; future ship design and construction; budget formulation; fleet support; required operational capabilities; and requirements definition and validation.
- Provided interface with Congress, Office of the Secretary of Defense, the Joint Staff, the Services, and industry on both requirements and acquisition issues.
- Planned, programmed and budgeted over \$70 Billion across the FYDP.
- Developed the concepts and requirements for the Littoral Combat Ship (LCS), DD(X), cruiser modernization, and DDG construction and midlife upgrade. Led the introduction of modular design, common interface standards, remotely operated surface and air vehicles, the spiral development review process, and rapid acquisition requirements process.
- Conducted numerous briefings to Senators, Representatives, Congressional committees and staff.

OPERATIONAL PLANNING 1998-2001 EXECUTIVE ASSISTANT TO THE COMMANDER IN CHIEF, ALLIED FORCES SOUTHERN EUROPE, AND COMMANDER IN CHIEF, UNITED STATES NAVAL FORCES EUROPE, NAPLES, ITALY

- Served as primary advisor to four-star NATO commander and senior U.S. Naval Officer in Europe on all matters pertaining to NATO southern region and the U.S. Navy in Europe.
- Primary participant in planning and execution of NATO operations in Kosovo (KFOR) and Bosnia (SFOR). Actively led major combatant staff functions during air and ground campaigns in Kosovo, including humanitarian efforts in Macedonia and Albania.
- Frequent interface with NATO and European military/political leadership on matters of international security.

TEAM BUILDING 1995-1997 Commander, Destroyer Squadron Twenty-eight, Norfolk, VA; 1991-1993 COMMANDING OFFICER, USS BILROD (FFG 55) CHARLESTON, SC

- Commanded squadron of Spruance and Arleigh Burke class destroyers and Perry Class guided missile frigates. Commanded surface, sub-surface, and amphibious forces participating in UNITAS 96 circumvention of South America and exercise with South American navies.
- Commanded state-of-the-art Guided Missile Frigate, manned by crew spanning numerous ethnic groups. Was awarded Battle Efficiency Excellence Award and Meritorious Unit Commendation. Participated in operations in Persian Gulf; Arctic; North and South Atlantic; and Pacific Oceans. Consistent Navy retention award winner.

Objective

To leverage my leadership expertise and logistics experience, gained by successfully managing and implementing Department of Defense logistics modernization initiatives.

Summary

Over 27 years of progressively diverse and challenging military leadership experience. Through exceptional, insightful leadership, tactical and operational expertise, graduate level national security education, and expansive defense industry interface, I have a proven record of attainment across a broad spectrum of military operations and the defense industry with superior results. Skills include:

- Effective leadership, communications, and strategic planning abilities.
- Integrating complex systems and solving multifaceted operational and tactical problems.
- Analysis and assessment of third party providers, best practices, and technology transfer.
- High-value contracting, logistics, fund distribution and financial management, communications, networks, computing systems, facilities, and equipment

Experience

- 2005 – Present Director, Warfighter Support Office, Business Transformation Agency, Arlington, VA. Leads a multi-functional organization in a dynamic environment. Responsible for establishing and maintaining contact with Warfighters in garrison and deployed in order to expedite delivery of capabilities. Brokers services between the Service, Combatant Command, Joint Staff and OSD.
- 2004 – 2005 Deputy Director, Assistant Deputy Under Secretary of Defense, Logistics and Material Readiness, Arlington, VA. Responsible for advocating the service system modernization efforts. Instrumental in the development and execution of the investment review process and single repository for systems information in support of the National Defense Authorization Act of 2005. Established the Defense Business System Coordination Office for the Under Secretary of Defense Acquisition Technology & Logistics.
- 2003 – 2004 USMC Senior Logistics Advisor, Marine Corps Combat Development Command, Quantico, VA. Senior Logistics Advisor for the Logistics Operations Architecture and the Global Combat Support System. Provide counseling and mentoring on logistics issues pertaining to Marine Corps Strategy 21. Served as the Deputy Joint Force Maritime Component Commander during the Joint Forces Command sponsored war game.
- 2000-2003 Director, Integrated Logistics Capability Center, Installations and Logistics Department, Headquarters Marine Corps, Washington, D.C. Hand selected to lead

Robert E. Love

the Marine Corps premier logistics modernization effort. Demonstrated track record of meeting objectives on time and within budget. Primary responsibilities included: development of logistics processes that enable future operational concepts linking command and control architectures, support equipment, training, and professional military education worldwide. Responsible for developing technological approaches and prototypes to dramatically improve logistics chain cycle time. Established a communications plan and built a coalition of defense industry representatives, high-ranking officials within DOD, and sister Services. Developed executive level solutions to multi-dimensional, complex problems. Developed funding profiles and spending plans to support high visibility, high intensity enterprise modernization.

During this period, Col Love served as the Officer in Charge of the Reconstitution Liaison Support Team (RLST) and deployed to Kuwait/Iraq in support of Operation Iraqi Freedom (OIF). He led a team of Marines and Sailors in order to assist in the reconstitution of the 11 Maritime Pre-positioned Ships used in OIF.

- 1999 – 2000 Commanding Officer, Marine Wing Support Squadron 372, 3rd Marine Air Wing, Camp Pendleton, CA. Competitively selected to serve as the senior leader for a 500-person organization - a major logistics command in the Marine Air Wing consisting of Engineering, Motor Transport, Air Field Operations, and Headquarters. Developed organizational vision, goals and objectives. Led exercise support, development of critical warplans, training, and safety programs. Financial responsibility and decision authority for the organization's budget. Integrated diverse, geographically separated, and multifaceted operations while dealing with attendant legal, environmental, and people challenges. Conducted global operations in support of enterprise operations.
- 1998 – 1999 Commanding Officer, Combat Service Support Enterprise, 1st Force Service Support Group, Camp Pendleton, CA. Hand selected to serve as the senior leader for a 300-person organization experimenting with innovative concepts and equipment. Acquired state of the art hardware and implemented efficient procedures to dramatically improve logistics support. Developed and executed major exercise objectives spanning the distance between San Diego and San Francisco, California. Interacted with Defense Department officials, civic leaders, and industry representatives.
- 1996 – 1998 Deputy Operations Officer, 1st Force Service Support Group, Camp Pendleton, CA. Deputy Chief Operations Officer for the 1st Force Service Support Group (a 7,000 person organization). Directed a diverse staff of 115 people. Responsible for the development of all strategic war plans, operations, exercises, and training. Provided oversight of materiel management, maintenance management, and distribution functions to support a 40,000-person organization. Col Love participated in Exercise Ulchi Focus Lens (Republic of Korea) 1996, 1997, 1998 and Desert Thunder (State of Kuwait) in 1998. During Operation Desert Thunder

Robert E. Love

served as the Officer in Charge of the CSS portion of the I MEF Survey, Liaison and Reconnaissance Party.

1993 – 1996 Director of Logistics, Joint Task Force Six, El Paso, TX. Chief Logistics Officer (J4) for a counter drug task force. Responsible for synchronizing logistics support of multiple, geographically separated, high visibility, and sensitive joint operations. Coordinated planning for a multi-million dollar construction program. Responsible for the maintenance and modernization of facilities, vehicles, and equipment. Responsible for the efficient execution of a \$24 million dollar annual budget. Received the Outstanding Federal Manager award by the Federal Executive Association.

Education

B.S. Business Administration, State University of New York at Albany, New York
M.S. Material Management, Naval Postgraduate School, Monterey, California
M.A. National Security and Strategic Studies, Naval War College, Newport, Rhode Island

Related Qualifications and Awards

Guest lecturer at Pennsylvania State University (Marine Corps Logistics Education Program)
Federal Manager of the Year Award for superior leadership and management abilities
Designated a Professional Logisticians by the Air Force Institute of Technology (AFIT)
Seven personal awards for outstanding leadership and logistics achievement, including one Defense Meritorious Service Medal and two Meritorious Service Medals
Member National Awards Committee, International Society of Logistics Engineers (SOLE)
Member National Defense Industrial Association (NDIA)
Member, Editorial Board, Marine Corps Association (MCA)
Unit received the Supply Chain Council "Supply Chain Management Award" in 2001
