## Convoy advisory for Central, West Oahu

**SCHOFIELD BARRACKS, Hawaii** – The Army is advising the community of a military convoy along the H2 freeway and Farrington Highway, Nov. 20, as Soldiers from the 25th Infantry Division, here, travel to Makua Military Reservation to complete medical evacuation training.

The convoy will move during off-peak hours to limit impact on local traffic. Motorists should anticipate the convoy traveling from Schofield to MMR between the hours of 9-10:30 a.m., and traveling from MMR to Schofield Barracks between the hours of 2-3:30 p.m.

The Army is coordinating this effort with the Honolulu Police Department; however, motorists are advised to be alert and drive with care.

Additionally, community members in the vicinity of MMR may experience an increase in noise due to the training. The level of noise will vary depending on weather conditions. Overcast conditions may increase noise and vibrations.

The Army in Hawaii appreciates the community's understanding and continued support of its isle-based Soldiers and family members, and apologizes for any inconvenience this training may cause.

To report concerns related to noise or training, please call the U.S. Army Garrison-Hawaii (USAG-HI) Noise Concern Line at 656-3487. The USAG-HI Public Affairs Office will respond during regular business hours, Monday through Friday, 8 a.m.-4 p.m.
