NOISE ADVISORY

SCHOFIELD BARRACKS, Hawaii – Residents in the immediate vicinity of Schofield Barracks may experience an increase in noise as a result of 25th Infantry Division field artillery training exercises, here, Aug. 28, from 8:30-11 a.m.

Please note, the effects of training vary depending on weather conditions. Overcast conditions may increase noise and vibrations. Smoke may be visible for a short time; however there is no immediate danger.

The Army in Hawaii appreciates your understanding and continued support of our Soldiers and family members. While sometimes loud, the sounds of training represent how the Army ensures our nation's Soldiers are ready to accomplish the mission and return home safely.
