

When HR Solutions is used to expedite

the provision of human resource services, Soldiers at every echelon are free to perform the mission critical tasks for which they have been trained.

1 COMMANDERS

HR Solutions staff relieves commanders of the administrative burden of contract management, making it easier for them to **focus on their primary mission** while **minimizing the amount of time** spent managing requirements.

2 FAMILIES

HR Solutions **sustains a wide-variety of support services important to Families** while their loved ones are deployed overseas. For example, HR Solutions makes it possible for morale programs, health services, counseling, child development initiatives, family advocacy programs, and other critical services to be available for the Families who stay behind.

3 SOLDIERS

HR Solutions assures that Soldiers' Families are receiving quality support services, which means that **Soldiers in combat are better able to concentrate on their mission.**

Soldiers at every echelon are available to perform the tasks for which they have been trained, making HR Solutions a significant force multiplier for an Army at war.
