

SCHOLARSHIP LIST

This is the compiled list of local, specific, and national scholarships available for senior applicants. When I receive information and application for new scholarships, the list will be updated. Seniors can find a copy of this list in the monthly Parent Newsletter, seminar and upper level classes. Should there be a scholarship that is of interest, stop by Mr Johnson's office, and I will provide the information about that specific scholarship.

FAFSA: Forms will be available in January on-line. Parents will have needed to fill out their 2012 tax return to fill out the forms. It is important at this time that parents fill out their taxes as soon as possible. Parents must have done their taxes to fill out the FAFSA form accurately. www.fafsa.ed.gov. This will take quite a bit of time to fill out on-line. My suggestion is that you print out as much as you can and fill it out on paper before filling it out on-line. There are three steps go through steps 1 and 2 and step 3 is the follow up.
