

## Vendor Table-Tops/In-Store Product Showcases

The NIH SC frequently hosts vendor table-top displays in the Bldg. 10 Self Service Store (SSS). This is one of the ways our vendors reach out to you, our customers, to market their products and offer incentives on the products you already buy and are stocked in our stores.

Ms. Alicia Boglin from the NIH SC Marketing Team maintains a calendar with scheduled table-top vendors. Please send e-mails to Alicia at [Alicia.boglin@nih.gov](mailto:Alicia.boglin@nih.gov) and copy the NIH SC marketing Team at [nihsmarketingteam@mail.nih.gov](mailto:nihsmarketingteam@mail.nih.gov) for more information.
