

Advance your Career with Credentialing

How do I register for an exam?

Registering for an exam is easy. You can register one of two ways: online, or by contacting the nearest Pearson VUE on-base test site directly.

1. Register online:
 - a. At PearsonVUE.com/gov/register, select your credentialing exam, locate the Pearson VUE on-base test site from the list of US military installations and create a web account. Once you have created your account, you will receive an email that allows you to schedule a test.
 - b. Login at PearsonVUE.com/gov/register and schedule your exam. During this step you will be asked to enter your voucher or credit card number as payment for your scheduled exam.
2. If you need assistance registering online, contact your local test center administrator or email gov@pearson.com.

Exams currently available on base through Pearson VUE

Exams listed as of February 2012. Please note that exams vary by location and may change. For a complete list of exam offerings visit PearsonVUE.com/military/exams.
