Session Spotlight: Principles of Effective Commercial Motor Vehicle Size and Weight Enforcement (139004)

The session will be held from **March 23 to 24, 2011** at NHI's new and improved training facilities **in Arlington, VA**: The National Highway Institute, 1310 N. Courthouse Rd, Suite 300, Arlington, VA 22201.

[REGISTER NOW!](#)

Course Description

[Principles of Effective Commercial Motor Vehicle Size and Weight Enforcement \(139004\)](#) is a 2-day course intended to provide advanced, in-depth understanding of Federal motor vehicle size and weight (VSW) regulations and the importance of State level VSW enforcement programs. The training will provide participants with the tools, techniques, and strategies to implement effective programs for enforcing Federal VSW regulations.

This course is designed for transportation professionals responsible for overseeing the preservation of Federal and State highway assets through annual VSW enforcement planning and Federal certification as well as personnel directly involved in commercial VSW enforcement.

How to Register

To register for this training, please click on the "Register Now" link above, then follow the steps below to enroll.

1. Click on the shopping cart  in the "Public" column next to the desired session.
2. Login (if you haven't already).
3. Click on the shopping cart  again.
4. You will see this symbol  which confirms you have added the session to your shopping cart. (If a shopping cart is not available, contact the **local coordinator** listed for the session.)
5. Proceed to **check out**.

For more information about this course and other NHI courses, please visit the [NHI Web site](#).

New and Updated Courses

Sign up for the 2011 Sessions of NHI's Instructor Development Courses

NHI's Instructor Development Courses (IDCs) provide new and experienced instructors with the knowledge and skills to effectively deliver NHI training.

3.5-Day IDC Description

The [3.5-day Instructor Development Course \(420018\)](#) is designed for instructors who anticipate teaching from a complete set of training materials (instructor manuals, participant workbooks, and visual aids) developed by training professionals. If you are interested in an IDC that is designed to teach instructors how to create their own courses or modify existing courses, please read more about the 4.5-day IDC below.

Upcoming Sessions

- 1) [May 17 to 20, 2011](#) in Austin, TX
- 2) [May 31 to June 3, 2011](#) in Lakewood, CO
- 3) [June 14 to 17, 2011](#) in Albany, NY
- 4) [July 19 to 22, 2011](#) in Matteson, IL
- 5) [September 20 to 23, 2011](#) in Arlington, VA

4.5-Day IDC Description

The [4.5-day Instructor Development Course \(420018A\)](#) prepares instructors to effectively teach NHI courses from a complete set of training materials (instructor manuals, participant workbooks, and visual aids) developed by training professionals. This version of the IDC is designed for instructors who need to create their own courses or modify existing courses. The training will teach instructors how to develop instructionally sound learning outcomes, instructor manuals, visual aids, exercises, workshops, and assessments.

Upcoming Sessions

- 1) [April 4 to 8, 2011](#) in Washington, DC
- 2) [May 16 to 20, 2011](#) in Arlington, VA
- 3) [August 15 to 19, 2011](#) in Baltimore, MD

For more information on the IDCs and the scheduled sessions listed above, please contact **Carolyn Eberhard** at carolyn.eberhard@dot.gov or 703-235-0952.

To learn more about participating in NHI trainings, please visit the [NHI Web site](#).
