A popular reference book says, “*Initiative* means seeing something that needs to be done and starting it. It means taking the first step rather than waiting for someone else or a “better time.” On Saturday Sept. 22 more than twenty five Soldiers, employees and residents of Camp Parks defined and

embodied Initiative by conducting a Post Clean-Up.

Command Sgt. Maj. Paul J. Yingst who is the Commandant of the Non-Commissioned Officers Academy on Camp Parks (standing on the tailgate), put out the call for a post

clean-up and more twenty five volunteers stepped forward to sacrifice a Saturday morning to serve their community.

The task was completed in about one hour which was planned to be a two hour event. In the end, a “huge mound” of trash, was collected.
