2013 EVENTS

FEBRUARY 24-27, 2013

2013 SOCIETY OF MINING ENGINEERS ANNUAL MEETING AND COLORADO MINING ASSOCIATION 115TH NATIONAL WESTERN MINING CONFERENCE AND EXHIBITION

Description: Mining in Colorado: It's about the People and the jobs.

Topics Covered: This year's conference focuses on the contributions of Colorado's mining industries, the opportunities in mining throughout Colorado and the West, what the industry is doing in terms of public outreach and education, and the challenges the industry faces going forward. A special session will address the industry's and CMA's actions in shaping both state and federal regulations. The final session will address political realities in the era of campaign finance reform and the role of political organizations in the election process.

Target Audience: Mining and resource professionals.

Limited Interest Meeting: Yes

OSM Exhibiting: No

Registration Information: Online only:
