Notice 09-41, Modified Turn Off Date for
WSR-88D Low-Resolution Products

This notice is amended to change the date on which NWS will discontinue the distribution of products in Table 1 below from February 2012 to December 4, 2012. On that date, NWS will cease disseminating the radar products listed in Table 1 via the Radar Product Central Collection Dissemination Service and SBN/NOAAPORT. This delayed date will provide users of these products additional time to transition their software to the higher-resolution products now available.

TABLE 1: WMO Headings for WSR-88D Products that will be discontinued December 4, 2012.
