Subtitle C—Liability Reform

6 SEC. 221. FINDINGS AND PURPOSE.

7 (a) FINDINGS.—

5

8 (1) EFFECT ON HEALTH CARE ACCESS AND 9 COSTS.—Congress finds that our current civil justice 10 system is adversely affecting patient access to health 11 care services, better patient care, and cost-efficient 12 health care, in that the health care liability system 13 is a costly and ineffective mechanism for resolving 14 claims of health care liability and compensating in-15 jured patients, and is a deterrent to the sharing of 16 information among health care professionals which 17 impedes efforts to improve patient safety and quality 18 of care.

19 (2) EFFECT ON INTERSTATE COMMERCE.—
20 Congress finds that the health care and insurance
21 industries are industries affecting interstate com22 merce and the health care liability litigation systems
23 existing throughout the United States are activities
24 that affect interstate commerce by contributing to
25 the high costs of health care and premiums for

	10
1	health care liability insurance purchased by health
2	care system providers.
3	(3) Effect on federal spending.—Con-
4	gress finds that the health care liability litigation
5	systems existing throughout the United States have
6	a significant effect on the amount, distribution, and
7	use of Federal funds because of—
8	(A) the large number of individuals who
9	receive health care benefits under programs op-
10	erated or financed by the Federal Government;
11	(B) the large number of individuals who
12	benefit because of the exclusion from Federal
13	taxes of the amounts spent to provide them
14	with health insurance benefits; and
15	(C) the large number of health care pro-
16	viders who provide items or services for which
17	the Federal Government makes payments.
18	(b) PURPOSE.—It is the purpose of this subtitle to
19	implement reasonable, comprehensive, and effective health
20	care liability reforms designed to—
21	(1) improve the availability of health care serv-
22	ices in cases in which health care liability actions
23	have been shown to be a factor in the decreased
24	availability of services;

(2) reduce the incidence of "defensive medi cine" and lower the cost of health care liability in surance, all of which contribute to the escalation of
 health care costs;
 (2) ensure that persons with mariterious health

5 (3) ensure that persons with meritorious health 6 care injury claims receive fair and adequate com-7 pensation, including reasonable noneconomic dam-8 ages;

9 (4) improve the fairness and cost-effectiveness 10 of our current health care liability system to resolve 11 disputes over, and provide compensation for, health 12 care liability by reducing uncertainty in the amount 13 of compensation provided to injured individuals; and 14 (5) provide an increased sharing of information 15 in the health care system which will reduce unin-16 tended injury and improve patient care.

17 SEC. 222. ENCOURAGING SPEEDY RESOLUTION OF CLAIMS.

18 The time for the commencement of a health care law-19 suit shall be 3 years after the date of manifestation of 20injury or 1 year after the claimant discovers, or through 21 the use of reasonable diligence should have discovered, the 22 injury, whichever occurs first. In no event shall the time 23 for commencement of a health care lawsuit exceed 3 years 24 after the date of manifestation of injury unless tolled for 25 any of the following(1) upon proof of fraud;

1

2 (2) intentional concealment; or

3 (3) the presence of a foreign body, which has no
4 therapeutic or diagnostic purpose or effect, in the
5 person of the injured person.

Actions by a minor shall be commenced within 3 years 6 7 from the date of the alleged manifestation of injury except 8 that actions by a minor under the full age of 6 years shall 9 be commenced within 3 years of manifestation of injury 10 or prior to the minor's 8th birthday, whichever provides a longer period. Such time limitation shall be tolled for 11 12 minors for any period during which a parent or guardian 13 and a health care provider or health care organization have committed fraud or collusion in the failure to bring 14 15 an action on behalf of the injured minor.

16 SEC. 223. COMPENSATING PATIENT INJURY.

(a) UNLIMITED AMOUNT OF DAMAGES FOR ACTUAL
ECONOMIC LOSSES IN HEALTH CARE LAWSUITS.—In any
health care lawsuit, nothing in this subtitle shall limit a
claimant's recovery of the full amount of the available economic damages, notwithstanding the limitation in subsection (b).

(b) ADDITIONAL NONECONOMIC DAMAGES.—In any
health care lawsuit, the amount of noneconomic damages,
if available, may be as much as \$250,000, regardless of

the number of parties against whom the action is brought
 or the number of separate claims or actions brought with
 respect to the same injury.

4 (c) NO DISCOUNT OF AWARD FOR NONECONOMIC 5 DAMAGES.—For purposes of applying the limitation in subsection (b), future noneconomic damages shall not be 6 7 discounted to present value. The jury shall not be in-8 formed about the maximum award for noneconomic dam-9 ages. An award for noneconomic damages in excess of 10 \$250,000 shall be reduced either before the entry of judgment, or by amendment of the judgment after entry of 11 judgment, and such reduction shall be made before ac-12 13 counting for any other reduction in damages required by law. If separate awards are rendered for past and future 14 15 noneconomic damages and the combined awards exceed \$250,000, the future noneconomic damages shall be re-16 17 duced first.

18 (d) FAIR SHARE RULE.—In any health care lawsuit, 19 each party shall be liable for that party's several share 20 of any damages only and not for the share of any other 21 person. Each party shall be liable only for the amount of 22 damages allocated to such party in direct proportion to 23 such party's percentage of responsibility. Whenever a 24 judgment of liability is rendered as to any party, a sepa-25 rate judgment shall be rendered against each such party for the amount allocated to such party. For purposes of
 this section, the trier of fact shall determine the propor tion of responsibility of each party for the claimant's
 harm.

5 SEC. 224. MAXIMIZING PATIENT RECOVERY.

6 (a) Court Supervision of Share of Damages 7 ACTUALLY PAID TO CLAIMANTS.—In any health care law-8 suit, the court shall supervise the arrangements for pay-9 ment of damages to protect against conflicts of interest 10 that may have the effect of reducing the amount of damages awarded that are actually paid to claimants. In par-11 ticular, in any health care lawsuit in which the attorney 12 13 for a party claims a financial stake in the outcome by virtue of a contingent fee, the court shall have the power 14 15 to restrict the payment of a claimant's damage recovery to such attorney, and to redirect such damages to the 16 17 claimant based upon the interests of justice and principles of equity. In no event shall the total of all contingent fees 18 for representing all claimants in a health care lawsuit ex-19 ceed the following limits: 20

- 21 (1) Forty percent of the first \$50,000 recovered
 22 by the claimant(s).
- 23 (2) Thirty-three and one-third percent of the
 24 next \$50,000 recovered by the claimant(s).

(3) Twenty-five percent of the next \$500,000
 recovered by the claimant(s).

3 (4) Fifteen percent of any amount by which the 4 recovery by the claimant(s) is in excess of 600,000. 5 (b) APPLICABILITY.—The limitations in this section shall apply whether the recovery is by judgment, settle-6 7 ment, mediation, arbitration, or any other form of alter-8 native dispute resolution. In a health care lawsuit involv-9 ing a minor or incompetent person, a court retains the 10 authority to authorize or approve a fee that is less than the maximum permitted under this section. The require-11 12 ment for court supervision in the first two sentences of 13 subsection (a) applies only in civil actions.

14 SEC. 225. ADDITIONAL HEALTH BENEFITS.

15 In any health care lawsuit involving injury or wrongful death, any party may introduce evidence of collateral 16 17 source benefits. If a party elects to introduce such evi-18 dence, any opposing party may introduce evidence of any 19 amount paid or contributed or reasonably likely to be paid 20 or contributed in the future by or on behalf of the oppos-21 ing party to secure the right to such collateral source bene-22 fits. No provider of collateral source benefits shall recover 23 any amount against the claimant or receive any lien or 24 credit against the claimant's recovery or be equitably or 25 legally subrogated to the right of the claimant in a health

20

care lawsuit involving injury or wrongful death. This sec tion shall apply to any health care lawsuit that is settled
 as well as a health care lawsuit that is resolved by a fact
 finder. This section shall not apply to section 1862(b) (42
 U.S.C. 1395y(b)) or section 1902(a)(25) (42 U.S.C.
 1396a(a)(25)) of the Social Security Act.

7 SEC. 226. PUNITIVE DAMAGES.

8 (a) IN GENERAL.—Punitive damages may, if other-9 wise permitted by applicable State or Federal law, be 10 awarded against any person in a health care lawsuit only if it is proven by clear and convincing evidence that such 11 person acted with malicious intent to injure the claimant, 12 13 or that such person deliberately failed to avoid unnecessary injury that such person knew the claimant was sub-14 15 stantially certain to suffer. In any health care lawsuit where no judgment for compensatory damages is rendered 16 17 against such person, no punitive damages may be awarded 18 with respect to the claim in such lawsuit. No demand for punitive damages shall be included in a health care lawsuit 19 20as initially filed. A court may allow a claimant to file an 21 amended pleading for punitive damages only upon a mo-22 tion by the claimant and after a finding by the court, upon 23 review of supporting and opposing affidavits or after a 24 hearing, after weighing the evidence, that the claimant has 25 established by a substantial probability that the claimant will prevail on the claim for punitive damages. At the re quest of any party in a health care lawsuit, the trier of
 fact shall consider in a separate proceeding—

- 4 (1) whether punitive damages are to be award-5 ed and the amount of such award; and
- 6 (2) the amount of punitive damages following a7 determination of punitive liability.

8 If a separate proceeding is requested, evidence relevant
9 only to the claim for punitive damages, as determined by
10 applicable State law, shall be inadmissible in any pro11 ceeding to determine whether compensatory damages are
12 to be awarded.

13 (b) DETERMINING AMOUNT OF PUNITIVE DAM-14 AGES.—

(1) FACTORS CONSIDERED.—In determining
the amount of punitive damages, if awarded, in a
health care lawsuit, the trier of fact shall consider
only the following—

(A) the severity of the harm caused by theconduct of such party;

21 (B) the duration of the conduct or any22 concealment of it by such party;

23 (C) the profitability of the conduct to such24 party;

1	(D) the number of products sold or med-
2	ical procedures rendered for compensation, as
3	the case may be, by such party, of the kind
4	causing the harm complained of by the claim-
5	ant;
6	(E) any criminal penalties imposed on such
7	party, as a result of the conduct complained of
8	by the claimant; and
9	(F) the amount of any civil fines assessed
10	against such party as a result of the conduct
11	complained of by the claimant.
12	(2) MAXIMUM AWARD.—The amount of punitive
13	damages, if awarded, in a health care lawsuit may
14	be as much as $$250,000$ or as much as two times
15	the amount of economic damages awarded, which-
16	ever is greater. The jury shall not be informed of
17	this limitation.
18	(c) NO PUNITIVE DAMAGES FOR PRODUCTS THAT
19	Comply With FDA Standards.—
20	(1) IN GENERAL.—
21	(A) No punitive damages may be awarded
22	against the manufacturer or distributor of a
23	medical product, or a supplier of any compo-
24	nent or raw material of such medical product,

based on a claim that such product caused the
claimant's harm where—
(i)(I) such medical product was sub-
ject to premarket approval, clearance, or li-
censure by the Food and Drug Administra-
tion with respect to the safety of the for-
mulation or performance of the aspect of
such medical product which caused the
claimant's harm or the adequacy of the
packaging or labeling of such medical
product; and
(II) such medical product was so ap-
proved, cleared, or licensed; or
(ii) such medical product is generally
recognized among qualified experts as safe
and effective pursuant to conditions estab-
lished by the Food and Drug Administra-
tion and applicable Food and Drug Admin-
istration regulations, including without
limitation those related to packaging and
labeling, unless the Food and Drug Admin-
istration has determined that such medical
product was not manufactured or distrib-
uted in substantial compliance with appli-

1	cable Food and Drug Administration stat-
2	utes and regulations.
3	(B) RULE OF CONSTRUCTION.—Subpara-
4	graph (A) may not be construed as establishing
5	the obligation of the Food and Drug Adminis-
6	tration to demonstrate affirmatively that a
7	manufacturer, distributor, or supplier referred
8	to in such subparagraph meets any of the con-
9	ditions described in such subparagraph.
10	(2) LIABILITY OF HEALTH CARE PROVIDERS.—
11	A health care provider who prescribes, or who dis-
12	penses pursuant to a prescription, a medical product
13	approved, licensed, or cleared by the Food and Drug
14	Administration shall not be named as a party to a
15	product liability lawsuit involving such product and
16	shall not be liable to a claimant in a class action
17	lawsuit against the manufacturer, distributor, or
18	seller of such product. Nothing in this paragraph
19	prevents a court from consolidating cases involving
20	health care providers and cases involving products li-
21	ability claims against the manufacturer, distributor,
22	or product seller of such medical product.
23	(3) PACKAGING.—In a health care lawsuit for
24	harm which is alleged to relate to the adequacy of

25 the packaging or labeling of a drug which is required

1	to have tamper-resistant packaging under regula-
2	tions of the Secretary of Health and Human Serv-
3	ices (including labeling regulations related to such
4	packaging), the manufacturer or product seller of
5	the drug shall not be held liable for punitive dam-
6	ages unless such packaging or labeling is found by
7	the trier of fact by clear and convincing evidence to
8	be substantially out of compliance with such regula-
9	tions.
10	(4) EXCEPTION.—Paragraph (1) shall not
11	apply in any health care lawsuit in which—
12	(A) a person, before or after premarket ap-
13	proval, clearance, or licensure of such medical
14	product, knowingly misrepresented to or with-
15	held from the Food and Drug Administration
16	information that is required to be submitted
17	under the Federal Food, Drug, and Cosmetic
18	Act (21 U.S.C. 301 et seq.) or section 351 of
19	the Public Health Service Act (42 U.S.C. 262)
20	that is material and is causally related to the
21	harm which the claimant allegedly suffered;
22	(B) a person made an illegal payment to
23	an official of the Food and Drug Administra-
24	tion for the purpose of either securing or main-

1	taining approval, clearance, or licensure of such
2	medical product; or
3	(C) the defendant caused the medical prod-
4	uct which caused the claimant's harm to be
5	misbranded or adulterated (as such terms are
6	used in chapter V of the Federal Food, Drug,
7	and Cosmetic Act (21 U.S.C. 351 et seq.)).
8	SEC. 227. AUTHORIZATION OF PAYMENT OF FUTURE DAM-
9	AGES TO CLAIMANTS IN HEALTH CARE LAW-
10	SUITS.
11	(a) IN GENERAL.—In any health care lawsuit, if an
12	award of future damages, without reduction to present
13	value, equaling or exceeding \$50,000 is made against a
14	party with sufficient insurance or other assets to fund a
15	periodic payment of such a judgment, the court shall, at
16	the request of any party, enter a judgment ordering that
17	the future damages be paid by periodic payments, in ac-
18	cordance with the Uniform Periodic Payment of Judg-
19	ments Act promulgated by the National Conference of
20	Commissioners on Uniform State Laws.
21	(b) Applicability.—This section applies to all ac-

6	SEC. 321. SHORT TITLE.
7	This subtitle may be cited as the "HAMP Termi-
8	nation Act of 2012".
9	SEC. 322. CONGRESSIONAL FINDINGS.
10	The Congress finds the following:
11	(1) According to the Department of the Treas-
12	ury—
13	(A) the Home Affordable Modification Pro-
14	gram (HAMP) is designed to "help as many as
15	3 to 4 million financially struggling homeowners
16	avoid foreclosure by modifying loans to a level
17	that is affordable for borrowers now and sus-
18	tainable over the long term"; and
19	(B) as of February 2012, only 782,609 ac-
20	tive permanent mortgage modifications were
21	made under HAMP.
22	(2) Many homeowners whose HAMP modifica-
23	tions were canceled suffered because they made fu-
24	tile payments and some of those homeowners were
25	even forced into foreclosure.

1	(3) The Special Inspector General for TARP
2	reported that HAMP "benefits only a small portion
3	of distressed homeowners, offers others little more
4	than false hope, and in certain cases causes more
5	harm than good".
6	(4) Approximately \$30 billion was obligated by
7	the Department of the Treasury to HAMP, however,
8	approximately only \$2.54 billion has been disbursed.
9	(5) Terminating HAMP would save American
10	taxpayers approximately \$2.84 billion, according to
11	the Congressional Budget Office.
12	SEC. 323. TERMINATION OF AUTHORITY.
13	Section 120 of the Emergency Economic Stabilization

25	behalf of any homeowner.

1	"(2) PROTECTION OF EXISTING OBLIGATIONS
2	ON BEHALF OF HOMEOWNERS ALREADY EXTENDED
3	AN OFFER TO PARTICIPATE IN THE PROGRAM.—
4	Paragraph (1) shall not apply with respect to assist-

19	and should be used only for reducing the budg-
20	et deficit of the Federal Government.
21	"(B) IDENTIFICATION OF UNOBLIGATED
22	FUNDS.—The amounts described in this sub-
23	paragraph are any amounts made available
24	under title I of the Emergency Economic Sta-
25	bilization Act of 2008 that—

	10
1	"(i) have been allocated for use, but
2	not yet obligated as of the date of the en-
3	actment of this subsection, under the
4	Home Affordable Modification Program of
5	the Secretary; and
6	"(ii) are not necessary for providing
7	assistance under such Program on behalf
8	of homeowners who, pursuant to para-
9	graph (2), may be provided assistance
10	after the date of the enactment of this sub-

Council shall develop and submit to the Administrator and the Congress proposed new mapping

standards for 100-year flood insurance rate maps
 used under the national flood insurance program
 under the National Flood Insurance Act of 1968. In
 developing such proposed standards the Council
 shall—

6 (A) ensure that the flood insurance rate maps reflect true risk, including graduated risk 7 8 that better reflects the financial risk to each 9 property; such reflection of risk should be at 10 the smallest geographic level possible (but not 11 necessarily property-by-property) to ensure that 12 communities are mapped in a manner that 13 takes into consideration different risk levels 14 within the community;

(B) ensure the most efficient generation,
display, and distribution of flood risk data,
models, and maps where practicable through
dynamic digital environments using spatial
database technology and the Internet;

20 (C) ensure that flood insurance rate maps
21 reflect current hydrologic and hydraulic data,
22 current land use, and topography, incorporating
23 the most current and accurate ground and
24 bathymetric elevation data;

(D) determine the best ways to include in such flood insurance rate maps levees, decertified levees, and areas located below dams, including determining a methodology for ensuring that decertified levees and other protections are included in flood insurance rate maps and their corresponding flood zones reflect the level of protection conferred;

9 (E) consider how to incorporate restored 10 wetlands and other natural buffers into flood 11 insurance rate maps, which may include wet-12 lands, groundwater recharge areas, erosion 13 zones, meander belts, endangered species habi-14 tat, barrier islands and shoreline buffer fea-15 tures, riparian forests, and other features;

16 (F) consider whether to use vertical posi17 tioning (as defined by the Administrator) for
18 flood insurance rate maps;

(G) ensure that flood insurance rate maps
differentiate between a property that is located
in a flood zone and a structure located on such
property that is not at the same risk level for
flooding as such property due to the elevation
of the structure;

1

2

3

4

5

6

7

1 (H) ensure that flood insurance rate maps 2 take into consideration the best scientific data 3 and potential future conditions (including pro-4 jections for sea level rise); and 5 (I) consider how to incorporate the new 6 standards proposed pursuant to this paragraph 7 in existing mapping efforts.

8 (2) ONGOING DUTIES.—The Council shall, on 9 an ongoing basis, review the mapping protocols de-10 veloped pursuant to paragraph (1), and make rec-11 ommendations to the Administrator when the Coun-12 cil determines that mapping protocols should be al-13 tered.

14 MEETINGS.—In carrying out its duties (3)15 under this section, the Council shall consult with 16 stakeholders through at least 4 public meetings an-17 nually, and shall seek input of all stakeholder inter-18 ests including State and local representatives, envi-19 ronmental and conservation organizations, insurance 20 industry representatives, advocacy groups, planning 21 organizations, and mapping organizations.

(d) PROHIBITION ON COMPENSATION.—Members of
the Council shall receive no additional compensation by
reason of their service on the Council.

(e) CHAIRPERSON.—The Administrator shall serve as
 the Chairperson of the Council.

3 (f) Staff.—

5 the Administrator may detail, on a nonreimbursable
6 basis, personnel of the Federal Emergency Manage7 ment Agency to assist the Council in carrying out its
8 duties.

9 (2) OTHER FEDERAL AGENCIES.—Upon request 10 of the Council, any other Federal agency that is a 11 member of the Council may detail, on a non-reim-12 bursable basis, personnel to assist the Council in 13 carrying out its duties.

(g) POWERS.—In carrying out this section, the Council may hold hearings, receive evidence and assistance, provide information, and conduct research, as the Council
considers appropriate.

18 (h) TERMINATION.—The Council shall terminate19 upon the expiration of the 5-year period beginning on the20 date of the enactment of this Act.

21 (i) MORATORIUM ON FLOOD MAP CHANGES.—

(1) MORATORIUM.—Except as provided in paragraph (2) and notwithstanding any other provision
of this subtitle, the National Flood Insurance Act of
1968, or the Flood Disaster Protection Act of 1973,

1 during the period beginning upon the date of the en-2 actment of this Act and ending upon the submission by the Council to the Administrator and the Con-3 4 gress of the proposed new mapping standards required under subsection (c)(1), the Administrator 5 6 may not make effective any new or updated rate maps for flood insurance coverage under the na-7 8 tional flood insurance program that were not in ef-9 fect for such program as of such date of enactment, 10 or otherwise revise, update, or change the flood in-11 surance rate maps in effect for such program as of 12 such date.

(2) LETTERS OF MAP CHANGE.—During the period described in paragraph (1), the Administrator
may revise, update, and change the flood insurance
rate maps in effect for the national flood insurance

18-month period beginning on the date of the enactment
of this Act, the Administrator of the Federal Emergency

an incentive in lower premium rates for flood insurance coverage under such Act for structures meeting
whichever of such widely used and nationally recognized building code or any applicable local building
code provides greater protection from flood damage;

(7) the impact of such a building code require ment on rural communities with different building
 code challenges than more urban environments; and
 (8) the impact of such a building code require ment on Indian reservations.

6 SEC. 371. STUDY ON GRADUATED RISK.

7 (a) STUDY.—The National Academy of Sciences shall
8 conduct a study exploring methods for understanding
9 graduated risk behind levees and the associated land de10 velopment, insurance, and risk communication dimensions,
11 which shall—

the loss estimate, including geotechnical engineering,
flood frequency estimates, economic value, and direct
damages;

(3) research, review, and identify current best
floodplain management and land use practices behind levees that effectively balance social, economic,

1	and environmental considerations as part of an over-
2	all flood risk management strategy;
3	(4) identify examples where such practices have
4	proven effective and recommend methods and proc-

8	and evolving judicial opinions;
9	(5) research, review, and identify a variety of
10	flood insurance pricing options for flood hazards be-
11	hind levees which are actuarially sound and based on
12	the flood risk data developed using the top three
13	best value approaches identified pursuant to para-
14	graph $(1);$
15	(6) evaluate and recommend methods to reduce
16	insurance costs through creative arrangements be-
17	tween insureds and insurers while keeping a clear
18	accounting of how much financial risk is being borne
19	by various parties such that the entire risk is ac-
20	counted for, including establishment of explicit limits
21	on disaster aid or other assistance in the event of a
22	flood; and
23	(7) taking into consideration the recommenda-
24	tions pursuant to paragraphs (1) through (3), rec-

1**TITLE IV—COMMITTEE ON THE**2**JUDICIARY**

3 SEC. 401. SHORT TITLE.

This title may be cited as the "Help Efficient, Accessible, Low-cost, Timely Healthcare (HEALTH) Act of
2011".

7 SEC. 402. ENCOURAGING SPEEDY RESOLUTION OF CLAIMS.

8 The time for the commencement of a health care law-9 suit shall be 3 years after the date of manifestation of 10 injury or 1 year after the claimant discovers, or through 11 the use of reasonable diligence should have discovered, the injury, whichever occurs first. In no event shall the time 12 13 for commencement of a health care lawsuit exceed 3 years 14 after the date of manifestation of injury unless tolled for any of the following— 15

- 16 (1) upon proof of fraud;
- 17 (2) intentional concealment; or
- (3) the presence of a foreign body, which has no
 therapeutic or diagnostic purpose or effect, in the
 person of the injured person.

Actions by a minor shall be commenced within 3 years
from the date of the alleged manifestation of injury except
that actions by a minor under the full age of 6 years shall
be commenced within 3 years of manifestation of injury
or prior to the minor's 8th birthday, whichever provides

a longer period. Such time limitation shall be tolled for
 minors for any period during which a parent or guardian
 and a health care provider or health care organization
 have committed fraud or collusion in the failure to bring
 an action on behalf of the injured minor.

6 SEC. 403. COMPENSATING PATIENT INJURY.

7 (a) UNLIMITED AMOUNT OF DAMAGES FOR ACTUAL
8 ECONOMIC LOSSES IN HEALTH CARE LAWSUITS.—In any
9 health care lawsuit, nothing in this title shall limit a claim10 ant's recovery of the full amount of the available economic
11 damages, notwithstanding the limitation in subsection (b).

12 (b) ADDITIONAL NONECONOMIC DAMAGES.—In any 13 health care lawsuit, the amount of noneconomic damages, 14 if available, may be as much as \$250,000, regardless of 15 the number of parties against whom the action is brought 16 or the number of separate claims or actions brought with 17 respect to the same injury.

18 (c) NO DISCOUNT OF AWARD FOR NONECONOMIC 19 DAMAGES.—For purposes of applying the limitation in 20subsection (b), future noneconomic damages shall not be 21 discounted to present value. The jury shall not be in-22 formed about the maximum award for noneconomic dam-23 ages. An award for noneconomic damages in excess of 24 \$250,000 shall be reduced either before the entry of judg-25 ment, or by amendment of the judgment after entry of judgment, and such reduction shall be made before ac counting for any other reduction in damages required by
 law. If separate awards are rendered for past and future
 noneconomic damages and the combined awards exceed
 \$250,000, the future noneconomic damages shall be re duced first.

7 (d) FAIR SHARE RULE.—In any health care lawsuit, 8 each party shall be liable for that party's several share 9 of any damages only and not for the share of any other 10 person. Each party shall be liable only for the amount of 11 damages allocated to such party in direct proportion to 12 such party's percentage of responsibility. Whenever a 13 judgment of liability is rendered as to any party, a separate judgment shall be rendered against each such party 14 15 for the amount allocated to such party. For purposes of this section, the trier of fact shall determine the propor-16 tion of responsibility of each party for the claimant's 17 18 harm.

19 SEC. 404. MAXIMIZING PATIENT RECOVERY.

(a) COURT SUPERVISION OF SHARE OF DAMAGES
ACTUALLY PAID TO CLAIMANTS.—In any health care lawsuit, the court shall supervise the arrangements for payment of damages to protect against conflicts of interest
that may have the effect of reducing the amount of damages awarded that are actually paid to claimants. In par-

ticular, in any health care lawsuit in which the attorney 1 2 for a party claims a financial stake in the outcome by vir-3 tue of a contingent fee, the court shall have the power 4 to restrict the payment of a claimant's damage recovery 5 to such attorney, and to redirect such damages to the claimant based upon the interests of justice and principles 6 7 of equity. In no event shall the total of all contingent fees 8 for representing all claimants in a health care lawsuit ex-9 ceed the following limits: 10 (1) Forty percent of the first \$50,000 recovered 11 by the claimant(s). 12 (2) Thirty-three and one-third percent of the 13 next \$50,000 recovered by the claimant(s). 14 (3) Twenty-five percent of the next \$500,000 15 recovered by the claimant(s). 16 (4) Fifteen percent of any amount by which the 17 recovery by the claimant(s) is in excess of \$600,000. 18 (b) APPLICABILITY.—The limitations in this section 19 shall apply whether the recovery is by judgment, settlement, mediation, arbitration, or any other form of alter-2021 native dispute resolution. In a health care lawsuit involv-22 ing a minor or incompetent person, a court retains the 23 authority to authorize or approve a fee that is less than 24 the maximum permitted under this section. The require1 ment for court supervision in the first two sentences of2 subsection (a) applies only in civil actions.

3 SEC. 405. PUNITIVE DAMAGES.

4 (a) IN GENERAL.—Punitive damages may, if other-5 wise permitted by applicable State or Federal law, be awarded against any person in a health care lawsuit only 6 7 if it is proven by clear and convincing evidence that such 8 person acted with malicious intent to injure the claimant, 9 or that such person deliberately failed to avoid unneces-10 sary injury that such person knew the claimant was substantially certain to suffer. In any health care lawsuit 11 12 where no judgment for compensatory damages is rendered 13 against such person, no punitive damages may be awarded with respect to the claim in such lawsuit. No demand for 14 15 punitive damages shall be included in a health care lawsuit as initially filed. A court may allow a claimant to file an 16 17 amended pleading for punitive damages only upon a mo-18 tion by the claimant and after a finding by the court, upon review of supporting and opposing affidavits or after a 19 hearing, after weighing the evidence, that the claimant has 2021 established by a substantial probability that the claimant 22 will prevail on the claim for punitive damages. At the re-23 quest of any party in a health care lawsuit, the trier of 24 fact shall consider in a separate proceeding—

1	(1) whether punitive damages are to be award-
2	ed and the amount of such award; and
3	(2) the amount of punitive damages following a
4	determination of punitive liability.
5	If a separate proceeding is requested, evidence relevant
6	only to the claim for punitive damages, as determined by
7	applicable State law, shall be inadmissible in any pro-
8	ceeding to determine whether compensatory damages are
9	to be awarded.
10	(b) Determining Amount of Punitive Dam-
11	AGES.—
12	(1) Factors considered.—In determining
13	the amount of punitive damages, if awarded, in a
14	health care lawsuit, the trier of fact shall consider
15	only the following—
16	(A) the severity of the harm caused by the
17	conduct of such party;
18	(B) the duration of the conduct or any
19	concealment of it by such party;
20	(C) the profitability of the conduct to such
21	party;
22	(D) the number of products sold or med-
23	ical procedures rendered for compensation, as
24	the case may be, by such party, of the kind

	100
1	causing the harm complained of by the claim-
2	ant;
3	(E) any criminal penalties imposed on such
4	party, as a result of the conduct complained of
5	by the claimant; and
6	(F) the amount of any civil fines assessed
7	against such party as a result of the conduct
8	complained of by the claimant.
9	(2) MAXIMUM AWARD.—The amount of punitive
10	damages, if awarded, in a health care lawsuit may
11	be as much as $$250,000$ or as much as two times
12	the amount of economic damages awarded, which-
13	ever is greater. The jury shall not be informed of
14	this limitation.
15	(c) NO PUNITIVE DAMAGES FOR PRODUCTS THAT
16	Comply With FDA Standards.—
17	(1) IN GENERAL.—
18	(A) No punitive damages may be awarded
19	against the manufacturer or distributor of a
20	medical product, or a supplier of any compo-
21	nent or raw material of such medical product,
22	based on a claim that such product caused the
23	claimant's harm where—
24	(i)(I) such medical product was sub-
25	ject to premarket approval, clearance, or li-

1	censure by the Food and Drug Administra-
2	tion with respect to the safety of the for-
3	mulation or performance of the aspect of
4	such medical product which caused the
5	claimant's harm or the adequacy of the
6	packaging or labeling of such medical
7	product; and
8	(II) such medical product was so ap-
9	proved, cleared, or licensed; or
10	(ii) such medical product is generally
11	recognized among qualified experts as safe
11	and effective pursuant to conditions estab-
12	lished by the Food and Drug Administra-
13	, c
	tion and applicable Food and Drug Admin-
15	istration regulations, including without
16	limitation those related to packaging and
17	labeling, unless the Food and Drug Admin-
18	istration has determined that such medical
19	product was not manufactured or distrib-
20	uted in substantial compliance with appli-
21	cable Food and Drug Administration stat-
22	utes and regulations.
23	(B) RULE OF CONSTRUCTION.—Subpara-
24	graph (A) may not be construed as establishing
25	the obligation of the Food and Drug Adminis-

tration to demonstrate affirmatively that a manufacturer, distributor, or supplier referred to in such subparagraph meets any of the conditions described in such subparagraph.

5 (2) LIABILITY OF HEALTH CARE PROVIDERS.— 6 A health care provider who prescribes, or who dis-7 penses pursuant to a prescription, a medical product 8 approved, licensed, or cleared by the Food and Drug 9 Administration shall not be named as a party to a 10 product liability lawsuit involving such product and 11 shall not be liable to a claimant in a class action 12 lawsuit against the manufacturer, distributor, or 13 seller of such product. Nothing in this paragraph 14 prevents a court from consolidating cases involving 15 health care providers and cases involving products li-16 ability claims against the manufacturer, distributor, 17 or product seller of such medical product.

18 (3) PACKAGING.—In a health care lawsuit for 19 harm which is alleged to relate to the adequacy of 20 the packaging or labeling of a drug which is required 21 to have tamper-resistant packaging under regula-22 tions of the Secretary of Health and Human Serv-23 ices (including labeling regulations related to such 24 packaging), the manufacturer or product seller of 25 the drug shall not be held liable for punitive dam-

1 ages unless such packaging or labeling is found by 2 the trier of fact by clear and convincing evidence to 3 be substantially out of compliance with such regulations. 4 EXCEPTION.—Paragraph (1) 5 (4)shall not 6 apply in any health care lawsuit in which— 7 (A) a person, before or after premarket ap-8 proval, clearance, or licensure of such medical 9 product, knowingly misrepresented to or with-10 held from the Food and Drug Administration 11 information that is required to be submitted 12 under the Federal Food, Drug, and Cosmetic 13 Act (21 U.S.C. 301 et seq.) or section 351 of 14 the Public Health Service Act (42 U.S.C. 262) 15 that is material and is causally related to the 16 harm which the claimant allegedly suffered 17 (B) a person made an illegal payment to 18 an official of the Food and Drug Administra-19 tion for the purpose of either securing or main-20 taining approval, clearance, or licensure of such 21 medical product; or 22 (C) the defendant caused the medical prod-

(C) the defendant caused the medical product which caused the claimant's harm to be
misbranded or adulterated (as such terms are

1	used in chapter V of the Federal Food, Drug,
2	and Cosmetic Act (21 U.S.C. 351 et seq.)).
3	SEC. 406. AUTHORIZATION OF PAYMENT OF FUTURE DAM-
4	AGES TO CLAIMANTS IN HEALTH CARE LAW-
5	SUITS.
6	(a) IN GENERAL.—In any health care lawsuit, if an
7	award of future damages, without reduction to present

value, equaling or exceeding \$50,000 is made against a 8 9 party with sufficient insurance or other assets to fund a 10 periodic payment of such a judgment, the court shall, at the request of any party, enter a judgment ordering that 11 12 the future damages be paid by periodic payments, in ac-13 cordance with the Uniform Periodic Payment of Judgments Act promulgated by the National Conference of 14 15 Commissioners on Uniform State Laws.

(b) APPLICABILITY.—This section applies to all actions which have not been first set for trial or retrial before the effective date of this title.

19 SEC. 407. DEFINITIONS.
