

## 2012 E-Monitor: New Hampshire Primaries

---

Countdown to January 10, 2012

December 19, 2012

Just a week after voting ends in the Iowa Caucuses, the campaign for the Republican presidential nomination moves to New Hampshire, where for nearly 100 years voters have launched presidential campaigns with its first-in-the-nation primary contest.

Journalists traveling to New Hampshire should note: There is **no** special credential required to cover election activities. Use this guide to find polling places and rallies, and contact campaigns individually to cover their election-night events.
