

EARTH DAY

REDUCE • RECYCLE • RE-PURPOSE • RECOVER

4.5 TONS OF E-WASTE COLLECTED!

On April 20, Camp Parks Department of Public Works environmental section conducted an Earth Day expo to highlight the Camp's efforts to going green.

Several displays demonstrating ways to Reduce, Recycle, Re-purpose and Recover (4R) were provided by the DPW, Oakland Zoo, Camp Parks Moral, Welfare and Recreation, PG&E, Dublin Nissan and Dublin Honda.

Also, the E-waste campaign to help units to properly dispose of electronic waste was a resounding success. The total for all E-waste Turn-ins was 9,062 pounds.

First in their efforts was WARISC who turned in 6,178 lbs. Camp Parks lodging turned in 941 lbs and the Fire Department turned in 727 lbs. The balance of 1,216 lbs was from individual turn-ins.

Turn in of E-waste can be done anytime and the environmental section of the DPW can be [contacted for information](#) on recycling, removal of hazardous materials and establishing a unit 4R program.
