

Welcome Back 2012-2013 Grafenwoehr ES

On a cool 27 AUG morning, parents waved good bye to their sons and daughters as we ushered in a new school year.

Students were welcomed to the school by Army Soldiers, who wished them well in the new school year while passing out a good luck pencil.

As the day moved forward, students and teachers were able to get to know each other as the framework for this school year was established.

Mission was complete for day one at 14:40 and anticipation awaits for many exciting events this school year!
