

PATRIOT'S DAY 2012

GRAFENWOEHR GERMANY

Fourth and fifth grade Grafenwoehr Grizzlies were invited to participate in an event that marked the 11th anniversary of the terrorist attacks on America on September 11, 2001. The event took place at the flag poles in front of JMTC Headquarters. Students led the observers in reciting the Pledge of Allegiance and singing "God Bless America."

Those who lived through the events of September 11, 2001 will always remember the impact it had on our lives. For our youngsters who did not live through those events, we teach them the history so they will never forget.
