Anniversary Narrows Hike

Anniversary Narrows is as beautiful a slot canyon as any on Earth. The tilted sedimentary rock layers paint beautiful lines throughout the canyon. Sparkling deposits of gypsum and faded remnants of old mines punctuate the surrounding landscape. The final 0.4-mile stretch weaves through a tight corridor of pinched rock walls, requiring a few non-technical boulder scrambles. Bring water and pack a lunch. Adventure departs at 0900 hours and returns about 1600 hours. Cost \$5.00.
