

April 7, 2008

Gibb Vinson, Acting Head
Radioactive Materials Section
IL Emergency Management Agency
Division of Nuclear Safety
1035 Outer Park Drive
Springfield, IL 62704

Dear Mr. Vinson:

We have reviewed the Illinois legally binding requirements that were submitted to address the Order Imposing Fingerprinting and Criminal History Records Check Requirements for Unescorted Access to Certain Radioactive Material received by our office on February 27, 2008. These legally binding requirements were reviewed by comparison to the equivalent NRC Order EA-07-305 and the requirements of the one amendment identified in the enclosed State's Regulation Status (SRS) Data Sheet. We discussed our review of the legally binding requirements with you on April 1, 2008.

As a result of our review, we have no comments. We have determined that the Illinois legally binding requirements meet the compatibility and health and safety categories established in the Office of Federal and State Materials and Environmental Management Programs (FSME) Procedure [SA-200](#).

The SRS Data Sheet summarizes our knowledge of the status of other Illinois regulations and legally binding requirements, as indicated. Please let us know if you note any inaccuracies, or have any comments on the information contained in the SRS Data Sheet. This letter, including the SRS Data Sheet, is posted on the FSME website:
<http://www.hsrdrnrc.gov/nrc/rulemaking.htm>.

If you have any questions regarding the review results, the compatibility and health and safety categories, or any of the NRC regulations used in the review, please contact Kathleen Schneider, State Regulation Review Coordinator at (301) 415-2320 (email: kxs@nrc.gov) or Monica Orendi at (301) 415-3938 (email: mlo1@nrc.gov).

Sincerely,

**\ RA by ADWhite for **

Robert J. Lewis, Director
Division of Materials Safety and State Agreements
