

February 17, 2010

Valeria Anne Gray, Esq.  
Deputy Attorney General  
Office of the Attorney General  
Department of Law and Public Safety  
Division of Law  
25 Market Street  
PO Box 093  
Trenton, New Jersey 08625-0093

Dear Ms Gray:

This letter is in response to Ms. Milgram's January 8, 2010 letter regarding the appropriateness of New Jersey's adoption by reference of 10 CFR 30.7, Employee Protection. As we discussed on January 25, 2010, the requirements in 10 CFR 30.7 are classified as Compatibility Category D, which are NRC program elements that do not meet any of the Criteria of Category A, B, or C as noted in Management Directive 5.9, *Adequacy and Compatibility of Agreement State Programs* (see <http://www.nrc.gov/reading-rm/doc-collections/management-directives/volumes/vol-5.html>) and do not need to be adopted by Agreement States for purposes of compatibility.

The complete listing of NRC regulations and their compatibility categories required for adoption by Agreement States can be found on the Federal and State Materials and Environmental Management Programs website Regulation Toolbox: Review Summary Sheets for Regulation Adoption for New Agreement States/Programs [http://nrc-stp.ornl.gov/regsumsheets\\_newregs.html](http://nrc-stp.ornl.gov/regsumsheets_newregs.html). The requirements for Part 30 are posted at <http://nrc-stp.ornl.gov/regulationtoolbox/10cfr30.pdf>.

If you have any additional questions regarding the compatibility and health and safety categories, or any of the NRC regulations please contact me at (301) 415-2320 ([kathleen.schneider@nrc.gov](mailto:kathleen.schneider@nrc.gov)).

Sincerely,

*/RA/*
