This page is intentionally left blank.

This section of the Sign and Graphic Design Guide is comprised of signs that are **REQUIRED** to be posted by VA Policy Directive.

The text on each sign is specific and is not open to modification or revisions. Placement of the signs is also specifically directed in the Policy Directive.

This page is intentionally left blank.

MANDATORY POLICY SIGN DESIGNATIONS

Each sign in the program guide has been given a specific sign type number designation. This designation provides a common description that can be referenced when programming a site and ordering signs. The following explains how the sign type designations are derived:

IN - 02.03 A

I Designates an interior sign.

N Identifies the sign is non-illuminated.

02 Two digit number identifies a particular sign type family.

.03 The two digit number, following the period, identifies a specific sign within the sign family.

A The letter designates a specific sign configuration, version and/or layout for graphics.

Security Notice Sign

The VA Policy required sign types, for both the interior and exterior, are to be installed in a standard manner as shown in the interior and exterior sign section of the Signage Design Guide. Refer to the installation drawings pages for specific placement for each type of sign.

Interior

The interior policy required signs are acrylic and are to be installed using the same techniques as described in the interior sign installation section of the Signage Design Guide.

Exterior

The details showing the construction and installation of the exterior policy required signs are covered in the exterior sign construction section of the Signage Design Guide.

This page is intentionally left blank.

The VA Policy required sign types, for both the interior and exterior, are constructed in a standard manner with the only variable being color. This section provides an overview of the construction criteria.

Interior

The interior signs are acrylic with silk-screened text.

Detail 1: Hinged Swing Frame

Detail 2: Snap/Clip Frame

Exterior

The details showing the construction of the Policy signs are based on a concept of an aluminum sign system. Refer to the Exterior Sign Section of the Signage Design Guide. The illustrations are intended to show the desired configuration and intent of the sign type.
