Distance education class starts countdown to graduation

For the past two years, senior military officers and civilian government leaders have executed the internet-based studies of the Army War College distance education program. Their 2nd resident phase in Carlisle culminates with graduation, Friday, July 22 on the historic parade ground here.

FEATURED PUBLICATIONS

Fri, July 22, 2011

Reducing the Specter of Imperialism in Modern Stability Operations

This article argues that the U.S. government can mitigate the specter of imperialism by reshaping key aspects of its planning and implementation process. In particular, the U.S. government should partner with developing countries, provide a credible guarantee of withdrawal, and work more prudently to build indigenous governing capacity.

Connecting the Dots of Joint and US Army Stability Operations Terminology

The complicated and confusing world involving fragile states and insurgencies, requiring stability operations, makes the mission of the US military more complex. The merging and blending of doctrinal terms, without a clear understanding of what each term entails, increases the difficulty. To clarify this terminology, the Peacekeeping and Stability Operations Institute at the U.S. Army War College presents a comprehensive doctrinal analysis.

Army War College celebrates Distance Class of 2011 graduation

One more challenge faced the senior officers as they celebrated completion of two years of internet-based studies at the Army War College's distance education program. The largest graduation class in college history received their diplomas on a day of record-breaking heat, July 22, at historic Carlisle Barracks.

Inside facts to help newcomers fit in fast

Moving can be confusing. Every area has things about it that make it different from other places - new customs, rules and laws; as well as different services that are available. Becoming accustomed to a new locale can be difficult without adequate guidance. The following can help you more quickly get used to life at Carlisle Barracks and will hopefully make your transition into the community smoother.
