2. Roles and Responsibilities

a. Assistant Judge Advocates General (AJAGs) and Commanding Officers are custodians and Responsible Officers (RO) for all personal property under their cognizance.

b. Officers-in-Charge and Branch Office Heads are the Sub-custodians for their activities.

c. Code 64 is the overall Personal Property Management program manager. As such, Code 64 will track submission of NLSC activities' annual inventory reports, including all necessary documentation. Code 64 will also enter all RO or Sub-custodian changes and property changes in the Defense Property Accountability System (DPAS). Additionally, Code 64 personnel making purchases of personal property will inform the individual updating DPAS of any new purchases meeting the reporting requirements to ensure follow-up of these purchases with the command.

d. AJAGs and Commanding Officers must designate in writing a Personal Property Manager (PPM) and forward a copy to the OJAG Fiscal and Resource Services Division (Code 64). AJAGs and Commanding Officers are also responsible for notifying Code 64 when there is a change in RO. PPM roles and responsibilities are outlined in reference (a).

NOV 23 2011

e. ROs, Sub-custodians, and PPMs must thoroughly understand reference (a) and guidance located at the Plant Property and Equipment (PP&E) website, <https://www.navsup.navy.mil/nppe>.

3. Policy

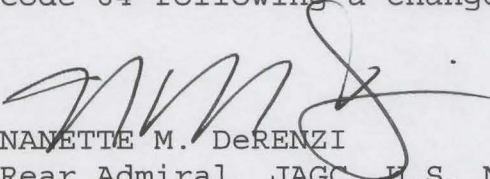

a. Reportable personal property is defined per reference (a) as items used, but not consumed, to produce goods or services in support of DON's mission with a unit acquisition cost of \$5,000 or more; items that are sensitive or classified; or items that meet all three of the following criteria:

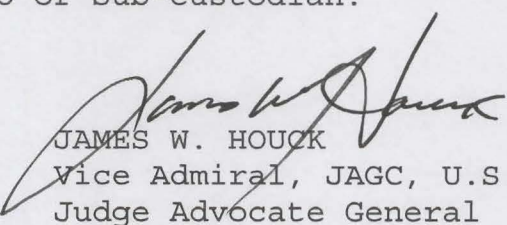

- (1) Pilferable;
- (2) Critical to the activity's business/mission; and
- (3) Hard to repair or replace.

b. OJAG and NLSC activities will conduct a physical inventory of the reportable personal property annually. The RO will not be involved in conducting the physical inventory for which the RO is responsible. Per reference (a), a physical inventory must also be completed following change in RO.

c. When conducting any action mentioned in paragraph 3.b. of this instruction, all reportable personal property items must be documented using enclosure (1). Enclosure (1) must be signed and dated by the RO.

d. AJAGs and Commanding Officers will provide Code 64 with a copy of their PPM designation letter. They will also notify Code 64 following a change in RO or Sub-custodian.
