## About Steven Clift

Steven Clift is the Founder and Executive Director of E-Democracy.org. An Ashoka Fellow, he is recognized as a social entrepreneur. He coined the term "e-democracy" in 1994, or using current buzzwords ... he works with the use of social media for citizen engagement, public participation, transparency, Government 2.0 and related topics. He has spoken across nearly 30 countries and lives in Minneapolis, Minnesota, USA with his two small children and wife.
