**GARRISON COMMANDER NOTE #1: Authorized Television Station in US Army Garrison, Hawaii Facilities**

1. HACN TV2 is the commander's access channel for US Army Garrison, Hawaii and is available throughout the US Army installations. It is utilized to broadcast the latest in local news, specific information/guidance on emergency readiness, and entertainment programming to the US Army in Hawaii.
2. In order to provide a flow of command, community, and installation information to commanders, leaders, spouses, and others all Garrison operated televisions in public viewing areas will be set to broadcast on HACN TV2.
3. I urge you as leaders to take advantage of having a captive audience and enforce this directive which will promote Garrison programming by cost-effectively reaching our target audience and attracting new customers.
