The Wichita Vet Center is a community-based Service for Veterans (and their family members) of World War II, Korea, Vietnam, Lebanon, Grenada, Panama, the Persian Gulf, Somalia, Operations in the forger Yugoslavia and Global War on Terrorism Veterans (including OEF/OIF) Veterans and their family members of all eras who experienced sexual harassment and/or trauma during their military Service; and family members of Armed Forces personnel (including Reservists and National Guardsmen who were federally activated for duty) who die in their service to our country.

We understand, and most of all, we care!

OUR PURPOSE

The purpose of the Wichita Vet Center is to reach Veterans and their significant others throughout the state of Kansas with education and counseling. We also strive to educate the Veteran's community to readjustment issues.

While our primary focus is readjustment counseling services, we also provide referrals to other agencies and resources such as the Veterans Affairs Medical Centers in order to provide our clients with all of the resources available to them.

WHAT WE PROVIDE

The Wichita Vet Center provides direct as well as outreach services to eligible Veterans and their family member who experience readjustment difficulties as the result of the Veteran's service in the military.

To Receive Services:

YOU MUST BE A VETERAN

If you, or a family member, served in any combat zone and received a military campaign ribbon (Vietnam, Southwest Asia, OEF, OIF, etc.) then your family is eligible for Vet Center services.

YOU MUST HAVE A DD FORM 214

If you need to obtain a copy of your DD Form 214, you can request a new one from the National Archives & Records Administration (NARA):

WALK-IN VISITS ARE WELCOME

Normal working hours are 8:00am to 4:30pm Monday through Friday. In an effort to better serve the veteran and family members, upon request Vet Centers will provide services after normal work hours and/or on weekends.

YOU'VE HONORABLY SERVED YOUR COUNTRY, NOW LET US SERVE YOU!

Vet Centers understand and appreciate Veterans' war experiences while assisting them and their family members toward a successful post-war adjustment in or near their community. We understand, and most of all, we care!
