POWERS TO AGNESS HIGHWAY NEWSLETTER **Progress Report**

Western Federal Lands Highway Division and Tidewater Contractors are wrapping work activities for the first year of this two year project for the Powers to Agness Highway project.

Hayes Creek Bridge and adjacent roadway reconstruction

Tidewater Contractors completed the installation of additional erosion control in preparation for the winter shutdown. Mature compost was applied to exposed slopes and straw wattles were also installed. Construction operations will no longer continue until next spring.

WFHLD and Tidewater Contractors would like to thank the City of Powers, Oregon and their citizens for their ongoing support and patience during these past 6 months.

Construction Scheduled for the week of Nov. 7th **Traffic Information**

No work is anticipated.
