

Would you like to see more health care providers and services offered at KAHC? You can help make this a reality by completing a Form DD 2569 yearly. Our clinic receives 100% of the funds reimbursed by other health insurance companies to fund additional services, upgrade the facilities and equipment, and add programs for our patients. You **will not** be charged co-pays, co-insurance, deductibles or any other amounts your insurance does not cover.

Everyone benefits from completing the DD 2569. Remember to update your forms every year even if you do not have other health insurance.

You may download the form at www.dtic.mil/whs/directives/infomgt/forms/eforms/dd2569.pdf and drop it off at your next visit or mail it to the following address:

DEPARTMENT OF THE ARMY
CDR USAMEDDAC
ATTN:MCXO PAD/OHI REP

Once completed, stop by the Other Health Insurance (OHI) Representative desk in the Pharmacy waiting area and receive a DD2569 Compliance Card. This ensures your DD2569 is on file and current, without spending extra time to complete unnecessary paperwork during your next visit.
