

## **CFLHD SUPPLEMENT 8.7.1.4-1**

### **8.7.1.4 Rumble Strips**

Add the following:

This Supplement describes guidelines for the use and placement of shoulder and centerline rumble strips on CFLHD projects.

The use of rumble strips is encouraged on all appropriate CFLHD projects. The installation of both shoulder and centerline rumble strips should be discussed during project scoping.

Use the [CFL Rumble Strip Guidelines](#) for specific guidance on the use of shoulder and centerline rumble strips.
