

The U.S. Consulate General in Leipzig cannot assume any responsibility for the professional ability or integrity of the persons and clinics whose names appear in this list. The names of the clinics and the doctors are given in alphabetical order. We have been told that the doctors listed do speak at least "some" English.

(This list has last been updated in March 2000)

University of Leipzig - Medical Clinics

Phone: 97-109 (exchange)

Patients admission, central number: 97-16027

For your information: a *polyclinic* handles outpatients; a *clinic* is for inpatients only.
All doctors listed speak English, if not fluently at least enough to understand a patient.
