MEMORANDUM FOR NVWG SQUADRON COMMANDERS AND STAFF

From: NV/CC

Subject: Service Cap for Cadet Officers

1. CAPR 39-1 offers the option for cadet officers to wear the service cap with Wing Commander approval.
2. In the past, approval has been on a case-by-case basis, resulting in unnecessary work and occasional confusion.
3. Permission is hereby granted for all NVWG cadet officers who wish to do so to wear the service cap in the manner prescribed by CAPR 39-1.
4. Service caps must be maintained to the same professional standard as other uniform items. If this standard is not maintained, this approval may be withdrawn.

RALPH L. MILLER, COL, CAP
