HAWAII

Kauai County

Lihue to Hanapepe

06	1140HST 1440HST				0	0	Heavy Rain
----	--------------------	--	--	--	---	---	-------------------

Heavy showers produced stream and drainage ditch flooding, and ponding of roadways over southeast and south central parts of Kauai. There were no reports of serious injuries or property damage.

HIZ001>003-005>007

Niihau - Kauai Windward - Kauai Leeward - Oahu South Shore - Waianae Coast - Oahu North Shore

13	0500HST				0	0	Heavy Surf/High Surf
14	1600HST						

A storm low far northwest of the state generated surf of 10 to 20 feet along the northwest-facing shores Kauai, Oahu, Molokai, Lanai, and Maui; and 5 to 10 feet along the west- and northwest-facing shores of the Big Island of Hawaii. However, no serious property damage or injuries were reported.

Kauai County

Anahola to 5 SW Lihue

30	0045HST 0345HST				0	0	Heavy Rain
----	--------------------	--	--	--	---	---	-------------------

Heavy showers and rain produced ponding of roadways, and drainage ditch and stream flooding in eastern parts of the Garden Isle of Kauai. No serious injuries or property damage were reported, however.

Kauai County

Kapaa to Hanapepe

30	1255HST 1455HST				0	0	Heavy Rain
----	--------------------	--	--	--	---	---	-------------------

Heavy showers and rain caused stream and drainage ditch flooding, and ponding of roadways in eastern and southern parts of Kauai. However, no serious property damage or injuries were reported.

Kauai County

6 E Hanapepe to 13 NNW Waimea

30	2210HST				0	0	Heavy Rain
31	0110HST						

Heavy rain and showers produced stream and drainage ditch flooding, and ponding of roadways in southern and western parts of Kauai. There were no reports of serious injuries or property damage.

HAWAII WATERS

PHZ130

8 S Kaena Point

Channels Between The Islands

09	1130HST 1245HST				0	0	Waterspout
----	--------------------	--	--	--	---	---	-------------------

Several waterspouts--the number was not specified--were spotted west of Makaha, off the west coast of Oahu, by an airplane pilot. The waterspouts were drifting slowly eastward, did not disrupt air traffic, and apparently dissipated before being able to cause any injuries or property damage to mariners or beachgoers.

PHZ130

2 SE Kaunakakai

Channels Between The Islands

29	1430HST 1530HST				0	0	Waterspout
----	--------------------	--	--	--	---	---	-------------------

Two or three waterspouts were spotted by an airplane pilot in the Kalohi Channel just south of Molokai. He did not specify the exact number or in which direction they were moving. The waterspouts did not disrupt air traffic, and there were no reports that they caused any injuries or property damage.
