HAWAII

(HI-Z021) LEEWARD HALEAKALA

09/01/07 00:00 HST 0 Drought

09/30/07 23:59 HST 0

Dry weather conditions continued to plague Upcountry Maui, where a mandatory 10 percent reduction in water consumption by all non-agricultural customers remained in effect. No crop damage estimates were available.

This portion of Maui County was put into the D2 classification in the Drought Monitor as of June 12th, 2007.
