

# MENWITH HILL SCHOOL BOOSTER CLUB

## 2010-2011 Membership

### Supporting Mustang Athletics

MHS Booster Club is the parent, teacher, and community support organization for Menwith Hill School. Your membership, along with our annual fund-raisers and concessions, help provide monies for a variety of activities for our Middle School and High School athletes. The money is used for sports banquets, athletes attending championships in Europe, The Annual Brittane M. Henderson Memorial Scholarship, trophies, and a long list of other athlete needs that are not funded by the Menwith Hill School budget. We need the assistance of all MHS parents and families to support our athletes!

**Please Join Us in this Effort!**

Volunteering is how the booster club makes the money for their student athletes. Even if your child is not in a sport, or not in a sport that season, please help out so we can help our booster club grow. If you are interested in volunteering with the booster club please indicate that here.

\_\_\_\_\_ yes, I would love to volunteer my time or efforts
