**STUDENT PARENT HANDBOOK**

**2012-2013**

## INTRODUCTION

In this handbook we have attempted to compile as much information as possible that we believe will be of value to parents and students. Both students and parents are responsible for knowledge its contents; hence, parents are also expected to read this handbook. There will always be some questions that are not answered, and we encourage anyone with a question or concern to contact the appropriate school official. The following areas of responsibility are listed for your convenience:

# WELCOME

Dear Menwith Hill Elementary/High School Parents and Students:

Welcome back to our school. A special welcome is extended to those who are joining us for the first time and to those of you who are deployed. We hope you are ready, once again, to start the world's most rewarding job: LEARNING.

We welcome and solicit your involvement in your child's educational program. The PTO, Booster Club, and the School Advisory Committee provide parents the opportunity to become active in the school community.

We have prepared this handbook in the hope that it will provide you with a source to find many of the answers to questions that may arise during the school year. This handbook is also intended to provide you with an idea of what practices are valued at this school.

Should you have questions about the contents of this handbook or concerns that are not answered in this guide, then please talk to the office staff or an administrator for clarification of school procedures or guidelines.

This handbook is kept electronically, so that we can keep it current.

We wish you an enjoyable, successful year and hope you will work with us to make us all even more proud of our school.

Les E. Bryan  
Principal

Eric Werner  
Assistant Principal

## District COMMUNICATION WITH PARENTS SCHOOL YEAR 2012-2013

Isles District teachers, administrators, district superintendents and staffs are committed to maintaining open two-way communication with parents. To make this possible, our goal is to engage parents in the decision making process to include budget and staffing (how school funds and teachers are used in the school). We would like parents to be knowledgeable of the **DoDEA Strategic Plan and Outcomes**, the individual **School Improvement Plan**, and the **School Profile**, all of which are available from the principal. Parents are invited to be a part of the **School Advisory Committee (SAC)**, a locally elected committee in every DoDEA school. We hope you will become a candidate for election to the SAC. Most schools also have a PTA, PTO, PTSA, and/or Booster Club. These are organizations where parents can make contributions to the school.

You are invited to visit your child's school to observe classes or receive a tour. Please call the school principal to make arrangements. You are also invited to visit the **District Superintendent's Office (DSO)** in Feltwell. Please call DSN 226-7234 or commercial 44 (if out of England)-16348-527234. You will be sent a map and we will look forward to your visit.

You may contact any DoDEA-Europe employee using this email address:  
[Firstname.Lastname@eu.dodea.edu](mailto:Firstname.Lastname@eu.dodea.edu)

Have you checked out the **DoDEA website**? There is much information about DoDEA schools, including curriculum news from the Education Division, budget, enrollment information, regulations, personnel information to include job openings, and much more. Please give this website a "hit" <http://www.dodea.edu>. Three other websites to visit are **Isles District** <http://www.isle-dso.dodea.edu>, **DoDEA-Europe Office** <http://www.DoDEA-e.dodea.edu> and the **European Command** site <http://www.eucom.mil>. The Eucom site includes information about DoDEA and the Department of Education. This site is certainly worth a visit.

There will be times during the school year when you may have questions or concerns about your child's education in DoDEA. If the question is about a classroom matter, please always meet and/or contact the **teacher** of the class. If the concern is not resolved with the teacher, or is about a school policy, please call the **principal**. School policies may also be a topic for the **School Advisory Committee (SAC)**. We, of course, hope that the teacher and/or the principal will be able to resolve the matter. If not, you may call the Isles District Superintendent, Mr. Frank Roehl, at 226-7234 or 44-1638-527234. If

there is still a concern, please call the **Director of DoDEA Europe, Dr. Nancy Bresell**, at DSN 338-7614 or commercial 49-611-380-7614. If the matter is not resolved by Dr. Bresell, the **Director of DoDEA** may be contacted in the U.S. at DSN 426-4462 or commercial 703-696-4462. We hope that any question or concern may be taken care of at the school level, as that is the fastest way to answer the question or resolve the concern. Any of the contacts will also be happy to receive any compliments about DoDEA and/or the individual school.

Parental involvement and support are key ingredients of excellence in education. Our staff looks forward to developing a strong partnership with parents. Together we will all pursue our common goal of providing a quality education program for your children and our students. Thank you for your interest in our schools.

### **“SAFE SCHOOLS” IN THE ISLES DISTRICT**

Since the Department of Defense Dependents’ Schools (DoDEA) represent a cross-section of Americana, all partners in our community education process must understand and support the principles underlying a safe and secure learning environment - as applied to creating a safe school. The underlying principles all relate to student rights to a safe and secure learning environment

- free from the threat or fear of physical violence;
- free from drugs, alcohol, weapons and other prohibited items;
- free from hazing, bullying or intimidation; and
- free from gang or criminal activity.

The Department of Defense Education Activity (DoDEA) follows guidance for the Department of Defense and also issues instructions and policies concerning our schools. DoDEA Regulation 2051.1, disciplinary Rules and Procedures (August 16, 1996) outlines student conduct expectations and disciplinary consequences that may be invoked when the conduct of a student poses an immediate threat to his/her safety or the safety of others in the school. These student conduct expectations apply to student conduct that is related to a school activity

- while on school property;
- while en route between school and home, to include school buses;
- during the lunch period whether on or off campus; and
- during or while going to or coming from all school-sponsored events/activities that affect the missions or operations of the school or district including field trips, sporting events, stadium assemblies, and evening school-related activities.

Violence, threats of violence, prohibited items, gang or criminal behavior, and bullying or intimidation will not be tolerated. Perpetrating a bomb threat or complicity in the act is grounds for expulsion. Additionally, local military regulations or host nation laws may authorize criminal prosecution for such actions. Therefore, it is incumbent upon all community education partners - students, parents, military leaders, administrators, faculty and staff - to understand the serious nature of actions violating the principle student freedoms and the scope of authority over infractions as outlined in DoDEA Regulation 2051.1

## OUR GOALS

**All students will increase their ability to analyze and evaluate information from a variety of sources across the curriculum.**

**All students will improve their ability to communicate in a variety of formats across the curriculum.**

### THE SCHOOL AND PARENTS/GUARDIANS

Traditionally, schools hold an "in loco parentis" relationship with the students they serve. The adults in the school act in place of parents during school hours. This emphasizes the close relationship that must exist between the school and parents. It is a two-way street. The faculty shoulders the responsibility of parenting during the school hours in much the same way as parents must provide educational support and growth during non-school time.

We ask that parents maintain concern about the student's total daily schedule. A combination of academic load, extra-curricular activities, non-school pursuits, and home responsibilities could prove to be too much. Extreme care and concern must be taken to guide students to appropriate daily schedules.

The school will provide each student's parents with communications ranging from academic progress reports and report cards to information bulletins. Parents should carefully read all communications and respond to the contents in a constructive manner. Prompt contacts with teachers or other school officials when improvement seems necessary are strongly recommended.

At times, a student may become unhappy with school or with portions of their school experience. Parents are encouraged to report such feelings to the counselor or an administrator so that help can be provided.

Finally, we feel that the parents' support of teachers in achieving their educational goals is not an "old fashioned" practice, but one that is indispensable for the academic and personal wellbeing of all students.

### **THE PARENT HAS A RIGHT TO EXPECT FROM THE SCHOOL...**

...a businesslike, friendly operation which is responsive to the needs and desires of students and parents.

...courteous, prompt replies to inquiries, visits, and complaints that reflect the best interests of the educational progress of youth.

...honest, impartial evaluation of student academic assignments and progress based on written marking policies distributed by teachers to each student.

...a reasonable amount of homework consistent with the academic goals of each course.

...teachers' assistance to each student commensurate with the student's needs and academic ability while emphasizing the needs to allow the student to advance individually based on his or her own initiative.

...an academic atmosphere which is wholesome and supportive of the educational goals of each class and the entire school.

### **THE SCHOOL HAS A RIGHT TO EXPECT FROM PARENTS...**

...a positive attitude toward school and studies which, at home, supports the goals and objectives of the educational program.

...knowledge of school regulations and procedures.

...provisions at home where each student can study with appropriate light and furniture so that he or she will complete home assignments on a daily basis.

...that inquiries concerning classroom activities are first directed to the teacher in question before being elevated to the administration and that general concerns about the school are brought to the school administration before being voiced to non-school personnel.

...their continued efforts to assure that the student's attendance is regular and punctual, the same as if the student were employed.

...daily concern that their student's clothing is clean and not disruptive and that proper care is taken of school property assigned to the student's care.

## DoDEA-Europe Athletic Academic Eligibility Monitoring Procedures

\*\*Exceptions to this policy may only be granted by the Director, DoDEA Europe.

Student athletes must have a 2.0 GPA (C average) with no more than one F on grades the preceding semester (2<sup>nd</sup> semester of the preceding year for fall and winter sports; 1<sup>st</sup> semester of the current year for spring sports).

**ELIGIBLE STUDENTS:** Student athletes (all grade levels) who meet the 2.0 GPA/1 “F” requirement are eligible, but ***must be monitored on a weekly basis.***

Any student athlete who has more than 1 “F” will be ineligible for all scrimmages and DoDEA-E scheduled games, commencing on Wednesday at 0800 hours through the following Wednesday at 0800 hours.

Students can regain their eligibility on a weekly basis.

**INELIGIBLE STUDENTS:** If a student athlete does not meet the 2.0 GPA/1 “F” requirement then he/she must adhere to the following:

The student is ineligible for the first 3 weeks of the season and will continue to have his/her GPA and number of F’s checked every 3 weeks throughout the entire season as long as they meet the requirement at the end of every 3-week period. These 3-week checks will continue every 3 weeks, even though the student may meet the GPA requirement at the end of the first or second three-week period. He/she may still practice during this time, but participation in all scrimmages and DoDEA-E scheduled games is prohibited. ***Ineligible athletes cannot dress-out or travel with the team.*** Coaches should encourage tutors and additional study time for these students so that they may regain their eligibility at the end of the 3-week period.

**TRANSFER STUDENTS:** If a student enrolls in school without a transcript or any previous school record:

The student must be monitored on a weekly basis. If the student has more than 1 F at the end of the weekly monitoring period then the student is ineligible for that week. Because there is no previous semester GPA to determine if the GPA requirement has been met, this student must also meet the three-week GPA check. If, at the three-week check, the student has a 2.0 GPA or higher and no more than 1 failing grade, then s/he will be ELIGIBLE for the next three-week period (s/he must continue to be monitored weekly). If you still do not have an official transcript by the 6<sup>th</sup> week to determine the GPA eligibility requirement, then again, at the 6<sup>th</sup> week a GPA check must be done. If the GPA requirement is not met, the athlete will be ineligible for the next three weeks.

**NOTE: Only students who do not meet the requirement at the beginning of the season will be subject to GPA checks every 3 weeks.**

**STUDENTS CANNOT BECOME ELIGIBLE OR INELIGIBLE ON A FRIDAY AFTERNOON!**

**ACCELERATION**  
**PCS BEFORE END OF SEMESTER OR SCHOOL YEAR**

A student in grades 7 - 12 who is transferring on a Permanent Change of Station (PCS) within twenty school days prior to the end of a semester, and who notifies the guidance office one month prior to his or her transfer, may accelerate in courses they are taking for credit. The student may be given an examination and will receive a grade and credit for the semester in the subject based on his or her examinations, effort, and achievement on the advanced assignments, as well as regular class work. Vacations are not an approved reason for acceleration

**NOTE: Only students leaving on PCS orders will be considered for acceleration.**

Acceleration Dates -- School Year 2012-2013 (PCS)

Semester 1

Students must attend school all day on December 21, 2012

Earliest departure is close of business (COB) on December 21, 2012

Semester 2

Students must attend school all day on May 17, 2013

Earliest departure is close of business COB on May 17, 2013

Procedures:

1. A request for acceleration should be made to the guidance office as soon as a student knows that he or she is Permanently Changing Station within the prescribed time limits.

2. A copy of orders indicating the PCS move must be submitted to the office with a note from the parent indicating the port call date and the student's last day of school

3. The office will issue a form, which the student takes to each teacher for an approving signature.
4. The student will complete the extra work and take examinations, as required.
5. A parent must come to the school, screen the student's school records, and sign a release form on the student last day of school.
6. On the day of departure from Menwith Hill School, the student will check out of school by getting a clearance form from the Main Office, clearing with each teacher and office indicated on the form. This requires **TWO FULL** days. Students are expected to attend all classes on their final day.

### ACCREDITATION

Menwith Hill Elementary/High School is accredited by the AdvancEd organization and submits reports to, and is visited by, officials of AdvancEd to ensure adherence to high, established standards. Therefore, diplomas and credits earned at Menwith Hill Elementary/High School are fully recognized and transferable to any stateside high school, college, or university. AdvancEd granted continuing accreditation for a period of six years during the 2008-2009 school year. AdvancEd will be here for accreditation this school year.

### ACTIVITIES

School activities are an integral part of the total educational program at Menwith Hill Elementary/High School. Each student is encouraged to benefit from the wide selection of activities available, as indicated in the list below. While this list is not inclusive, it does give an idea of what is planned for the school year.

Many of the activities are limited to students in grades 9-12 only; however, those followed by an asterisk are also available to students in grades 7 and 8, with certain restrictions. Two asterisks indicate that an activity is also available to elementary students.

Basketball (M & F)	Chess Club**
Cheerleading (M & F)	Duke of Edinburgh*
Cross Country* (M & F)	National Honor Society (10-12)
Football (M & F)	National Junior Honor Society (8-9)
Soccer (M & F)	Outdoor Club
Track & Field* (M & F)	Student Council*
Volleyball (F)	Yearbook*
Wrestling* (M & F)	Gardening Club**
Cooking Club**	Spanish Club**
Junior Science and Humanities	Video Club*
Writing Contest**	Drama**
Craft Club**	¾ Club**

All activities sponsored by the school are under the direction of a faculty sponsor. Requests for all school activities and fundraisers must be submitted to the student council at least two weeks in advance; the student council sponsor will submit to the assistant principal for final approval.

## **ACTIVITIES CODE**

These expectations are based upon DoDEA Regulation 2051.1 (August 16, 1996) and are designed to make student participation in DoDEA-Europe student activities positive. Each DoDEA-Europe sponsored student activity will incorporate these expectations as a part of their information packet sent to all schools. Activity directors may add to this list but not delete any items. It is required that the list be presented to the students and their parents as a contract to be signed by both parties to insure compliance. Students are expected to comply with these expectations from the time of departure to the time of return from the activity.

- Students are expected to observe all activity rules and guidelines to include those of the activity facility (i.e. hotel/conference hall rules).
- Students are not to move facility furniture unless authorized to do so by the activity sponsors.
- Students are expected to participate in all planned activities, reporting promptly to meals, sessions and programs, tours etc.
- Students must observe curfew regulations as they pertain to “in the room” and “lights out.”
- Students will not have electronic music devices “on” during instruction or after “lights out”.
- Students will turn cell phones off during activity instruction and presentations.
- Students will be responsible for his/her personal belongings and equipment at all times.
- Students shall not possess, use, or consume mind-altering substances to include alcoholic beverages, intoxicants, mind-altering inhalants, and controlled substances as defined by United States Code. A substance legal in host nations but controlled in the United States is prohibited (DoDEA Discipline Regulation 2051.1).
- Students who bring, buy, or have weapons or weapon replicas either in their possession or amongst their personal property during a DoDEA-Europe sponsored student activity are in violation of DoDEA Regulations regarding “Zero Tolerance for Weapons.” Such items are not allowed at any time during a student activity and will be confiscated. The incident will be reported to the respective school official(s) for disciplinary action and the offense will be treated as a serious infraction.
- Students will dress appropriately for the activity. Dress should always be proper and in good taste.
- Students will respect that girls and boys rooms are “off limits” to member of the opposite sex.
- Students will ensure that the supervisors/chaperones approve of and know of their whereabouts at all times. This is paramount for safety and security.
- Students are expected to exhibit mature student decorum throughout the activity. Students are expected to be kind, courteous, and respectful. The words “please” and “thank you” are important and do much to build and maintain a positive reputation of our students with activity staffs and host nation citizens.

- Students are expected to satisfactorily complete all required school assignments either prior to or immediately following the activity. This would include, but not be limited to, daily class assignments, projects, examinations, and system-wide tests.

Minor infractions will result in restrictions and obligations being placed on the student (i.e., loss of privileges, cleaning tables, etc.).

Serious infractions of any of the above items, as well as those discussed at the activity by the supervisors/chaperones, will result in student removal from the activity. Except for attending meals, the student(s) will be restricted from the activity. The parents and the principal will be immediately notified. The student will be sent home at the earliest possible moment. Since the cost of return travel is not authorized under such circumstances, parents will be responsible for the cost of return travel of students removed from the activity.

### **ACTIVITY RULES**

School rules apply to students when they are engaged in the various activities sponsored by the school such as field trips, athletic events, and dances.

### **ADVANCED PLACEMENT COURSES**

The requirement of Menwith Hill Elementary/High School is that all students who enroll in Advanced Placement courses will take the appropriate Advanced Placement Exam in the spring of 2013. Any student who does not take the AP exam will not receive the weighted grade or AP credit. Advanced Placement testing will be during two weeks in May 2013; all tests are paid for by DoDEA.

### **APPOINTMENTS WITH TEACHERS**

An integral part of the school program is communication with the parent. Parents and teachers should work together to enlighten students of the lifelong value of education. Consequently, parents are encouraged to visit the school campus, particularly classes attended by their child. Please review the policy on visitors found on page 45 before coming to the school to visit. Conferences to discuss the various aspects of the school function, responsibilities, and student performance are an excellent means to share information. Please make appointments by calling the secretary or counselor at 262-7778, or email teachers directly; a complete list of email addresses is posted on the school web site <http://www.mhil-ehs.eu.dodea.edu/>. Normally, at least one day's notice is required to set up an appointment to allow teachers to adjust their schedules. The school

## ASSEMBLIES

A number of assembly programs are planned for the current school year; **attendance is required.**

We ask students to observe the following procedures concerning assemblies:

1. Report directly to the assembly area when dismissed with your class and teacher
2. Take a seat as soon as possible in the appropriate class section.
3. At all times refrain from any action that will interfere with those performing, or with fellow members of the audience. These actions include whistling, talking, excessive movement, or other similar distractions.
4. Once seated, members of the audience are not allowed to leave until excused.
5. No eating or drinking is allowed in the assembly area.
6. Wait for a clear dismissal from the assembly, and walk back to your classroom with your class and teacher.

## ATTENDANCE

: School Attendance; DoDEA Regulation 2095.01

1. DoDEA has implemented an attendance policy throughout all the DoDEA schools. The policy is similar to many attendance policies in other U.S. school districts and was coordinated at all levels of DoDEA and the military. The policy points out that school attendance correlates directly with academic success and helps to establish life-long good habits.

2. Some important points of the policy:

- school attendance is mandatory
- generally absences such as family vacations and absences during standardized testing periods (aside from illness) are unexcused
- appointments, like medical appointments, should be scheduled outside school hours
- school sponsored trips or athletic contests are not considered absences

3. Absences will be excused for any of the following reasons:

- personal illness
- medical or dental appointments
- serious illness in the immediate family
- religious holidays
- emergency conditions such as fire or flood
- unique family circumstances

4. All pre-planned absences should be coordinated with the school administration.

5. For excused absences, the principal and parent will write an educational monitoring plan that includes dates when all assignments are due. The student will have all teachers sign the plan and return it to the office.

6. For unexcused absences, teachers will provide any work/tests that are ready for distribution, so that the student has an opportunity to review work that is being missed. All assignments and tests due during the period of absence will be graded as an F.

7. The complete DoDEA policy may be reviewed by going to the Menwith Hill School website.

### **LEAVING SCHOOL GROUNDS**

Students are not to leave school grounds for any reason during the school day without PRIOR written parental permission arranged through the Attendance Clerk. Students who leave without permission and do not sign out will be considered truant. This does not include lunch for students in grades nine through twelve, unless the student will not return after lunch due to an appointment.

### **GENERAL**

- Missing a school bus and/or oversleeping are not considered an excused absence, even when accompanied by a parent note or when parents sign the student into school. These infractions are considered to be unexcused trancies and must be made up (double the amount of time missed).
- Students may not go to a medical appointment without a note from the sponsor or an appointment slip from the hospital. A telephone call is not sufficient authority for school officials to release students from classes.
- Students may not enter or leave school during the school day without being signed in or out by an adult, or have a letter from their sponsor. To sign out of school during the day each student must present a note to the office before school on the day they wish to check out. If a student does not have a note, **the parent may call** the school office but must also send their child to school with a written note the next school day or e-mail the school.
- If the parents must leave the area because of an emergency, the school should be provided with the name of the person who has the Power of Attorney for their dependent's welfare. A copy of the Power of Attorney is requested as well.
- If for any medical reason, a student cannot participate in a **specific** instructional course (i.e. physical education, keyboarding, etc.) for more than 3 days, a written exemption notice from a physician must be given to the school health nurse. The exemption notice should include the reason stated for exemption and the date normal instruction can resume.
- **Excessive absences** may seriously affect a student's grade.

### **TARDY POLICY**

Failure to be in class in the assigned place when the tardy bell rings is considered tardy and will be treated accordingly. Students who are more than 10 minutes late to a class without an excuse from a parent or teacher are considered truant (unexcused absence). Tardies will be excused if the result of a late bus arrival, medical appointment, or other legitimate reason with a note or phone call from a parent.

Students less than 10 minutes late will report directly to class (teachers will note the tardy in Aspen). Students tardy more than 10 minutes will report to the office for a pass (the registrar will note the unexcused absence in Aspen). Students will be assigned detention for exceeding 4 tardies during a quarterly marking period. Disciplinary action to include detention, work details and suspension may be assigned should tardiness continue as a problem.

### **BEFORE SCHOOL - AFTER SCHOOL HOURS**

Students should not enter the building prior to 0810 hours. After school, students must leave the building by 1515 unless they are involved in an organized school activity with a sponsor. Unless specifically arranged in advance with a teacher, teachers are not responsible for students or student behavior prior to 0810 or after 1515. At 0810, elementary students may proceed to the cafetorium or the computer lab. Middle school students may go to their lockers and then to the cafetorium, the library, the computer lab, or the high school downstairs hallway. High school students may go into the library or downstairs high school hallway.

### **BOOKS/TEXTBOOKS**

Classroom teachers issue books to students. The student and his or her sponsor are legally responsible for returning the books in good condition at the end of the course. Allowances will be made for normal wear and tear. Graffiti in textbooks is beyond normal wear and tear. Students are strongly recommended to cover each of their textbooks. Lost books must be paid for at the supply office of the school.

### **BOOSTER CLUB**

The purpose of the Menwith Booster Club is to promote athletics and athletic events at the school that is consistent with the educational philosophy of the school. The Booster Club sponsors concession stands at football games, organizes sports banquets and raises money to assist with the cost of athletics and athletic trips. They also award scholarships to worthy student athletes.

### **CAFETERIA AND MEALS**

The AAFES school lunch program is the sole provider for all school meals for our students. They are located in the school cafeteria and are available during the lunch

periods. K-8 students all eat in the cafeteria, either purchasing an AAFES lunch or bringing one. Payment is generally made at the AAFES BX.

A complete schedule for lunches can be found on the Menwith Hill School website. Students will be required to stay in the school cafeteria or immediately outside the back of the school during the lunch period. Students who live on base may go home for lunch, but they may not take friends with them. Students who choose to go home for lunch must have a permission form signed by their parent. The form may be picked up in the office.

Lunch for grades 9 – 12 will be open campus. Students may bring a lunch and eat it in the cafeteria; they may buy lunch in the cafeteria; or they may walk to the following facilities only: the Strike Zone, the Club, Burger King, the commissary, the shoppette, the BX. Students who live on base who choose to go home for lunch must have a permission form signed by their parent; they may not take friends with them. The form may be picked up in the office.

**Students who return late from lunch will lose their off campus privileges.**

### **CASE STUDY COMMITTEE**

In compliance with DOD Instruction 1342.12, we are required to provide the opportunity to enable each educationally handicapped student in DoDEA to develop his/her potential. The vehicle utilized to achieve this goal is the Case Study Committee. The Case Study Committee will identify students who meet the DoDEA criteria and recommend a procedure for the development of an Individual Education Program (IEP).

### **CELLULAR TELEPHONES**

Cellular telephones must remain in off position throughout the school day. Only during lunch are students allowed to place or receive calls, and then only while off campus. If a cellular telephone rings or vibrates during a class, it may be confiscated by the teacher and returned only to the sponsor or parent. Students observed playing games, sending

messages, or using any function of a cellular telephone during the school day will also have their phones confiscated.

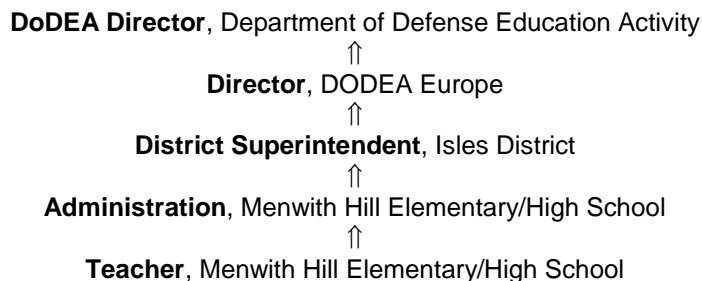

Our school office is available to assist with any emergency that may arise during the school day and to help you contact your children. Our office telephones are for official school business. Please do not call or text your child's cell phone during instructional time!

### **CHANGE OF ADDRESS/UNIT**

Please notify the school **immediately** of any change in address, home or duty telephone number, email address, or person to contact in case of an emergency. It is **extremely** important that up-to-date information be on file in the school office. The school should be notified by the sponsor when both parents are on a trip and the students are left at home. This policy also applies to email addresses!

### **CHAIN OF COMMAND**

DoDEA, like the military, utilizes a chain of command. If an issue cannot be resolved directly with teachers or the school principal, sponsors have access to the District Superintendent. If the issue cannot be resolved at the district level, it may be passed to the DoDEA-E Area Superintendent, DoDEA Director, or authorities outside DoDEA.

### **CHILD FIND**

All students, ages birth-21, who have not graduated from school are eligible for screening in math, reading, spelling, language, hearing, and vision. If your child has a history of placement in special classes, or you suspect your child is having problems due to improper placement, please contact the guidance counselor at 262-7778 or 01423-77778.

## CHEATING/PLAGIARISM

The following Plagiarism Policy has been developed by the English Department of Menwith Hill School and is applicable to all other academic areas.

Plagiarism is best described by using Michael Harvey's ideas in *The Nuts and Bolts of College Writing*:

The Random House dictionary defines plagiarism as "the unauthorized use or close imitation of the language and thoughts of another author and the representation of them as one's own original work." Imitation or borrowing by itself is not plagiarism. Drawing on other people's ideas is perfectly reasonable and, in fact, unavoidable when you write academic essays—but you must acknowledge the borrowing.

You are obligated, as an ethical obligation to other writers and as a defense for yourself, to acknowledge all borrowings you take from other sources, even if you don't copy the exact words used in the original—even if you never actually quote the original.

Some examples of plagiarism are:

- **Quoting material without attribution.**
- **Passing off another's idea as your own, even if it's been reworded without attribution.**
- **Imitating a passage's structure or argument without attribution.**
- **Concealing the extent to which you've borrowed from a text or other source.**
- **Submitting someone else's writing or someone else's ideas using your name.**
- **Copying from someone (homework, tests, etc.)**

The lesson: be afraid of plagiarism. It creates paper-trail time bombs that can destroy a career you've spent decades building—especially today, when teachers routinely keep copies of papers and the Internet makes it a snap to compare texts and locate sources.

A final note on plagiarism: When you put your name on academic work and submit it, you are claiming ownership of the work. If through carelessness or design you've blurred the lines between what's yours and what you've taken from others, you are stealing intellectual property. Don't do it. Plagiarism is risky and counterproductive. It harms your intellectual and moral development. It leaves a permanent paper trail that can have devastating consequences, even years down the line. And, most of all, it's wrong.

Harvey, Michael. *The Nuts and Bolts of College Writing*. Hackett Publishing, 2002. <http://www.nutsandboltsguide.com/plagiarism.html> (20 May 2006).

As a student at Menwith Hill School, you will receive plagiarism instruction (class discussion or reading) through your English classes. In addition, you will sign a letter verifying that you have received this instruction and that you are aware of the school's consequences for engaging in plagiarism.

If you plagiarize while attending Menwith Hill School, the following academic and behavioral penalties will be applied once the teacher is satisfied that you understand the seriousness of plagiarism:

<b>Offense</b>	<b>Penalty</b>
<b>First offense</b>	<p>A discipline report will be submitted to the assistant principal or principal for information purposes.</p> <p>The student will receive a ZERO for the plagiarized work with no opportunity to make it up.</p> <p>A conference will be held between the student and the teacher.</p> <p>The student's parents will be notified of the plagiarism/cheating/academic theft.</p> <p>Students in honor organizations (NHS, NJHS, etc.) will receive a warning letter regarding dismissal if another offense occurs.</p>
<b>Second offense</b>	<p>A discipline report will be submitted to the assistant principal or principal for discipline purposes.</p> <p>The student will receive a ZERO for the plagiarized work with no opportunity to make it up.</p> <p>The student's parents will be notified of the plagiarism/cheating/academic theft.</p> <p>A conference will be held with the student, teacher, parents, counselor, and administration.</p> <p>The student will be required to do a Plagiarism Project to reinforce the serious nature of plagiarism.</p> <p>If a student refuses to complete the project by its deadline, the student's final quarter grade will suffer a one-letter grade reduction in the course in which the plagiarism occurred.</p> <p>The student will be dismissed from honor organizations (NJHS, NHS, etc.).</p>
<b>Third Offense</b>	<p>A discipline report will be submitted to administration for discipline purposes.</p> <p>The student will receive a ZERO for the plagiarized work with no opportunity to make it up.</p> <p>The student's parents will be notified of the plagiarism/cheating/academic theft.</p> <p>A conference will be held with the student, teacher, parents, counselor, and administration.</p> <p>The administration will suspend the student from school as warranted.</p> <p>The student's final quarter grade will suffer a one-letter grade reduction in the course in which the plagiarism occurred.</p>

### COMPUTER POLICY

Every student must sign an Internet Agreement Form and is held responsible for all material in their files. Instant messaging, downloading shareware, games, music files, pictures, or anything not **directly** related to the educational program of Menwith Hill Elementary/High School constitutes misuse of a government computer. All student storage space and usage is monitored by administration. **Access to school computers and networks will be revoked from anyone found in violation of this policy.**

network access is designed for educational purposes. DoDEA has taken precautions to eliminate controversial material. However, I also recognize it is impossible for DoDEA to restrict access to all controversial materials and I will not hold them responsible for materials acquired on the network. Further, I accept full responsibility for supervision if and when my child's use is not in a school setting.

I understand, consistent with DoDEA policy to protect individual privacy, my child's written and art work and his or her name may be published, but DoDEA does not authorize the use of photographs, home address, or home telephone number in association with my child's name. I also understand DoDEA does not authorize the use of the school's Internet service for commercial activity or personal use inconsistent with the Terms and Conditions.

I understand: (1) This form does not relinquish my child's rights in the work. (2) DoDEA is not responsible for subsequent copying or unauthorized use of the work by an outside person or agency. (3) The only personal identification of the work will be my child's name. (4) My child cannot be directly contacted through the page. All contact will go through the teacher.

#### **.Terms and Conditions of Student Internet Use**

##### **I. Acceptable Use**

A. I agree to use DoDEA's computer services only in support of my education and research consistent with the educational objectives of the DoDEA. I will not download files or subscribe to bulletin boards that are not related to my educational activities. If I have questions about my computer use I will ask my teacher.

B. I will respect and adhere to all of the rules governing access to DoDEA computing resources and the rules of any other network or computing resource to which I have access through the DoDEA equipment.

C. I understand transmission (sent or received) of any material in violation of any U.S. or state regulation is strictly prohibited and may violate criminal law. I will not transmit obscene, sexually suggestive or offensive, lascivious, harassing, or abusive messages, copyrighted material, or material protected by trademark or as a trade secret.

D. I will not publish the name, photograph, home address or telephone number of myself, another student, faculty, or any other person.

E. I understand using the DoDEA computer equipment for commercial, product advertisement or political lobbying is prohibited and may be illegal.

##### **II. Privileges**

A. I understand that the use of the network is a privilege, not a right, and use inconsistent with these Terms and Conditions may result in a cancellation of those privileges. (Each student will receive instruction regarding the terms and protocols referenced in this document before network access is provided.)

B. I will be disciplined if I send messages or download files inconsistent with these Terms and Conditions. At the discretion of the principal and teacher, I may lose the privilege of using the Internet permanently and face suspension or expulsion. Copies of the inappropriate materials will be reported to the building administration and kept on file.

III. Etiquette

- A. I will be polite. I will not use sexual or abusive language in my messages to others.
- B. I will use polite, respectful language. I will not swear, use vulgarities, sexual, harsh, or disrespectful language. Illegal activities are strictly forbidden.
- C. I understand any transmission, including electronic mail, is not private and that my communications and access will be monitored.
- D. I will evaluate information carefully. As with any research material, I must review it for accuracy and bias.
- E. I will not use the network in such a way that I will disrupt the use of the network by other users. This can be avoided by not sending "chain letters," or "broadcast" messages to lists or individuals.

IV. No Warranties

- A. I understand DoDEA makes no warranties of any kind, whether expressed or implied, for the service it is providing. DoDEA is not responsible for any damages I may suffer. This includes loss of data, delays, nondeliveries, misdeliveries, or service interruptions caused by its own negligence or my errors or omissions.
- B. I understand the use of any information obtained via DoDEA is at my own risk. DoDEA specifically denies any responsibility for the accuracy or quality of information obtained through its services.
- C. I understand DoDEA has no obligation or authority to defend me against any legal actions brought against me by anyone arising from my misuse of DoDEA computer resources or violations of any U.S. or foreign laws.

V. Security

- A. I understand security on any computer system is a high priority, especially when the system involves many users. I will notify my teacher if I notice a security problem. I will not demonstrate the problem to other users.
- B. I will not give my user password to other individuals. Any activity associated with my account will be considered my activity. It is my responsibility to protect my account and password.
- C. I may be denied access to the network if I am identified as a security risk.

VI. Vandalism

- A. I understand vandalism will result in cancellation of privileges.
- B. I will not maliciously attempt to harm or destroy data of another user, Internet, or any other network. This includes, but is not limited to, the uploading or creation of computer viruses.

### CONFERENCES

Please see "Appointments with Teachers." The school schedules conferences two days during the first semester, November 15 and 16 and one day during the second semester, March 4. In November, the parents of all students grades pre-K to 8 will be scheduled for a conference and the majority of parents students in grades 9-12 will also be scheduled for a conference. During the second semester, only the parents of selected students will be invited to a conference. Parents may request conferences for any conference day. For parents who have several students enrolled, the school makes every effort to ensure that the parents can see the teachers of all their children.

### **CRISIS MANAGEMENT TEAM**

The Menwith Hill Elementary/High School Crisis Management Team (CMT) is a group of Menwith Hill Elementary/High School staff and community members who have a commitment to help in times of crisis. They prepare for unforeseen events, have a completed Crisis Management Plan, and have identified available resources. The administrators, administrative officer, school nurse, counselors, faculty representative and school liaison officer are part of this team. Contact number at the high school is 262-7778 or 01423-777778.

### **DAILY BULLETIN**

All items for the daily bulletin must be signed by a staff member and must be submitted to the secretary not later than 1430 hours. All students should ensure they read or hear the daily bulletin, as they are held responsible for its contents. All first block teachers should read the bulletin to students every day or ensure that students listen to the announcements being read over the public address system.

### **DANCE POLICY**

These rules apply to all dances sponsored by any class or school organization that conducts activities either on or off post. **Middle school students, or guests of middle school age, are not permitted at high school dances and vice versa.**

1. Approval for all dances will be obtained in advance through the student council and the principal.
2. The sponsoring activity is responsible for making the necessary arrangements for use of the cafetorium, gym or other locations.
3. The sponsor will ensure that sufficient chaperones are in attendance at a number of not less one chaperone for every 10 students. Chaperones should also consist of a minimum of two teachers. Both male and female chaperones must be present. It is the students' responsibility to find the chaperones and put them in contact with the appropriate sponsor.
4. **The sponsors will be in complete charge at the dance** and will take steps, including telephoning parents if necessary, to ensure that the dance is conducted without incident.
5. Non-school dates can attend the homecoming dance and the prom. Permission forms are available in the school office and must be submitted and approved in advance by the administration.
6. **All school rules apply at school-sponsored dances.** Students found to be in violation of these rules will be subject to disciplinary action, which will,

- at a minimum, involve restriction from future dances. Dress code restrictions may be relaxed at formal dances.
7. Students will be required to sign in on arrival and sign out upon departure. Please note that there is strict adherence to the "one entry only" rule. Once a student enters the dance and then leaves, **there is no re-entry**.
  8. Students will be allowed to enter only during the first hour of the dance.

### DEAD WEEK

The last two weeks of each semester are designated as “dead weeks” for high school students when activities that will take students out of class or seminar should not normally be scheduled. This time is to be kept as free from interruption as possible in order to provide students as much time as possible to study for end of semester exams and complete assignments.

### DISCIPLINE CODE

#### STUDENT STANDARDS OF CONDUCT

Everyone is responsible for conducting himself or herself in a manner that respects the rights of others.

Honesty, integrity and trust are the keys to the establishment of our way of life. Any actions to the contrary, such as stealing, cheating or lying cannot be accepted at Menwith Hill Elementary/High School.

**LANGUAGE/GESTURES:** Conduct that materially and substantially interferes with the educational process is prohibited. The use of profanity, vulgarity, and inappropriate language or gestures is unacceptable conduct.

**SEXUAL HARASSMENT:** Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Such conduct is deliberate and repeated. Students are referred to the full sexual harassment policy for specifics.

**SEXUAL INVASION OF PRIVACY:** Any individual who makes an unwanted deliberate sexual contact with another person that is offensive to that person is guilty of sexual invasion of privacy. This is different from sexual harassment in that it does not have to be repeated for the offender to be guilty.

**Comment [M3]:** Maybe a heading before this about Dead Week and the purpose and expectations of it. This might also be something to include in the Faculty Handbook so that teachers are aware of what they should/shouldn't expect.

**HARASSMENT AND THREATS:** Derogatory remarks, threats, and verbal harassment will not be tolerated. Students who are feeling threatened by others should report their concerns to a teacher, counselor, or principal.

Upon receiving information, either verbal or written, about any threat to cause bodily harm,

1. The parent of the student issuing the threat is called to come to school. (If it is deemed necessary by the severity of the threat or the body of evidence supporting an accusation, the student will be removed from class and left to await the parents in the office. At no time will the student be approached about an accusation of this kind without the parents or surrogates in attendance).
2. Once the parent arrives, the student is taken out of class and the entire body of evidence/accusation is presented.
3. **The student is suspended immediately** for a specified number of days and must be removed from the school by the parent. The parents are asked to provide a mental health professional opinion about the level of threat represented prior to the end of the suspension period so the child may return to school.
4. Base officials and the district office are notified immediately via phone and email. A Serious Incident Report is filed immediately and the MoD Police are notified.
5. If it takes longer than the period of suspension to provide the threat level assurance, **the student will remain out of school** but the days will not be counted as suspension days.
6. If it is deemed necessary to suspend a student for longer than 10 days, or if a recommendation for expulsion is made, the Discipline Committee will be called to host a formal hearing at which the school will present evidence and parents/student may present their arguments. **That committee, made up of both base and school personnel, makes recommendations to the District Superintendent who is the first deciding official.** The District Superintendent can accept the recommendation of the committee or not. If he/she does not accept the committee's recommendation, the entire matter, along with the body of evidence in written and audio formats, moves to the Area Director's office for decision.

#### GROUNDS FOR DISCIPLINARY ACTIONS FROM DODEA REG 2051.1

The regulation does not list every offense nor does it dictate the seriousness of any particular offense. Instead, it describes categories of conduct with sufficient specificity to inform the student of the type of conduct that may result in disciplinary consequence and is intended to alert principals to their flexibility in assessing the seriousness of offenses for purposes of determining the appropriate consequence. Disciplinary sanctions may be imposed for student conduct:

1. While on school property.

2. While en route between school and home or any school activity.
3. While on vehicles owned by the Government or contracted by DoDEA schools for the transport of students.
4. During the lunch period on a school day, whether on or off campus.
5. During or while going to or from all school-sponsored or school-supervised events/activities that affect the missions or operations of the school or district including field trips, sporting events, stadium assemblies, and evening school-related activities.
7. When the good order, safety, or welfare of the school, students, or staff is affected as a result of out-of-school actions. For out-of-school actions that involve First Amendment rights, there must be substantial disruption, or *the likelihood of a substantial disruption*, to the school.

8.

School Bus Discipline. Rules of student behavior and disciplinary procedures are applicable to students en route by DoD-sponsored school buses between home and school and/or school-sponsored events and activities. The table of consequences for school bus infractions is sent to every parent under separate cover.

Discipline for Minor or First Offenses. A student may be disciplined for relatively minor offenses or first offenses not presenting an immediate threat of danger to self or others through the use of written or oral reprimands or notice to the sponsor/parent/guardian, time out, teacher/student/ conferences, suspension of school or extracurricular privileges, and by any other teacher intervention deemed by the teacher or principal to be appropriate. Minor offenses include any conduct that is not conducive to the good order and discipline of the school. Examples of conduct for which minor discipline may be appropriate include, but are not limited to: tardiness, unexcused absence, chewing gum or eating food in class, running or horseplay in the halls or classrooms, use of offensive language; disrupting the class by talking, laughing, or wandering about when the teacher determines that such conduct is inappropriate to the classroom activity. Nothing in this paragraph precludes the imposition of more serious disciplinary actions when a student engages in repeated or multiple acts of misconduct and the teacher or principal determined that the nature of the offense, in the context of all circumstances, warrants a more severe consequence than contemplated by this paragraph. Grade (score) reduction as a disciplinary action is not an appropriate means of discipline.

Grounds for Removal. A student may be disciplined, to include removal from school (i.e., suspension, expulsion, or out of school placement) in appropriate circumstances; when a preponderance of the evidence demonstrates that the student has engaged in any of the following acts of misconduct:

1. Causing, attempting to cause, or threatening to cause, physical injury to another person; or has threatened to use or has used physical force

- against any person, including physical force that causes serious bodily injury to a person, as defined by section I 365(h)(3) of 18 U.S.C.
2. Possessing, using, or transferring to another person any dangerous weapon (e.g., any firearm, knife, explosive, incendiary device, or dangerous object) at the school or at a school-sponsored activity. A minimum 1-year expulsion is required for the possession of firearms.
  3. Possessing, using, distributing, or the attempted possession; use; or distribution of alcoholic beverages.
  4. Possessing or using tobacco, or any product containing tobacco or nicotine products; including, but not limited to: cigarettes, cigars, miniature cigars, clove, smokeless tobacco, snuff, chew packets, and betel nut.
  5. Possessing, using, distributing, or the attempted possession; use or distribution of
  6. any illegal/controlled substance; as defined in enclosure 2. A mandatory expulsion recommendation is required for a second offense.
  7. Offering, arranging, using, or negotiating to sell drug paraphernalia, or the unlawful possession of drug paraphernalia.
  8. Robbing or extorting, or attempting robbery or extortion.
  9. Damaging or vandalizing school, U.S. Government, contractor, or private property.
  10. Stealing, wrongfully appropriating, or attempting to steal or wrongfully appropriate; or knowingly receiving stolen school, Government, contractor, or private property.
  11. Committing any lewd, indecent, or obscene act; or engaging in habitual profanity or vulgarity.
  12. Disrupting school activities or otherwise willfully defying the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties. This provision includes not only horseplay and other forms of disorderly conduct, but also includes: lying to and/or making false statements to school personnel, *and/or* the violation of *other rules* and guidance established for an orderly educational atmosphere.
  13. Failing to leave the school, the school grounds, the school bus, or otherwise failing to follow the instructions/directions of the principal or staff member in charge after being told to do so; or is otherwise not authorized to be present in such areas (e.g., expelled or removed).
  14. Gambling in any form.
  15. Fighting or otherwise engaging in conduct that endangers the well-being of a student or others.
  16. Bullying (including cyber bullying) another, or a group (e.g., engaging physical intimidation, taunting, hazing, name calling, insulting, cursing, gesturing, or verbally abusing any person; including, but not limited to: comments, abuse, or harassment based on that person's race, religion, gender, creed, national origin, personal or physical attributes, disability,

- intellectual ability; and matters pertaining to sexuality, or characteristics of another person or the associates of another person).
17. Using portable communications devices contrary to school policy (e.g., beepers, cell phones, personal computers, BlackBerrys; other similar devices capable of receiving or transmitting audio, video, picture, or text message; portable electronic devices, including: cameras, electronic games, portable radios, compact disc players, iPods, portable DVD players, or similar devices). Such equipment and devices are subject to confiscation by school authorities.
  18. Engaging in, or attempting to engage in, acts of arson, making a threat to bomb, burn, or destroy in any manner a school building or school property, or intentionally making a false report of a bomb threat or fire (e.g., making a terrorist or bomb threat, pulling a fire alarm, etc.).
  19. Forging, cheating, or plagiarizing the work of others.
  20. Possessing or using fireworks or other explosive devices.
  21. Violating attendance regulations or policies (i.e., truancy).
  22. Violating the terms and conditions of the DoDEA Student Computer and Internet Access Agreement, or by illegal or unauthorized means gain access to the computers, software telecommunications, and related technologies of others; engage in any willful act that causes physical or financial damage or otherwise disrupts information technology, or use a computer or communications device to communicate threatening, harassing, indecent messages; or download obscene or pornographic materials.
  23. Violating any law, rule, regulation, or policy of the military installation or the school.
  24. Failing to report or otherwise be complicit in the above-described acts.

Notice to Law Enforcement Authorities. The principal of the school shall notify the Installation Commander or his or her designee for law enforcement or legal affairs, of any acts that may violate local laws or any situations that may pose a threat to the safety or security of the installation.

E3.7. Confiscation of Property. Authorized school officials may immediately confiscate any property belonging to, or in the possession of, any student if the possession or use of that property is inconsistent with the conduct required by this Regulation, or good order and discipline. Unless possession of the item is illegal or dangerous, the confiscating official will return the property to the rightful owner or the student's sponsor as soon as is practicable and safe, or issue a receipt for its retention until such time as it may be returned. Confiscation is not considered a disciplinary action, but is accomplished to preserve health and safety, or to provide evidence incidental to the exercise of disciplinary action.

\* This is a guideline; the Principal retains the authority to render different consequences based on extenuating and mitigating circumstances. Disciplinary consequences for students in grades K-5 will be discussed with parents and will be designed to instruct in proper behavior more than punish.

**RUMORS:** Counselors and administrators support resolving differences by communication. Rather than spreading rumors about possible incidents or issues, students have the responsibility to refer potential problems to an adult. If a student contributes to a serious incident (fight, etc.) by spreading information ("He said/She said" situations), disciplinary action may be taken.

**PUBLIC DISPLAY OF AFFECTION:** Any amorous display of affection during school hours may result in disciplinary action. Face-to-face contact (kissing) and body-to-body contact (embracing) is a public display of affection. Only hand-holding and brief hugs are permissible.

**Comment [M4]:** Possible change here to not include brief hugs?

**PUBLIC CONDUCT:** Conduct in the common areas of the school should be appropriate for an educational institution. Running, shouting, profanity and "horseplay" are not acceptable.

**LEAVING CAMPUS:** Except for the lunch period, students may not leave the campus without being signed out by a parent or guardian. High school students registered for Career Practicum may sign themselves in and out when the reason is related to their employment.

#### **DRESS CODE**

Proper attire is expected and unacceptable appearance will result in administrative consequences. Some examples of unacceptable attire include, but are not limited to, hats, headgear including bandanas, bare feet, flip flops, bare midribs, clothing that is too tight or too sheer, clothing that is too revealing, short shorts/skirts (above the fingertips), low-cut apparel, halters, tank tops with spaghetti straps, gym shorts, torn clothing, clothing with holes (jeans must not have holes above the extended fingertip), etc. Clothing must cover all undergarments. Cleavage should be covered. Midribs should remain covered even when students lift their arms above their heads. Sleeveless shirts or blouses must not be loose around the armpits and must cover the shoulders and back. Leggings must be worn with clothing that covers the tops of the thighs. Belts must be worn with any loose fitting pants or shorts and must be tight enough to keep the shorts or pants from falling or sagging.

Clothing or jewelry that promotes violence, pornography, drugs, alcohol, or any illegal act is prohibited. Clothing that promotes fear in a school setting will not be allowed. For safety concerns, students may be asked to remove excessively long chains or other clothing attire that is possibly hazardous to themselves or others around them in an emergency situation. Students should have clear visibility out of both eyes at all times. Eyes should not be covered by hair, hoods, dark glasses or other things that

might restrict vision. Flip flops, shower shoes, or excessively high heels may not be worn because students must be able to run and have their feet protected in case of an emergency.

Students should wear clothing that is appropriate to the weather conditions. During cold or windy weather, students should have proper coats and footwear. Younger students will not be allowed to go outside to play if they do not have the correct clothing. In the event of snow, students must have good coats, gloves and heavy shoes or boots.

The dress code applies to all students from pre-school to grade 12 and to all school events and times including physical education classes.

Final decisions on the appropriateness of garments/jewelry will be made by the administration. Students who comply with the first request, either of administrator or teacher, to change the offending piece of clothing will not have further consequences. It may be necessary to call the parent to bring a change of clothes.

**FIGHTING:** Fighting on the school campus or at school-sponsored events will result in disciplinary action and possible referral to the police. Discipline will be administered to all parties involved.

**VANDALISM:** Willful damages to and defacing of school, community, and personal property is strictly forbidden.

**INSUBORDINATION:** Failure to comply with a reasonable request by an adult is considered insubordination and may be appropriately construed to be willful disobedience.

**Class work during disciplinary non-attendance (suspensions).** Credit is given for class assignments. The student is responsible for obtaining those assignments and completing them in a timely manner. Normally, if a student misses a day of school for suspension, any work required should be presented as soon as the student returns to class. A student on suspension will not be eligible to participate in any co-curricular activities during the term of the suspension (that is, prior to the next day of regular school attendance). This applies to both in-and-out-of-school suspensions.

### **Discipline Committee**

A Discipline Committee is established by every school at the beginning of each school year. The Committee is convened in cases of severe conduct in order to provide a panel independent of the school. The Committee consists of both school and community members. When the proposed consequences for a student exceed 10 days

of suspension or include an expulsion, a formal disciplinary hearing is convened under the authority of DoDEA Regulation 2051.1, Enclosure 4.

**A special note to parents concerning discipline:** The school staff takes no pleasure in disciplining students, yet we recognize our responsibility to assist students in this area of development. Effective discipline is a three-way job: parents-school-students. When we contact you by phone, note, or conference about behavior, we are really seeking your support and follow-up in helping the student realize that certain actions and/or attitudes are not appropriate in school because they make learning difficult or impossible or may create hazards to self or others. Students rapidly adopt socially acceptable behavior when they realize that the home and school share the same standards.

### **DISCRIMINATION**

Under Executive Order 13160, any individual involved in a federally conducted education and training program (e.g., DoDEA) who believes he or she has been discriminated against on the basis of race, sex, color, national origin, disability, religion, age, sexual orientation, or status as a parent may file a complaint with the DoDEA Office of Compliance and Assistance.

Refer to <http://www.dodea.edu/> (under "Administration" - "DoDEA Director" - "Office of Compliance and Assistance") for detailed information on the scope of the program and how to file a complaint.

### **EARLY CHILDHOOD STUDENTS**

Parents of students in grades K – 3 should ensure that the classroom teacher is aware of all routines the children should follow after school is released at 1500. Teachers should be made aware in writing of students' need to go to the School Age Program (SAP), ride a bus, be collected by an older student, etc. If there is a CHANGE in routine, please notify the teacher IN WRITING. Teachers will follow the regular routine, despite what the child might tell them ("I'm supposed to walk to the youth center today!"), unless notification is made before the end of the school day.

### **FIRE DRILLS**

Continuous ringing of the fire alarm signals a fire drill. When the fire bell is heard, students under the direction of the teacher are to proceed in an orderly manner, without unnecessary noise, to the designated area. All students must wait quietly in their designated area until they are released to go back to class. They will return to class upon the direction of the teacher. It is each student's responsibility to know the direction of exit for each room in which he or she has a class. Appropriate instructions are posted in all locations. Drills are held weekly during the first month of the year, monthly thereafter.

### FOOD IN THE CLASSROOM/HALLWAYS

Food is not allowed at or near computer equipment, nor is food allowed in science classrooms.

Teachers in grades one to four have a snack policy that meets three specific needs:

1. Provides students with a healthy nutritious snack that fills the gap between breakfast and lunch;
2. Adheres to the DoDEA wellness policy;
3. Does not interfere with academic time by taking time out to eat or by creating something that needs to be cleaned up.

Teachers believe the milk break idea is an easier plan than sending in a snack every day. Parents can send in money each month and their child will be provided with milk from the cafeteria each day.

Parents, who would prefer to send in a snack each day, please choose one from the following list:

- Milk (in a thermos or box)
- Fruit (apples, pears, fruit that doesn't need to be peeled and can be eaten with fingers)
- 100% fruit juice (in thermos or box)
- Cut up fresh vegetables (celery, carrots, cucumbers, etc.)
- Cheese sticks or slices – please no dippers

Students will continue with their class work as they drink their milk or eat their snack.

For kindergarten snacks, information will come from the kindergarten teacher.

Teachers of students in grades 5 - 12 may permit food and drink in their classrooms, but only snacks. No full meals, take-away food or large bags of food (chips, etc.) are allowed. Students may eat meals in classrooms when they are assigned detention or as part of a reward.

Food may be eaten in the hallways before lunch. The senior class is responsible for policing the high school hallways. If there is trash in the high school hallways, the seniors lose their privilege of eating during seminar.

After lunch, no food may be eaten in hallways.

### **GRADE POINT VALUES/REPORT CARDS**

Teachers assign students in grades 4 – 12 a letter grade at the end of each nine-week period. The letter grade given by the teacher indicates the level of performance the student has achieved. Grading is the individual responsibility of the teacher, and each teacher has his or her own criteria for establishing grades. It is the duty of every teacher to supply this information to the students.

Computation of grades and grade point average for high school students is as follows:

<u>MARK</u>	<u>PERCENTAGE</u>	<u>GRADE POINTS</u>
A-EXCELLENT	90-100	4.0
B-GOOD	80-89	3.0
C-AVERAGE	70-79	2.0
D-POOR	60-69	1.0
F-FAILURE	0-59	0.0
I-INCOMPLETE		0.0

Advanced Placement (AP) courses have a weighted grade point system as follows:

A	5.0
B	4.0
C	3.0
D	2.0
F	0.0

An "I" grade will be given ONLY when a student has been unable to complete required work because of circumstances completely beyond his/her control, (i.e. serious illness). These should be made up before the end of the second week of the next marking period. If this is not done, the "I" grade will be removed and a grade of "F" is given.

## **GRADES FOR NEW STUDENTS**

Teachers, when submitting report card grades of new students, must use the new student's withdrawal grades from the previous school. A formula for grade computation should consider the amount of semester time spent in class at Menwith Hill Elementary/High School and time in class at his/her previous school.

## **GRADE POINT AVERAGE (GPA)**

The GPA is computed by applying the following formula: "sum of the products of the total credit earned for each mark and the grade point value of the mark divided by the number of credits attempted." All courses having grade-point value must be used in computing GPA. Credits earned in a Pass/Fail course are applicable to graduation requirements, but are not used in computing the GPA. "WF" (withdrawn failing) is used to denote a withdrawal that is counted as an "F" in the course for purpose of GPA. The "+" or "-" does not have any value in computing a student's GPA. Computation of a GPA for a student who arrives in DoDEA from another school will be accomplished in the same manner as indicated above using the grades provided from the previous school. Computation will be accomplished without regard to the method (to include weighting) that may have been used at the previous school. In other words, all incoming grades (not incoming GPA's) will be used to compute the GPA using the DoDEA scale.

Valedictorian and salutatorian are determined as follows:

Class rankings will be determined following the second semester of the senior year for students enrolled. All letter grades for eight semesters in grades 9-12 will be averaged to determine class rankings for graduation honors. GPA's will be calculated to three decimal places for determining the salutatorian and valedictorian.

## **GRADUATION REQUIREMENTS**

A minimum of 26 Carnegie units of credit is required for high school students to graduate from DoDEA high schools beginning with the class of 2008. **All students must earn a cumulative 2.0 grade point average in order to graduate from a DoDEA school.**

### **Required Courses:**

<b><u>Subject Area</u></b>	<b><u>Required Number of Credits</u></b>	
English	4 credits	
Social Studies (a)	3 credits	
World regions or history – 1 credit		
U.S. History - 1 credit		
U.S. Government - 1/2 credit		
Mathematics (b)	3 credits	
Menwith Hill School	School Year 12/13	Student Parent

**Comment [M5]:** This needs to be updated with the new DoDEA standards regarding math?

Algebra I – 1 credit	
Geometry – 1 credit	
Science (c)	3 credits
Biology – 1 credit	
Chemistry or Physics – 1 credit	
Aesthetics (d)	1 credit
Foreign Language (e)	2 credits
Physical Education	1.5 credits
Health	.5 credit
Professional Technical Studies (f)	2.0 credits
including .5 computers	
Elective (g)	6.0 credits
Total required for graduation	26 credits

- a) Social Studies: World Regions or World History required; U.S. History required; .5 U.S. Government required.
- b) Math: Algebra I, Geometry, and one higher math required. Starting with the class of 2016, students must take four math classes, three of which must be taken in high school.
- c) Science must be laboratory science: Biology required; either chemistry or physics required (Chemistry Applications or Physics Applications acceptable).
- d) Art, Music, Humanities (distance learning).
- e) Two years of the same foreign language required.
- f) Professional Technical Studies: Business Education, Career Practicum, Video, Computer Animation, etc. Included must be one semester of computers: website design, interactive multi-media, etc.
- g) All courses offered in addition to those selected to satisfy requirements such as Psychology, Economics, Reading, Yearbook, Media, Photography, Journalism and foreign languages.

**Notes of Explanation:**

DoDEA will accept the official grades and courses of transfer students. Courses interrupted by the transfer may be continued to completion. Transfer students with weighted grades in courses not weighted by DoDEA will have their GPA re-calculated without the weights.

Correspondence courses may be provided to transfer students if the course was previously taken and is not available at Menwith Hill Elementary/High School and the student desires completion credit. The amount of work being pursued in regular classes plus the amount taken in correspondence cannot exceed the regular load carried by a full-time student.

Students enrolling in a DoDEA school during their senior year may graduate by meeting the requirements of their previous school if, through no fault of their own, they cannot meet DoDEA graduation requirements. The diploma will then be issued by the previous school.

Students may earn an honors diploma by meeting the following criteria:

1. Completion of all graduation requirements.
2. Earning a passing grade in a minimum of four Advanced Placement courses
3. Earning a 3.8 GPA or higher through the end of the second semester of the senior year.

## **GUIDANCE AND COUNSELING**

The guidance counselors provides a full range of student counseling functions through a competency-based guidance program focused primarily on student, parent and faculty competencies. The program is designed to aid in the facilitation of the DoDEA educational program and to promote the welfare of the students. At Menwith Hill there are two counselors, one for grades pre\_K-8 and one for grades 9-12.

### **The counselor:**

1. Provides information and guidance to individuals and groups of students, teachers and parents, relative to academic, behavioral, personal, and social needs of students.
2. Provides career counseling through analysis of academic achievements, test results, teacher consultation and personal interviews. Provides guidance to students

Menwith Hill School

School Year 12/13

Student Parent

concerning academic goals, occupational preference, educational objectives, and high school and college requirements. Also works with the various military recruiters to assist those students who have an interest in military careers.

3. Plans and implements the school's testing program, including the college admission tests (PSAT, SAT, ACH, ACT), the DoDEA testing program (TerraNova achievement tests) and ASVAB, among others.

4. Advises the principal on concerns and attitudes of students, parents and teachers toward school curriculum, policies, programs and procedures.

5. Serves as a member of the committee helping to develop programs for exceptional children and in developing programs for special education. To see the counselor a student should go to the guidance office and make an appointment. Parents who wish to see the counselor are encouraged to make an appointment by phoning 262-7778 or 01423-777778.

### **HALL PASSES using the Planner Agendas**

Students are not allowed in the hallways during instruction time unless they have a hallway pass. This pass must be signed by a teacher or office personnel. Passes may be written in planner agendas. The pass should indicate destination, date, and time of departure from the classroom. A teacher issues hall passes when a student leaves the room for any purpose. Students are asked to take care of office or personal business before school, during lunch, or after school. Any student out of class without a pass may be considered truant. Teachers in grades K – 4 may elect to use an alternative hall pass system. However, only written passes are acceptable for students in grades 5 – 12 to leave a classroom.

### **HEALTH SERVICES**

A school nurse is on duty to evaluate any student who becomes ill or is injured at school. Students must report to their assigned teacher and obtain a pass before reporting to the nurse. In order to be considered excused, an ill student must check out through the nurse.

Sponsors are required to keep the school informed of current emergency phone contacts. Students will not be released to any person other than a designated emergency contact.

Only medications that have been prescribed by a physician, with the proper permission forms, which match pharmacy labels on the medication, will be administered. "Over the Counter" medications will not be administered unless they follow the guidelines as published in the School Health Services Guide. The middle school/high school student may keep certain medications, such as asthma inhalers, if there is a signed consent

form on file in the School Nurse Office. (DoDEA form is available in the School Nurse Office and the clinic also has a supply of these forms.)

Vision screening will be performed on all students. Scoliosis screenings will be performed on all 7th and 8th grade students. Notification will be sent home prior to the screenings. Height and weight screening will be requested of students for statistical records; it is not required. Hearing screenings will be performed during the school year as necessary. Parents will be notified if there is a problem with any of the screenings. In addition, screenings will be done throughout the school year if requested by teachers and / or parents.

**Please notify the school nurse of any current or special medical problems that students might have. This will help in monitoring any potential problems.**

### **HOMEWORK**

Success in school depends upon outside study. The amount of time required by a subject will vary according to the ability of the individual and the courses he or she chooses. Each student in high school should spend 1 - 2 hours a day in outside study. Students preparing for further education or those who have a difficult time with their studies will probably have to do more than others.

#### **Homework Policy**

1. Homework assignments are reinforcements for classroom curricular areas and are assigned to support student learning as appropriate for the ability of the student. Students should use the planner agenda to write down all class assignments.
2. Assigned homework reinforces instruction presented in class; it should not introduce new or unfamiliar concepts or skills.
3. Homework assignments are designed to meet the needs and abilities of individual students.
4. Homework will be done outside class time, not during the instructional period.
5. Teachers will consider the burden that homework places on a student when assignments are made. In making homework assignments, consideration should be given school events and other subject area requirements.
6. As appropriate to the nature of the assignment, teachers shall evaluate and return homework assignments to students.

#### **How Parents Can Help With Homework: Atmosphere**

1. Take an interest in your child's school activities.

2. Develop a family plan that provides recreation, family activities and rest, as well as study.
3. Provide a good environment for study and a definite, consistent time for homework to be done.
4. Develop a study plan. Agree as a family on an effective time for study. This should avoid distractions from younger children, television and radio programs, and excessive noise.
5. Reinforce desirable study habits by giving praise.
6. Give encouragement and help when needed.
7. Guide the pupil toward independent and effective use of time.
8. Use family trips to stimulate interest and increase knowledge.

### **How Parents Can Help With Homework: Supervision**

- 1) Homework assignments are to be written down in the planner agenda. This will prevent confusion or forgetfulness on the part of the student. Check out notes.
- 2) Check the parent portal on Gradespeed for assignments and due dates.
- 3) Students always have something to study. If your son or daughter tells you he or she does not have any homework, this may be a good opportunity for:
  - 4) Review of past work.
  - 5) Often daily assignments may involve reading (the rest of the paragraph)
  - 6) Teachers often assign a long-range project. Students frequently put off such assignments until the last minute.
  - 7) Often daily assignments may involve reading in preparation for classroom requirements. Although they do not include written work, they are extremely important to the student's performance.

### **HONOR ROLL**

The attendance clerk maintains the school's honor board, which lists the names of students who have made the quarterly honor roll. There are two lists for grades four and five: All A and B and Straight A. For grades six through twelve, there are four lists: Golden Honor Roll of 4.0 and above; High Honors If 3.5-3.9; Honor Roll of 3.0-3.49; and Mustang Roll for those whose GPA has improved by .5 or more from the previous grading period.

The standards as set by the National Honor Society include the following:

- No distinction is made among courses.
- "Pass" grades are not averaged; "Fail" grades are.
- Any grade below a "C" disqualifies a student
- An overall grade point average of 3.0 is required. Averages of 4.0 and above receive additional recognition.

### **IMMUNIZATIONS**

In order to attend a DoDEA school, students must have an up-to-date and complete immunization record. Parents will be informed of any needed immunizations and the procedures for scheduling appointments for immunizations. The base clinic also has a record of immunization requirements. Students must be compliant with immunization requirements within ten days of enrollment provided that the relevant vaccines are available.

### **INCLEMENT WEATHER / EMERGENCY SCHOOL CLOSING**

If an emergency closing of school is required, it is usually due to the weather. Employees should monitor the weather so that they arrive at school on time. Cancellation of classes because of inclement weather is extremely rare at Menwith Hill. However, conditions will be announced on the base weather line (262-7789 and 262-4489 or 01423-777789 and 01423-844489).

The decision to delay school or cancel school for students rests with the base command. Similarly the decision to run buses early and close school early rests with the base command.

Other factors that may bring about the closing of school are lack of water or heat, a health epidemic, military alerts which affect the civilian community and other emergencies which allow the community commander to close the school.

### **INFORMATION CENTER**

**HOURS OF OPERATION:**           **Opens at 0810 and closes at 1530.**

#### **USE OF THE INFORMATION CENTER**

Individual students: The library is open for students to read, do research or study quietly before and after school and during lunch. During school hours, a student must have a valid library pass from his/her teacher. A student should obtain a pass (or a note in the planner agenda) from the Information Specialist in order to access the library before school or during lunch.

## LETTERS

A Menwith Hill Elementary/High School letter is awarded to those students who have participated in school sponsored athletics and activities. Each sport has specific requirements in terms of the number of quarters of games played, number of games played, number of competitions entered (see Athletic Code). The coach of the individual sport will give participants in a sport complete information concerning lettering at the beginning of the season.

## LOCKERS

Each student in grades 6 – 12 will be assigned a locker with a combination lock provided. **Make sure the locker is locked at all times.** Many community groups utilize the school building and activities during the evening hours and on weekends, and to the extent possible, the school will provide security. The school cannot be held responsible for loss or theft from lockers. Use of the locker is strictly up to the student. The office makes assignment of lockers. Failure to comply with the guidelines below may result in suspension of locker privileges.

The following rules apply to use of lockers:

1. Students will use the locker assigned: **NO TRADING.**
2. Students **will not share** lockers unless assigned to do so.
3. Decorations that can be easily removed may be placed on lockers if they are in recognition of student achievement or a student's birthday. The decorations may remain for no more than one week. Tape and stickers are not allowed.
4. Pictures may be placed on the inside of the lockers. Pictures should be in good taste and not from magazines designated as adult reading material.
5. Students will be responsible for removing decorations at the end of the school year or when checking out of school.
6. Cleanliness of lockers is the business of the student, but lockers will be monitored periodically.
7. Though assigned to a student, the locker remains the property of the U.S. Government. Abuse of the locker will result in the student being held financially liable to the U.S. Government.
8. Lockers will remain locked when not in use.
9. Unused lockers will not be used by any other student.
10. All students are required to lock their lockers.
11. Student lockers are government property and may be searched at the discretion of the administration.

### **LOST AND FOUND**

The school cannot accept legal responsibility for items that are lost or found at school. Found items are to be turned in to the high school office. The lost and found is in the Cafetorium or you can also check in the Main Office. The school is not responsible for stolen items. The students and parents will be advised as to the appropriate paperwork that can be filed through the military police and legal office, but the school cannot reimburse students for missing items. **DO NOT BRING VALUABLES TO SCHOOL. The school is NOT responsible for missing or lost items and will not engage in more than a basic investigation.**

### **NATIONAL HONOR SOCIETY (NHS)**

The National Honor Society (NHS) is an honorary organization with members selected from the junior and senior classes. Sophomores may be granted provisional membership if they meet NHS standards. Prospective candidates are screened from all students compiling a minimum of 3.5 cumulative grade point average. A faculty council makes selections based on scholarship, character, service, and leadership.

Students providing the proper documentation of being National Honor Society members at their previous school will be automatically accepted. Members who fail to maintain a semester average of 3.5 will receive a warning letter. If, at the end of the 2nd semester, the average is still not 3.5, the student will be dismissed from the organization.

### **NATIONAL JUNIOR HONOR SOCIETY (NJHS)**

This activity is organized the same as the NHS, except it is open to eighth and ninth graders. The two organizations work closely on many projects.

### **NOTICES**

All notices for bulletin boards, posters, daily bulletins or handbills, or any type of advertisement distributed on school premises (other than faculty sponsored) must have prior administrative approval and must be removed as soon as item is no longer in effect.

### **PARENT, TEACHER ORGNIZATION (PTO)**

The PTO is a positive and vital force in bringing about a closer cooperative relationship between parents, teachers, students, and administrators so that our united efforts will secure for all youth the best possible mental, physical, and social education. The PTO

Executive Board has elected representatives of parents, teachers, students, and administrators.

The PTO is a nonprofit organization that depends upon volunteers to help with projects to provide monetary assistance for supplies and activities to support school and student needs.

The PTO is your organization and needs your involvement to be a successful bridge between home and school. The PTO seeks to keep parents and students informed about school issues and to provide support for school and student endeavors.

### **PERSONAL PROPERTY**

**DO NOT** bring valuables to school! Large amounts of money, expensive jewelry, walkmans, CD players, radios, etc., should be left safely at home. **The school is NOT responsible for missing, stolen or lost items and will not engage in more than a basic investigation.**

### **PHYSICAL EDUCATION**

Physical Education is an activity that is important today for both physical/mental health and well-being. Activity and participation are the keys to a good program and a stronger, healthier student.

If a student cannot participate in P.E. on a permanent basis or for a limited time period, he or she must bring a doctor's note to the nurse. The school nurse excusing the student from activities can write a note. No other reason will be accepted, as participation is the basis for the course and its grading procedures. Failure to actively participate in class on a daily basis may result in a grade penalty and possible disciplinary action.

Appropriate gym clothes will be worn during P.E. class. Instructors will make their requirements known to all students upon enrollment in the class. All elementary students have PE on a rotating schedule.

### **PLAYGROUND RULES**

1. Keep hands and feet to yourself.
2. Be nice to other students.
3. Leave rocks and sticks on the ground.
4. Only throw playground balls.'
5. Go down the slide feet first on your bottom. Only one person on the slide at a time.
6. Wait for your turn on the swings. Let others who are waiting on the swings.
7. Obey the signs on the playground equipment; larger children are not allowed on some equipment.

8. Wear clothing that is appropriate for the weather.
9. Do not go onto the soccer field past the trees without permission of the playground supervisor.
10. Tag and ball games are touching only – no tackle games.
11. Follow the directions of the playground supervisor. Tell the playground supervisor if you are hurt or someone is bothering you.
12. Line up by class at the gate when the playground supervisor blows the whistle.
- 13.

### **PROGRESS REPORTS**

**Comment [M6]:** Maybe a heading before this called Playground Rules

. Experience shows that the greatest amount of achievement by students is made when there is close cooperation between students, teachers, and parents. Progress reports for students with a D or F are required of each teacher and are sent home about the fifth week of each marking period. At Menwith we send a progress report for every student grades 4 – 12. Parents of students in grades 4 – 12 are encouraged use the Parent Portal in the Gradespeed program so that they can monitor grades and assignments daily. The school's website gives directions on how to access the Parent Portal.

### **PROHIBITED ARTICLES**

The following list includes articles that are **NOT** to be brought to school; however, this list is not all-inclusive. If you have any doubt about bringing any article to school, consult your teachers or the principal. Prohibited articles may be confiscated by any teacher or by the principal. Students possessing these articles may face disciplinary action.

### **REPORT CARDS**

**Comment [M7]:** Maybe a heading before this Recess/Lunch Recess Rules? Also include winter recess rules?

Report cards will be issued every quarter. Normally, parents are notified of unsatisfactory student achievement at the end of the fifth week in each marking period; parents and students will receive this notification in sufficient time to allow students to correct the cause of the unsatisfactory achievement.

The report card uses the following approved system wide marking system: A=Excellent, B=Good, C=Average, D=Poor, F=Failing, I=Incomplete. Use of the incomplete "I" Mark. The "I" for incomplete may be given to a student in a subject, at the discretion of the teacher, when the student is not able to complete the required assignments due to late entry, prolonged illness, or excessive approved absence from school. Guidance

counselors and teachers should determine the length of time needed to complete the work. If the work is not completed in the allotted time, the “I” grade should be changed to a grade representing the value of the work accomplished in the course. The time allotted for completion should not normally extend beyond 2 weeks after the end of the 9-week grading period or more than 4 weeks after the final grading period. The grade “I” will not be recorded on the permanent record card (transcript). In preliminary computations of the student’s grade point average, the grade of incomplete is equivalent to zero grade points.

Use of “+” or “-”. The use of “+” or “-” with grade marks is authorized for use on report cards and permanent record cards, however, the “+” or “-” does not have any value in computing a student’s grade point average.

### **SCHEDULE CHANGES**

Students who have schedule conflicts or problems with their schedules should request a schedule change through the counselor. The first week of each semester will be used for schedule changes. Requests at any other time may require a conference with student, parent, teacher and counselor. All schedule changes must be approved by an administrator.

### **SCHOOL ADVISORY COMMITTEE (SAC)**

The purpose of the Menwith Hill Elementary/High School SAC is to advise school administrators on program matters that impact on the quality of education in the school. It is mandated by law and consists of seven voting members: three parents, three teachers and one student. Other parents and teachers are always welcomed and encouraged to attend; they may observe but their participation is limited.

The SAC may make recommendations and advise the principal on all matters within its jurisdiction. Specifically, this includes:

1. School policies toward students and parents, student activities and administrative procedures affecting students.
2. Instructional programs and educational resources within the school.
3. Allocation of resources within the school to achieve educational goals.
4. Pupil services (health, special education, testing, evaluation, counseling and extra-curricular activities).
5. Student standards of conduct and discipline.
6. Policies and standards of the dependents' education system related to the matters enumerated above.

Committee members are elected on an annual basis, with elections being held in the spring. Regularly scheduled committee meetings are held the first Tuesday of each month in the high school library at 1530. Meetings are open to the public and the public is welcome to attend.

### **SCHOOL IMPROVEMENT LEADERSHIP TEAM**

At Menwith Hill Elementary/High School there is a School Improvement Leadership Team. Our SILT directs its attention to establishing goals that will help provide greater direction to the school's instructional program. These goals will be designed so that staff members regard them as being important, attainable, and in concert with the overall goals and objectives established by DoDEA.

This committee will review proposals and suggestions from staff members on how to improve the school's instructional program. In evaluating suggestions, the committee will work closely with the principal.

### **SCHOOL OFFICE HOURS**

Registration to school, request for records and other administrative issues can be addressed to the school administrative personnel during office hours 0800-1600 on regular school days. **Please do not ask office personnel to take money or other items for delivery to students. Also, messages will be given to students only in emergency situations.**

### **SEMINAR**

Seminar is a class like any other and students are expected to use the time well. Teachers are expected to maintain good classroom discipline and ensure that students are on task. A secondary purpose is for school organizations to meet without disrupting normal classroom time. At grades 9-12, seminar should be primarily an academic period. At the middle school level, it is also a time to advise students and foster positive self-esteem and a love of learning. Students in grades six through twelve have sustained silent reading/study from 1333 to 1355.

Seminar is used as a time to distribute materials and information. **All students are expected to be in their seminar classes, with another teacher, or at a scheduled meeting or activity.**

Seminars are set up to meet the following prioritized goals:

1. Individual assistance from a teacher on a recent lesson
2. Completion of assignments missed due to absence(s)
3. Completion of quizzes/tests not finished during class
4. Completion of in-class assignments not finished during class
5. Completion of late homework assignments
6. Completion of current homework assignments

7. Reading for school.
8. Reading for leisure

Students are expected to participate fully and cooperate throughout all seminar activities. Teachers will ensure that students assigned to their seminar class engage in the tasks listed above and fully participate/cooperate throughout all seminar activities. Teachers will be actively involved in seminar learning. Teachers and staff who do not have seminar are encouraged to join a seminar during the reading time.

- The middle school team has uniform rules and expectations, including a vision of SSR at the middle school level. The 6-8 seminars should operate according to these rules and expectations.
- High school seminars should be consistent in operation with the following rules:
  - The first 22 minutes of seminar (until 1355) should be for silent reading or studying. During this time, students should work and read quietly and individually. They may have their math book open and be completing math problems. They may be reading their novel for English or their chapter for social studies while completing worksheets, questions, a writing activity, etc. They may also read a magazine or engage in other leisure reading. Especially in classes with many computers, they may also be reading and working at the computers. Students will stay in their assigned seminar for this time UNLESS they have a note IN ADVANCE from a teacher indicating the student needs to be with that teacher for the entire seminar period (to make up a 90-minute test, for example, or to complete an extended distance learning or computer project). NO CLASSES OR GRADE LEVELS WILL BE EXEMPT FROM SSR!
  - Before students travel to other teachers, they may need time to consult with one another about assignments.
  - After 1355, students may work quietly with other students as long as any cooperative activity time is not simply spent socializing.
  - At 1400, students may ask to see another teacher, but the student must have a seminar pass to see that teacher in their possession. Students must make prior arrangements to leave their assigned seminar classroom. This includes passes to work in the Information Center. The teacher, who assigns the project, should write the pass to work on it in the Information Center during Seminar.
  - For anything more than a quick trip across the hall (to get a textbook, for example, or to clarify the homework assignment), students must make sure they have the seminar teachers' signature/time to move to another classroom and the other teacher's signature/time when they return to their regular seminar.
  - All students must report back to their seminar teacher with signatures/times before students are dismissed at 1500.
  - Each seminar class should have a sign-out sheet so teachers can keep track of where each student is for what amount of time. Students are also responsible

for asking the teacher for a signature and correctly completing the sign-out sheet. Students who abuse the system may be “grounded” and forced to stay with their seminar teacher. The names of students who are “grounded” will be put in the faculty bulletin or sent in an email.

- Students who refuse to work or read or be quiet during seminar are subject to the same disciplinary consequences as for any other class.
- Organizational meetings for junior class, senior class, Hiking Club, NJHS, NHS, Student Council, etc., are limited to no more than ONE MEETING PER MONTH during seminar. These meetings will BE POSTED IN ADVANCE OF THE MEETING ON THE SCHOOL CALENDAR and will generally be regularly-scheduled (first Tuesday of the month for Student Council, etc.). Other seminar activities (pep rallies, parades, science assemblies, concerts, fundraising activities, etc.) must be approved by the Student Council and administration prior to the event. These events will also be posted on the school calendar.
- Students who achieve a 4.0 GPA or higher during any quarter will be given a Golden Seminar Pass for the next quarter. While they must still keep their seminar teachers informed of their whereabouts, they do not need passes from teachers.

### **SMOKING**

Students are prohibited from **possessing or using** tobacco products during the school day on or off school property, on school-owned and operated buses or on chartered buses, or when participating in school-sponsored or school-supervised activities on or off campus. Violation of this policy will result in disciplinary action/consequence to be determined by the principal which may include referral to counseling or appropriate authority for any student found to be smoking or in possession of tobacco products during the school day whether on or off campus.

### **SPECIAL EDUCATION PROGRAM**

Menwith Hill Elementary/High School has teachers of the learning impaired and a speech therapist. Each student enrolled in our special education program has an Individual Education Plan (IEP), which outlines the specific education requirements.

### **STUDENT CLUBS**

Formation of these clubs is the responsibility of the students. A petition must be secured from the Student Government and, when satisfactorily completed and approved, the group will be given a charter to operate as a club for the school year. Faculty members approached by students to sponsor a club should consider helping the students. Secret societies are not allowed. Sponsors are required to be in attendance at all club meetings/events.

## **STUDENT GOVERNMENT**

Menwith Hill Elementary/High School has two active student governments, one for grades 6-8 and one for grades 9-12. Officers are elected.

## **STUDENT RECORDS**

Student records are developed and maintained by DoDEA schools in order to record and store information about students for legitimate educational purposes.

### **Types of school records maintained:**

1. **Student Cumulative Folder:** This folder contains official administrative records, permanent record cards, transcripts, standardized group achievement test results, records of honors and activities, permission slips, attendance reports, progress reports, etc.
2. **Student Personal Folder:** This folder contains information on reports from the Case Study Committee such as individual test results, IEP's, special action reports, reports of in-school incidents, psychologist reports, legal reports, individual test scores, etc. The Case Study Committee must obtain parental permission prior to initiating any form of student assessment.
3. **School Health Records:** This folder can include the standard DoDEA health record, power of attorney for emergency treatment, physical fitness forms for participation in sports, certification of immunization, etc.

**Maintenance of Records:** The school administrator is responsible for the maintenance, updating, dissemination, and security of all school records. Records may not be removed from the school, but parents may request that a copy of their child's record be made for their own personal use.

**Access to information:** Teachers have access to the records of students in their classes. Other DoDEA personnel with a need to know may have access to student records with approval of the school administrator. Parents and legal guardians have the right to review all records of their children. The school administrator or qualified guidance professional staff member will be made available to parents within a reasonable length of time to interpret record information, when appropriate. No one granted access or authorization to these records may remove these records from the office.

Persons other than authorized school officials will not have access to student records without written permission of the parent except where a student's record is formally requested by an authorized investigative agency. Student records will be made available to properly identified agents of Department of Defense investigative agencies upon presenting the school principal with a written request, outlining the scope and purposes of

the investigation, and signed by the senior investigation official supervising the investigation. An accurate accounting will be kept of all disclosures. However, neither parents nor student shall be advised of disclosures to law enforcement activities without prior authorization of the law enforcement agency concerned.

**Collection of additional information:** When it is necessary to collect information concerning a particular student other than that which is collected on all students, permission of parent must be obtained. The parent has the right to deny the placement of additional information into the official record.

**Right to challenge information:** The parent has the right to challenge any information contained in the student's record which is considered of questionable validity and to enter into the official record a statement of the reasons for challenge. If the school official concurs with the parent, that part of the record in question shall be corrected, amended, or destroyed. In the event that the parent and the school official do not concur, parents have a right to mediation over the record in question with school officials. If mediation does not provide a satisfactory solution for both the parties involved, the parents may request a formal hearing.

**Periodic review of information:** The school administrator or a designee will review the records periodically to ensure that relevant, current and accurate information is being maintained in each student's folder.

**Dissemination of information:** Information from the student's folder will be released to sources who have a need to know (such as classroom teacher) and to others whom the parents have given consent in writing for its release.

**Records of disclosure:** The school administrator or her designee will ensure that each release of records will be recorded.

**Forwarding of records upon transfer to another school:** Each parent is encouraged to review his or her child's records before they are released to the new school. Parents may hand-carry copies of records with them to their new duty station.

**Retirement of records:** Student records (permanent transcripts) will be maintained at this school for four years. During this period, you may request transcripts through us, at the following address:

**Guidance Office  
Menwith Hill Elementary/High School  
PSC 45, UNIT 8435  
APO AE 09468**

During the fifth year, transcripts are maintained at the regional office. The correct address for the regional office is:

Menwith Hill School

School Year 12/13

Student Parent

**DoDEA-European Region**  
Executive Services Division  
**CMR 443 Box 7100**  
**APO AE 09096-0005**

At the end of the fifth year, transcripts are retired to the Education Testing Service.

**Education Testing Service**  
**P.O. BOX 6605**  
**PRINCETON, NJ 08541-6605**

**REMEMBER:** No copy of transcripts will be provided without appropriate written authorization and signature of either parent/guardian or student if 18 years or older.

### **STUDENT SUPPORT TEAM**

The primary purpose of the SST is to serve as a screening committee for students referred for various reasons e.g., behavior, academic, learning, language, attention, social/emotional, poor attendance, and organizational skills. The SST normally receives all referrals from classroom teachers for potential academic, behavioral, or emotional interventions.

The committee's role is to identify which activities or recommendations for intervention/services, if any, are appropriate for each student. The committee may decide to monitor a student's progress for a period of time rather than creating a Modified Instruction Plan (MIP), referral to the Case Study Committee (CSC), or referral to a community agency (Family Advocacy, Mental Health, etc.). It is possible that the student's referral to the SST results in no action other than monitoring of the student by an SST member. The SST also serves as the Review Committee for Gifted Education. Parents may contact the school administration, at 262-7778 or 01423-777778 for further information.

### **STUDY TRIPS**

Study trips are an important aspect of the school program. The school provides transportation, but students are responsible for admission fees and lunch expenses.

### **TELEPHONES**

Our office telephones are for official school business. **Cellular telephones** must remain in the "off" setting throughout the school day. Only during lunch are students allowed to place or receive calls, and then only while off campus. If a cellular telephone rings or

vibrates during a class, it may be confiscated by the teacher and returned only to the sponsor or parent.

### **TRANSPORTATION**

All issues regarding school bus transportation are the responsibility of the Transportation Officer based at Menwith Hill School. She may be reached at 262-7778 or 01423-77778.

#### **School Bus Reminders**

The regular School Bus Route and Hazardous Roads Route sheets for your child/children are attached. This information is For Official Use Only. It is not to be shared outside of the Community and needs to be shredded when obsolete.

Depart time on the attached Bus Schedule is when the bus leaves the stop. Children need to be standing at the bus stop 5 minutes early.

Children aged 9 years and under must be met at the bus stop by a parent or may be escorted by a sibling aged 12 years or older. If no-one is available to escort the child from the bus stop, the child must be returned to the school and the parents called.

If the Hazardous Roads Route is implemented, it will be announced on the Weather Line (Harrogate 777789 or 847789).

If the Hazardous Roads Route is implemented, it will be used for the entire day...morning pick-up and afternoon drop-off.

### **VISITORS**

The school welcomes visitors. Parents wishing to visit classes are requested to make an appointment with the teacher whose class they wish to visit. DoDEA Regulation 4700.2, Enclosure 4, **requires ALL VISITORS to report to the main office to obtain a visitor's badge** prior to going to the classroom.

Students wishing to bring visitors must obtain approval from the school administration and each of the student's teachers prior to bringing a visitor to school. On the day of the visit, the student and the visitor are to report to the principal before attending any classes. Student visitors are not allowed during the first two weeks of school and the final week of each semester.

## **VOLUNTEERS**

Volunteers are appreciated at Menwith Hill School. All volunteers should coordinate their time and efforts with classroom teachers or coaches. Volunteers are always needed to chaperone day study trips, to work with individual students, and to provide general supervision. Volunteers are required to complete DoDEA Form 4700.3-F1, May 2006. The form can be picked up in the office and is supplied with registration packets.

## **WITHDRAWING FROM SCHOOL**

When the student withdraws from school he or she will observe the following procedures:

1. The student will report to the guidance counselor with a note and a copy of orders from his or her parents noting that the family is moving stating date of the last day of attendance for the student. If at all possible, the school would appreciate an advance notice of two weeks. Students will be expected to attend school the day of clearing.
2. On the next-to-last full day of school for the student, he or she will report to the main office where he or she will be issued a checkout form. The student will give his or her teacher the checkout form at the beginning of each class and turn in the books for each individual class. Each teacher will record the grade in progress at the time of withdrawal, clear the student of all records and textbooks, and sign the form.
3. After the student has all grades and teachers' signatures, he or she will go to the library, main office and nurse's office in order to have the form signed.
4. The student will then report to the main office where he or she will be officially withdrawn from school.
5. Once a student checks out of school, he or she is not allowed to be on school grounds or in the building without the principal's approval.
6. Official student records cannot be hand-carried to the next school. An unofficial copy of the transcript and a copy of the withdrawal form will be provided.
7. Additional information can be found under acceleration, page 12.

**NOTIFICATION OF AHERA INSPECTION OR REINSPECTION**

MENWITH HILL ELEMENTARY/HIGH SCHOOL  
PSC 45 UNIT 8435  
APO AE 09468

AUGUST 15, 2012

MEMORANDUM FOR PARENTS AND STAFF

SUBJECT: Notification of AHERA inspection (or reinspection)

As required by the Asbestos Hazard Emergency Response Act (AHERA) of 1986, our buildings have been inspected or re-inspected for asbestos-containing materials (ACM). The most recent inspection was conducted on 18/19 January 2012 in accordance with Environmental Protection Agency (EPA) regulations and DoDEA policy. The results of the inspection (see attached) indicates we have asbestos materials in our school.

As required by EPA, a triennial re-inspection and six month periodic surveillance program is in effect for any asbestos materials that remain in place and their condition will be closely monitored. A copy of the Asbestos Management Plan, which includes the recommended management response action(s) for ACM, is kept in our office and is available for your review. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Les Bryan  
Principal
