Index

Chapter 1 Introduction

1–1. Purpose

This regulation prescribes the policies and procedures pertaining to the administration of military justice and implements the Manual for Courts-Martial (MCM), United States, 2005, hereafter referred to as the MCM and the Rules for Courts-Martial (R.C.M.) contained in the MCM.

1–2. References

Required and related publications and prescribed and referenced forms are listed in appendix A.

1–3. Explanation of abbreviations and terms

Abbreviations and special terms used in this regulation are explained in the glossary. See also R.C.M. 103 for definitions of terms used in the MCM.

1–4. Responsibilities

a. The Judge Advocate General (TJAG) is responsible for the overall supervision and administration of military justice within the Army.

b. The Chief Trial Judge, U.S. Army Judiciary, as designee of TJAG, is responsible for the supervision and administration of the U.S. Army Trial Judiciary and the Military Magistrate Program.

c. The Chief, U.S. Army Trial Defense Service (USATDS), as designee of TJAG, is responsible for the detail, supervision, and control of defense counsel services within the Army.

Chapter 2 Investigation and Prosecution of Crimes over which the Department of Justice and the Department of Defense have Concurrent Jurisdiction

2–1. Implementing authority

This chapter implements a Memorandum of Understanding (MOU) (January 1985) between the Department of Defense (DOD) and the Department of Justice (DOJ) delineating the areas of responsibility for investigating and prosecuting offenses over which the two departments have concurrent jurisdiction. The MOU is available at appendix 3 of the MCM and is also known as DOD Directive (DODD) 5525.7. DODDs are available at <http://www.dtic.mil/whs/directives/>.

2–2. Local application

Decisions with respect to the provisions of the MOU will, whenever possible, be made at the local level between the responsible DOJ investigative agency and the local military commander (see para D.1. of the MOU). If an agreement is not reached at the local level, the local commander will (if he or she does not exercise general court-martial (GCM) jurisdiction) promptly advise the commander exercising GCM jurisdiction over his or her command. If the commander exercising GCM jurisdiction (acting through his or her staff judge advocate (SJA)) is unable to effect an agreement, the matter will be reported to the Criminal Law Division ATTN: DAJA-CL, Office of The Judge Advocate General, Headquarters Department of the Army (HQDA), 1777 North Kent Street, Rosslyn, VA 22209–2194.

2–3. Action by convening authority

Before taking any action with a view toward court-martial, courts-martial convening authorities will ensure that Federal civilian authorities are consulted under the MOU in cases likely to be prosecuted in the U.S. district courts.

2–4. Grants of immunity

a. General. Grants of immunity may be made under the Uniform Code of Military Justice (UCMJ), R.C.M. 704, and directives issued by the Secretary of the Army (SA), subject to the guidance set forth in this paragraph.

b. Persons subject to the UCMJ. The authority of courts-martial convening authorities extends only to grants of immunity from action under the UCMJ. However, even if it is determined that a witness is subject to the UCMJ, the convening authority should not grant immunity before determining under the MOU that the DOJ has no interest in the case.

c. Persons not subject to the UCMJ. If a prospective witness is not subject to the UCMJ or if DOJ has an interest in the case, the grant of immunity must be issued under Sections 6001–6005, Title 18, United States Code (18 USC 6001–6005). In those instances, the following procedures are applicable:

(1) Draft a proposed order to testify for the signature of the GCM convening authority (GCMCA). Include in the requisite findings that the witness is likely to refuse to testify on Fifth Amendment grounds and that the testimony of

the witness is necessary to the public interest. Forward the unsigned draft to the Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194, for coordination with DOD and the DOJ and approval by the Attorney General.

(2) Include the following information in the request, if available:

- (a) Name, citation, or other identifying information of the proceeding in which the order is to be used.
- (b) Name and social security number of the individual for whom the immunity is requested.
- (c) Name of the employer or company with which the witness is associated.
- (d) Date and place of birth of the witness.
- (e) Federal Bureau of Investigation (FBI) number or local police number, if any.
- (f) Whether any State or Federal charges are pending against the prospective witness and the nature of the charges and whether the State or Federal Prosecutor in the case concurs or objects to the proposed grant of immunity.
- (g) Whether the witness is currently incarcerated and if so, under what conditions and for what length of time.
- (h) Military status and organization.
- (i) Whether the witness would be likely to testify under a grant of immunity thus precluding the use of the testimony against them.
- (j) Factual basis supporting the finding that the witness is likely to refuse to testify on Fifth Amendment grounds.
- (k) General nature of the charges to be tried in the proceeding at which the witness' testimony is desired.
- (l) Offenses, if known, to which the witness' testimony might tend to incriminate the witness.
- (m) The anticipated date on which the order will be issued.
- (n) A summary of the expected testimony of the witness concerning the particular case in issue.

(3) If the Attorney General has authorized a grant of immunity, furnish the following information through the Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194, to the Witness Immunity Unit, Criminal Division, Department of Justice, Washington, DC 20530, after the witness has testified, refused to testify, or the proceedings have been terminated without the witness being called to testify:

- (a) Name, citation, or other identifying information of the proceeding in which the order was requested.
- (b) Date of the examination of the witness.
- (c) Name and address of the witness.
- (d) Whether the witness invoked the privilege against self-incrimination.
- (e) Whether the immunity order was issued.
- (f) Whether the witness testified pursuant to the order.
- (g) If the witness refused to comply with the order, whether contempt proceedings were instituted or are contemplated, and the result of the contempt proceeding, if concluded.

d. Cases involving threats to U.S. national security. A proposed grant of immunity will be forwarded to the Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194. After coordination with the Office of the Deputy Chief of Staff, G-2, (DCS, G-2) the proposed grant will be forwarded through the Army's General Counsel, to the General Counsel, DOD, for consultation with the DOJ in cases involving—

- (1) Espionage.
- (2) Subversion.
- (3) Aiding the enemy.
- (4) Sabotage.
- (5) Spying.
- (6) Violation of rules or statutes concerning classified information, or the foreign relations of the United States.

2-5. Administrative action

Administrative action according to paragraph F1 of the MOU will be conducted in such a manner so as not to interfere with or otherwise prejudice the investigation by the responsible DOJ investigative agency.

2-6. Threats against the President

In cases involving persons subject to the UCMJ who have allegedly made threats against the President or successors to the Presidency in violation of 18 USC 871, the U.S. Secret Service has primary investigative responsibility. All investigative agencies will cooperate fully with the Secret Service when called on to do so. After the investigation is completed, the SJA representing the commander who exercises GCM jurisdiction over the military suspect will meet with representatives of the DOJ and the Secret Service to determine whether military authorities or DOJ will exercise further jurisdiction in the case.

2-7. Reporting requirements for cases involving national security crimes

- a. Prior to preferral of charges SJAs will provide an unclassified executive summary via e-mail to Criminal Law

Division, ATTN: DAJA–CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street Rosslyn, VA 22209–2194, regarding potential court-martial proceedings in cases that have national security implications. This is in addition to the reporting requirements set forth for cases involving a threat to U.S. national security in which a grant of immunity is being proposed in accordance with paragraph 2–4*d*, SJAs will also provide a copy of the unclassified executive summary via e-mail to International and Operational Law Division, ATTN: DAJA–IO, Office of The Judge Advocate General, HQDA, 1777 North Kent Street Rosslyn, VA 22209–2194. These cases involve offenses such as—

- (1) Sedition (Articles 82 and 94 UCMJ) when foreign power involvement is suspected.
 - (2) Aiding the enemy by giving intelligence to the enemy (Article 104 element).
 - (3) Spying (Article 106).
 - (4) Espionage (Article 106a).
 - (5) Suspected or actual unauthorized acquisition of military technology, research and development information, or Army acquisition program information, by or on behalf of a foreign power.
 - (6) Violation of rules or statutes concerning classified information, or the foreign relations of the U.S.
 - (7) Sabotage conducted by or on behalf of a foreign power.
 - (8) Subversion, treason, domestic terrorism, and known or suspected unauthorized disclosure of classified information or material.
 - (9) Attempts (Article 80), solicitations (Article 134) or conspiracies (Article 81) to commit (1) through (8), above.
- b. Staff Judge Advocate notification is designed to improve force protection and security while at the same time protecting the accused’s right to a fair trial, free from unlawful command influence.

Chapter 3 Nonjudicial Punishment

Section I Applicable Policies (para 1, part V, MCM)

3–1. General

This chapter implements and amplifies Article 15, UCMJ, and part V, MCM. No action should be taken under the authority of Article 15, UCMJ, without referring to the appropriate provisions of the MCM and this chapter. This chapter prescribes requirements, policies, limitations, and procedures for—

- a. Commanders at all levels imposing nonjudicial punishment.
- b. Members on whom this punishment is to be imposed.
- c. Other persons who may take some action with respect to the proceedings.

3–2. Use of nonjudicial punishment

A commander should use nonpunitive measures to the fullest extent to further the efficiency of the command before resorting to nonjudicial punishment (see para 1d(1), part V, MCM). Use of nonjudicial punishment is proper in all cases involving minor offenses in which nonpunitive measures are considered inadequate or inappropriate. If it is clear that nonjudicial punishment will not be sufficient to meet the ends of justice, more stringent measures must be taken. Prompt action is essential for nonjudicial punishment to have the proper corrective effect. Nonjudicial punishment may be imposed to—

- a. Correct, educate, and reform offenders who the imposing commander determines cannot benefit from less stringent measures.
- b. Preserve a Soldier’s record of service from unnecessary stigma by record of court-martial conviction.
- c. Further military efficiency by disposing of minor offenses in a manner requiring less time and personnel than trial by court-martial.

3–3. Relationship of nonjudicial punishment to nonpunitive measures (para 1g, part V, MCM)

a. *General.* Nonjudicial punishment is imposed to correct misconduct in violation of the UCMJ. Such conduct may result from intentional disregard of or failure to comply with prescribed standards of military conduct. Nonpunitive measures usually deal with misconduct resulting from simple neglect, forgetfulness, laziness, inattention to instructions, sloppy habits, immaturity, difficulty in adjusting to disciplined military life, and similar deficiencies. These measures are primarily tools for teaching proper standards of conduct and performance and do not constitute punishment. Included among nonpunitive measures are denial of pass or other privileges, counseling, administrative reduction in grade, administrative reprimands and admonitions, extra training (see Army Regulation (AR) 600–20), bar to reenlistment, and military occupational specialty (MOS) reclassification. Certain commanders may administratively reduce enlisted personnel for inefficiency and other reasons. This authority exists apart from any authority to punish misconduct under Article 15. These two separate and distinct kinds of authority should not be confused.

b. Reprimands and admonitions.

(1) Commanding officers have authority to give admonitions or reprimands either as an administrative measure or as nonjudicial punishment. If imposed as a punitive measure under Article 15, the procedure set forth in paragraph 4, part V, MCM, and in section III of this chapter must be followed.

(2) A written administrative admonition or reprimand will contain a statement that it has been imposed as an administrative measure and not as punishment under Article 15 (see AR 600–37). Admonitions and reprimands imposed as punishment under Article 15, whether administered orally or in writing (see para 5c(1), part V, MCM), should state clearly that they were imposed as punishment under that Article.

c. Extra training or instruction. One of the most effective nonpunitive measures available to a commander is extra training or instruction (see AR 600–20). It is used when a Soldier's duty performance has been substandard or deficient; for example, a Soldier who fails to maintain proper attire may be required to attend classes on the wearing of the uniform and stand inspection until the deficiency is corrected. The training or instruction must relate directly to the deficiency observed and must be oriented to correct that particular deficiency. Extra training or instruction may be conducted after duty hours.

3–4. Personal exercise of discretion (para 1d(2), part V, MCM)

a. A commander will personally exercise discretion in the nonjudicial punishment process by—

(1) Evaluating the case to determine whether proceedings under Article 15 should be initiated.

(2) Determining whether the Soldier committed the offense(s) where Article 15 proceedings are initiated and the Soldier does not demand trial by court-martial.

(3) Determining the amount and nature of any punishment, if punishment is appropriate.

b. No superior may direct that a subordinate authority impose punishment under Article 15 or issue regulations, orders, or so-called “guides” that either directly or indirectly suggest to subordinate commanders that—

(1) Certain categories of offenders or offenses should be disposed of by punishment under Article 15.

(2) Predetermined kinds or amounts of punishment should be imposed for certain categories of offenders or offenses.

c. A superior commander may send or return a case to a subordinate for appropriate disposition if necessary and within the jurisdiction of the subordinate. A superior commander may also reserve personally, or to the superior commander's delegate, the right to exercise Article 15 authority over a particular case or over certain categories of offenders or offenses (see para 3–7d).

3–5. Reference to superior

a. (See R.C.M. 306(b)). Nonjudicial punishment should be administered at the lowest level of command commensurate with the needs of discipline, after thoroughly considering—

(1) The nature and circumstances of the offense.

(2) The age, previous record, maturity, and experience of the offender.

b. If a commander determines that the commander's authority under Article 15 is insufficient to impose a proper punishment, the case may be referred to an appropriate superior. The same procedure will be followed if the authority of the commander to exercise Article 15 powers has been withheld or limited (see paras 3–4 and 3–7d). In transmitting a case for action by a superior, no recommendation of the nature or extent of the punishment to be imposed will be made. Transmittal should normally be accomplished by written correspondence using DA Form 5109 (Request to Superior to Exercise Article 15, UCMJ, Jurisdiction).

3–6. Filing determination

a. A commander's decision whether to file a record of nonjudicial punishment on the performance section of a Soldier's Official Military Personnel File (OMPF) is as important as the decision relating to the imposition of nonjudicial punishment itself. In making a filing determination, the imposing commander must weigh carefully the interests of the Soldier's career against those of the Army to produce and advance only the most qualified personnel for positions of leadership, trust, and responsibility. In this regard, the imposing commander should consider the Soldier's age, grade, total service (with particular attention to the Soldier's recent performance and past misconduct), and whether the Soldier has more than one record of nonjudicial punishment directed for filing in the restricted section (see *b*, below). However, the interests of the Army are compelling when the record of nonjudicial punishment reflects unmitigated moral turpitude or lack of integrity, patterns of misconduct, or evidence of serious character deficiency or substantial breach of military discipline. In such cases, the record should be filed in the performance section.

b. If a record of nonjudicial punishment has been designated for filing in a Soldier's restricted section, the Soldier's OMPF will be reviewed to determine if the restricted section contains a previous record of nonjudicial punishment. In those cases in which a previous DA Form 2627 (Record of Proceedings under Article 15, UCMJ), that has not been wholly set aside has been filed in the restricted section and in which prior to that punishment, the Soldier was in the grade of SGT or higher, the present DA Form 2627 will be filed in the performance section. The filing should be

recorded on the present DA Form 2627 in block 11. The Soldier concerned and the imposing commander will be informed of the filing of the DA Form 2627 in the performance section.

c. The filing of a record of nonjudicial punishment imposed upon a member of another armed service will be done in a manner consistent with the governing regulations of that member's parent Service (see Manual of The Judge Advocate General, Navy (JAGMAN) 0101 for Navy and Marine Corps personnel; Air Force Instruction (AFI) 51-201, for Air Force personnel; and U.S. Coast Guard Military Justice Manual (MJM), COMMANDANT INSTRUCTION (COMDTINST) M5810.1D, for Coast Guard personnel).

Section II

Authority (para 2, part V, MCM)

3-7. Who may impose nonjudicial punishment

a. *Commanders.* Unless otherwise specified in this regulation or if authority to impose nonjudicial punishment has been limited or withheld by a superior commander (see *d*, below), any commander is authorized to exercise the disciplinary powers conferred by Article 15.

(1) The term commander, as used in this chapter, means a commissioned or warrant officer who, by virtue of that officer's grade and assignment, exercises primary command authority over a military organization or prescribed territorial area, that under pertinent official directives is recognized as a command.

(2) The term imposing commander refers to the commander or other officer who actually imposes the nonjudicial punishment.

(3) Commands include the following:

(a) Companies, troops, and batteries.

(b) Numbered units and detachments.

(c) Missions.

(d) Army elements of unified commands and joint task forces.

(e) Service schools.

(f) Area commands.

(4) Commands also include, in general, any other organization of the kind mentioned in (1), above, (for example, a provisional unit designated under AR 220-5), the commander of which is the one looked to by superior authority as the individual chiefly responsible for maintaining discipline in that organization. Thus, an infantry company, whether or not separate or detached (R.C.M. 504(b)(2)), is considered to be a command. However, an infantry platoon that is part of a company and is not separate or detached is not considered to be a command. Although a commissioned or warrant officer exercising command is usually designated as the commander, this position may be designated by various other titles having the same official connotation; for example, commandant, chief of mission, or superintendent. Whether an officer is a commander is determined by the duties he or she performs, not necessarily by the title of the position occupied.

b. *Multi-Service commanders and officers in charge.* A multi-Service commander or officer in charge, to whose command members of the Army are assigned or attached, may impose nonjudicial punishment upon such Soldiers. A multi-Service commander or officer in charge, alternatively, may designate one or more Army units and will for each such Army unit designate an Army commissioned or warrant officer as commanding officer for the administration of discipline under the UCMJ, Article 15. A copy of such designation will be furnished to Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194. A multi-Service commander or officer in charge, when imposing nonjudicial punishment upon a military member of their command, will apply the provisions of this regulation (see para 3-8c).

c. *Delegation.* The authority given to a commander under Article 15 is an attribute of command and, except as provided in this paragraph, may not be delegated. Pursuant to the authority vested in the SA under the provisions of the UCMJ, Article 15(a), the following rules with respect to delegation of powers are announced:

(1) Any commander authorized to exercise GCM jurisdiction or any commanding general may delegate that commander's or commanding general's powers under Article 15 to one commissioned officer actually exercising the function of deputy or assistant commander. A commander may instead of delegating powers under Article 15 to a deputy or assistant commander, delegate such powers to the chief of staff of the command, provided the chief of staff is a general officer, or frocked to a general officer grade. An officer in command who is frocked to the grade of brigadier general is not a general officer in command as defined in para 2c, part V, MCM, and lacks the authority to impose some punishments, including forfeitures and arrest upon commissioned and warrant officers. (See paragraph 5(b)(1)(B), part V, MCM, table 3-1B (Maximum Punishment for Commissioned and Warrant Officers that may be imposed by a general officer in command or GCMCA), and AR 600-8-29, paragraph 6-1a, figure 6-1 (limitations of frocked officers).

(2) Authority delegated under *c* (1), above, may be exercised only when the delegate is senior in grade to the person punished. A delegate need not, when acting as a superior authority on an appeal, be senior in grade to the imposing commander.

(3) Delegations of authority to exercise Article 15 powers will be made in writing; for example, a memorandum. It will designate the officer on whom the powers are conferred by name and position. Unless limited by the terms of such delegation or by (2), above, an officer to whom this authority is granted may exercise any power that is possessed by the officer who delegated the authority. Unless otherwise specified in the written authorization, a delegation of Article 15 authority will remain effective until—

(a) The officer who delegated the officer's powers ceases to occupy that position, other than because of temporary absence;

(b) The officer to whom these powers have been delegated ceases to occupy the position wherein the officer was delegated such powers, other than because of temporary absence; or

(c) Notification that the delegation has been terminated is made in writing. A delegation does not divest the delegating officer of the right to personally exercise the delegating officer's Article 15 powers in any case in which the delegating officer desires to act. Although an appeal from punishment imposed under a delegation of Article 15 powers will be acted on by the authority next superior to the delegating officer (see para 3–30), the latter may take the action described in paragraph 3–32. (See paras 6 and 7, part V, MCM, and para 3–38 of this regulation.)

d. *Limitation of exercise of disciplinary authority by subordinates.* Any commander having authority under the UMCJ, Article 15, may limit or withhold the exercise of such authority by subordinate commanders. For example, the powers of subordinate commanders to exercise Article 15 authority over certain categories of military personnel, offenses, or individual cases may be reserved by a superior commander. A superior authority may limit or withhold any power that a subordinate might otherwise have under this paragraph.

3–8. Persons on whom nonjudicial punishment may be imposed

a. *Military personnel of a commander's command.* Unless such authority is limited or withheld by superior competent authority, a commander may impose punishment under Article 15 on commissioned officers, warrant officers, and other military personnel of a commander's command, except cadets of the U.S. Military Academy (USMA).

(1) For the purpose of Article 15, military personnel are considered to be “of the command” of a commander if they are—

(a) Assigned to an organization commanded by that commander.

(b) Affiliated with the command (by attachment, detail, or otherwise) under conditions, either expressed or implied, that indicate that the commander of the unit to which affiliated and the commander of the unit to which they are assigned are to exercise administrative or disciplinary authority over them.

(2) Under similar circumstances, a commander may be assigned territorial command responsibility so that all or certain military personnel in the area will be considered to be of the command for the purpose of Article 15.

(3) To determine if an individual is of the command of a particular commanding officer, refer first to those written or oral orders or directives that affect the status of the individual. If orders or directives do not expressly confer authority to administer nonjudicial punishment to the commander of the unit with which the Soldier is affiliated or present (as when, for example, they contain no provision attaching the Soldier “for disciplinary purposes”), consider all attendant circumstances, such as—

(a) The phraseology used in the orders.

(b) Where the Soldier slept, ate, was paid, performed duty, the duration of the status, and other similar factors.

(4) If orders or directives include such terms as “attached for administration of military justice,” or simply “attached for administration,” the individual so attached will be considered to be of the command, of the commander, of the unit of attachment for the purpose of Article 15.

b. *Termination of status.* Nonjudicial punishment will not be imposed on an individual by a commander after the individual ceases to be of the commander's command, because of transfer or otherwise. However, if Article 15 proceedings have been instituted and punishment has not been imposed prior to the time of the change of assignment, the commander who instituted the proceedings may forward the record of proceedings to the gaining commander for appropriate disposition.

c. *Personnel of other armed forces.* An Army commander is not prohibited from imposing nonjudicial punishment on a military member of his or her command solely because the member is a member of another armed service. Other provisions of this regulation notwithstanding, an Army commander may impose punishment upon a member of another Service only under the circumstances, and according to the procedures, prescribed by the member's parent Service. (In particular, see JAGMAN 0101 for Navy and Marine Corps personnel; AFI 51–201, for Air Force personnel, and MJM, COMDINST M5810.1D, for Coast Guard personnel.)

3–9. Minor offenses

Generally, the term “minor” includes misconduct not involving any greater degree of criminality than is involved in the average offense tried by summary court-martial (SCM). It does not include misconduct of a type that, if tried by GCM, could be punished by dishonorable discharge or confinement for more than 1 year (see para 1e, part V, MCM). This is not a hard and fast rule; the circumstances of the offense might indicate that action under Article 15 would be

appropriate even in a case falling outside these categories. Violations of, or failures to obey general orders or regulations may be minor offenses if the prohibited conduct itself is of a minor nature even though also prohibited by a general order or regulation. Whether an offense is “minor” is a matter within the discretion of the commander imposing nonjudicial punishment. Nonjudicial punishment for an offense other than a minor offense (even though thought by the commander to be minor) is not a bar to subsequent trial by court-martial for the same offense. See R.C.M. 907(b)(2)(D)(iv). However, the accused may show at trial that nonjudicial punishment was imposed, and if the accused does so, this fact must be considered in determining an appropriate sentence. See Article 15(f); R.C.M. 1001(c)(1)(B).

3–10. Double punishment prohibited

When nonjudicial punishment has been imposed for an offense, punishment may not again be imposed for the same offense under Article 15. Once nonjudicial punishment has been imposed, it may not be increased, upon appeal or otherwise. When a commander determines that nonjudicial punishment is appropriate for a particular service member, all known offenses determined to be appropriate for disposition by nonjudicial punishment and ready to be considered at that time, including all offenses arising from a single incident or course of conduct, will ordinarily be considered together and not made the basis for multiple punishments. This provision does not restrict the commander’s right to prefer court-martial charges for a non-minor offense previously punished under the provisions of Article 15.

3–11. Restriction on punishment after exercise of jurisdiction by civilian authorities

Chapter 4 covers the limitations on nonjudicial punishment after exercise of jurisdiction by civilian authorities.

3–12. Statute of limitations

Nonjudicial punishment may not be imposed for offenses which were committed more than 2 years before the date of imposition. Computation of this 2-year limitation is in accordance with the Articles 43(c) and (d), UCMJ. The period of limitations does not run when the Soldier concerned is absent without authority; fleeing from justice; outside the territory where the United States has authority to apprehend; in the custody of civil authorities; or, in the hands of the enemy.

Section III

Procedure (para 4, part V, MCM)

3–13. General

The authority to impose nonjudicial punishment charges a commander with the responsibility of exercising the commander’s authority in an absolutely fair and judicious manner. See para 1d, part V, MCM.

3–14. Preliminary inquiry

a. The commander of the alleged offender must ensure that the matter is investigated promptly and adequately. The investigation should provide the commander with sufficient information to make an appropriate disposition of the incident. The investigation should cover—

- (1) Whether an offense was committed.
- (2) Whether the Soldier was involved.
- (3) The character and military record of the Soldier.

b. Usually the preliminary investigation is informal and consists of interviews with witnesses and/or review of police or other informative reports. If, after the preliminary inquiry, the commander determines, based on the evidence currently available, that the Soldier probably has committed an offense and that a nonjudicial punishment procedure is appropriate, the commander should (unless the case is to be referred to a superior commander (see para 3–5)) take action as set forth in this section.

3–15. Commander’s guide for notification and imposition

In all cases, other than summarized proceedings, commanders should use appendix B of this regulation as a guide in conducting the proceedings.

3–16. Summarized proceedings

a. *Preliminary inquiry.*

(1) A commander, after a preliminary inquiry into an alleged offense by an enlisted Soldier, may use summarized proceedings if it is determined that should punishment be found to be appropriate, it should not exceed—

- (a) Extra duties for 14 days.
- (b) Restriction for 14 days.
- (c) Oral reprimand or admonition.
- (d) Any combination of the above.

(2) DA Form 2627–1 (Summarized Record of Proceedings Under Article 15, UCMJ), will be used to record the

proceedings. An illustrated example of a completed DA Form 2627-1 is shown at figure 3-2. The rules and limitations concerning punishments in section IV and provisions regarding clemency in section V are applicable.

b. Notification and explanation of rights. If an imposing commander determines that summarized proceedings are appropriate, the designated subordinate officer or noncommissioned officer (NCO) (see para 3-18), or the commander personally, will notify the Soldier of the following:

- (1) The imposing commander's intention to initiate proceedings under the UCMJ, Art. 15.
- (2) The fact that the imposing commander intends to use summarized proceedings and the maximum punishments imposable under these proceedings.
- (3) The right to remain silent.
- (4) Offenses that the Soldier allegedly has committed and the Article(s) of the UCMJ violated.
- (5) The right to demand trial (see para 4a(5), part V, MCM). Soldiers attached to or embarked in a vessel may not demand trial by court-martial in lieu of nonjudicial punishment. Any other Soldier will be advised that the Soldier has a right to demand trial and that the demand for trial must be made at the start of the hearing prior to any consideration, examination, or presentation of evidence. The Soldier's decision not to demand trial is irrevocable. The Soldier will be told that such trial could be by SCM, SPCM, or GCM. The Soldier will also be told that the Soldier may object to trial by SCM and that at SPCM or GCM the Soldier would be entitled to be represented by qualified military counsel, or by civilian counsel obtained at no expense to the Government.
- (6) The right to confront witnesses, examine the evidence, and submit matters in defense, extenuation, and/or mitigation.
- (7) The right to appeal.

c. Decision period. The Soldier will be given the opportunity to—

- (1) Accept the Article 15.
- (2) Request a reasonable time, normally 24 hours, to decide whether to demand trial by court-martial and to gather matters in defense, extenuation, and/or mitigation. Because of the limited nature of the possible punishment, the Soldier has no right to consult with legally qualified counsel.

d. Hearing. Unless the Soldier demands trial by courts-martial within the decision period, the imposing commander may proceed with the hearing (see para 3-18g (1)). The hearing will consist of the following:

- (1) Consideration of evidence, written or oral, against the Soldier.
- (2) Examination of available evidence by the Soldier.
- (3) Presentation by the Soldier of testimony of available witnesses or other matters, in defense, extenuation, and/or mitigation.
- (4) Determination of guilt or innocence by the imposing commander. Before finding a Soldier guilty, the commander must be convinced beyond a reasonable doubt that the Soldier committed the offense(s).
- (5) Imposition of punishment or termination of the proceedings.
- (6) Explanation of right to appeal.

e. Appeal. The appeal and the decision on appeal will be recorded in block 5, DA Form 2627-1. This will be done according to the procedures set forth in paragraph 3-32. The Soldier will be given a reasonable time (normally no more than 5 calendar days) within which to submit an appeal (see para 3-29). The Soldier may, pending submission and decision on the appeal, be required to undergo the punishment imposed, but once submitted, such appeal will be promptly decided. If the appeal is not decided within 3 calendar days, excluding the day of submission, and if the Soldier so requests, further performance of any punishments involving deprivation of liberty will be delayed pending the decision on the appeal (see sec IV, DA Form 2627-1).

f. Recording and filing of DA Form 2627-1. The proceedings will be legibly summarized on DA Form 2627-1, ordinarily with handwritten entries. These forms will be maintained locally in nonjudicial punishment files (file number 27-10f). They will be destroyed at the end of 2 years from the date of imposition of punishment or on the Soldier's transfer from the unit, whichever occurs first. A copy will be provided to the Soldier if a request is submitted during the filing period.

3-17. Formal proceedings (para 4, part V, MCM)

A commander who, after a preliminary inquiry, determines—

- a.* That the Soldier alleged to have committed an offense is an officer, or
- b.* That punishment, if it should prove to be appropriate, might exceed extra duties for 14 days, restriction for 14 days, oral reprimand on admonition, or any combination thereof, will proceed as set forth below. All entries will be recorded on DA Form 2627 (Record of Proceedings under Article 15, UCMJ). An illustrated example of a completed DA Form 2627 is shown at figure 3-1.

3-18. Notification and explanation of rights

a. General. The imposing commander will ensure that the Soldier is notified of the commander's intention to dispose of the matter under the provisions of Article 15, UCMJ. The Soldier will also be notified of the maximum

punishment that the commander could impose under Article 15, UCMJ. The Soldier will be provided a copy of DA Form 2627 with items 1 and 2 completed, including the date and signature of the imposing commander. The imposing commander may authorize a commissioned officer, warrant officer, or noncommissioned officer (NCO) (sergeant first class (SFC) or above), provided such person is senior to the Soldier being notified, to deliver the DA Form 2627 and inform the Soldier of the Soldier's rights. The NCO performing the notification should ordinarily be the unit first sergeant or the senior NCO of the command concerned. If it is not possible or practical for an officer or NCO senior to the Soldier to deliver the DA Form 2627 and inform the Soldier of his rights, any Judge Advocate may complete the notification process. In such cases, the notifier should follow appendix B as modified. The Soldier will be provided with a copy of DA Form 2627 and supporting documents and statements for use during the proceedings. The Soldier will return the copy to the commander for annotation. It will be given to the Soldier for retention when all proceedings are completed.

b. Right to remain silent. The Soldier will be informed that—

(1) The Soldier is not required to make any statement regarding the offense or offenses of which the Soldier is suspected, and

(2) Any statement made may be used against the Soldier in the Article 15 proceedings or in any other proceedings, including a trial by court-martial.

c. Right to counsel. The Soldier will be informed of the right to consult with counsel and the location of counsel. For the purpose of this chapter, counsel means the following: A judge advocate (JA), a Department of Army (DA) civilian attorney, or an officer who is a member of the bar of a Federal court or of the highest court of a State, provided that counsel within the last two categories are acting under the supervision of either USATDS or a staff or command judge advocate.

d. Right to demand trial. Soldiers attached to or embarked in a vessel may not demand trial by court-martial instead of nonjudicial punishment. Any other Soldier will be advised that the Soldier has a right to demand trial. The demand for trial may be made at any time prior to imposition of punishment. The Soldier will be told that if the Soldier demands trial, trial could be by SCM, SPCM, or GCM. The Soldier will also be told that the Soldier may object to trial by SCM and that at SPCM or GCM the Soldier would be entitled to be represented by qualified military counsel, or by civilian counsel obtained at no Government expense.

e. Other rights. The Soldier will be informed of the right to—

(1) Fully present the Soldier's case in the presence, except in rare circumstances, of the imposing commander (see para 3-18g).

(2) Call witnesses (see para 4c(1)(F), part V, MCM).

(3) Present evidence.

(4) Request that the Soldier be accompanied by a spokesperson (see para 3-18h).

(5) Request an open hearing (see para 3-18g).

(6) Examine available evidence.

f. Decision period.

(1) If the Soldier requests a decision period, the Soldier will be given a reasonable time to consult with counsel, including time off from duty, if necessary, to decide whether or not to demand trial. The decision period will not begin until the Soldier has received actual notice and explanation of rights under Article 15 and has been provided a copy of DA Form 2627 with items 1 and 2 completed (see para 3-18a). The Soldier will be advised that if the Soldier demands a trial, block 3a of DA Form 2627 must be initialed and item 3 must be signed and dated within the decision period; otherwise, the commander will proceed under Article 15. The decision period should be determined after considering factors such as the complexity of the case and the availability of counsel. Normally, 48 hours is a reasonable decision period. If the Soldier does not request a delay, the commander may continue with the proceedings immediately. If the Soldier requests a delay, the Soldier may, but only for good reason, be allowed an additional period, to be determined by the imposing commander, to decide whether to demand trial. If a new imposing commander takes command after a Soldier has been notified of the original imposing commander's intent to impose punishment, the Soldier will be notified of the change. The Soldier will again be given a reasonable decision period in which to consult with counsel. In either case, item 11, DA Form 2627, will contain the following: "Para 3-18f(1), AR 27-10 complied with."

(2) Prior to deciding whether to demand trial, the Soldier is not entitled to be informed of the type or amount of punishment the soldier will receive if nonjudicial punishment ultimately is imposed. The Soldier will be informed of the maximum punishment that may be imposed under Article 15 and, on the Soldier's request, of the maximum punishment that can be adjudged by court-martial on conviction of the offense(s) involved.

(3) If the Soldier demands trial by court-martial on any offense, no further action will be taken to impose nonjudicial punishment for that offense unless the Soldier's demand is voluntarily withdrawn. Whether court-martial charges will be preferred against the Soldier for the remaining offense(s) and the level of court-martial selected will be resolved by the appropriate commander. A Soldier's demand for trial by court-martial will not bar disposition of minor offenses by nonpunitive measures by the appropriate commander.

(4) If the Soldier does not demand trial by court-martial prior to expiration of the decision period, including any extension of time, the imposing commander may continue the proceedings. The imposing commander also may

continue the proceedings if the Soldier, even though demanding trial, refuses to complete or sign item 3, DA Form 2627, within the prescribed time. In such instances, the Soldier will be informed that failure to complete and sign item 3 may be treated as a voluntary withdrawal of any oral demand for trial. If the Soldier persists in the Soldier's refusal, and punishment is imposed, in addition to recording the punishment, the following entry will be made in item 4, DA Form 2627: "Advised of (his) (her) rights, the Soldier (did not demand trial during the decision period) (refused to (complete) (sign) item 3)."

g. Hearing.

(1) In the presence of the commander, the Soldier will be allowed to personally present matters in defense, extenuation, or mitigation in the presence of the imposing commander, except when appearance is prevented by the unavailability of the commander or by extraordinary circumstances (for example, the Soldier is stationed at a geographic location remote from that of the imposing commander and cannot be readily brought before the commander). When personal appearance is requested, but is not granted, the imposing commander will appoint a commissioned officer to conduct the hearing and make a written summary and recommendations. The Soldier will be entitled to appear before the officer designated to conduct the hearing. (See para 4c(1), part V, MCM.) Within the limitations of AR 27–26, JAs may attend Article 15 proceedings and provide advice to clients. Advice should be provided during a recess in the proceedings. When defense counsel, military or civilian, act as spokespersons, they speak on behalf of the accused and do not serve in a representative capacity.

(2) Ordinarily, hearings are open. Article 15 proceedings are not adversary in nature. However, a Soldier may request an open or closed hearing. In all cases, the imposing commander will, after considering all the facts and circumstances, determine whether the hearing will be open or closed. (See para 4c(1)(G), part V, MCM.) An open hearing is a hearing open to the public but does not require the commander to hold the proceeding in a location different from that in which the commander conducts normal business, that is, the commander's office. A closed hearing is one in which the commander decides that members of the public will not attend. The fact that a Soldier requests and is granted a closed hearing does not preclude announcement of punishment as provided in paragraph 3–22 below. The fact that a closed hearing has been granted does not preclude appearance of witnesses. The commander may grant a request for a closed hearing, yet allow the attendance of certain members of the chain of command or others deemed appropriate to the conduct of the proceedings.

h. Spokesperson. The person who may accompany the Soldier to the Article 15 proceeding and who speaks on the Soldier's behalf need not be a lawyer. An offender has no right to legal counsel at the nonjudicial proceedings. The Soldier may retain civilian counsel to act as the Soldier's spokesperson at no cost to the Government. However, the commander need not grant a delay for the appearance of any spokesperson, to include civilian counsel so retained. No travel fees nor any other costs may be incurred at Government expense for the presence of the spokesperson. The spokesperson's presence is voluntary. Because the proceedings are not adversary in nature, neither the Soldier nor spokesperson (including any attorney present on behalf of the Soldier) may examine or cross-examine witnesses, unless permitted by the imposing commander. The Soldier or spokesperson may, however, indicate to the imposing commander relevant issues or questions they wish to explore or ask.

i. Witnesses. The Soldier's request for witnesses in defense, extenuation, or mitigation will be restricted to those witnesses reasonably available as determined by the imposing commander. To determine whether a witness is reasonably available, the imposing commander will consider the fact that neither witness nor transportation fees are authorized. Reasonably available witnesses will ordinarily include only personnel at the installation concerned and others whose attendance will not unnecessarily delay the proceedings.

j. Evidence. The imposing commander is not bound by the formal rules of evidence before courts-martial and may consider any matter, including unsworn statements, the commander reasonably believes to be relevant to the offense.

k. Action terminating proceedings. If, after evaluation of all pertinent matters, the imposing commander determines that nonjudicial punishment is not warranted, the Soldier will be notified that the proceedings have been terminated and all copies of DA Form 2627 will be destroyed.

l. Imposition of punishment. Punishment will not be imposed unless the commander is convinced beyond a reasonable doubt that the Soldier committed the offense(s). If the imposing commander decides to impose punishment, ordinarily the commander will announce the punishment to the Soldier. The commander may, if the commander desires to do so, explain to the Soldier why a particular punishment was imposed.

m. Right to appeal. The appellate rights and procedures that are available to the Soldier will be explained.

Section IV

Punishment (para 5, part V, MCM)

3–19. Rules and limitations

a. Whether to impose punishment and the nature of the punishment are the sole decisions of the imposing commander. However, commanders are encouraged to consult with their NCOs on the appropriate type, duration, and limits of punishment to be imposed. Additionally, as NCOs are often in the best position to observe a Soldier

undergoing punishment and evaluate daily performance and attitude, their views on clemency should be given careful consideration.

b. Pursuant to the authority of the Secretary as set forth in paragraph 5a, part V, MCM, the following additional rules and limitations concerning the kinds and amounts of punishment authorized under Article 15, UCMJ apply (see also table 3-1):

(1) *Correctional custody.* Correctional custody may be imposed by any commander unless the authority to impose has been withheld or limited by a superior authority. Before imposing correctional custody the commander will ensure that adequate facilities, as described in AR 190-47, exist to carry out the punishment. The responsibilities, policies, and procedures concerning the operation of correctional custody facilities are contained in AR 190-47. Soldiers in the rank of SPC or CPL or above may not be placed in correctional custody. However, if an unsuspended reduction to the rank of PFC or below is imposed under an Article 15, correctional custody may also be imposed. Time spent in correctional custody does not constitute lost time (10 USC 972).

(2) *Confinement on bread and water or diminished rations.* This punishment may be imposed only on a Soldier in the rank of PFC or below who is attached to or embarked on a vessel.

(3) *Restriction.* Restriction may be imposed with or without suspension from duties. Normally, the limits of the restriction should be announced at the time punishment is imposed. However, the imposing commander, a successor-in-command, and any superior authority may change the specified limits of restriction; for example, if a Soldier is transferred or assigned duties at another location after imposition and before the term of restriction is completed. The limits of restriction, as changed, will be generally no more restrictive (unless required by military exigencies) than the limits originally imposed.

(4) *Arrest in quarters.* A commissioned or warrant officer undergoing this punishment may be required to perform any military duty not involving the exercise of command. During field exercises, an officer's quarters are those normally occupied by officers of a similar grade and duty position. If a commissioned or warrant officer in arrest in quarters is placed on duty involving the exercise of command by an authority having knowledge of the status of arrest in quarters, that status is thereby terminated.

(5) *Extra duties.* Extra duties may be required to be performed at anytime and, within the duration of the punishment, for any length of time. No extra duty may be imposed that—

(a) Constitutes cruel or unusual punishment or a punishment not sanctioned by the customs of the Service; for example, using the offender as a personal servant.

(b) Is a duty normally intended as an honor, such as assignment to a guard of honor.

(c) Is required to be performed in a ridiculous or unnecessarily degrading manner; for example, an order to clean a barracks floor with a toothbrush.

(d) Constitutes a safety or health hazard to the offender, or

(e) Would demean the Soldier's position as a NCO or specialist (SPC) (AR 600-20).

(6) *Reduction in grade.*

(a) *Promotion authority.* The grade from which reduced must be within the promotion authority of the imposing commander or of any officer subordinate to the imposing commander. For the purposes of this regulation, the imposing commander or any subordinate commander has "promotion authority" within the meaning of Article 15(b) if the imposing commander has the general authority to appoint to the grade from which reduced or to any higher grade (AR 600-8-19). AR 140-158 outlines promotion authority for RC Soldiers.

(b) *Date of rank.* When a person is reduced in grade as a result of an unsuspended reduction, the date of rank in the grade to which reduced is the date the punishment of reduction was imposed. If the reduction is suspended either on or after the punishment was imposed, or is set aside or mitigated to forfeiture, the offender's date of rank in the grade held before the punishment was imposed remains unchanged. If a suspension of the reduction is vacated, the offender's date of rank in the grade to which reduced as a result of the vacation action is the date the punishment was originally imposed, regardless of the date the punishment was suspended or vacated.

(c) *Entitlement to pay.* When a Soldier is restored to a higher pay grade because of a suspension or when a reduction is mitigated to a forfeiture, entitlement to pay at the higher grade is effective on the date of the suspension or mitigation. This is true even though an earlier date of rank is assigned. If, however, a reduction is set aside and all rights, privileges, and property are restored, the Soldier concerned will be entitled to pay as though the reduction had never been imposed.

(d) *Void reduction.* Any portion of a reduction under Article 15 beyond the imposing commander's authority to reduce is void and must be set aside. Where a commander reduces a Soldier below a grade to which the commander is authorized to reduce and if the circumstances of the case indicate that the commander was authorized and intended to reduce the Soldier at least one grade, a one-grade reduction may be approved. Also, if a reduction is to a lower specialist grade when reduction should have been to a lower NCO grade (or vice versa), administrative action will be taken to place the offender in the proper rank for the MOS held in the reduced pay grade. All rights, privileges, and property, including pay and allowances, of which a Soldier was deprived by a reduction that has been set aside must be restored.

(e) *Removal from standing promotion lists.* (See AR 600-8-19.)

(7) *Forfeiture of pay.*

(a) *Limitations.* Forfeitures imposed by a company grade commander may not be applied for more than 1 month, while those imposed by a field grade commander may not be applied for more than 2 months; for example, a company grade commander may impose a forfeiture of 7 days pay for 1 month but may not impose a forfeiture of 3 days pay per month for 2 months (see table 3-1). If a forfeiture of pay has been imposed in addition to a suspended or unsuspended reduction in grade, the amount forfeited will be limited to the amount authorized for the reduced grade. The maximum forfeiture of pay to which a Soldier is subject during a given month, because of one or more actions under Article 15, is one-half of the Soldier's pay per month. Article 15 forfeitures will not (in conjunction with partial forfeitures adjudged by court-martial) deprive a Soldier of more than two-thirds of the Soldier's pay per month. (See DOD 7000.14-R.)

(b) *Retired Soldiers.* Forfeitures imposed under Article 15 may be applied against a Soldier's retirement pay.

(8) *Combination and apportionment.* With the following exception, punishment authorized under Article 15(b) may be combined: No two or more punishments involving deprivation of liberty may be combined, in the same nonjudicial punishment proceedings, to run either consecutively or concurrently, except that restriction and extra duty may be combined in any manner to run for a period not in excess of the maximum duration imposable for extra duty by the imposing commander. Once commenced, deprivation of liberty punishments will run continuously, except where temporarily interrupted due to the fault of the Soldier, or the Soldier is physically incapacitated, or an appeal is not acted on as prescribed in paragraph 3-21b. (See para 3-21c regarding the circumstances when deprivation of liberty punishments, imposed in separate nonjudicial punishment proceedings may run consecutively.)

(9) *Format for punishments.* The formats shown below should be used when entering punishments in item 4, DA Form 2627. When more than one punishment is imposed during any single Article 15 proceeding, punishments should be listed in the following order, as appropriate, reduction, forfeiture of pay, deprivation of liberty, admonition/reprimand.

(a) *Reduction.* Reduction should be entered on DA Form 2627 as follows: Reduction to (rank) (pay grade), for example, "Reduction to Specialist (E-4)."

(b) *Forfeitures.* Forfeiture of pay should be entered on DA Form 2627 per the following examples (see para 5c(8), part V, MCM):

1. Example A. When the forfeiture is to be applied for not more than 1 month: "Forfeiture of \$___."
2. Example B. When the forfeiture is to be applied for more than 1 month: "Forfeiture of \$___ per month for 2 months."

(c) *Deprivation of liberty.* Specific duties to be performed during extra duty are not normally specified on either DA Form 2627 or DA Form 2627-1. Limits on restriction may be listed on either DA Form 2627 or DA Form 2627-1 but are not required.

1. Example 1. "Extra duty for (number) days, restriction for days."
2. Example 2. "Extra duty for (number) days, restriction to the limits of ___ for ___ days."

(d) *Admonition and reprimand.* Admonitions or reprimands imposed on commissioned or warrant officers must be in writing (see para 5(c)(1), part V MCM). Admonitions or reprimands imposed on enlisted Soldiers under formal proceedings may be administered orally or in writing. Written admonitions and reprimands imposed as a punitive measure under Article 15, UCMJ, will be in memorandum format, per AR 25-50, and will be listed as an attachment in item 11, DA Form 2627. Oral admonitions and reprimands will be identified as such in either item 4, DA Form 2627, or item 2, DA Form 2627-1.

3-20. Effect on promotable status

(See AR 600-8-19 and AR 600-8-2.)

3-21. Effective date and execution of punishments

a. *General.* The date of imposition of nonjudicial punishment is the date items 4 through 6, DA Form 2627, or items 1 through 3, DA Form 2627-1, as appropriate, are signed by the imposing commander. This action normally will be accomplished on the day punishment is imposed.

b. *Unsuspending punishments.* Unsuspending punishments of reduction and forfeiture of pay take effect on the date imposed. Other unsuspending punishments take effect on the date they are imposed, unless the imposing commander prescribes otherwise. In those cases where the execution of the punishment legitimately must be delayed (for example, the Soldier is hospitalized, placed on quarters, authorized emergency leave or while on a brief period of TDY or a brief field problem, or in the case of Army Reserve Soldiers any periods that may intervene from times when they are in a title 10, USC duty status), the execution of the punishment should begin immediately thereafter. Except as provided in paragraph 3-21c, the delay in executed punishment should not exceed 30 days, or in the case of Army Reserve Soldiers, should not exceed the period that would include the next 30 days (however interrupted) in which that Army Reserve Soldier is in a Title 10, USC duty status. Once the Soldier has submitted an appeal, including all pertinent allied documents, the appeal normally should be decided within 5 calendar days (3 days for summarized proceedings), or in the case of Army Reserve Soldiers that period which will encompass the next 5 days of title 10 USC duty status

for the appellate commander concerned, excluding the submission date. If the appeal is not decided within this period and if the Soldier so requests, the performance of those punishments involving deprivation of liberty will be interrupted pending decision on the appeal. Punishments involving deprivation of liberty include restriction, extra duty, arrest in quarters, and correctional custody. Under the provisions of AR 190–47, correctional custody may be imposed only when a suitable correctional facility is available.

c. Additional punishment. If a Soldier to be punished is currently undergoing punishment or deprivation of liberty under a prior Article 15 or court-martial, an imposing commander may prescribe additional punishment involving deprivation of liberty after completion of the earlier punishment.

d. Vacated suspended reduction. A suspended reduction, later vacated, is effective on the date the vacation is directed. (See para 3–19b (5)(b) for determination of date of rank.)

e. Execution of punishment. Any commanding officer of the person to be punished may, subject to paragraph 3–19 and any other limitations imposed by a superior authority, order the punishment to be executed in such a manner and under such supervision as the commander may direct.

3–22. Announcement of punishment

The punishment may be announced at the next unit formation after punishment is imposed or, if appealed, after the decision on the appeal. After deleting the social security account number of the Soldier and other relevant privacy information, the results of the Article 15 punishment may be posted on the unit bulletin board. The purpose of announcing the results of punishments is to preclude perceptions of unfairness of punishment and to deter similar misconduct by other Soldiers. An inconsistent or arbitrary policy should be avoided regarding the announcement of punishments that might result in the appearance of vindictiveness or favoritism. In deciding whether to announce punishment of Soldiers in the grade of SGT or above, the following should be considered:

- a. The nature of the offense.
- b. The individual’s military record and duty position.
- c. The deterrent effect.
- d. The impact on unit morale or mission.
- e. The impact on the victim.
- f. The impact on the leadership effectiveness of the individual concerned.

Section V

Suspension, Vacation, Mitigation, Remission, and Setting Aside (para 6, part V, MCM)

3–23. Clemency

a. General. The imposing commander, a successor-in-command, or the next superior authority may, in accordance with the time prescribed in the MCM—

- (1) Remit or mitigate any part or amount of the unexecuted portion of the punishment imposed.
- (2) Mitigate reduction in grade, whether executed or unexecuted, to forfeiture of pay.
- (3) At any time, suspend probationally any part or amount of the unexecuted portion of the punishment imposed.
- (4) Suspend probationally a reduction in grade or forfeiture, whether or not executed. An uncollected forfeiture of pay will be considered unexecuted.

b. Meaning of “successor-in-command.” As used in paragraph 6a, part V, MCM, a successor-in-command is the officer who has authority to impose the same kind and amount of punishment on a Soldier concerned that was initially imposed or was the result of a modification and who—

- (1) Commands the unit to which the punished soldier is currently assigned or attached (see para 3–8).
- (2) Is the commander succeeding to the command occupied by the imposing commander, provided the Soldier still is of that command, or
- (3) Is the successor to the delegate who imposed the punishment, provided the same authority has been delegated under paragraph 3–7c to that successor and the Soldier is still of that command.

c. Recording of action. Any action of suspension, mitigation, remission, or setting aside (see para 3–28) taken by an authority will be recorded according to notes 11 and 12, DA Form 2627, notes 9 and 10, DA Form 2627–1, or DA Form 2627–2 (Record of Supplementary Action Under Article 15, UCMJ), (see para 3–38b). An illustrated example of a completed DA Form 2627–2 is shown at figure 3–3.

3–24. Suspension

Ordinarily, punishment is suspended to grant a probational period during which a Soldier may show that the Soldier deserves a remission of the remaining suspended punishment. An executed punishment of reduction or forfeiture may be suspended only within a period of 4 months after the date imposed. Suspension of punishment may not be for a period longer than 6 months from the suspension date. In the case of summarized proceeding under paragraph 3–16, suspensions of punishment may not be for a period longer than 3 months from the date of suspension. Further misconduct by the Soldier, within the period of the suspension, may be grounds for vacation of the suspended portion

of the punishment (see para 3–25). Unless otherwise stated, an action suspending a punishment automatically includes a condition that the Soldier not violate any punitive Article of the UCMJ.

3–25. Vacation

a. A commander may vacate any suspended punishment, (see para 6a(4), part V, MCM), provided the punishment is of the type and amount the commander could impose and where the commander has determined that the Soldier has committed misconduct (amounting to an offense under the UCMJ) during the suspension period. The commander is not bound by the formal rules of evidence before courts-martial and may consider any matter, including unsworn statements, the commander reasonably believes to be relevant to the misconduct. There is no appeal from a decision to vacate a suspension. Unless the vacation is prior to the expiration of the stated period of suspension, the suspended punishment is remitted automatically without further action. The death, discharge, or separation from service of the Soldier punished prior to the expiration of the suspension automatically remits the suspended punishment. Misconduct resulting in vacation of a suspended punishment may also be the basis for the imposition of another Article 15.

b. Commanders will observe the following procedures in determining whether to vacate suspended punishments:

(1) If the suspended punishment is of the kind set forth in Articles 15 (e)(1) through (7), UCMJ, the Soldier should, unless impracticable, be given an opportunity to appear before the officer authorized to vacate the suspension to rebut the information on which the proposed vacation is based. If appearance is impracticable, the Soldier should nevertheless ordinarily be given notice of the proposed vacation and the opportunity to respond.

(2) In cases involving punishments not set forth in Article 15(e)(1) through (7), UCMJ, the Soldier will be informed of the basis of the proposed vacation and should be given an opportunity to respond, either orally or in writing.

(3) If the Soldier is absent without leave at the time the commander proposes vacation and remains so, the commander, after 14 days from the date the Soldier departed absence without leave (AWOL) or on the last day of the suspension period, whichever is earlier, may, at the commander's discretion, vacate the suspension without providing notice or any opportunity to respond.

(4) The following will be recorded according to notes 11 and 12, DA Form 2627; notes 9 and 10, DA Form 2627–1; or DA Form 2627–2 (see para 3–38b):

(a) Action vacating a suspension, to include the basis for vacation.

(b) Whether or not the Soldier appeared or was otherwise provided an opportunity to respond.

(c) An explanation, if the Soldier did not appear, in a case involving vacation of a suspended punishment listed in Articles 15(e)(1) through (7), UCMJ, or in other cases, if the Soldier was not provided an opportunity to respond.

(d) Failure to provide notification and an opportunity to appear or to otherwise respond to the basis of a proposed vacation may result in the record of punishment being inadmissible in a subsequent court-martial, but will not, by itself, render a vacation action void.

3–26. Mitigation

a. General.

(1) Mitigation is a reduction in either the quantity or quality of a punishment, for example, a punishment of correctional custody for 20 days reduced to 10 days or to restriction for 20 days. The general nature of the punishment remains the same. The first action lessens the quantity and the second lessens the quality, with both mitigated punishments remaining of the same general nature as correctional custody, that is, deprivation of liberty. However, a mitigation of 10 days correctional custody to 14 days restriction would not be permitted because the quantity has been increased.

(2) A forfeiture of pay may be mitigated to a lesser forfeiture of pay. A reduction may be mitigated to forfeiture of pay (but see para 3–19b(6)(b)). When mitigating reduction to forfeiture of pay, the amount of the forfeiture imposed may not be greater than the amount that could have been imposed initially, based on the restored grade, by the officer who imposed the mitigated punishment.

b. Appropriateness. Mitigation is appropriate when—

(1) The recipient has, by the recipient's subsequent good conduct, merited a reduction in the severity of the punishment.

(2) The punishment imposed was disproportionate to the offense or the offender.

c. Limitation on mitigation.

(1) With the exception of reduction in grade, the power to mitigate exists only with respect to a punishment or portion thereof that is unexecuted. A reduction in grade may be mitigated to forfeiture of pay even though it has been executed. When correctional custody or other punishments (in the nature of deprivation of liberty) are mitigated to lesser punishments of this kind, the lesser punishment may not run for a period greater than the remainder of the period for which the punishment mitigated was initially imposed. For example, when a person is given 15 days of correctional custody and has served 5 days of this punishment and it is decided to mitigate the correctional custody to extra duties or restriction, or both, the mitigated punishment may not exceed a period of 10 days.

(2) Although a suspended punishment may be mitigated to a punishment of a lesser quantity or quality (which is also suspended for a period not greater than the remainder of the period for which the punishment mitigated was

suspended), it may not, unless the suspension is vacated, be mitigated to an unsuspended punishment. (See para 3–26 for the time period within which reduction ordinarily may be mitigated, if appropriate, to a forfeiture of pay.)

3–27. Remission

This is an action whereby any portion of the unexecuted punishment is canceled. Remission is appropriate under the same circumstances as mitigation. An unsuspended reduction is executed on imposition and thus cannot be remitted, but may be mitigated (see para 3–26) or set aside (see para 3–28). The death, discharge, or separation from the Service of the Soldier punished remits any unexecuted punishment. A Soldier punished under Article 15 will not be held beyond expiration of the Soldier’s term of service (ETS) to complete any unexecuted punishment.

3–28. Setting aside and restoration

a. This is an action whereby the punishment or any part or amount, whether executed or unexecuted, is set aside and any rights, privileges, or property affected by the portion of the punishment set aside are restored. Nonjudicial punishment is “wholly set aside” when the commander who imposed the punishment, a successor-in-command, or a superior authority sets aside all punishment imposed upon an individual under Article 15. The basis for any set aside action is a determination that, under all the circumstances of the case, the punishment has resulted in a clear injustice. “Clear injustice” means that there exists an unwaived legal or factual error that clearly and affirmatively injured the substantial rights of the Soldier. An example of clear injustice would be the discovery of new evidence unquestionably exculpating the Soldier. Clear injustice does not include the fact that the Soldier’s performance of service has been exemplary subsequent to the punishment or that the punishment may have a future adverse effect on the retention or promotion potential of the Soldier.

b. Normally, the Soldier’s uncorroborated sworn statement will not constitute a basis to support the setting aside of punishment.

c. In cases where administrative error results in incorrect entries on DA Form 2627 or DA Form 2627–1 the appropriate remedy generally is an administrative correction of the form and not a setting aside of the punishment.

d. The power to set aside an executed punishment and to mitigate a reduction in grade to a forfeiture of pay, absent unusual circumstances, will be exercised only within 4 months after the punishment has been executed. When a commander sets aside any portion of the punishment, the commander will record the basis for this action according to notes 11 and 12, DA Form 2627; notes 9 and 10, DA Form 2627–1; or DA Form 2627–2 (see para 3–38*b*). When a commander sets aside any portion of the punishment after 4 months from the date punishment has been executed, a detailed addendum of the unusual circumstances found to exist will be attached to the form containing the set aside action.

Section VI

Appeals (para 7, part V, MCM)

3–29. General

a. Only one appeal is permissible under Article 15 proceedings. Provisions for other administrative relief measures are contained in paragraph 3–43. An appeal not made within a reasonable time may be rejected as untimely by the superior authority. A reasonable time will vary according to the situation; however, an appeal (including all documentary matters) submitted more than 5 calendar days after the punishment is imposed will be presumed to be untimely, unless the superior commander, in the superior commander’s sound discretion for good cause shown, determines it to be timely.

b. If, at the time of imposition of punishment, the Soldier indicates a desire not to appeal, the superior authority may reject a subsequent election to appeal, even though it is made within the 5-day period. Although a suspended punishment may be appealed, no appeal is authorized from the vacation of suspended punishment.

3–30. Who may act on an appeal

a. The next superior authority to the commanding officer who imposed the Article 15 will act on an appeal if the Soldier punished is still of the command of that officer at the time of appeal. If the commander has acted under a delegation of authority, the appeal will be acted on by the authority next superior to the delegating officer. If, at the time of appeal, the Soldier is no longer of the imposing commander’s command, the authority next superior to the commander of the imposing command (who can impose the same kind and amount of punishment as that imposed or resulting from subsequent modifications) will act on the appeal.

b. The authority “next superior” to an imposing commander is normally the next superior in the chain-of-command, or such other authority as may be designated by competent authority as being next superior for the purposes of Article 15. A superior authority who exercises GCM jurisdiction, or is a general officer in command, may delegate those powers the superior authority has as superior authority under Article 15(e), UCMJ, to a commissioned officer of the superior authority’s command subject to the limitations in paragraph 3–7*c*. Regardless of the grade of the imposing commander, TJAG is delegated the authority next superior for acting on appeals when no intermediate superior

authority is reasonably available. Such appeals will be forwarded to Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194.

c. When forwarding an Article 15 to TJAG for action on appeal, the imposing commander will review the appeal to determine if action is appropriate based on the matters raised. If the imposing commander determines that no additional action is appropriate, the record of punishment will be forwarded directly. Included with the Article 15 should be any evidence considered by the imposing commander. If the appeal raises any new matters, they should be addressed by the commander in the forwarding documentation.

d. When an Army commander imposes nonjudicial punishment on a member of another Service, the authority next superior will be the authority prescribed by the member's parent Service. (See JAGMAN 0101 for Navy and Marine Corps personnel; AFI 51-201 for Air Force personnel; and MJM COMDTINST M5810.1D for Coast Guard personnel.) Other provisions of this regulation notwithstanding, an appeal by such member will be processed according to procedures contained in the governing regulation of the member's parent Service.

e. When a commander of another Service imposes nonjudicial punishment upon a Soldier, the authority next superior need not be an Army officer or warrant officer. However, the next superior commander for purposes of appeals processed under this regulation must have an Army JA assigned to the commander's staff or the staff of the commander's supporting headquarters. When acting on the Soldier's appeal, the Army JA will advise the commander on the appellate procedures prescribed by this regulation and will advise the other than Army commander to ensure compliance with paragraph 3-34 of this regulation.

3-31. Procedure for submitting an appeal

All appeals will be made on DA Form 2627 or DA Form 2627-1 and forwarded through the imposing commander or successor-in-command, when applicable, to the superior authority. The superior authority will act on the appeal unless otherwise directed by competent authority. The Soldier may attach documents to the appeal for consideration. A Soldier is not required to state reasons for the Soldier's appeal; however, the Soldier may do so. For example, the person may state the following in the appeal:

- a.* Based on the evidence the Soldier does not believe the Soldier is guilty.
- b.* The punishment imposed is excessive, or that a certain punishment should be mitigated or suspended.

3-32. Action by the imposing commander or the successor-in-command

The imposing commander or the successor-in-command may take any action on the appeal with respect to the punishment that the superior authority could take (see para 6, part V, MCM, and see para 3-33 of this regulation). If the imposing commander or a successor-in-command suspends, mitigates, remits, or sets aside any part of the punishment, this action will be recorded according to notes 11 and 12, DA Form 2627, or notes 9 and 10, DA Form 2627-1. The appellant will be advised and asked to state whether, in view of this action, the appellant wishes to withdraw the appeal. Unless the appeal is voluntarily withdrawn, the appeal will be forwarded to the appropriate superior authority. An officer forwarding the appeal may attach any matter in rebuttal of assertions made by the Soldier. When the Soldier desires to appeal, the imposing commander, or the successor-in-command, will make available to the Soldier reasonable assistance in preparing the appeal and will promptly forward the appeal to the appropriate superior authority.

3-33. Action by the superior authority

Action by the superior authority on appeal will be entered in item 9, DA Form 2627, or item 5, DA Form 2627-1. A superior authority will act on the appeal expeditiously. Once the Soldier has submitted an appeal, including all pertinent allied documents, the appeal normally should be decided within 5 calendar days (3 days for summarized proceedings). The superior authority may conduct an independent inquiry into the case, if necessary or desirable. The superior authority may refer an appeal in any case to a JA for consideration and advice before taking action; however, the superior authority must refer an appeal from certain punishments to a JA, whether or not suspended (see note 9, DA Form 2627). In acting on an appeal, the superior authority may exercise the same powers as may be exercised by the imposing commander or the imposing commander's successor-in-command. A timely appeal does not terminate merely because a Soldier is discharged from the Service. It will be processed to completion by the superior authority.

3-34. Action by a judge advocate

a. When an appeal is referred to a JA, the superior authority will be advised either orally or in writing of the JA's opinion on—

- (1) The appropriateness of the punishment.
- (2) Whether the proceedings were conducted under law and regulations.

b. If the advice is given orally, that fact and the name of the JA who rendered the advice will be recorded in item 8, DA Form 2627.

c. The JA is not limited to an examination of written matters of the record of proceedings and may make any inquiries that are necessary.

d. The JA rendering the advice should be the JA providing legal advice to the officer taking action on the appeal.

3–35. Action by superior authority regardless of appeal

Any superior authority may exercise the same powers, as may be exercised by the imposing commander, or the imposing commander's successor-in-command, whether or not an appeal has been made from the punishment (see para 7f (1), part V, MCM). "Any superior authority" has the same meaning as that given to the term "authority next superior" in paragraph 3–30, except that it also includes any authority superior to that authority. A Soldier has no right to petition for relief under this paragraph and any petition so made may be summarily denied by the superior authority to whom it is addressed.

Section VII

Records of Punishment, DA Form 2627 (para 8, part V, MCM)

3–36. Records of punishment

All Article 15 actions, including notification, acknowledgement, imposition, filing determinations, appeal, action on appeal, or any other action taken prior to action being taken on an appeal, except summarized proceedings (see sec III and fig 3–1), will be recorded on DA Form 2627. The DA Form 2627 is a record of completed actions and either the DA Form 2627 or a duplicate as defined in Military Rules of Evidence (M.R.E.) 1001(4) may be considered for use at courts-martial or administrative proceedings independently of any written statements or other documentary evidence considered by an imposing commander, a successor, or a superior authority.

3–37. Distribution and filing of DA Form 2627 and allied documents

a. *General.* The original DA Form 2627 will include as allied documents all written statements and other documentary evidence considered by the imposing commander or the next superior authority acting on an appeal (see g, below). Photocopies of DA Form 2627 will be transmitted through the Soldier's Military Personnel Division (MPD) or the Personnel Service Company (PSC) to the Finance and Accounting Office (FAO) maintaining the Soldier's pay account. DA Form 268, Report to Suspend Favorable Personnel Actions, will be submitted per AR 600–8–2. Standard instructions for distribution and filing of forms for commissioned officers, warrant officers, and enlisted Soldiers serving on active duty are set out below.

b. *Original of DA Form 2627.*

(1) *Place of filing.* For Soldiers SPC or CPL and below (prior to punishment) the original will be filed locally in unit nonjudicial punishment or unit personnel files. Such locally filed originals will be destroyed at the end of 2 years from the date of imposition of punishment or on the Soldier's transfer to another GCMCA, whichever occurs first. For these Soldiers, the imposing commander should annotate item 5 of DA Form 2627 as "Not Applicable (N/A)." When the transfer of a Soldier to a new GCM jurisdiction is for the purpose of receiving medical treatment, the Article 15 form will accompany the Soldier to the new GCM. The 2-year rule will apply in this situation.

(a) For all other Soldiers, the original will be sent to the appropriate custodian listed in (2), below, for filing in the OMPF. The decision to file the original DA Form 2627 on the performance section or the restricted section in the OMPF will be made by the imposing commander at the time punishment is imposed. The filing decision of the imposing commander is subject to review by any superior authority. However, the superior authority cannot direct that an Article 15 be filed in the performance section that the imposing commander directed to be filed in the restricted section. The imposing commander's filing decision will be indicated in item 5, DA Form 2627. A change in the filing decision should be recorded in block 9, DA Form 2627. When a commander or any superior authority makes a decision regarding the filing, the commander should consider the following:

1. The performance section is that portion of the OMPF that is routinely used by career managers and selection boards for the purpose of assignment, promotion, and schooling selection.

2. The restricted section is that portion of the OMPF that contains information not normally viewed by career managers or selection boards except as provided in AR 600–8–104 or specified in the SA's written instructions to the selection board.

(b) Records directed for filing in the restricted section will be redirected to the performance section if the Soldier has other records of nonjudicial punishment reflecting misconduct in the grade of SGT or higher that have not been wholly set aside and recorded in the restricted section. (See para 3–6.)

(c) Where the OMPF is electronic, the restricted section and the performance section mean the restricted section and the performance section of Personnel Electronic Management System (PERMS).

(2) *Mailing addresses.* The original DA Form 2627 will be transmitted by the MPD/PSC to one of the following:

(a) For Active Army (AA) commissioned and warrant officers: U.S. Army Human Resources Command, ATTN: AHRC–MSP–S, 200 Stovall Street, Alexandria, VA 22332–0400.

(b) For U.S. Army Reserve (USAR) commissioned and warrant officers: U.S. Army Human Resources Command, ATTN: AHRC–CIS–P, 1 Reserve Way, St. Louis, MO 63132–5200.

(c) For Army National Guard (ARNG) commissioned and warrant officers: Chief, Army National Guard Bureau, ATTN: NGB-ARP-C, 111 South George Mason Drive, Arlington, VA 22204-1382.

(d) For AA enlisted Soldiers: U.S. Army Human Resources Command, ATTN: AHRC-EFS, 8899 E. 56th Street, Indianapolis, IN 46249-5301.

(e) For USAR enlisted Soldiers: U.S. Army Human Resources Command, ATTN: AHRC-CIS-P, 1 Reserve Way, St. Louis, MO 63132-5200.

(f) For ARNG enlisted Soldiers: State Adjutant General of the Soldier's State, Commonwealth of Puerto Rico, Virgin Islands, or District of Columbia.

c. Unit copy.

(1) For those Article 15s directed for filing on the performance section of the OMPF, file a photocopy of the completed DA Form 2627 in the unit nonjudicial punishment files. This copy will be maintained permanently in the unit nonjudicial punishment file and will be forwarded to the gaining unit upon the Soldier's transfer to another GCMCA unless the original Article 15 is transferred from the performance to the restricted section of the OMPF. In this case, this copy will be withdrawn from the unit nonjudicial punishment files and destroyed.

(2) For those Article 15s directed for filing on the restricted section of the OMPF, a photocopy will be filed in the unit nonjudicial punishment files and destroyed at the expiration of 2 years from the date of punishment or on the soldier's transfer, whichever occurs first.

d. Finance copy. A photocopy of the completed DA Form 2627 will be forwarded to the Soldiers servicing FAO if the punishment includes an unsuspended reduction and/or forfeiture of pay.

e. Personnel service copy. If the punishment includes only a reduction, a photocopy will be forwarded to the Soldier's MPD/PSC.

f. Soldier's copy. Give a photocopy of the completed action with allied documents to the Soldier who was punished.

g. Allied documents. Allied documents will be transmitted for administrative convenience with the original DA Form 2627 for filing on the restricted section of the OMPF (see para 3-44).

h. Unit paralegal specialist copy. The paralegal specialist will maintain a copy of the completed DA Form 2627 with all allied documents for a period of two years.

3-38. Supplementary action

a. Supplementary action. Any action taken by an appropriate authority to suspend, vacate, mitigate, remit, or set aside a punishment (except punishment imposed under summarized proceedings, para 3-16) after action has been taken on an appeal or DA Form 2627 has been distributed according to paragraph 3-37, above.

b. Recording. Supplementary action will be recorded on DA Form 2627-2.

c. Distribution and filing.

(1) *Original.* If the DA 2627 that initially imposed punishment was forwarded to the appropriate custodian of the OMPF, then the original of the supplementary action will also be forwarded to the appropriate custodian of the OMPF (see para 3-37b (2)). This copy will be filed in the same OMPF section location as the DA Form 2627 that initially imposed the punishment. The imposing commander's filing determination on the initial DA Form 2627 will be annotated on the DA Form 2627-2 (see fig 3-3).

(2) *Unit copy.* A photocopy will be filed in the unit nonjudicial punishment files when the imposing commander directs filing on the performance section of the OMPF. This copy will be destroyed in accordance with paragraph 3-37c(1) above, along with a photocopy of the initial DA Form 2627 if the original DA Form is transferred from the performance to the restricted section. In cases of filing on the restricted section of the OMPF, a photocopy will be filed in the unit nonjudicial punishment files per paragraph 3-37c(2).

(3) *MPD/PSC and finance copies.* If the action affects a reduction, a photocopy of the supplementary action and a photocopy of the initial DA Form 2627, if maintained by the unit (see para 3-37c) will be forwarded to the MPD/PSC. If the action affects a forfeiture, a photocopy will be forwarded to the FAO maintaining the Soldier's pay account.

(4) *Unit paralegal specialist's copy.* The paralegal specialist who prepared the DA Form 2627-2 will maintain a photocopy for a period of two years.

(5) *Soldier's copy.* Give a photocopy of the completed action with allied documents to the Soldier who is being punished.

3-39. Reconciliation log

Imposing commanders, assisted by their supporting paralegal specialist, will ensure that punishments imposed under the provisions of Article 15 are executed. Execution of punishments of reduction and forfeiture of pay will be verified and documented by the mandatory use of the Reconciliation Log, DA Form 5110 (Article 15, Reconciliation Log), showing the punishment, dates verified, and initials of verifying paralegal specialist. To properly use DA Form 5110, all Article 15 records (DA Form 2627) made by the unit paralegal specialist must be sequentially numbered and the required data entered in the DA Form 5110. Unit paralegal specialists will use the Unit Commander's Financial Report, the Soldier's leave and earnings statement (LES), or the Daily Record of Financial Transactions to verify execution of forfeitures and reductions. For AD Soldiers, the Chief Paralegal NCO for the GCMCA or delegee will inspect, at least

annually, the execution of Article 15 forfeitures and reductions by review of DA Form 5110, including random verification using finance records. For Army Reserve Soldiers, the Chief Paralegal NCO of the Regional Readiness Commands (RRC) or other Major Subordinate Commands (MSC) reporting to USARC is required to conduct this inspection at least every two years. The Chief Legal NCO or designee at the GCM level on a quarterly basis will transmit to the custodian of the Official Military Personnel File (OMPF) the name, social security account number, and the date the nonjudicial punishment was imposed. For Army Reserve Soldiers, the Chief Paralegal NCO of RRCs or MSCs reporting to USARC will transmit this information to the custodian of the OMPF twice yearly. The OMPF Custodian will transmit verification of the OMPF filing of nonjudicial punishment records to the Chief Legal NCO or designee. After information is verified on the DA Form 5110, supporting Finance documentation showing execution of the reduction or forfeitures, as well as the verification of OMPF filings by the OMPF Custodian will be retained for 2 years after the date the punishment was imposed.

3-40. Time for distribution of initial DA Form 2627

Distribution will be made according to paragraph 3-37 after the recipient indicates in item 7 that the recipient does not appeal. If the recipient appeals, the DA Form 2627, will be forwarded to the superior authority and photocopied after completion of item 10. Completion of this item shows that the recipient acknowledges notification of action on the recipient's appeal. If item 10 cannot be completed because the recipient is not reasonably available or due to military exigencies, a statement signed by the imposing commander stating that the recipient was informed in writing of the disposition of the appeal and why it was not possible to have item 10 completed will be placed in item 11 before photocopies are distributed. If the recipient fails to complete or sign item 7, an explanation of the failure will be provided by the imposing commander in item 11 and distribution of the photocopies will be made according to 3-37 or this paragraph, whichever is applicable (a recipient's refusal to indicate whether or not the recipient desires to appeal may be presumed to indicate an intention not to appeal).

3-41. Filing of records of punishment imposed prior to 1 November 1982

Records of nonjudicial punishment presently filed in either the performance or restricted section of the OMPF will remain so filed, subject to other applicable regulations. Records of nonjudicial punishment imposed prior to 1 November 1982 and forwarded on or after 20 May 1980 for inclusion in the OMPF will be filed on the performance section.

3-42. Transfer of Article 15s wholly set aside or in cases of change of status

a. Change in status on or after 1 September 1979. On approval of a change in status from enlisted to commissioned or warrant officer, on or after 1 September 1979, DA Forms 2627 (recording nonjudicial punishment received while in an enlisted status and filed in the OMPF) will be transferred to the restricted section of the OMPF. Copies of such records in the Career Management Individual File (CMIF) and unit nonjudicial punishment or personnel files will be destroyed.

b. Wholly set aside since 1 September 1979. All DA Forms 2627 of commissioned officers, warrant officers, and enlisted Soldiers filed in the OMPF reflecting that punishments have been wholly set aside (see para 3-28) since 1 September 1979, will routinely be transferred to the restricted section. The DA Form 2627 reflecting the original imposition of punishment, if filed in the MPRJ, CMIF, or unit nonjudicial punishment or unit personnel files will be destroyed.

c. Change in status and wholly set aside prior to 1 September 1979.

(1) On request of the individual Soldier, the following will be transferred to the restricted section of the Soldier's OMPF:

(a) Records of nonjudicial punishment received while serving in a prior enlisted status.

(b) Records of nonjudicial punishment wholly set aside prior to 1 September 1979. Copies of such records filed in the CMIF, MPRJ, or unit nonjudicial punishment or personnel files will be destroyed.

(2) Transfer from the performance to the restricted file will automatically cause copies of such records filed in the CMIF to be destroyed. Requests will be mailed directly to the custodian of the MPF (usually at the local MPD/PSC) and to the following custodian of the OMPF:

(a) For active Army commissioned and warrant officers, send requests to U.S. Human Resources Command, ATTN: AHRC-PDR-R, 200 Stovall Street, Alexandria, VA 22332-9999.

(b) For active Army enlisted personnel, send requests to U.S. Army Enlisted Records and Evaluation Command, ATTN: PCRE-F, 8899 E. 56th Street, Indianapolis, IN 46249-5301.

(3) These requests will not constitute a basis for review by a special selection board or its equivalent.

3-43. Transfer or removal of records of nonjudicial punishment

a. General. This paragraph covers policies and procedures for enlisted Soldiers (SGT and above) and commissioned and warrant officers to petition the DA Suitability Evaluation Board (DASEB) for transfer of records of nonjudicial punishment from the performance to the restricted portion of the OMPF. (See table 3-2.)

b. Policies.

(1) Enlisted Soldiers (SGT and above), commissioned and warrant officers may request the transfer of a record of nonjudicial punishment from the performance section of their OMPF to the restricted section under the provisions of this regulation. To support the request, the person must submit substantive evidence that the intended purpose of Article 15 has been served and that transfer of the record is in the best interest of the Army.

(2) Requests normally will not be considered until a minimum of 1 year has elapsed and at least one nonacademic evaluation report has been received since imposition of the punishment.

(3) The request must be in writing and should include the Soldier's current unit mailing address and duty telephone number. Requests by enlisted Soldiers (SGT and above) should also include a true copy of the DA Form 2 (Personnel Qualification Record-Part I), DA Form 2A (Personnel Qualification Record, Part I-Enlisted Peacetime), and DA Form 2-1 (Personnel Qualification Record-Part II), certified by the custodian of the record. No person is authorized to appear in person before the DASEB.

(4) The officer who directed the filing of the record in the OMPF (of enlisted Soldiers (SGT and above), and commissioned and warrant officers) may provide a statement to the Soldier in support of a request for transfer of the record from the performance to the restricted section. Other evidence submitted in support of a request should not include copies of documents already recorded in the Soldier's OMPF.

(5) The DASEB will review and evaluate the evidence submitted and obtained and will take final action where this authority has not been specifically withheld to the Deputy Chief of Staff, (DCS, G-1) or the DCS, G-1's delegate. Requesters will be notified in writing of the determination. Letters of denial will be placed upon the performance section of the soldier concerned. Other related documentation and evidence will be placed upon the restricted section.

(6) The DASEB has access to unfavorable information that might be recorded on DOD investigative records. If such information is used, in part or in whole, as the basis for denying a request, the Soldier will be notified of this by correspondence (which will not be filed in the OMPF) and given an opportunity to review and explain the unfavorable information in a subsequent petition.

(7) The determination of the DASEB to transfer such records will not alone be a basis for review by a special selection board or its equivalent. The DCS, G-1 or the G-1's delegate, has the final authority in cases where circumstances exist that warrant referral to one of the above boards.

(8) The DASEB will consider subsequent requests only upon presentation of substantive evidence not previously considered.

c. Processing requests.

(1) *Active Army personnel.* Requests in military letter format should be prepared and sent directly to the DA Suitability Evaluation Board, ATTN: DAPE-MPC-E, Hoffman Building II, 200 Stovall Street, Alexandria, VA 22332-2600.

(2) *Reserve component (RC) personnel.*

(a) Requests submitted by USAR officer and enlisted Soldiers not on active duty are normally processed through the Commander, U.S. Army Human Resources Command, ATTN: AHRC-CIS-P, 1 Reserve Way, St. Louis, MO 63132-5200. The DASEB will then take action on the request.

(b) Requests submitted by ARNG officers and enlisted Soldiers not on active duty will be processed through the proper State Adjutant General and the Chief, National Guard Bureau to the DCS, G-1 (ATTN: DAPE-MPC-E) for proper action.

d. Amendment rights. These procedures do not limit or restrict the right of soldiers to request amendments of their records under the Privacy Act and AR 340-21. Neither do they limit or restrict the authority of the DASEB to act as the Denial Authority under AR 340-21.

e. Correction of military records. AR 15-185 contains policy and procedures for applying to the Army Board for Correction of Military Records (ABCMR) and for the correction of military records by the SA. Requests should be sent to the ABCMR to correct an error or remove an injustice only after other available means of administrative appeal have been exhausted. This includes requests under this paragraph. Absent compelling evidence to the contrary, a properly completed, facially valid DA Form 2627 will not be removed from a Soldier's record by the ABCMR.

3-44. Use of records

a. Records of proceedings and supplementary action under Article 15 recorded on DA Forms 2627 and 2627-2, previously or hereafter administered, may be used as directed by competent authority. Allied documentation transmitted with the original or copies of DA Forms 2627 and 2627-2, where filed with any of these forms, will be considered to be maintained separately for the purpose of determining the admissibility of the original or copies of DA Forms 2627 or 2627-2 at courts-martial or administrative proceedings.

b. A record of nonjudicial punishment or a duplicate as defined in M.R.E. 1001(4), not otherwise inadmissible, may be admitted at courts-martial or administrative proceedings from any file in which it is properly maintained by regulation. A record of nonjudicial punishment, otherwise properly filed, will not be inadmissible merely because the wrong copy was maintained in a file.

3-45. Delegation of authority to modify procedures and test new nonjudicial punishment forms

Notwithstanding any other provision in this regulation, The Judge Advocate General has the authority to issue directions by policy memoranda, technical instructions, or other means to change the procedures for preparing, copying, serving, certifying, or distributing records of nonjudicial punishment. The primary purpose of this delegation is to test and, if successful, implement an Army-wide eJustice case management system, including its nonjudicial punishment procedures. The eJustice military justice application is a Web-based case management system designed for JAG Offices worldwide that will make better use of technology to expedite processing of all military justice functions. Such direction may be promulgated by issuance of policy memoranda, technical instructions, or through other means deemed appropriate by The Judge Advocate General. Use of DA Form 2627 (Test) (Record of Proceedings Under Article 15, UCMJ), DA 2627-1 (Test) (Summarized Record of Proceedings Under Article 15, UCMJ), and DA 2627-2 (Test) (Record of Supplementary Action Under Article 15, UCMJ), (which are all very similar to the current versions of DA Forms 2627, 2627-1, and 2627-2, respectively), is authorized for use by users of the eJustice system, and these forms will be filed in the same manner as the current forms.

Chapter 4 Disciplinary Proceedings Subsequent to Exercise of Jurisdiction by Civilian Authorities

4-1. General

This chapter covers policies on disciplinary proceedings under the UCMJ against persons who previously have been tried within the meaning of Article 44, UCMJ, in a civilian court deriving its authority from a State of the United States or a foreign country.

4-2. Policy

A person subject to the UCMJ who has been tried in a civilian court may, but ordinarily will not, be tried by court-martial or punished under the UCMJ, Art. 15, for the same act over which the civilian court has exercised jurisdiction.

4-3. Procedure

Subject to provisions of applicable international agreements on U.S. forces stationed in foreign countries, an officer exercising GCM jurisdiction may authorize disposition of a case under the UCMJ and the MCM despite a previous trial. The officer must personally determine that authorized administrative action alone is inadequate and punitive action is essential to maintain discipline in the command, provided the case is processed as follows:

a. When the officer exercising SCM jurisdiction over the offender determines that the imposing nonjudicial punishment under UCMJ, Art. 15, is appropriate, a full written report will be sent through channels to the officer exercising GCM jurisdiction. The officer exercising GCM jurisdiction may dispose of the matter or authorize proceeding under UCMJ, Art. 15, UCMJ.

b. When the officer exercising SCM jurisdiction over the offender determines that trial by court-martial is required, a full written report to include charge sheets will be forwarded through channels, to the officer exercising GCM jurisdiction. The officer exercising GCM jurisdiction may, at that officer's discretion, dispose of such charges or, by endorsement, authorize a subordinate to take such action.

Chapter 5 Procedures for Courts-Martial

Section I General

5-1. Scope

"This chapter implements certain provisions of the R.C.M.; the MCM; chapter 47, 10 USC, as amended; and 28 USC 2101, which require implementation by the SA, and provides other procedures related to courts-martial." For procedures related to courts-martial of foreign nationals subject to the UCMJ, see AR 27-52.

5-2. Courts-martial jurisdiction

a. Authority to convene courts.

(1) *Designation.* If authority is desired to convene courts-martial pursuant to Articles 22(a)(8), 23(a)(7), and 24(a)(4), UCMJ, a request will be forwarded, through the SJA of the MACOM, to the Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194. In deciding whether to grant a request, the following factors will be considered: grade of commander to exercise convening authority; size of the command; mission of the command; chain of command and organizational structure of requesting command; and location of requesting command with respect to other commands having convening authority. When a new convening authority designation is required due to redesignation or reorganization of an existing GCM jurisdiction, the request should be forwarded as soon as the effective date of the redesignation/reorganization is known. Before any redesignation or reorganization, coordination with Criminal Law Division, DAJA-CL, Office of The Judge Advocate General, HQDA, is encouraged to determine whether a new designation is necessary. Requests for designation as a court-martial convening authority solely for purposes of taking administrative actions associated with a particular level of convening authority will not be approved. Requests for designation as a convening authority must include the unit's official name and Unit Identification Code, as established by the U.S. Army Center for Military History (DAMH) and must include the SJA paragraph(s) of the TOE or TDA, as appropriate, that has been approved by the Office of the Deputy Chief of Staff, G-3 (ODCS, G-3) (DAMO). The convening authority will send a copy of the redesignation directive or orders to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837

(2) *Contingency commands.* Commanders exercising GCM authority may establish deployment contingency plans that, when ordered into execution, designate provisional units under AR 220–5.

b. Personal jurisdiction.

(1) *Attachment.* When appropriate, Army units, activities, or personnel may be attached to a unit, installation, or activity for courts-martial jurisdiction and the general administration of military justice. This includes related administrative actions and nonjudicial punishment. The GCMCA of the parent unit as well as the unit to which attached should concur in the attachment, except that the parent unit need not concur when military necessity renders it impractical to obtain a concurrence from the parent unit. The commander who will exercise jurisdiction is authorized to publish necessary orders announcing attachment to the commander's command.

(2) *Members of Reserve Components.* Members of RC must be on active duty, in a title 10, U.S. Code duty status prior to arraignment. See chapter 21 of this regulation for procedures to involuntarily activate RC Soldiers for courts-martial.

(3) *Retirees.* Retired members of a regular component of the Armed Forces who are entitled to pay are subject to the UCMJ. (See Art. 2(a)(4), UCMJ.) Retirees are subject to the UCMJ and may be tried by court-martial for violations of the UCMJ that occurred while they were on active duty or, while in a retired status. DA policy provides that retired Soldiers subject to the UCMJ will not be tried for any offense by any courts-martial unless extraordinary circumstances are present. Prior to referral of courts-martial charges against retired Soldiers, approval will be obtained from Criminal Law Division, ATTN: DAJA–CL, Office of The Judge Advocate General, HQDA. If necessary to facilitate courts-martial action, retired soldiers may be ordered to active duty. Requests for active duty will be forwarded by electronic message through the Criminal Law Division, ATTN: DAJA–CL, Office of The Judge Advocate General, HQDA to the Office of the Assistant Secretary of the Army (Manpower and Reserve Affairs) for approval.

Section II

Court-Martial Personnel

5–3. Detail of trial counsel

- a.* Detail of trial counsel is a ministerial function to be exercised by the SJA or that officer's designee.
- b.* The order detailing a trial counsel will indicate by whom the trial counsel was detailed, in writing in the record of trial or announced orally on the record.
- c.* Pursuant to R.C.M. 503(c)(3), The Judge Advocate General delegates to Staff Judge Advocates the authority to make counsel available to serve in a court-martial in a different armed force.

5–4. Certification and use of lawyers

a. Commissioned officers, who are not members of the Army Judge Advocate General's Corps (JAGC), but who possess legal qualifications in the sense of UCMJ, Art. 27(b)(1), may be certified for duty as counsel by TJAG. As with certified JAGC counsel, detail of certified non-JAGC officers as trial and assistant trial counsel is a ministerial function performed by the SJA or that officer's delegate for the GCM jurisdiction where counsel are assigned or attached. The certified officer's commander must concur with the detail of the non-JAGC certified counsel. The Chief, USATDS, or that officer's delegate will detail USATDS officers as defense counsel or assistant or associate defense counsel (see para 6–9).

b. SJAs of GCM jurisdictions will submit the following to Personnel, Plans and Training Office, ATTN: DAJA–PT, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209–2194:

- (1) Resumes of legal qualifications of officers recommended by them for certification.
- (2) An affidavit or certificate attesting to admission to practice (UCMJ, Art. 27(b)) and experience.

5–5. Qualified counsel at courts-martial

a. In all SPCMs and GCMs, the accused must be afforded the opportunity to be represented by counsel qualified under UCMJ, Art. 27(b).

b. SJAs may enter into arrangements with SJAs of local Navy or Air Force installations for certified, qualified counsel. Copies of such arrangements will be forwarded through MACOM SJAs to the CDR, USALSA. Exchanges involving USATDS counsel must be approved by the Chief, USATDS.

5–6. Qualified individual civilian counsel at courts-martial

When a civilian counsel is to represent an accused at any court-martial, evidence may be requested that the civilian counsel is a member in good standing of the bar (of which he or she claims to be a member) by—

- a.* The military judge.
- b.* The president of a court-martial sitting without a military judge, or
- c.* The SJA.

5-7. Individual military counsel

a. General. The accused has the right to be represented in his or her defense before a GCM or SPCM or at an investigation under Article 32, UCMJ, by—

- (1) Civilian counsel, if provided by the accused at no expense to the Government; and
- (2) Military counsel assigned by the Trial Defense Service prior to referral of charges to represent an accused at an Article 32 hearing or military counsel detailed after referral of charges in accordance with UCMJ, Art. 27; or
- (3) Military counsel of the accused's own selection, if reasonably available (R.C.M. 405(d)(2); 506(b)).

b. "Reasonably available counsel" defined. All JAs certified under Article 27(b), UCMJ, are considered reasonably available to act as individual military counsel unless excluded by Article 38b, UCMJ, R.C.M. 506(b), or this regulation.

c. Persons not reasonably available.

(1) R.C.M. 506(b)(1) provides in part as follows: While so assigned the following persons are unavailable to serve as individual military counsel because of the nature of their duties or positions:

- (a) A general or flag officer;
- (b) A trial or appellate military judge;
- (c) A trial counsel;
- (d) An appellate defense or Government counsel;
- (e) A principal legal advisor to a command, organization, or agency and, when such command, organization, or agency has GCM jurisdiction, the principal assistant of such an advisor;
- (f) An instructor or student at a service school or academy;
- (g) A student at a college or university;
- (h) JAs assigned to the HQDA and DOD staff and Office of the General Counsel;
- (i) A member of the staff of the Judge Advocate General of the Army, Navy, or Air Force, the Chief Counsel of the Coast Guard, or the Director, Judge Advocate Division, Headquarters, Marine Corps. These are in addition to any persons the Secretary concerned may determine to be not "reasonably available" to act as individual military counsel because of the nature or responsibilities of their assignments, geographic considerations, exigent circumstances, or military necessity.

(2) "Trial Counsel" as used in R.C.M. 506(b)(1)(C) is defined as a JA whose primary duty involves the law enforcement and prosecuting function.

(3) Pursuant to the authority set forth in UCMJ, Art. 38, and R.C.M. 506(b)(1), the following persons are also deemed not reasonably available to serve as individual military counsel:

- (a) The Chief, Military Justice/Criminal Law Section, or person serving in an equivalent position.
- (b) JAs assigned outside the USATDS region in which the trial or UCMJ, Art. 32, investigation will be held, unless the requested counsel is stationed within 100 miles of the situs of the trial or investigation.
- (c) JAs whose duty stations are in Hawaii or Alaska, for a trial or UCMJ, Art. 32, investigation held outside Hawaii or Alaska, respectively.
- (d) USATDS counsel as set forth in paragraph 6-10b, of this regulation.
- (e) Other persons determined to be unavailable under the provisions of *d*, below.

d. Reasonable availability determinations. In determining the availability of counsel not governed by the provisions of paragraph *c*, above, the responsible authority under R.C.M. 506(b)(1) may consider all relevant factors, including, but not limited to, the following:

- (1) The requested counsel's duty position, responsibilities, and workload.
- (2) Any ethical considerations that might prohibit or limit the participation of the requested counsel.
- (3) Time and distance factors, that is, travel to and from the situs, the anticipated date, and length of the trial or hearing.
- (4) The effect of the requested counsel's absence on the proper representation of the requested counsel's other clients.
- (5) The number of counsel assigned as trial or assistant trial counsel to the UCMJ, Art. 32, investigation or trial.
- (6) The nature and complexity of the charges and legal issues involved in the case.
- (7) The experience level, duties, and caseload of the detailed military defense counsel.
- (8) Overall impact of the requested counsel's absence on the ability of the requested counsel's office to perform its required mission; for example, personnel strength, scheduled departures or leaves, and unit training and mission requirements.

e. Prior attorney-client relationship. Notwithstanding the provisions of *c* and *d*, above, if an attorney-client relationship exists between the accused and the requested counsel regarding matters that relate solely to the charges in question, the requested counsel will ordinarily be considered available to act as individual military counsel.

f. Procedure.

(1) R.C.M. 506(b)(2) provides in part as follows: Request for an individual military counsel should be made by the accused or the detailed defense counsel through the trial counsel to the convening authority. If the requested person is

among those not reasonably available under subsection (d)(1) of this rule or under regulations of the Secretary concerned, the convening authority will deny the request and notify the accused, unless the accused asserts that there is an existing attorney-client relationship regarding a charge in question or that the person requested will not, at the time of the trial or investigation for which requested, be among those so listed as not reasonably available. If the accused's request makes such a claim or if the person is not among those so listed as not reasonably available, the convening authority will forward the request to the commander or head of the organization, activity, or agency to which the requested person is assigned. That authority will make an administrative determination whether the requested person is reasonably available in accordance with the procedure prescribed by the Secretary concerned. This determination is a matter within the sole discretion of that authority. An adverse determination may be reviewed upon request of the accused through that authority to the next higher commander or level of supervision, but no administrative review may be made that requires action at the departmental or higher level.

(2) Requests for personnel to act as individual military counsel will be processed under R.C.M. 506(b)(2) and this regulation. They will be sent through the trial counsel to the convening authority. Requests will contain, as a minimum, the following information:

- (a) Name, grade, and station of the requested counsel.
- (b) Name, grade, and station of the accused and the accused's detailed defense counsel.
- (c) UCMJ Article(s) violated and a summary of the offense(s).
- (d) Date charges preferred and status of case, for example, referred for investigation under UCMJ, Art. 32, referred for trial by GCM, or SPCM.
- (e) Date and nature of pretrial restraint, if any.
- (f) Anticipated date and length of trial or hearing.
- (g) Existence of an attorney-client relationship between the requested counsel and the accused, in this or any prior case.
- (h) Special circumstances or other factors relevant to determine availability.

(3) Requests for USATDS counsel to act as individual military counsel will contain the same information as in (2), above, and will be processed according to paragraph 6–10 of this regulation.

(4) Requests for military judges to act as individual military counsel pursuant to paragraph 5–7e, above, will contain the same information as in (2), above, and will be processed according to paragraph 8–9 of this regulation.

g. Control and support of individual military counsel.

- (1) Control and support of all USATDS counsel are governed by chapter 6 of this regulation.
- (2) USATDS will exercise operational control over non-USATDS individual military counsel when counsel are to perform required defense duties. USATDS will provide non-USATDS individual military counsel all support normally given to USATDS counsel. USATDS will also render letter reports when appropriate.
- (3) On appointment as individual military counsel, non-USATDS counsel will notify the Regional Defense Counsel for the area in which the court-martial proceedings are to take place.

5–8. Professional standards

a. The Army Rules of Professional Conduct for Lawyers (AR 27–26, appendix B) are applicable to lawyers involved in court-martial proceedings in the Army.

b. The Code of Judicial Conduct for Army Trial and Appellate Judges, dated 5 May 2003, (available on JAGCNET) is applicable to all trial and appellate military judges and military magistrates.

c. Judges, counsel, and court-martial clerical support personnel will comply with the American Bar Association Standards for Criminal Justice (current edition) to the extent they are not inconsistent with the UCMJ, MCM, directives, regulations, the Code of Judicial Conduct for Army Trial and Appellate Judges, or other rules governing provision of legal services in the Army.

d. Personnel involved in court-martial proceedings are encouraged to look as well to other recognized sources (for example, decisions issued by State and Federal courts or ethics opinions issued by the ABA and the States) for guidance in interpreting these standards and resolving issues of professional responsibility.

5–9. Rating of court members, counsel, and military judges

a. Court members and counsel.

(1) Under Article 37(b), UCMJ, the consideration and evaluation of the performance of duty as members of a court-martial is prohibited in preparing effectiveness, fitness, or evaluation reports on members of the Armed Forces. UCMJ, Art. 37(b), also prohibits giving a less favorable rating or evaluation of any member of the Armed Forces because of the zeal with which such member, as counsel, represented any accused before a court-martial (see UCMJ, Art. 37(a) and R.C.M. 104 regarding prohibition of unlawful command influence).

(2) Counsel assigned to the USATDS will be rated as provided by the Chief, USATDS.

b. Military judges. Article 26(c), UCMJ, provides that, unless the court-martial was convened by the President or the Secretary concerned, neither the convening authority nor any member of the convening authority's staff will prepare or

review any effectiveness, fitness, or evaluation report of the military judge of a GCM that relates to that officer's performance as a military judge. All active and reserve members of the U.S. Army Trial Judiciary will be rated within judicial channels in accordance with rating schemes promulgated by the Chief Trial Judge. All active and reserve appellate judges will be rated in accordance with rating schemes published by the Chief Judge, U.S. Army Court of Criminal Appeals.

5-10. Preparation by court-martial personnel

a. To be properly prepared for duty as president or counsel of a SPCM or as a SCM officer, persons so detailed must read and understand publications about their duties (see paras (1) through (3), below). Before the trial of the first case by a court, the SJA will ensure, through counsel who are not involved with the prosecution, that—

(1) The president of the SPCM, and at the discretion of the SJA, those members who may become president because of challenges or other reasons, are familiar with MCM, appendix 8.

(2) Detailed trial counsel of the SPCM who are not certified under UCMJ, Art. 27(b), are familiar with MCM, appendix 8.

(3) The SCM officer is familiar with DA Pam 27-7.

b. DA Pam 27-7 should be used by the SCM officer during trial (see also MCM, appendix 9). In special courts-martial without a military judge, the procedural guide in MCM, appendix 8, should be used by the SPCM president both in open and closed session.

c. The general instructional or informational courses in military justice excluded from the general prohibitions contained in UCMJ, Art. 37(a) and R.C.M. 104, are those authorized in chapter 19 of this regulation. No other instruction related to the exercise of UCMJ requirements is authorized. However, this does not restrict the procedural preparation of court-martial personnel as outlined in this paragraph. Court members detailed to a functioning court may never be oriented or instructed on their immediate responsibilities in court-martial proceedings except by—

(1) The military judge, or

(2) The president of a SPCM without a military judge in open court.

5-11. Reporters

a. Detail. Reporters will not be detailed to SCMs. Reporters will be detailed to all SPCMs and GCMs.

b. Clerical assistance. A convening authority will, when necessary, furnish clerical personnel to assist SCMs and SPCMs to maintain and prepare a record of the proceedings.

5-12. Authorization for payment of transportation expenses and allowances to civilian witnesses appearing before Article 32, UCMJ, investigations

a. A civilian witness, determined to be reasonably available under R.C.M. 405(g) and requested to testify before an Article 32, UCMJ, investigation, is authorized transportation expenses and allowances.

b. Civilian witnesses will not be requested to appear before an UCMJ, Art. 32, investigation until payment of the transportation expenses and allowances has been approved by the GCMCA. The authority to approve, but not disapprove, the payment of transportation expenses and allowances may be delegated to the investigating officer or the GCMCA's SJA. An approved request to appear will inform the witness of the pertinent entitlements.

5-13. Reports and investigation of offenses

a. Any military authority, including a military law enforcement agency, that receives a report of a serious offense, will advise the trial counsel at the initiation of and critical stages in the investigation. The Commanding General, United States Army Criminal Investigation Command (USACIDC) may approve exceptions to this requirement on a case-by-case basis. Trial counsel will confer regularly about all developing cases with local CID and MP personnel. Trial counsel should work closely with and provide legal advice to investigative entities throughout the investigative process. If the alleged misconduct involves an Army Reserve Soldier, military authorities must make the same notifications to the Chief, Military Law Division, Office of the Staff Judge Advocate, US Army Reserve Command. This will ensure that the Army Reserve is aware of any serious allegations of misconduct involving Army Reserve Personnel.

b. In all cases that SJAs determine may have significant media and/or high visibility interest, SJAs will provide an unclassified executive summary via e-mail to Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194. Thereafter, updates will be provided as required by Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA until completion of trial. Staff Judge Advocate notification is designed to improve communications within the Department of Defense while at the same time protecting the accused's right to a fair trial, free from unlawful command influence.

5-14. Procedures related to US Soldiers of Foreign Nationality Facing Courts-Martial

This paragraph provides the notification requirements of AR 27-52 relating to foreign nationals serving in the U.S. Army and facing court-martial within the territory of the United States. See AR 27-52 for detailed procedures.

a. The GCMCA must notify the respective foreign consular office when a U.S. Army Soldier of foreign nationality is:

- (1) Apprehended under circumstances likely to result in confinement or trial by court-martial if he states he is a foreign national,
- (2) Ordered into arrest or confinement,
- (3) Held for trial with or without restraint, or
- (4) When court-martial charges against him are referred for trial.

b. A copy of the notice to the foreign consular's office will be incorporated as part of the allied papers of the court-martial record of trial, if any.

c. AR 27-52 provides a reference to locate Foreign Consulates in the US.

Section III

Pretrial

5-15. Pretrial confinement

a. *General.* An accused pending charges should ordinarily continue the performance of normal duties within the accused's organization while awaiting trial. In any case of pretrial confinement, the SJA concerned, or that officer's designee, will be notified prior to the accused's entry into confinement or as soon as practicable afterwards.

b. *Appointment of counsel.* The SJA concerned will request, from the senior defense counsel of the supporting USATDS field office, an appointed counsel to consult with an accused placed in pretrial confinement. The request will include a copy of the pretrial confinement checklist and commander's report. If USATDS counsel is not available to consult with the accused prior to or within 72 hours from the time the accused enters pretrial confinement, the SJA will appoint other legally qualified counsel. In such cases, that counsel will ensure that the accused understands that he or she will not ordinarily represent the accused at any later proceeding or court-martial. Consultation between the accused and counsel preferably will be accomplished before the accused's entry into confinement. If the accused does not consult with counsel prior to confinement, every effort will be made to ensure that the accused consults with counsel within 72 hours of entry into pretrial confinement.

c. *Entry into pretrial confinement.* An accused who is to be confined will be placed under guard and taken to the confinement facility. The authority ordering confinement will, whenever possible, ensure that a properly completed confinement order accompanies the accused. Prior to review of confinement by a military magistrate, the commander of the person confined will provide a written statement under paragraph 9-5b(2), of this regulation to the military magistrate. (See R.C.M. 305(h)(2)(c).)

d. *Review by military magistrate.* See chapter 9 of this regulation for requirements concerning review of pretrial confinement by military magistrates.

5-16. Preparation of charge sheet

a. R.C.M. 307 and DD Form 458 (Charge Sheet), provide instructions in the preparation of charges and specifications. (DD Form 458 is approved for electronic generation; see the MCM, appendix 4 for an example of a properly prepared charge sheet.) Available data as to service, social security account number, and similar items required to complete the first page of the charge sheet will be included. The original will be forwarded (see para 5-17) and signed. If several accused are charged on one charge sheet with the commission of a joint offense (R.C.M. 307(c)(5)), the complete personal data for each accused will appear on the first page of the charge sheet or on an attached copy. An extra signed copy of the charge sheet will be prepared for each additional accused.

b. After any charge is preferred, the DD Form 458 will automatically act to suspend all favorable personnel actions, including discharge, promotion, and reenlistment. Filing of a DA Form 268 (Report to Suspend Favorable Personnel Action), and other related personnel actions are still required. Failure to file DA Form 268, does not affect the suspension accomplished by the DD Form 458, or give rise to any rights to the Soldier. (See AR 600-8-2). After preferal of a charge, regardless of any action purporting to discharge or separate a Soldier, any issuance of a discharge certificate is void until the charge is dismissed or the convening authority takes initial action on the case in accordance with R.C.M. 1107; all other favorable personnel actions taken under such circumstances are voidable. Notwithstanding preferal of a charge, any GCMCA, the Assistant Secretary of the Army for Manpower and Reserve Affairs or the Assistant Secretary's delegee may approve exceptions to this subparagraph.

5-17. Forwarding of charges

a. When trial by a SPCM or GCM is appropriate and the officer exercising SCM jurisdiction is not empowered to convene such a court (R.C.M. 504(b)), the officer exercising SCM jurisdiction will personally decide whether to forward the charges and allied papers. (See R.C.M. 401 through 403.)

b. Charges and allied papers ordinarily will be forwarded through the chain of command to the officer exercising the appropriate kind of court-martial jurisdiction. The charges will be forwarded by endorsement or memorandum of

transmittal signed by the SCM authority or authenticated with that officer's command line recommending disposition of the charges. (See R.C.M. 401(c)(2), Discussion.)

c. Before referral, all requests for pretrial delay, together with supporting reasons, will be submitted to the convening authority before whom the charge(s) is/are pending for resolution. Pretrial delay should not be granted *ex parte*; when practicable, the decision granting delay together with supporting reasons and the dates covering the delay should be reduced to writing. Before referral, the convening authority who has the charges may delegate the authority to grant delays to an Article 32 investigating officer. This delegation should be made in writing. After referral, all requests for pretrial delay will be submitted to the military judge for resolution.

5-18. Convening authority actions upon receipt of approved resignation for the good of the service (RFGOS) in lieu of general court-martial

The tender of a receipt of approved resignation for the good of the service (RFGOS) does not preclude or suspend courts-martial procedures. Commands may proceed with courts-martial, but the convening authority may not act on the findings and sentence of the court until the Secretary of the Army or his delegee acts on the RFGOS. The command should expeditiously process the RFGOS to Commander, US Army Human Resources Command (HRC) and not hold it in abeyance for any reason (see AR 600-8-24, paragraph 3-13e). In the event a court-martial is completed prior to action on the RFGOS, the SJA will immediately notify the Commander, US Army HRC of the findings and sentence of the court-martial. No action will be taken to approve the findings and sentence, however, pending a decision on the RFGOS. When the SA approves a RFGOS and the case requires a record of trial (after arraignment has occurred), a summarized report of the proceedings may be prepared instead of a verbatim transcript. If the convening authority receives an approved RFGOS from the Secretary of the Army or his delegee, the convening authority must—

- a. Immediately release the accused from confinement, whether pretrial or post-trial, and
- b. Disapprove findings only upon evidence of the approving authority's specific intent to vacate the entire court-martial proceedings. Absent this intent, continue to process the case through the appellate process and
- c. Disapprove the sentence and dismiss any pending charges.
- d. Promptly notify the detailed military judge of the action on the request for resignation, if the case has already been referred.

5-19. Referral of charges

a. The convening authority will personally determine whether to refer the charges for trial and the kind of court to which the charges will be referred. This function may not be delegated. The endorsement or other directive referring the charges to a court-martial for trial will be signed by the convening authority or will be authenticated with the convening authority's command line. A warrant or noncommissioned officer may not act in a capacity as an adjutant or assistant adjutant to authenticate a command line (see AR 614-100). He or she must have prior signature authority under AR 25-50. Use of the command line verifies that the commander has personally acted (R.C.M. 601(e)).

b. The convening authority or the convening authority's designee will notify Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street Rosslyn, VA 22209-2194 of the following information on referral of a case capital (this information is exempt under AR 335-15 from management information control):

- (1) Name, grade, SSN, date of birth, race, and unit of the accused.
- (2) The offenses with which the accused is charged.
- (3) The names, sex, ages, and military or civilian status of the victims.
- (4) The date of referral.
- (5) Whether the accused is in pretrial confinement and the date confinement began.
- (6) The names of the military judge, trial counsel, and defense counsel in the case.

5-20. Accused's copy of charge sheet

a. *Summary courts-martial.* At the opening session of the trial, before arraignment, the SCM officer will give the accused a copy of the charge sheet, as received and corrected by the officer.

b. *General and special courts-martial.* Immediately on receipt of charges referred for trial, the trial counsel of a GCM or SPCM will—

- (1) Serve (or cause to be served) on the accused a copy of the charge sheet, as received and corrected by the counsel.
- (2) Inform the defense counsel that this copy has been served (R.C.M. 602, Discussion).

5-21. Preliminary procedures

a. *Docketing and calendar management.*

(1) Upon referral of charges for trial, the trial counsel will—

- (a) Serve or cause the charges to be served on the accused.
- (b) Furnish a copy of the charges and specifications to the defense counsel detailed to the court-martial.

(c) Furnish a copy of the charges and specifications to the military judge with docketing responsibility for the convening authority's military unit by the next duty day. In the event of uncertainty about the identity of the military judge with docketing responsibility, the convening authority will cause a copy of the referred charges to be sent to the Office of the Chief Trial Judge. Charges should normally be transmitted by facsimile or electronically.

(2) If the accused has been or is under pretrial restraint, including confinement, arrest or restriction in lieu of arrest or conditions on liberty, the trial counsel will inform the trial judge of its nature and duration. When the trial judge receives the charges and specifications, the trial judge will in all cases set the case for trial at an early date. The trial judge should normally docket a case for trial within 20 calendar days of the service of charges on the accused.

(3) Docketing procedures may include—

(a) Requesting mutually agreeable dates from counsel.

(b) Conferences under R.C.M. 802.

(c) UCMJ, Art. 39(a) sessions.

(4) The procedure used must ensure an early and orderly disposition of charges, so that—

(a) The right of the accused to a speedy trial is assured.

(b) The right of the Government to prompt resolution of charges in the interest of good order and discipline is assured.

(5) As part of the docketing procedure, counsel should report to the judge—

(a) Anticipated pleas.

(b) Estimated duration of proceedings.

(c) Whether the trial will be by judge alone.

(6) Once the military judge has set a date for trial, a party moving for continuance must present full justification as provided by law. If final disposition occurs by other means, such as administrative separation, counsel will advise the trial judge immediately.

(7) In computing the time periods above, the day that charges are served on the accused will be excluded. The last day of the period will be included unless it falls on Saturday, Sunday, or a legal holiday.

b. Court-martial sessions without members under UCMJ, Art. 39(a).

(1) Sessions under UCMJ, Art. 39, will be called on order of the military judge; however, either the trial counsel or defense counsel may make application to the military judge to have such a session called. In requesting an UCMJ, Art. 39(a), session, counsel should give opposing counsel adequate opportunity to prepare. If the military judge has issued a pretrial order setting forth specific dates for submission of motions and responses thereto, such matters will be submitted in accordance with the order(s). If the military judge has not issued such an order or orders, counsel will comply with the notice and service provisions of the Uniform Rules of Court (available on JAGCNET). The notice will inform opposing counsel and the judge whether submission will be on brief only, by oral argument, or both and whether evidence will be presented. The notice will include—

(a) A statement of the substance of the matter.

(b) The points and authorities on which counsel will rely.

(2) Counsel will comply with orders of the military judge regarding submission of briefs on pretrial motions. In the absence of an order, counsel are encouraged to submit briefs to the military judge and opposing counsel before UCMJ, Art. 39(a), sessions, outlining and citing authority for their position and will submit briefs in accordance with the Uniform Rules of Court (available on JAGCNET). The foregoing does not preclude matters from being raised and disposed of at the UCMJ, Art. 39(a), session other than those contained in the counsel's notice form.

(3) Motion sessions will be scheduled and conducted so that interlocutory matters will be promptly decided and dilatory or piece-meal presentations will be precluded. (See R.C.M. 905 through 907, as to waiver of issues by failure to present timely motions for relief.)

c. Excusal of members. Prior to assembly of a court-martial, detailed members may be excused by the convening authority. The convening authority may delegate the preassembly excusal authority to a deputy or assistant commander, the chief of staff, or the SJA. After assembly of the members, members may be excused for good cause only by the detailed military judge or the convening authority (R.C.M. 505).

5-22. Witness attendance

a. Subpoenas. A subpoena must be sent certified first class mail, return receipt requested, and restricted delivery may be used for formal service of subpoenas (R.C.M. 703(e)(2)(D) and Discussion).

b. Warrants of attachment. When it is necessary to issue a warrant of attachment, the military judge or the convening authority, if there is no military judge, will use DD Form 454 (Warrant of Attachment). A warrant of attachment may be executed by a United States Marshal or such other person who is not less than 18 years of age as the authority issuing the warrant may direct. When practicable, execution should be effected through a civilian officer of the United States (R.C.M. 703(e)(2)(g) and Discussion).

c. Arrangements for travel overseas. See paragraph 18-22 of this regulation for arrangements for travel of civilian witnesses to proceedings overseas.

d. Expert witness payment. Within the United States payments to expert witnesses will be pursuant to the DOJ Expert Witness Rate Schedule. For trial outside the United States, the schedule should be considered as a guide.

Section IV

Trial

5–23. Procedure for summary courts-martial

a. DA Pam 27–7 and appendix 9, MCM, will serve as guides for SCM procedure (see also DA Pam 27–9), but nothing contained therein will give an accused any greater protection than that required by military due process.

b. Except when military exigencies require otherwise, the SCM officer will grant the accused an opportunity to consult with qualified defense counsel before the trial date for advice concerning—

(1) The accused’s rights and options.

(2) The consequences of waivers of these rights in voluntarily consenting to trial by SCM.

c. Whenever the SCM officer denies the accused an opportunity to consult with counsel before trial, the circumstances will be fully documented by the SCM officer in a certificate attached to the record of trial. Failure to provide the accused with the opportunity to consult with counsel may make the record of the SCM inadmissible at a subsequent court-martial.

d. DA Form 5111(Summary Court-Martial Rights Notification/ Waiver Statement), will be completed and attached to each copy of the charge sheet.

e. Counsel will not represent the Government at SCM unless the accused is represented by counsel and the Staff Judge Advocate approves the representation.

5–24. Arraignment and pleas

When an UCMJ, Art. 39(a), session is conducted by the military judge before assembly, the arraignment may be held and the plea of the accused may be accepted at that time by the military judge. In addition, the military judge may enter at that time findings of guilty on an accepted plea of guilty.

5–25. Disclosure of pretrial restraint

If the accused has been subjected to pretrial restraint, the trial counsel will—

a. Disclose on the record that the accused has been subjected to pretrial restraint.

b. If necessary, present evidence explaining the nature of the restraint.

c. If the defense objects to the Government’s characterization of the nature of the restraint, request the military judge to conduct an inquiry to determine the relevant facts and rule whether the restraint was tantamount to confinement.

5–26. Entry of findings of guilty pursuant to a plea

a. In a trial by courts-martial with members, a finding of guilty of the charge and specification may be entered immediately without vote (after a plea of guilty has been accepted by the military judge or president of a SPCM without a military judge). No such entry should be made as to any plea of guilty to a lesser included offense.

b. Because conditional guilty pleas subject the government to substantial risks of appellate reversal and the expense of retrial, SJAs should consult with the Chief, Criminal Law Division, ATTN: DAJA–CL, Office of The Judge Advocate General, HQDA, prior to the government’s consent regarding an accused entering a conditional guilty plea at court-martial. Once this coordination is complete, the Trial Counsel may consent, on behalf of the government, to the entering of the conditional guilty plea by the accused in accordance with R.C.M. 910(a)(2).

c. The military judge or president of a SPCM without a military judge will put the finding of guilty in proper form following the forms indicated in MCM, appendix 10, and the instructions contained in R.C.M. 918.

5–27. Personal identifiers of witnesses

After a witness is sworn, the witness should be identified for the record (full name, rank, and unit, if military, or full name and work address, if civilian). See Discussion, R.C.M. 913(c)(2). Social security account numbers and home address will not be used to verify the witness’s identity.

5–28. Special courts-martial guidance

a. Special courts-martial (SPCM) are authorized to adjudge punishments in accordance with the MCM. A bad-conduct discharge (BCD), confinement for more than 6 months, or forfeiture of pay for more than 6 months, may not be adjudged at special courts-martial unless—

(1) A military judge was detailed to the trial, except in the case where a military judge could not be detailed because of physical conditions or military exigencies.

(2) Counsel qualified under UCMJ, Art. 27(b), was detailed to represent the accused.

(3) A verbatim record of the proceedings and testimony was made (R.C.M. 1103(c)(1)).

- b. The servicing staff judge advocate will prepare a pretrial advice, following generally the format of R.C.M. 406(b).
- c. Unless the convening authority causes restrictive language to be added to the “instructions” portion of block 14, DD Form 458, all SPCM referrals that meet the three requirements in subsection a., above, are empowered to adjudge a bad-conduct discharge. There is no requirement to annotate on block 14 of DD Form 458 that the court is empowered to adjudge a bad conduct discharge.

5–29. Sentencing

a. For purposes of R.C.M. 1001(b)(2) and (d), trial counsel may, at the trial counsel’s discretion, present to the military judge (for use by the court-martial members or military judge sitting alone) copies of any personnel records that reflect the past conduct and performance of the accused, made or maintained according to departmental regulations. Examples of personnel records that may be presented include—

- (1) DA Form 2, DA Form 2A, and DA Form 2–1.
- (2) Promotion, assignment, and qualification orders, if material.
- (3) Award orders and other citations and commendations.
- (4) Except for summarized records of proceedings under Art. 15 (DA Form 2627–1), records of punishment under Art. 15, from any file in which the record is properly maintained by regulation.
- (5) Written reprimands or admonitions required by regulation to be maintained in the OMPF or Career Management Information File (CMIF) of the accused.
- (6) Reductions for inefficiency or misconduct.
- (7) Bars to reenlistment.
- (8) Evidence of civilian convictions entered in official military files.
- (9) Officer and enlisted evaluation reports.
- (10) DA Form 3180 (Personnel Screening and Evaluation Record).
- (11) Records relating to Discipline and Adjustment Boards and other disciplinary records filed in corrections files in accordance with AR 190–47.

b. These personnel records include local nonjudicial punishment files, personnel records contained in the OMPF or located elsewhere, including but not limited to the CMIF and the correctional file, unless prohibited by law or other regulation. (see AR 600–8–104 (discusses personnel files) and AR 190–47 (discusses corrections files)). Such records may not, however, include DA Form 2627–1.

c. Original records may be presented instead of copies with permission to substitute copies in the record. (See MRE 901, for authentication of original copies.)

d. Documents in the OMPF may be obtained for court-martial purposes under paragraph 2–8 of AR 600–8–104. Urgent requests may be telephonically submitted and followed up by a message to CDR USAEREC//PCRE–RF–1//FT BEN HARRISON IN.

e. Pursuant to Article 58a, UCMJ, the automatic reduction to the lowest enlisted pay grade will be effected in the Army only in accordance with this paragraph.

- (1) The trial court may adjudge a reduction to the grade of Private (E–1) or any intermediate grade or no reduction at all.
- (2) Reduction to the lowest enlisted pay grade will be automatic only in a case in which the approved sentence includes, whether or not suspended, either—
 - (a) A dishonorable or bad-conduct discharge, or
 - (b) Confinement in excess of 180 days (if the sentence is awarded in days) or in excess of 6 months (if the sentence is awarded in months).

f. Confinement facilities will determine the insignia of rank, if any, that Soldiers will wear in confinement; this determination will not affect entitlement to pay and allowances. Restoration of rank or suspension of a reduction will not affect the insignia of rank worn by a Soldier within a confinement facility.

g. *Hard labor without confinement.* Hard labor without confinement is an authorized courts-martial sentence (see RCMs 1003(b)(6) and 1301(d)(1)). Hard labor without confinement (like the punishment of restriction) is not served until ordered executed in the convening authority’s action in accordance with UCMJ, Art. 57c. A convening authority’s approval of hard labor without confinement does not automatically reduce the convicted Soldier to the rank of E–1 (see subparagraph e above, eliminating hard labor as triggering an automatic reduction under UCMJ, Art. 58a). Hard labor without confinement will—

- (1) Be performed in a manner directed by the Soldier’s immediate commander. Such duties will normally be performed in public view and may not include duties that constitute a safety or health hazard to the convicted Soldier;
- (2) Focus on punishment and may include duty to induce fatigue;
- (3) Not excuse the Soldier from his regular duties. The immediate commander will determine the number of hours of hard labor the Soldier will perform in addition to his regular duties;
- (4) Not include duties associated with maintaining good order and discipline, such as charge of quarters and guard duties;

(5) Run consecutively once ordered executed and served in its entirety unless the executed portions are remitted by the convening authority;

(6) Soldiers performing hard labor without confinement will be provided the opportunity to consume three meals daily, though meals may be provided by MRE or similar substitutes. Upon completion of the duties specified as the daily assignment of hard labor without confinement the Soldier should be permitted to take leave or liberty to which entitled.

Section V

Post-trial

5–30. Report of result of trial

a. Under R.C.M. 1101(a) or 1304(b)(2)(F)(v), the trial counsel or SCM will prepare a report of the result of trial at the end of the court-martial proceedings. It will be prepared on DA Form 4430, Department of the Army Report of Result of Trial. A copy of the DA Form 4430 will be included in allied papers accompanying the record of trial. Post-trial prisoners who are transferred to the U.S. Disciplinary Barracks or other military corrections system facilities must carry a copy of the DA Form 4430. DA Form 4430 will include the total number of days credited against confinement adjudged whether automatic credit for pretrial confinement under U.S. v. Allen, 17 M.J. 126 (CMA 1984), or judge-ordered additional administrative credit under R.C.M. 304, R.C.M. 305, U.S. v. Suzuki, 14 M.J. 491 (CMA 1983), or for any other reason specified by the judge, in accordance with the blocks on the form numbered 7–9. It will also include the names and social security numbers of any co-accused. If required under the provision of 10 USC 1565, (see DOD interim policy at appendix F, AR 27–10, for qualifying military offenses), the DA Form 4430 will identify the need for processing of a DNA sample. In addition, the DA Form 4430 will indicate whether the conviction requires sex offender registration in accordance with 42 USC 14071 (see paragraph 24–2 for qualifying offenses). The completed DA Form 4430 will be typewritten, if practicable, or legibly handwritten.

b. The trial counsel will ensure that a copy of the DA Form 4430 is expeditiously provided to the finance and accounting office (FAO) in any case involving a reduction in rank or forfeiture of pay or fine. In Block 5 the trial counsel should indicate the effective date of any forfeiture or reduction in grade (see UCMJ, Arts. 57–58b and R.C.M. 1101).

c. When a sentence of death is adjudged, the SJA will immediately notify Criminal Law Division, ATTN: DAJA–CL, Office of The Judge Advocate General, HQDA of the following (this information is exempt under AR 335–15 from management control):

- (1) Name, grade, SSN, and unit of the accused.
- (2) Date sentence was adjudged.
- (3) Offense(s) for which the sentence was adjudged.

d. The GCM authority will ensure that the Clerk of Court, ATTN: JALS–CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street Arlington, VA 22203–1837 is expeditiously furnished copies of all transfer orders and excess leave orders or a copy of DA Form 31, Request and Authority for Leave, when an accused has been transferred from his or her jurisdiction or placed on excess leave.

5–31. Assignment of post-trial Soldiers in confinement or on excess leave

Personnel accountability for post-trial Soldiers in confinement will be administratively transferred immediately after trial from their unit to the appropriate PCF of the designated Regional Confinement Facility (RCF), except those Soldiers who receive a sentence of 120 days (4 months) or less of confinement, without a discharge, who will remain assigned to their parent unit. Personnel accountability for post-trial Soldiers on excess leave will be administratively transferred immediately after trial from their unit to the PCF of the nearest confinement facility, or elsewhere based on direction from Commander, Human Resources Command, or his delegee. (See AR 190–47 and AR 600–62.) Such administrative transfer of personnel accountability will not affect the authority of the convening authority who referred the case to trial to take action on the findings and sentence. All documents reflecting a change in the Soldier's duty status or unit assignment, including voluntary/involuntary excess leave documents will be included with the allied papers in the record of trial. If the record of trial has been previously forwarded for appellate review, any new documents reflecting a change in duty status or unit assignment including voluntary, involuntary excess leave documents will be mailed promptly to Clerk of Court, ATTN: JALS–CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203–1837.

5–32. Convening authority action

a. When taking action ordering the execution of any sentence to confinement, the convening authority will not designate the place of confinement. The place of confinement will be determined under AR 190–47. The convening authority will show in his or her initial action all credits against a sentence to confinement, either as adjudged or as approved, regardless of the source of the credit (automatic credit for pretrial confinement under U.S. v. Allen, 17 M.J. 126 (CMA 1984), or judge-ordered additional administrative credit under U.S. v. Suzuki, 14 M.J. 491 (CMA 1983)), R.C.M. 304, R.C.M. 305, or for any other reason specified by the judge. The convening authority will also show in the

initial action if either adjudged or automatic forfeitures in accordance UCMJ, Art. 58b, were deferred or waived or both. If a reduction to E-1 is required in accordance with UCMJ, Art. 58a, and paragraph 5-28 above, based on the approved sentence, such reduction will be noted in the convening authority's action and is effective on the date of the action. If waivers of forfeitures are approved and included in the action, the waiver sentence must state the person to whom the forfeitures are to be awarded.

b. Within 24 hours of convening authority action, in cases in which the accused is in confinement or the convening authority approves confinement, the SJA serving the convening authority will notify the confinement facility in which the accused is or will be confined and the finance and accounting office (FAO) providing finance service to that confinement facility, of the action taken. The SJA may use any form of communication that meets the 24-hour requirement, including electronic message, facsimile, and the Defense Joint Military System (DJMS). If DJMS is used, the SJA will coordinate with FAO for use of DJMS, providing that the 24-hour requirement can be met. As a minimum, notification will include—

- (1) The name, rank, social security number, and unit of the accused.
- (2) The date sentence was adjudged.
- (3) The exact sentence adjudged by the court.
- (4) The convening authority's action, to include the heading, date, and name of the officer taking action.

c. Copies of orders promulgating convening authority action will be forwarded under paragraph 12-3 of this regulation.

d. See paragraph 5-29e of this regulation for instructions regarding the rules governing automatic reductions to the lowest enlisted pay grade when a convening authority approves confinement or a punitive discharge.

5-33. Transfer of convening authority action

If it is impracticable for the convening authority to take action, that person will cause the record of trial to be forwarded to an officer exercising general court-martial jurisdiction over the command. The memorandum or message that causes the record to be so forwarded will contain a statement of the reasons why the convening authority who referred the charges could not act on the record, and any other matters deemed appropriate by the forwarding officer. A copy of the memorandum or message will be included in the record of trial.

5-34. Rehearing in cases in which the accused is absent without leave

The following procedures will be followed in pending rehearing cases when the accused is absent without leave:

a. *Action by convening authority.* The convening authority having jurisdiction over the appellant will make the final decision on the practicability of holding a rehearing. If the convening authority decides to defer the final decision, the convening authority will cause a notation to be placed in the accused's unit personnel file. The notation will state that the accused is in an absent without leave status and that a decision regarding rehearing on other charges is pending at a certain jurisdiction. In such cases, the SJA will return the original and all copies of the record for safekeeping to Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837.

b. *Action by the Clerk of Court.* The Clerk of Court will establish procedures for determining the status of the accused and reviewing cases returned pursuant to a, above. When the review indicates that the practicability of conducting the rehearing should be reconsidered, the record together with any pertinent information acquired will be transmitted to the appropriate convening authority for determination.

5-35. Suspension of sentence

a. Authority to suspend the execution of a sentence is set forth in R.C.M. 1108(b). No sentence may be suspended beyond a reasonable period (R.C.M. 1108(d)). A reasonable period of suspension will be calculated from the date of the order announcing the suspension and will not extend beyond—

- (1) Three months for an SCM.
- (2) One year for an SPCM in which a BCD was adjudged.
- (3) Two years or the period of any unexecuted portion of confinement (that portion of approved confinement unserved as of the date of action), whichever is longer, for a GCM.

b. These limits do not include any time in which a suspension period is legitimately interrupted under R.C.M. 1109(b)(4).

5-36. Vacation of suspended sentences

a. Sentences adjudged by GCM or by SPCM including a bad-conduct discharge.

(1) See R.C.M. 1109(d). DD Form 455, Report of Proceedings to Vacate Suspension of a General Court-Martial or of a Special Court-Martial Sentence Including a Bad-Conduct Discharge Under Article 72, UCMJ, and R.C.M. 1109, (see MCM, appendix 18) with appropriate modifications, may be used as a guide for the hearing and for recording the evidence relied on and the reason(s) for vacating the suspension. The original and two copies of any proceedings

vacating a suspension will be sent to the office of the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837.

(2) In a case of a suspended dismissal, the officer exercising GCM jurisdiction over the accused, following a vacation hearing under R.C.M. 1109(d), will forward the record of the hearing and all recommendations and a proposed action to vacate the suspension, if the GCM authority recommends vacation, to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837.

b. Sentences adjudged by SPCM not including a bad-conduct discharge or by SCM. (See R.C.M. 1109(e).)

5-37. Disposition of SJA recommendations and JA reviews of records of GCM and of SPCM in which a bad-conduct discharge has been approved

The original recommendation of the SJA or legal officer and the original of any subsequent review by a JA or legal officer will be attached to the record of trial. In addition, one copy will be attached to each copy of the record of trial. One additional copy of the recommendation or review will be sent without delay to the commander of the confinement facility to which the accused is being or has been transferred. (See AR 190-47, chap 4.)

5-38. Stay of execution of death sentence when accused lacks mental capacity

a. A convening authority will stay the execution of a death sentence as set out in R.C.M. 1113(d)(1)(b).

b. A verbatim transcript of the hearing conducted pursuant to R.C.M. 1113(d)(1)(B) will accompany the findings of fact made by the military judge.

5-39. Clemency under Article 74

a. The SA or the Secretary's designee, is empowered by Article 74(a), UCMJ, to remit or suspend any part or amount of the unexecuted part of any court-martial sentence, other than a sentence approved by the President; and by UCMJ, Art. 74(b), for good cause, to substitute an administrative form of discharge for a discharge or dismissal executed in accordance with the sentence of a court-martial. However, in a case of a sentence of confinement for life without eligibility of parole, after the sentence, other than a sentence approved by the President; and by UCMJ, Art. 74(b), for good cause, to substitute an administrative form of discharge for a discharge or dismissal executed in accordance with the sentence of a court-martial. However, in a case of a sentence of confinement for life without eligibility for parole, after the sentence is ordered executed, the authority of the Secretary concerned under the proceeding sentence may not be delegated and may be exercised only after the service of a period of confinement of no less than 20 years.

b. The SA's functions, powers, and duties concerning military justice matters, which include Article 74 clemency powers, have been assigned to the Assistant Secretary of the Army (Manpower and Reserve Affairs). (See 10 USC 3013(f).)

c. Except as noted below, TJAG may mitigate, remit, or suspend, in whole or in part, any unexecuted portion of a court-martial sentence prior to completion of appellate review. TJAG may not mitigate, remit, or suspend a sentence affecting a general officer, a sentence to confinement for life without eligibility for parole after that sentence is ordered to be executed, or a sentence imposing death or dismissal. The unexecuted portion of a court-martial sentence includes discharges or dismissals not yet ordered into execution; unserved confinement, hard labor without confinement, or restriction; and uncollected fines and forfeitures. Appellate review is complete upon promulgation of an order directing execution of the sentence in its entirety.

d. All other requests for clemency petitions to the SA under UCMJ, Art. 74, should be addressed to the Army Clemency and Parole Board, 1901 South Bell Street, Crystal Mall 4 (Second Floor), Arlington, VA 22202-4508, and must be submitted by the convicted Soldier or an attorney or recognized veterans organization acting on the Soldier's behalf. If the Soldier is in confinement, the petition will be forwarded through the confinement facility commander. The confinement facility commander will forward the petition along with copies of relevant records reflecting on the Soldier's record in confinement. If the Soldier has reached his or her maximum release date, the Clemency & Parole Board no longer has authority to act on a clemency request. At that point, the Soldier should direct their request to either the Army Board for Correction of Military Records or the Army Discharge Review Board. The Army Discharge Review Board does not have authority over discharges given by a court-martial.

e. For guidance on the power of the Army Clemency and Parole Board to review cases for clemency and parole, see AR 15-130.

5-40. Petition for new trial under Article 73

a. R.C.M. 1210 and Article 73, UCMJ, prescribe procedures for petitioning TJAG for a new trial on the grounds of newly discovered evidence or fraud on the court.

b. When direct review of petitioner's case is before either the U.S. Army Court of Criminal Appeals (USACCA) or the U.S. Court of Appeals for the Armed Forces (USCAAF), the petition for new trial will be filed with the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837. For all other cases, the petition will be filed with the Chief, Criminal Law Division, ATTN: DAJA-CL,

Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209–2194. In either event, the petition must be filed within 2 years following the date of the convening authority’s action on the record of trial.

Section VI Records of Trial

5–41. Preparation

a. Records of trial will be prepared as prescribed in R.C.M. 1103 and R.C.M. 1305. Materials regarding pretrial confinement will be included in the Record of Trial. This includes, but is not limited to, a copy of the commander’s checklist for pretrial confinement, DA Form 5112 (Checklist for Pretrial Confinement), and a copy of the magistrate’s memorandum to approve or disapprove pretrial confinement. Also, see paragraph 13–6 of this regulation for identification of companion cases on the covers of original records of trial. In all cases in which the convening authority approves confinement for 12 months or more, whether or not all or part of the confinement is suspended, an additional copy of the record of trial will be prepared for the Army Clemency and Parole Board for clemency review purposes and distributed under paragraph 5–46 of this regulation. The cover of this additional copy will be marked prominently with the phrase “Clemency Copy,” and upon receipt thereof the appropriate confinement facility (USDB or Army RCF) will cause a summary of the record of trial to be made and sent to the Army Clemency and Parole Board.

b. Preparation of DD Form 490, Record of Trial and DD Form 491 (Summarized Record of Trial, Chronology Sheets). See also MCM, appendix 14. The computation of elapsed days on the chronology sheets must be uniformly calculated.

(1) Staff judge advocates will indicate the number of days from the initiation of the investigation of the most serious arraigned offense to the date of arraignment in the remarks section of the DD Forms 490 and 491. No delays will be deducted, but an explanation for significant delays, such as additional offenses, sanity board, and so forth, may be discussed in the remarks section. The Clerk of Court (JALS–CCZ) will track this processing time for each general court-martial jurisdiction.

(2) The “cumulative elapsed days” column in item No. 7 will reflect only those delays listed in block No. 6. That portion of block No. 6 entitled, “delay at request of defense,” should be interpreted to mean only those delays that would be defense delays on speedy trial motions or those approved by the convening authority or the military judge in writing or on the record (see, *United States v. Carlisle*, 25 M.J. 426 (CMA 1988)). Specific explanations of all delays listed in block No. 6 should be provided in the remarks section of the chronology sheet. For post-trial processing the only delays that may be deducted are extensions of time granted pursuant to R.C.M.s 1105(c)(1), 1106(f)(5), and 1110(f)(1) or periods where action by the convening authority is expressly deferred pending the accused’s testimony in another case, cooperation with an investigation, restitution of the victim, or similar contingency. Delays for the latter reasons should be documented by a granted defense request or explanatory memorandum in the accompanying papers. The number of days extension must be reflected by a negative number inserted immediately before the final total in the “cumulative elapsed days” column for delays pursuant to R.C.M. 1105 and R.C.M. 1106 and immediately after the final total in the “cumulative elapsed days” column for delays pursuant to R.C.M. 1110. This should be accompanied by an entry in the remarks section. For example, defense delay, R.C.M. 1105(c): 6 days (31 March–5 April 1989). Other post-trial delays, such as the time required for authentication of the record or time consumed in sending a record or recommendation to a distant defense counsel, may be noted in the remarks section, if desired, but no deduction will be made.

c. The SJA will include in the remarks section of the Chronology Sheet of DD Forms 490 and 491 a statement showing the confinement facility, personnel control facility, or other command to which the accused has been transferred, or whether the accused remains assigned to the unit indicated in the initial promulgating order. (See para 13–11*b* for other requirements.)

d. In GCM and SPCM cases in which a summarized record of trial is authorized (see R.C.M. 1103(b)(2)), DD Form 491 will be used to prepare the summarized report. (See MCM, appendix 13.) If a reporter was detailed and actually served in that capacity throughout the trial, the convening or higher authority may direct that the proceedings be reported verbatim as prescribed by R.C.M. 1103(b)(2)(B) and 1103(c)(1) and as indicated in MCM, appendix 14.

e. If the proceedings have resulted in an acquittal of all charges and specifications or in termination before findings, the record of trial will be prepared under R.C.M. 1103(e). In addition, the record will include a summary of the trial proceedings up to the disposition of the case and all documentary exhibits and allied papers. DD Form 491 may be modified and used as a binder for the record of trial.

f. In SCM cases, preparation of DD Form 2329 (Record of Trial by Summary Court-Martial), (see MCM, app 15) will include additionally the following:

(1) In the left hand column of item 8, insert each Article of the UCMJ alleged to have been violated and include a summary of each specification in the format outlined in MCM, appendix 17.

(2) In the lower right hand corner of item 8 or the upper right hand corner of item 13 and only after the written review required by R.C.M. 1112 has been completed and has determined the record of trial to be legally sufficient,

enter the following phrase in block form: "This record of trial has been reviewed under Article 64(a), UCMJ, and R.C.M. 1112 and is legally sufficient."

(3) In those cases where review is completed under R.C.M. 1112(f) or R.C.M. 1201(b)(2), item 8 or item 13, as noted in (2) above, will be annotated with the result of the completed review.

(4) The original charge sheet (DD Form 458) and all allied papers, documentary evidence, and descriptions or photographs of physical evidence will be attached to the original record of trial. After initial action, this file will be forwarded for JA review under paragraph 5-46b, of this regulation before disposition under paragraph 5-47a, of this regulation.

g. In the event a Soldier is tried in absentia, the Staff Judge Advocate will ensure that the documents used to notify the Deserter Control Point are included among the allied papers submitted with the record of trial.

5-42. Readability of records of trial

The original and all copies of records of trial forwarded for appellate review, including examination under Article 69, UCMJ, must meet the standards set forth below:

a. All copies must appear double-spaced on one side of 8 1/2- by 11-inch letter-size white paper of sufficient weight (for example, 20-lb) that the print on each succeeding page does not show through the page above.

b. The type font must be pica, such as Courier 10 or a similar typeface with no more than 10 characters per inch, and it must clearly distinguish each character from all others, such as the letter "l" from the numeral "1."

c. The method used (typewriter, impact printer, laser printer) must produce a clear, solid, black imprint.

d. The top margin of each page must be sufficient (for example, 2 inches) so that no line of text is obscured by the document fasteners used to attach the pages.

e. All accompanying papers, to include stipulations, motions, briefs, appellate exhibits and copies, should, to the maximum extent practicable, be prepared in accordance with the standards noted above.

5-43. Retention of trial notes or recordings

a. For cases in which a summarized record of trial is authorized, the notes or recordings of the original proceedings will be retained until the record is authenticated.

b. For cases in which a verbatim transcript is required, the verbatim notes or recordings of the original proceedings will be retained until completion of final action or appellate review, whichever is later.

c. The verbatim notes or recordings may be kept by the trial counsel, an assistant, court reporter, or a clerk or stenographer acting under the trial counsel's direction.

5-44. Authentication of records of trial

a. Records of trial will be authenticated under R.C.M. 1104(a).

b. The record of trial of an SPCM will be authenticated in the same manner as that of a GCM.

c. Records of trial should not be authenticated until all known administrative corrections have been made.

5-45. Service of record of trial on the accused

Records of trial will be served under R.C.M. 1104(b) and R.C.M. 1305(d).

5-46. Forwarding of records of trial after initial action

a. In GCM cases (including proceedings ending in acquittal or termination (see R.C.M. 1103(e)) and in SPCM cases in which a BCD or confinement for 1 year has been approved, where the accused has not waived appellate review under R.C.M. 1110, the record of trial will be forwarded to the Clerk of Court ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837. (See para 13-6 for identification of companion cases.) In cases in which an additional record of trial is prepared for the Army Clemency and Parole Board under paragraph 5-41, that record will be forwarded to the U.S. Disciplinary Barracks, (Commandant, U.S. Disciplinary Barracks, ATTN: ATZL-DB-CL, Fort Leavenworth, KS 66027), or the appropriate Army RCF where the accused is confined. If the accused is not confined or is confined in any facility other than on the USDB or an Army RCF, the record will be sent directly to the Army Clemency and Parole Board, 1901 South Bell Street, Crystal Mall 4 (Second Floor), Arlington, VA 22202-4508.

b. In cases under R.C.M. 1112(a) (including those in which the accused withdraws appellate review), the record of trial will be forwarded to a JA for review. Review under R.C.M. 1112 may be done either by a JA in the Office of the SJA of the convening command or by a JA otherwise under the technical supervision of the SJA. Following JA review, those records of trial that are required to be forwarded under R.C.M. 1112(g) (1) or (2) will be transmitted to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837. Records of trial not required to be forwarded under R.C.M. 1112(g)(1) or (2) will be filed under paragraph 5-47 below.

5-47. Disposition of records of trial

a. On completion of review and any required supplemental action, records of trial for SCMs and SPCMs that do not involve approved BCDs or confinement of more than 364 days will be filed in accordance with AR 25-400-2 (record numbers 27-10a 1 and 2 and 27-10c 1 and 2 respectively). Refer to the Army Records Information Management System records retention schedule located at <https://www.arims.army.mil/rrsanew/rrsrch.asp> to determine the proper disposition of SCM and SPCM records of trial.

b. On completion of any required review and supplemental action, original records of trial of GCMs, and SPCMs with approved BCDs or DDs or confinement for more than 364 days, or adjudged forfeitures for a period of six months suspended or unsuspended, will be sent for filing to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837. The distribution of the record of trial in SCM proceedings is discussed in subparagraph 12-7*e* of this regulation.

5-48. Mailing records of trial

Certified first class mail with return receipt requested or delivery by commercial means with return receipt requested should be used to transmit records of trial for any official purpose.

5-49. Delegation of authority to modify procedures

Notwithstanding any other provision in this regulation and to the extent permitted by Article 54, UCMJ and the Manual for Courts-Martial, The Judge Advocate General has the authority to issue directions through technical channels, changing the procedures for preparing, copying, serving, certifying, authenticating, or distributing records of trial, including allied papers and orders, in order to make better use of technological improvements, notwithstanding any other provision in this regulation. Such direction may be promulgated by issuance of policy memoranda, technical instructions, or through other means deemed appropriate by The Judge Advocate General.

Chapter 6

United States Army Trial Defense Service

6-1. General

This chapter governs the operations of the USATDS. It sets forth information, policies, and procedures applicable to the provision of defense counsel services throughout the Army.

6-2. Mission

The mission of USATDS is to provide specified defense counsel services for Army personnel, whenever required by law or regulation and authorized by TJAG or TJAG's designee. USATDS will also develop programs and policies to promote the effective and efficient use of defense counsel resources and enhance the professional qualifications of all personnel providing defense services.

6-3. Organization

USATDS is an activity of the USALSA, a field operating agency of TJAG. USATDS counsel may be assigned either to USALSA, with duty station at a specified installation, or to another organization (MTOE/TDA) and attached to USALSA for all purposes except administrative and logistical support. SJA and installation support responsibilities for TDS counsel (see para 6-4 and AR 27-1, para 9-3) apply regardless of the TDA or MTOE authorization individual TDS counsel occupy. The Commander and Commandant, TJAGLCS, provides professional control and supervision of USATDS and its counsel. The Commander, USALSA, exercises other command functions for USATDS counsel.

a. Chief, USATDS. The Chief, USATDS, is a JA, designated by TJAG, who exercises supervision, control, and direction of defense counsel services in the Army.

b. Region. The region is the major subordinate supervisory and control element of USATDS. It encompasses a geographical area designated by TJAG. The Chief, USATDS, has full authority and responsibility for the timely detail of defense counsel in courts-martial, Article 32 investigations, and in other judicial and administrative proceedings requiring such detail. This authority may be delegated.

c. Regional defense counsel.

(1) An regional defense counsel (RDC) is a JA designated by TJAG and certified under UCMJ, Art. 27(b), and is—

(a) Responsible for the performance of the USATDS mission within a region.

(b) The supervisor of all senior defense counsel within the region.

(2) The regional defense counsel—

(a) Provides training in military justice, trial tactics, and professional responsibility as directed by the Chief, USATDS.

(b) Maintains continuing liaison with SJAs, military judges, commanders, and convening authorities.

- (c) Makes periodic visits to all field and branch offices within the region.
- (d) As authorized by the Chief, USATDS, details defense counsel (see para 6–9).
- (e) Recommends replacements for departing USATDS counsel.
- d. Field office.* A field office is a subordinate operating element of a region. It provides defense counsel services for specified organizations or geographical areas determined by the Chief, USATDS.
- e. Branch office.* A branch office is subordinate to a field office and is the smallest USATDS operational element. It normally consists of one USATDS counsel who provides defense services to specified organizations.
- f. Senior defense counsel.*
 - (1) Senior defense counsel. A senior defense counsel is a JA, certified under UCMJ, Art. 27(b), who is responsible for the performance of the USATDS mission within the area serviced by a field office. The senior defense counsel is the direct supervisor of all trial defense counsel within a field office. This includes those serving in subordinate branch offices.
 - (2) The senior defense counsel—
 - (a) As authorized by the Chief, USATDS and the regional defense counsel, details defense counsel (see para 6–9).
 - (b) Provides technical advice to trial defense counsel.
 - (c) Acts as the primary USATDS liaison with SJAs, commanders, and convening authorities of organizations served by the field office.
 - (d) Represents Soldiers in courts-martial, administrative boards, and other proceedings.
 - (e) Acts as consulting counsel prescribed by the Chief, USATDS.
 - g. Trial defense counsel.* A trial defense counsel is a JA, certified under UCMJ, Art. 27(b), and currently assigned, attached, or detailed to the U.S. Army Legal Services Agency and the U.S. Army Trial Defense Service, whose primary duties are to represent Soldiers in courts-martial, administrative boards, and other proceedings and act as consulting counsel as required by law or regulations. Trial defense counsel performs other defense-related duties as prescribed by the Chief, USATDS.

6–4. Administrative and logistical support

Commanders of installations or organizations and their respective Staff Judge Advocates or the supporting legal office selected as duty stations for USATDS counsel will provide administrative and logistical support for USATDS personnel and document such support on organizational TDA/MTOE documents whenever possible. This support, specified by TJAG as essential to the performance of the defense mission, includes but is not limited to—

- a.* Permanent quarters for USATDS officers and family members to the same degree as provided regularly assigned officers of similar grade and responsibility.
- b.* Maintenance of financial records, preparation of pay vouchers, and payment of all USATDS personnel.
- c.* Maintenance of military personnel records, officer qualification records, leave records, Standard Installation/Division Personnel System (SIDPERS) responsibilities, and similar personnel requirements.
- d.* Completion of personnel officer entries and forwarding of officer evaluation reports (OERs) to the appropriate USATDS rating official.
- e.* Issuance of such temporary duty (TDY) orders, at the request of the USATDS counsel concerned, as may be necessary in the exercise of their duties. Appropriate budgetary data, including funding citations, will be provided by USATDS at the time orders are requested. All TDY orders will contain the descriptive phrase: “U.S. Army Trial Defense Service with duty station . . .” One copy of each order will be mailed to the Trial Defense Service, ATTN: JALS–TD, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203–1821.
- f.* Army transportation needed to perform the defense mission, at least to the same degree as is provided to regularly assigned officers of similar grade and responsibility.
- g.* Private office space, office furniture, equipment, supplies, class A telephone service, electronic research capacity, and library and reference material to the same degree as is provided to JAGC officers of the supported organization or greater if required. (See AR 27–1.)
- h.* Experienced and skilled enlisted clerical and support personnel, who will be under the direct supervision of the senior defense counsel (and rated or senior rated by the senior defense counsel or sole defense attorney in the case of a one-attorney office) and normally will not be assigned legal duties within the local legal office and normally will be assigned to a USATDS office for at least 1 year in order to provide a stable defense work environment. (See AR 27–1 and AR 570–4.) (The adequacy of support provided by host installations will be a subject of special interest to TJAG in making his or her statutory visits under Article 6, UCMJ.)

6–5. Funding responsibilities

- a.* The Commander, USALSA, funds the following, unless otherwise provided in paragraph b, below:
 - (1) Travel and per diem costs for USATDS counsel, and support personnel when travel away from the individual’s place of duty or employment is ordered by the Chief, USATDS and is necessary to accomplish the following:
 - (a) Obtain professional and continuing legal education training.

(b) Provide representation to any service member facing court-martial charges. This representational travel includes trips to interview the accused or any witnesses, take depositions, investigate the case and to attend GCM, SPCM, UCMJ, Art. 32, pretrial confinement hearings, or other pretrial hearings.

(2) Travel and per diem costs for U.S. Government-employed personnel (typically experts) provided by the convening authority or military judge to the defense as members of the defense team.

b. Convening authorities will continue to fund all other authorized costs related to judicial and administrative proceedings including, but not limited to, the following:

(1) Travel and per diem costs for USATDS counsel and support personnel when such travel is necessitated by a permanent change of location for the accused or the proceedings after referral of charges.

(2) USATDS counsel travel caused by the temporary movement of the accused from the accused's duty station. (Example: A Soldier, stationed at Fort Huachuca, AZ is placed in pretrial confinement at Fort Sill. Referral of charges is immaterial in establishing the convening authority's obligation to pay for such travel)

(3) The appearance of individual military counsel not currently assigned to USATDS.

(4) All other investigative expenses properly authorized by a convening authority or military judge.

(5) The attendance of lay witnesses.

(6) When U.S. Government experts are not members of the defense team, but travel to testify as a witness at a trial, an Art. 32 hearing, or other pretrial hearing, whether called by the defense or government, the travel and per diem expenses will be paid by the Convening Authority.

(7) Employment of civilian experts. When the convening authority hires non-U.S. Government-employed experts for the defense, the Convening authority fixes the compensation and pays all costs related to such assistance, including all pretrial assistance to the defense. USALSA pays no costs or expenses relating to the employment of civilian experts. Additional compensation deemed necessary by the defense will be addressed by subsequent requests to the convening authority or military judge.

c. Commanders will fund all USATDS counsel travel in support of operational or training exercise deployments and all USATDS counsel travel required for matters that are nonjudicial or administrative in nature.

d. Regarding fee requests for expert services and related purposes in capital cases, TJAG will not approve, nor consider on the merits, requests for funds to obtain expert services or for related purposes. Moreover, TJAG will not consider, ex-parte, matters submitted in support of such requests. Requests for funding of this nature should be made to the appropriate authority: the commander presently exercising general court-martial convening authority over the accused or appellant or the court before which the case is pending (a trial court after referral but before the authentication of the record of trial by the military judge; after authentication the USACCA or USCAAF as appropriate).

6-6. Training

As required by paragraph 6-2, the Chief, USATDS develops programs and policies designed to enhance the professional qualifications of defense counsel. This will be accomplished primarily through the use of internally developed programs of instruction and attendance by USATDS counsel at continuing legal education courses offered by The Judge Advocate General's Legal Center and School (TJAGLCS). These programs may be supplemented at the discretion of the Chief, USATDS by criminal law, ethics and related courses sponsored either by military agencies or civilian organizations. Attendance at courses sponsored by civilian organizations must be approved according to AR 1-211.

6-7. Installations without a servicing USATDS office

a. When a USATDS office is not located at an installation, the post, organization, or activity JA will provide for all defense services and associated support requirements. The JA will not provide for representation at GCMs and SPCMs and UCMJ, Art. 32, investigations. As such, representation remains a USATDS responsibility. USATDS counsel will be provided on a TDY basis to perform such duties. Appropriate administrative and logistical support, similar to that outlined in paragraph 6-4 above will be provided by the installation. Where personnel constraints do not permit the post or activity JA to provide defense services, JAs should coordinate with USATDS to install appropriate technology (for example, telephones, desktop video teleconferencing) that will permit the remote provision of defense services.

b. Except in unusual circumstances as determined by the Chief, USATDS, counsel will not be provided on a TDY basis by USATDS in matters that are nonjudicial or administrative in nature.

c. The post or activity JA will, on a continuing basis, designate an individual to act as direct liaison with the USATDS regional defense counsel on—

(1) Technical aspects of the defense function at the installation.

(2) Requirements for USATDS support.

d. When an installation has no servicing USATDS office or assigned JA, assistance will be obtained from the commander exercising GCM jurisdiction.

6–8. Mutual support responsibilities

a. General. SJAs and senior defense counsel will develop administrative policies and procedures to meet local requirements and support the basic mission of the command being served. They should meet often to discuss matters of mutual concern. Provision of counsel in cases involving such administrative matters as reports of survey, evaluation report rebuttals or appeals, traffic violations, or administrative letters of counseling or reprimand is an SJA responsibility. Senior defense counsel and SJAs should discuss and agree on the extent to which USATDS will share that responsibility.

b. Compliance with local policies. USATDS counsel will comply with host installation command, personnel, and administrative policies; for example, duty hours, physical fitness, appearance, weapons qualification, uniform and equipment standards, and similar requirements. Exceptions to this policy will be authorized by the regional defense counsel. Normally, such exceptions will be granted only when the particular requirement conflicts with the basic mission of USATDS. For example, USATDS counsel will not perform duty as installation or command staff duty officer or wear the shoulder patch or distinctive insignia of the local organization or command. USATDS counsel will wear shoulder patches or other distinctive insignia as determined by TJAG. In all other cases, the regional defense counsel will coordinate proposed exceptions with the Office of the Chief, USATDS.

c. Assistance to staff judge advocates. When the senior defense counsel determines that USATDS counsel are not fully employed in performing the defense mission, they will assist the SJA in performing other legal services. Such duties will be performed under the overall supervision of the SJA and may involve any aspect of the legal services mission not inconsistent with the defense function. Nondefense duties for military justice will be limited to those involving training or instruction. USATDS counsel will not be assigned duties as on-call officer for the SJA. Senior defense counsel will, however, ensure that defense services are available and accessible during nonduty periods.

d. Assistance to USATDS. If the defense workload at an installation temporarily exceeds the capability of the USATDS office to perform its mission, the SJA will, within the SJA's capability, provide non-USATDS counsel to assist in providing defense services. Non-USATDS counsel will perform defense duties under the supervision of the senior defense counsel. Normally, such duties will not involve representation at courts-martial or UCMJ, Art. 32, investigations.

e. Nondefense duties. Except as outlined in *a*, *b*, and *c* above, only the Chief, USATDS, may direct the performance of nondefense duties by USATDS counsel. USATDS counsel may only be ordered to depart on or return from TDY by the Chief, USATDS. This latter authority may be delegated to a regional or senior defense counsel.

f. Tactical unit support. If a USATDS office is in support of a command whose mission includes field deployment for operational or training purposes, the senior defense counsel will designate one or more USATDS counsel, by name, for deployment. Senior defense counsel will develop and maintain plans for USATDS support of units with deployment missions. When time and security provisions permit, deployment of USATDS counsel will be coordinated with the Chief, USATDS. SJAs will—

- (1) Review such plans.
- (2) Monitor the state of readiness of designated USATDS counsel.
- (3) Coordinate with the senior defense counsel when USATDS tactical unit support is required.

g. Situations requiring immediate action. It is the intent of this regulation to ensure that an accused or suspect is promptly provided with legal consultation or representation, whenever required by law or regulation. If a situation arises requiring the immediate services of defense counsel, and USATDS counsel are not available, the SJAs will designate non-USATDS counsel to perform this service. The regional defense counsel will be advised of the circumstances. USATDS counsel will thereafter be designated or detailed to represent the accused or suspect at further proceedings.

6–9. Detail of defense counsel

The Chief, USATDS details trial defense counsel for GCMs and SPCMs. This authority may be delegated down to senior defense counsel. Detail of counsel will be reduced to writing and included in the record of trial or announced orally on the record at court-martial. The writing or announcement will indicate by whom the counsel was detailed. The authority to detail counsel does not alter an accused's right to be represented by civilian counsel provided at no expense to the Government or by military counsel of the accused's own selection (whether or not assigned to USATDS), if reasonably available. The act of detailing is an administrative designation by the detailing authority. It does not confer any status or rights nor does it alter any status or rights that may exist at the time of detailing. To meet requirements, the Chief, USATDS may authorize SJAs to recommend the detail of non-USATDS counsel. The Chief, USATDS or that officer's designee will detail non-USATDS counsel. The establishment of USATDS does not affect the basic legal qualifications of any JA, certified under UCMJ, Art. 27(b), to perform defense counsel duties, when such are properly assigned.

6–10. Requests for individual military counsel

a. General. In circumstances when the accused and a requested individual military counsel assigned or detailed to USATDS are within the same USATDS Region, the Chief, USATDS may delegate the authority to determine

eligibility of individual military counsel to the RDC. In such delegation cases, the Chief, USATDS will act on appeals from adverse determinations made by the RDC. In all other cases, the Chief, USATDS determines the availability of USATDS counsel when requested as individual military counsel under the provisions of R.C.M. 506(b) and this regulation. The Commander, USALSA acts on appeals from adverse determinations made by the Chief, USATDS. (See para 5-7g for control and support of non-USATDS individual military counsel.)

b. Limitations on availability. Pursuant to UCMJ, Art. 38, R.C.M. 506(b)(1), and paragraph 5-7c of this regulation the following USATDS counsel are unavailable to serve as individual military counsel:

- (1) USATDS counsel assigned to and with duty station at the office of the Chief, USATDS.
- (2) USATDS counsel assigned outside the USATDS region in which the trial or UCMJ, Art. 32, UCMJ, investigation will be held, unless the requested counsel is stationed within 100 miles of the situs of the trial or investigation.
- (3) USATDS counsel whose duty stations are in Hawaii or Alaska, for UCMJ, Art. 32, UCMJ, investigations or trials held outside Hawaii or Alaska, respectively.

c. Reasonable availability determinations. The provisions of paragraphs 5-7d and 5-7e of this regulation apply.

d. Procedure. Request for USATDS counsel to serve as individual military counsel will be processed through the trial counsel at the installation or command where the request originated. It will contain the same information as required by paragraph 5-7f. If the requested counsel is subject to the limitations in paragraphs 5-7c, or 5-7d, or 6-10b (1) through (3), above, the convening authority will notify the accused that the requested counsel is unavailable. All other requests will be transmitted directly to the Chief, U.S. Army Trial Defense Service, ATTN: JALS-TD, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1821. The USATDS field office at which the requested counsel is stationed will be included as an information addressee.

6-11. Professional standards

a. General. The professional standards referred to in paragraph 5-8 apply to USATDS counsel.

b. Exercise of independent professional judgment.

(1) Nothing in this chapter limits a USATDS counsel's duty to exercise independent professional judgment on behalf of a client. The Chief, USATDS is granted authority to promulgate rules and requirements governing—

- (a) The establishment of attorney-client relationships.
- (b) Allocation of personnel resources.
- (c) The setting of priorities within the various categories of services rendered by USATDS counsel.
- (d) Trial Defense Service standard operating procedures.

(2) USATDS counsel will strictly comply with these directives. However, once an attorney-client relationship is formed pursuant to these rules and requirements, defense counsel have a positive duty to exercise independent judgment in control of the case. This duty is limited only by law, regulation, and the Army Rules of Professional Conduct for Lawyers. Complaints involving the professional conduct or performance of USATDS counsel should be forwarded to the Chief, USATDS, for action according to chapter 16.

c. Referral cards. To implement the ABA Standards relating to providing defense services and to provide indicia of professionalism for defense counsel, such counsel are authorized to be provided with referral cards, DA Form 4441 (United States Army Trial Defense Service), for the purpose of identification when assigned to represent an individual.

Chapter 7

Court Membership and Other Related Military Justice Duties by Non-JAGC Personnel

7-1. General

This chapter is an informational reference to various restrictions on Army personnel, other than JAGC officers, as to membership of courts-martial and other related military justice duties. This chapter does not create any independent exemption from court-martial duty.

7-2. Chaplains

In accordance with AR 165-1, chaplains will not be detailed as trial or defense counsel, investigating officers, or as members of courts-martial.

7-3. Medical, dental, and veterinary officers

a. Except when regulations provide otherwise, medical, dental, and veterinary officers will not be—

- (1) Detailed as members of courts-martial, nonprofessional boards, or committees.
- (2) Assigned to other duties in which medical training is not essential. (see AR 40-1, para 2-3b)

b. Similarly, every effort consistent with due process of law will be made to use reports, depositions, or affidavits

submitted by medical officers for use at courts-martial, boards, or committees (in preference to requiring the appearance of medical officers as witnesses to present testimony in person).

7-4. Army nurses

The applicable portions of paragraph 7-3 above govern the use of Army Nurse Corps officers. However, when Army Nurse Corps officers or other nursing service personnel are involved in the proceedings (see AR 40-1, para 2-19*b*) they may be detailed as members of courts-martial, nonprofessional boards, or committees.

7-5. Medical specialist corps

The applicable portions of paragraph 7-3 above govern the use of Army Medical Specialist Corps officers. However, when Army Medical Specialist Corps officers or other food service, physical, or occupational therapy personnel are involved in the proceedings (see AR 40-1, para 2-22*b*), they may be detailed as members of courts-martial, nonprofessional boards, or committees.

7-6. Inspectors general

a. Officers assigned as Inspectors general (IG)s will not be appointed as investigating officers under UCMJ, Arts. 32 or 138; AR 15-6; or any other regulation or directive providing for the appointment of investigating officers and members of courts-martial nor will they be given similar duties that may later disqualify them from making impartial investigations or inquiries into any activity of the HQDA staff agency or command to which they are assigned. (See AR 20-1, para 2-6.)

b. NCO assistants to IGs should not be given other duties that would disqualify them from performing their IG duties (see AR 20-1, para 2-6).

7-7. Warrant officers

Warrant officers are expressly prohibited from performing additional duties as—

- a.* A member of any court-martial at the trial of any officer senior in grade or date of rank.
- b.* Trial counsel or defense counsel, or assistant trial counsel, or assistant defense counsel of a SPCM or GCM.
- c.* Individual military counsel before a GCM unless legally qualified in the sense of UCMJ, Art. 27(b)..
- d.* Investigating officer appointed under the provisions of UCMJ, Art. 32, and R.C.M. 405(d)(1).
- e.* A member of a formally convened military board whose duties include investigation of the conduct, status, liability, or rights of an officer senior in grade or date of rank.

Chapter 8

United States Army Trial Judiciary-Military Judge Program

8-1. General

a. Military Judge Program. The Military Judge Program is a system in which military judges are designated and detailed as judges of GCM and SPCM. This chapter governs the Army wide operation of the Military Judge Program and sets forth procedures to be followed in administering it. This regulation implements UCMJ, Art. 26, which provides for an independent judiciary within the U.S. Army.

b. Organization. The Trial Judiciary is an element of the U.S. Army Judiciary, which is in turn an element of the USALSA, a field operating agency of TJAG.

c. Military judge of a court-martial.

(1) A military judge will be detailed to all GCMs. A military judge will be detailed to each SPCM, unless a military judge can not be obtained because of physical conditions or military exigencies. If a military judge is not detailed to a SPCM, the convening authority and chief circuit judge will make a detailed written statement of explanation to be appended to the record. Mere inconvenience will not be a reason for failure to detail a military judge.

(2) A military judge will be a commissioned officer of the U.S. Army or USAR who is—

(a) A member of the bar of a Federal court or a member of the bar of the highest court of a State.

(b) Certified to be qualified for duty as a military judge by TJAG.

d. Chief Trial Judge. A military trial judge who is designated by TJAG (see para 1-4*b*) as the chief of military trial judges.

e. GCM military judge. A military judge who is assigned to, or for USAR military judges under the professional supervision of, the U.S. Army Trial Judiciary, with the primary duty of presiding over GCMs and SPCMs to which he or she is detailed.

f. SPCM military judge. A military judge who is a reservist assigned or attached to, or under the professional supervision of, the U.S. Army Trial Judiciary whose primary duty is to preside over SPCMs to which he or she is detailed.

g. Tenure for military trial judges. Judge Advocates are certified as military judges by TJAG and assigned to the Trial Judiciary for a minimum of 3 years, except under any of the following circumstances:

- (1) The military judge is assigned to the Sixth Judicial Circuit (Republic of Korea), or such other area where officers are normally assigned for a short tour of 1 or 2 years; in such cases the military judge will be appointed for a 1- or 2-year term;
- (2) The Military judge voluntarily requests to be reassigned to other duties, and TJAG approves such assignment;
- (3) The military judge retires or otherwise separates from military service;
- (4) The military judge is reassigned to other duties by TJAG based on the needs of the Service in a time of war or national emergency;
- (5) The officer's certification as a military judge is withdrawn by TJAG for good cause. See section III, chapter 16, Suspension of Military Judges.

8-2. Qualifications of military judges

a. A military judge is a JA who has been certified by TJAG as qualified to preside over a GCM and/or SPCM. Before performing duties as a military judge of a GCM, a JA officer must be—

- (1) Certified by TJAG as qualified for duty as a military judge.
- (2) Designated by TJAG or his or her designee for detail as a military judge.
- (3) Assigned to the U.S. Army Trial Judiciary, or assigned and directly responsible to TJAG's designee under UCMJ, Art. 26(c).

b. A military judge of a SPCM must be certified as qualified for duty by TJAG. Military judges who are certified for detail to GCMs are also certified for detail to SPCMs.

c. Appropriate records will be maintained by the Chief, Trial Judge as follows:

- (1) Current lists of military judges assigned or attached to the U.S. Army Trial Judiciary.
- (2) A separate list of other military judges who may be detailed to SPCMs.
- (3) A list of supporting documents showing that the qualifications of each military judge have been met.

8-3. Judicial circuits

A judicial circuit is one or more GCM jurisdictions, or the geographical area where the headquarters of such jurisdictions are situated, as designated by TJAG or his or her designee, the Chief Trial Judge. Judicial circuits will be established, but may be altered and dissolved by TJAG, or TJAG's designee as required, at which time all convening authorities concerned will be notified. TJAG or TJAG's designee also will designate one or more duty stations within each judicial circuit at which military judges assigned to the U.S. Army Trial Judiciary will be located.

8-4. Functions and duties of military judges

a. General.

- (1) The primary functions of military judges are to—
 - (a)* Designate the uniform and the date and time of trial, giving due consideration to military missions.
 - (b)* Designate the place of trial subject to any directions contained in the convening order.
 - (c)* Preside over each court-martial to which they have been detailed, to include performance of all judicial duties imposed or authorized by the UCMJ or the MCM.
- (2) The military judge's judicial duties include, but are not limited to—
 - (a)* Calling the court into session without the presence of members to hold the arraignment.
 - (b)* Receiving pleas and resolving matters that the court members are not required to consider (UCMJ, Art. 39(a)).
 - (c)* Entering findings of guilty based upon providently entered pleas of guilty immediately without a vote.
 - (d)* Ruling on requests for continuances.
 - (e)* Conducting post-trial sessions under R.C.M. 1102.
 - (f)* The authority to issue orders based on a probable cause standard, pursuant to 10 USC 1565a, requiring DOD DNA repositories to make available specified DNA samples in accordance with the military judge's order.
- (3) The purpose of an UCMJ, Art. 39(a), session is to dispose of all matters not requiring the attendance of the members of the court. To achieve the maximum use of such a session, the military judge must ensure that counsel have due notice of the session and sufficient time to prepare for the disposition of matters that must or should be considered.
- (4) Military judges assigned to the U.S. Army Trial Judiciary, including all USAR judges under the professional supervision of the Chief Trial Judge, may—
 - (a)* Perform magisterial duties according to chapters 9 and 17 of this regulation.
 - (b)* Issue authorizations on probable cause under chapter 9 of this regulation.
 - (c)* After DOD approval of a request for authorization, receive applications for nonconsensual wire and oral communication intercept authorization orders and determine whether to issue such orders, according to AR 190-53.
 - (d)* Conduct hearings pursuant to AR 190-47 to determine whether an inmate at the USDB suffers from a mental disease or defect that requires inpatient psychiatric care or treatment beyond that available at the USDB.

- (e) Conduct training sessions for trial and defense counsel.
- (f) Serve as fact finders in debarment and suspension proceedings involving Government contracts.
- (g) Conduct investigations, hearings, or similar proceedings when detailed, appointed, or made available for appointment, by the Chief Trial Judge.

b. Summary courts-martial. A military judge may be detailed a SCM if made available by the Chief Trial Judge or Chief Trial Judge's designee.

c. Courts-martial composed of a military judge only.

(1) A military judge who is detailed to a court-martial must be satisfied that an accused's request for trial by a court-martial consisting only of a military judge has been made knowingly and voluntarily. After a full inquiry into the accused's understanding of the request, the military judge should grant the request, absent unusual circumstances. If the trial counsel desires to contest the appropriateness of a trial by military judge alone, the military judge should hear arguments from trial and defense counsel before deciding the issue (R.C.M. 903).

(2) In addition to duties and functions performed when sitting with members (except those relating to instructions), the military judge, when sitting as a court consisting of only a military judge, will—

(a) Rule on all questions of fact arising during the proceedings.

(b) Determine whether the accused is guilty or not guilty in the form of general findings (and will make special findings when required (Article 51(d), UCMJ).

(c) If the accused is convicted, adjudge an appropriate sentence.

d. Administrative responsibilities. Each military judge is responsible for—

(1) Maintaining an orderly trial calendar that will make efficient use of available time and provide to the maximum extent possible for scheduling of trials as requested by convening authorities.

(2) Submitting required reports, including the prompt, accurate, and complete submission of the Court-Martial Case Report, to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837, ordinarily submitted electronically the next duty day after trial or return to home station the next duty day after trial.

(3) Cooperating closely with SJAs and military judges in the circuit. The military judge must exercise every legitimate and appropriate effort to assist convening authorities in the expeditious handling of court-martial cases, while taking care to avoid any act that may be a usurpation of the powers, duties, or prerogatives of a convening authority or the convening authority's staff.

(4) Seeking necessary assistance through the judicial administrative channels specified in paragraph 8-6b in case of conflict in trial dates or in any other situation when another military judge may be required. The Chief Circuit Judge will detail a judge with primary responsibility to preside over cases referred for trial at each GCM and subordinate SPCM jurisdiction within the circuit. The military judge with primary responsibility for a GCM jurisdiction will, when necessary, obtain additional judicial support by conferring with the chief circuit military judge as provided in paragraph 8-6b, below.

e. Other courts martial. Military judges will be detailed to all GCMs and SPCMs convened for the trial of person's protected by the Geneva Convention Relative to the Treatment of Prisoners of War, 12 August 1949 (GPW).

8-5. Responsibilities of the chief circuit judge

The chief circuit judge is the senior military judge in a judicial circuit or other judge designated by the Chief Trial Judge and is responsible for—

a. General administration of the Military Judge Program within the judicial circuit.

b. Recommendations to the Chief Trial Judge relating to the operation of the program within the circuit.

c. Determining which GCM jurisdictions will be the primary responsibility of the GCM military judges within the circuit.

d. In coordination with the Chief Trial Judge, determining the rater, intermediate rater, and senior rater as required for OERs concerning military judges and, where appropriate, for magistrates within the circuit.

e. Designating supervising military judges for part-time military magistrates (see chap 9) and SPCM military judges.

f. Ensuring that USAR military judges, including individual mobilization augmentee military judges, receive adequate assistance in performing annual training.

8-6. Detailing of military judges

a. Authority to detail military judges (R.C.M. 503(b)). The Chief Trial Judge is authorized to detail military judges for courts-martial. This authority may be delegated to GCM military judges.

b. Detail of military judges within GCM jurisdictions.

(1) The GCM military judge who is designated as primarily responsible for a GCM jurisdiction (see para 8-5c) will—

(a) Normally detail himself or herself to preside over the courts-martial convened in that jurisdiction.

(b) Be responsible for arranging for a replacement or additional judge support if he or she is unavailable or determines that a need exists for assistance in disposing of courts-martial cases referred to trial.

(2) When the GCM military judge is unavailable, the chief circuit judge will detail a replacement from the military judges within the circuit or will request a replacement from the Chief Trial Judge.

c. Processing requests for replacement judges. Requests and responses to requests will be transmitted by the quickest available means.

d. Docketing. At installations with two or more military judges, one will be designated as the primary docketing judge to oversee docketing and calendar management within that installation. At all other installations, the GCM military judge designated as primarily responsible for a GCM jurisdiction pursuant to paragraph 8-5c, above, will oversee docketing and calendar management within that jurisdiction.

e. Cross-servicing.

(1) Nothing in this regulation precludes the detail of a military judge from another armed service who has been made available for detail to either a GCM or SPCM, provided that such military judge has been certified by the Judge Advocate General of the military judge's armed service. For administrative control, the concurrence of the Chief Trial Judge will be obtained before the judge is detailed.

(2) Army military judges may preside at courts-martial of other Services, under R.C.M. 503(b)(3). For administrative control, the concurrence of the Chief Trial Judge should be obtained before the judge is detailed.

8-7. Administrative and logistical support

a. Duty station. Military Judges are assigned to U.S. Army Trial Judiciary with duty at a specified location. Judges will not be further attached or assigned to any other unit without the written permission of the Commander, USALSA. The installation trial judiciary office is a tenant unit on the installation and thus entitled to all support required by AR 5-9. This support includes, to the extent practicable:

(1) Permanent quarters for each military judge and the judge's family members to the same degree as are provided regularly assigned officers of like grade and similar responsibility.

(2) Preparation of travel pay vouchers and payment of military judges and travel pay vouchers and payment of support personnel.

(3) Assistance and maintenance of military personnel records, officer qualification records, and all other personnel requirements.

(4) Private office space appropriate for the grade and position.

(5) Office furniture to include an appropriate desk, chairs, carpeting, equipment, and supplies.

(6) Access to legal research publications and facilities and commercial automated legal research capability wherever possible.

(7) Private Class A telephone line, facsimile machine, and e-mail accessibility.

(8) A Soldier or civilian employee who will provide stenographic, clerical, and administrative assistance as required for the expeditious performance of duties to the military judge(s) assigned for duty at that installation.

(9) Modern computer hardware (to include a high quality desktop computer and laser printer), software, networking, and telecommunications equipment that meets standards established for the JAGCNet, LAAWS, and connection with a local area network that will permit access to e-mail and the Worldwide Web.

(10) Army transportation facilities, including aircraft, as far as is practicable.

b. Sites of trials. At locations where military judges preside over court-martial proceedings, the command will provide administrative and logistical support to include, as much as practicable of the following:

(1) A suitable and functional courtroom facility.

(2) Private office space and appropriate furnishings, to include automation and networking capability, adjacent to the courtroom for the exclusive use of the military judge while court is in session or when the judge is engaged in other judicial business.

(3) Class A telephone service in the military judge's office.

(4) Convenient access to legal research publications, online legal research (JAGCNet), and facilities.

(5) Stenographic, clerical, and administrative assistance as required for the performance of judicial duties.

(6) Army transportation.

(7) On-post billeting facilities appropriate for the judge's grade and position. Except under deployment conditions, military judges should not ordinarily be billeted in facilities also used to billet witnesses, court members, or other trial participants.

c. Courtrooms. At installations and locations where courts-martial are held, courtrooms will be designed and constructed to provide a dignified location for conduct of courts-martial. Priority of use of these facilities will be for courts-martial, and other use of these facilities will not interfere with court-martial proceedings.

d. Courtroom security.

(1) When circumstances warrant, the local staff judge advocate will coordinate with the Provost Marshal for the detailing of an armed military policeman (MP) to provide security at a court-martial. The MP will take general

direction from the military judge and trial counsel and will not act as bailiff or escort or be an expected witness in the case.

(2) Staff judge advocates, in coordination with the GCM military judge primarily responsible for that GCM jurisdiction, and installation Provost Marshals will periodically inspect court-martial facilities to assess security vulnerabilities and make such improvements as deemed necessary to provide a safe and secure facility.

e. Leaves and passes.

(1) Request for leaves and passes by military judges assigned to the U.S. Army Trial Judiciary will be forwarded within judicial administrative channels as follows:

(a) By military judges within a circuit to the chief circuit judge or the chief circuit judge's designee.

(b) By chief circuit judges to U.S. Army Trial Judiciary, ATTN: JALS-TJ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837.

(2) In emergency situations, clearance may be obtained by electronically transmitted message or telephone. It will be assumed, unless affirmatively noted, that a requested absence will not interfere with the timely administration of military justice.

8-8. Rules of court

TJAG authorizes the Chief Trial Judge under R.C.M. 108 to promulgate local or general rules of court. This authority may be delegated by the Chief Trial Judge to chief circuit judges, and a copy of any local rules of court will be forwarded to the Chief Trial Judge.

8-9. Requests for Military Judges as Individual Military Counsel

Requests for military judges to serve as individual military counsel will be processed in accordance with para 5-7f(1). The Chief Trial Judge will make an administrative determination whether the requested judge is reasonably available. This determination is a matter within the sole discretion of the Chief Trial Judge. An adverse determination may be reviewed upon the request of the accused to the Chief Judge, United States Army Court of Criminal Appeals, but no further review is authorized.

Chapter 9 Military Magistrate Program

Section I General

9-1. Scope

a. This chapter establishes the Army Military Magistrate Program. It authorizes and specifies procedures for the appointment and assignment of military magistrates and for their use to review pretrial confinement (R.C.M. 305(i)). It implements the M.R.E.s 315 and 316, part III, MCM and R.C.M. 302(e)(2), by authorizing military judges and magistrates to issue necessary search, seizure, and apprehension authorizations on probable cause.

b. There is no relationship between the Military Magistrate Program and DA's implementation of the Federal Magistrate System to dispose judicially of uniform violation notices and minor offenses committed on military installations (see AR 190-29).

c. The Military Magistrate Program is an Army-wide program for review of pretrial confinement and the issuance of search, seizure, and apprehension authorizations, on probable cause, by neutral and detached magistrates.

d. A military magistrate is a JA empowered to direct the release of persons from pretrial confinement, or to recommend release from confinement pending final disposition of foreign criminal charges, on a determination that continued confinement does not meet legal requirements, and to issue search, seizure, and apprehension authorizations on probable cause.

e. An assigned military magistrate is a JA appointed by TJAG or TJAG's designee and assigned to USALSA, a military judge (active or USAR) assigned to the U.S. Army Trial Judiciary or under the technical supervision of the Chief Trial Judge, or an individual mobilization augmentee ordered to annual training with duty as a military judge.

f. A part-time military magistrate is a JA AA or USAR not assigned to USALSA, appointed by TJAG or TJAG's designee, who is authorized to perform the duties of a magistrate.

g. The supervising military judge is a military judge, assigned to the U.S. Army Trial Judiciary or under the technical supervision of the Chief Trial Judge, designated to supervise the activities of military magistrates within the supervising military judge's jurisdiction.

9–2. Appointment of military magistrates

a. Assigned military magistrates. Assigned military magistrates will be appointed by TJAG or TJAG’s designee upon recommendation by the Chief Trial Judge, U.S. Army Trial Judiciary.

b. Part-time military magistrates. Part-time military magistrates will be appointed by TJAG or, if the authority to appoint such magistrates is delegated by TJAG, by the Commander, USALSA, the Chief Trial Judge, chief circuit judges, and supervising military judges, as follows:

- (1) SJAs may nominate one or more JAs for appointment as part-time military magistrates.
- (2) Nominees will not be engaged in criminal investigation or the prosecuting function and will possess the requisite training, experience, and maturity to perform the duties of a magistrate.
- (3) Nominations will be forwarded to the appropriate designee of TJAG. The designee will forward the names of appointed part-time military magistrates to the Chief Trial Judge, U.S. Army Trial Judiciary, ATTN: JALS–TJ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203–1837.

9–3. Powers of military magistrates

a. Review of confinement.

(1) Assigned military magistrates will be given responsibility for reviewing pretrial confinement in any confinement facility as TJAG or TJAG’s designees will direct.

(2) Part-time military magistrates will be given responsibility for reviewing pretrial confinement as determined by the supervising military judge.

b. Issuance of search, seizure, and apprehension authorizations. Any military magistrate, whether assigned or part-time, is authorized to issue search and seizure and search and apprehension authorizations on probable cause under section III of this chapter.

c. Review of confinement pending outcome of foreign criminal charges. Military magistrates, whether assigned or part-time, are authorized to review confinement of soldiers, in U.S. facilities, pending final disposition, including appeals, of foreign criminal charges (see chap 17). (Final disposition of foreign criminal charges incorporates all stages of the host country’s criminal proceedings, including appeals, up to commencement of any sentence to confinement resulting from conviction on the foreign criminal charges.)

9–4. Supervision of military magistrates

a. The Chief Trial Judge, U.S. Army Trial Judiciary. The Chief Trial Judge, U.S. Army Trial Judiciary, under the supervision of the Commander, USALSA, is responsible for the general administration of the Military Magistrate Program. These responsibilities include—

- (1) Making recommendations to TJAG on the appointment of military magistrates and other aspects of the program.
- (2) Establishing programs for training assigned and part-time military magistrates.
- (3) Recommending duty stations at which assigned military magistrates will be located.
- (4) Assignment of responsibility for servicing particular confinement facilities.
- (5) Designating supervising military judges.
- (6) Monitoring rating schemes for military magistrates.
- (7) Designating raters and senior raters of OERs for assigned military magistrates.

b. Supervising military judge. The supervising military judge will be responsible for the direct supervision of military magistrates, assigned or part-time, in the performance of magisterial duties.

Section II Pretrial Confinement

9–5. Review by military magistrate

a. General.

(1) All military magistrates, whether assigned or part-time, are empowered to order the release from pretrial confinement of any confinee in any U.S. Army confinement facility on determination (following review of the case) that continued pretrial confinement does not satisfy legal requirements. The military magistrate will consider all relevant facts and circumstances surrounding each case of pretrial confinement in arriving at this decision. Military magistrates will review each case of pretrial confinement according to the procedures and criteria contained in R.C.M. 305(i) and this paragraph.

(2) Part-time military magistrates will be appointed to review pretrial confinement in all cases at confinement facilities not normally served by assigned military magistrates. Whoever initially authorizes pretrial confinement in a facility not administered by the Army will immediately notify the officer exercising GCM jurisdiction over the person confined. This officer will immediately cause the responsible military magistrate to be notified of the case.

(3) Unless an Army magistrate has conducted a pretrial confinement review pursuant to paragraph 9–5*b*, the review of pretrial confinement of a soldier of the U.S. Army will be governed by the military magistrate regulations of the

Armed Force that has jurisdiction over the place of confinement. Soldiers ordered into pretrial confinement will be confined in Army confinement facilities whenever practicable.

(4) Service members of other Armed Forces ordered into pretrial confinement in Army confinement facilities will be subject to the provisions of this section, unless specific exceptions to these provisions, consistent with R.C.M. 305, are requested in writing by an officer of the other Armed Force.

b. Procedures.

(1) The military magistrate will review pretrial confinement in accordance with R.C.M. 305(i). The magistrate's decision to approve pretrial confinement is subject to a request for reconsideration (see R.C.M. 305(i)(2) pertaining to reconsideration of a decision to approve confinement) under the provisions of this paragraph. Once charges for which the accused has been confined are referred, the accused may seek review of the propriety of pretrial confinement in accordance with R.C.M. 305(j). Nothing in this paragraph will preclude an accused from seeking extraordinary relief. A copy of the magistrate's memorandum to approve or disapprove pretrial confinement, required by R.C.M. 305(i)(2)(D), will be served on the SJA or his/her designee and, upon request, to the accused or the accused's defense counsel. Upon order of the magistrate, an accused will be released immediately from pretrial confinement in accordance with R.C.M. 305(i)(5).

(2) The commander of the person confined, on ordering confinement or receiving notification of confinement, will provide the military magistrate with a completed DA Form 5112. The commander will include (in the appropriate area of the pretrial confinement block) or attach to the DA Form 5112 a statement of the basis for the decision to confine (R.C.M. 305(h)(2)(c)).

(3) Military magistrates may not impose conditions on release from confinement, but may recommend appropriate conditions to the unit commander.

(4) The unit commander concerned may impose any authorized pretrial restraint deemed necessary on a person who has been released from confinement by a magistrate. However, the unit commander may not order the return of that person to pretrial confinement except when an additional offense is committed or on receipt of newly discovered information (R.C.M. 305(l)). The military magistrate will be immediately notified of any reconfinement and the reasons therefore.

(5) Circumstances of Soldiers who, after release by a military magistrate, are reconfinement will be reviewed by the military magistrate. The determination of whether continued pretrial confinement is warranted will be made on the same legal basis as the review and determination for initial pretrial confinement.

(6) The military magistrate will communicate the decision in each case to the Soldier confined or the Soldier's defense counsel. This may be accomplished by means of a copy of the written record of decision. In addition, a record of the magistrate's decision(s) will be filed in that Soldier's correctional treatment file (see AR 190-47).

(7) Copies of the DA Form 5112 as completed by the commander and the magistrate's memorandum approving or disapproving pretrial confinement will be included in the Record of Trial.

9-6. Administrative and logistical support

The provisions of paragraph 8-7 of this regulation pertaining to members of the U.S. Army Trial Judiciary are also applicable to assigned military magistrates.

Section III

Search, Seizure, and Apprehension Authorizations

9-7. Authority of military judges and magistrates to issue authorizations

The following are authorized to issue search and seizure and search and apprehension authorizations on probable cause (M.R.E. 315(d)(2)) with respect to persons and property specified in M.R.E. 315(c):

a. Military judges assigned or attached to, or USAR military judges assigned to or under technical supervision of the U.S. Army Trial Judiciary.

b. Military magistrates assigned to USALSA.

c. Part-time military magistrates appointed under paragraph 9-2*b* of this regulation.

9-8. Issuance

a. The procedures for issuing of search and seizure and search and apprehension authorizations are contained in the MRE. Authorizations to search and seize or search and apprehend may be issued on the basis of a written or oral statement, electronic message, or other appropriate means of communication. Information provided in support of the request for authorization may be sworn or unsworn. The fact that sworn information is generally more credible and often entitled to greater weight than information not given under oath should be considered.

b. DA Form 3744, Affidavit Supporting Request for Authorization to Search and Seize or Apprehend, may be used if the supporting information is to be sworn. A sample completed affidavit is shown at figure 9-1 of this regulation. Authorizations to search and seize or search and apprehend may be issued orally or in writing. DA Form 3745 (Search

and Seizure Authorization) or DA Form 3745-1 (Apprehension Authorization), may be used if an authorization is issued in writing.

9-9. Oaths

See chapter 11 for the authority, procedures, and forms for administering oaths to persons providing information to commanders and other military personnel empowered to issue authorizations to search and seize.

9-10. Execution and disposition of authorizations and other related papers

a. Execution. MRE 315(h) governs the execution of authorizations to search and seize. In addition to those requirements, the authorization should be executed within 10 days after the date of issue. An inventory of the property seized will be made at the time of the seizure or as soon as practicable. A copy of the inventory will be delivered to the person from whose possession or premises the property was taken. DA Form 4137 (Evidence/Property Custody Document), may be used.

b. Disposition of authorization and other papers. After the authorization has been executed, the authorization and a copy of the inventory will be returned to the issuing authority. Thereafter, all documents and papers relative to the search or seizure will be transmitted to the appropriate law enforcement office. They will be filed for use in any future litigation or proceeding on the results of such a search.

9-11. Recovery and disposition of property

a. Evidence retained for courts-martial. Evidence retained for courts-martial will be disposed of according to applicable regulations. SJAs will make every effort to return property, when appropriate, as expeditiously as possible by substituting photographic or written descriptions when such measures will not jeopardize pending prosecutions.

b. Property seized by the U.S. Army Criminal Investigation Command (USACIDC). The provisions of AR 195-5 govern the recovery and disposition of property seized pursuant to an authorization to search and seize conducted by U.S. Army criminal investigators.

c. Property seized by other authorized persons. The provisions of AR 190-30, chapter 4, govern the recovery and disposition of property seized pursuant to a search or seizure by other authorized persons.

9-12. Reapplication

Any person requesting authorization to search and seize must disclose to the issuing authority any knowledge that person has of denial of any previous request for a search and seizure authorization involving the same individual and the same property.

9-13. Legality of searches and seizures

The requirements set forth in this chapter are administrative only and the failure to comply does not, in and of itself, render the search or seizure unlawful within the meaning of MRE 311. The “privatization” of on-post housing and other facilities in no way diminishes the authority of military judges and military magistrates, garrison commanders or installation commanders to authorize searches of on-post housing or facilities whether “privatized” or not.

AFFIDAVIT SUPPORTING REQUEST FOR AUTHORIZATION TO SEARCH AND SEIZE OR APPREHEND

For use of this form, see AR 27-10; the proponent agency is OTJAG.

BEFORE COMPLETING THIS FORM, SEE INSTRUCTIONS ON PAGE 2

I, CWO James E. Snow, 3d MPD (CI), Fort Gordon, Georgia
(Name) *(Organization or Address)*

having been duly sworn, on oath depose and state that:

on 6 December 2000, PFC John Doe, Headquarters and Headquarters Company 3d Advanced Individual Training Brigade (Signal), US Army Signal Center and Fort Gordon, Fort Gordon, Georgia, reported to me that one blue and white "Ajwa" mini-stereo system with gold script initials "JD" engraved on the cover, the property of Doe, was stolen from his living quarters by a person or persons unknown. The property was of a value of \$200.00.

2. The affiant further states that:

PFC Joseph R. Jones, Special Processing Detachment, Fort Gordon, Georgia, who lives next door to Doe, stated that at about 1700 hours on 6 December 2000 he was entering his driveway in his automobile when he noticed PFC Tom Smutt, Headquarters and Headquarters Company, 3d Advanced Individual Training Brigade (Signal), US Army Signal Center and Fort Gordon, Fort Gordon, Georgia, leaving Doe's house with a blue and white mini-stereo system. Smutt put the mini-stereo system in his automobile and drove away. PFC Larry Matthews, Headquarters and Headquarters Company, 3d Advanced Individual Training Brigade (Signal), US Army Signal Center and Fort Gordon, Fort Gordon, Georgia, who lives directly across the street from Smutt, stated that at about 1750 hours on 6 December 2000 he was cutting his grass when Smutt arrived home in his automobile and removed a blue and white mini stereo system from his car. When Matthews called to ask SMutt if he had bought a new mini-stereo system, Smutt replied that he had and took the mini-stereo system into his house. Smutt resides at 624 Red Clay Lane, Fort Gordon, Georgia. Both Jones and Matthews related the above information to me during an official Military Police investigation relating to the matter, after Doe had reported the incident, and Doe, Jones, and Matthews appear to be trustworthy and to have had no reason to tell an untruth on this case. Matthews has also provided valid information to the affiant on another matter on one previous occasion, which information proved to be accurate.

Chapter 10 Courts of Inquiry

10-1. General

This chapter applies only to courts of inquiry.

10-2. Jurisdiction

a. Statutory provisions. Courts of inquiry to investigate any matter may be convened by any person authorized to convene a GCM. They may also be convened by any other person designated by the SA for that purpose, whether or not the persons involved have requested such an inquiry.

b. Policy. A court of inquiry is a formal, fact-finding tribunal. The policy of DA is that a court of inquiry will not be convened to investigate a particular matter to ascertain the facts if there are other satisfactory means (prescribed by law or regulation or authorized by the customs of the Service). Under this policy, it is proper to convene a court of inquiry only when—

- (1) The matter to be investigated is one of grave importance to the military service or to an individual.
- (2) The testimony is expected to be so diverse, complicated, conflicting, or difficult to obtain that a court of inquiry can best—
 - (a) Procure the pertinent evidence.
 - (b) Ascertain the facts.
 - (c) Assist the convening or superior authority in determining what action should be taken.

c. Persons whose conduct may be subject to inquiry. As a court of inquiry may be convened to investigate any matter (Article 135(a), UCMJ), it may also lawfully investigate the conduct of any person. As a matter of policy, a court of inquiry will not, without prior approval of the SA, be convened to investigate the conduct of a person who is not a member of the Army unless the convening authority exercises GCM jurisdiction over that person.

d. Effect of application for court of inquiry. Any person, subject to the UCMJ, who believes the person has been wronged by any accusation or imputation against the person and cannot secure adequate redress by any other means (prescribed by law, regulation, or authorized by the customs of the Service) may submit an application. The application will be sent through the person's immediate commander to the officer exercising GCM jurisdiction over the command for convening a court of inquiry to investigate and report the alleged accusation or imputation. The officer exercising GCM jurisdiction may, according to the policy in *b*, above, convene a court of inquiry to investigate the matter or may take other appropriate action. The applicant will be advised if the GCM authority refuses to convene such a court, and will have the right to appeal to superior authority.

10-3. Composition

a. Number of members. A court of inquiry will consist of three or more members. The senior member will be the president.

b. Qualifications of members.

(1) Any commissioned officer on active duty will be eligible to serve on a court of inquiry. No member will be junior in grade to, nor lower on the promotion list than any officer who is initially designated as a party to the inquiry, unless exigencies of the Service do not permit. The decision by the convening authority, in this regard, as indicated by the order appointing the court, is final.

(2) The convening authority will appoint as members of a court of inquiry persons who are best qualified for the duty by reason of age, education, training, experience, length of service, and judicial temperament. One or more members having experience or training in the subject of the inquiry, should, when possible, be appointed if that special experience or training will benefit the inquiry. When a female officer or enlisted Soldier is initially designated a party to the inquiry, a female officer or enlisted Soldier, as appropriate, senior to and of the same branch as that party, will, if possible, be appointed as a member of the court. Neither a party to the inquiry, nor his or her counsel, nor a witness against that party will be eligible to serve as a member of the court.

c. Counsel. For each court of inquiry the convening authority will appoint by letter of appointment a commissioned officer as counsel for the court and assistant counsel as the convening authority deems appropriate. If practicable, the counsel appointed for the court will be an officer who is certified by TJAG to be qualified as counsel of a GCM under the provisions of UCMJ, Art. 27(b). Neither a party to the inquiry, nor such a person's counsel, nor a witness against that party will be eligible to serve as counsel for the court.

d. Reporters and interpreters. For each court of inquiry the convening authority will provide a qualified court reporter, who will record the proceedings and testimony taken before that court. When necessary, the convening authority will provide an interpreter who will interpret for the court.

10-4. Convening order

a. Format. The format of the order convening a court of inquiry will be similar to that for a court-martial (MCM, app 6).

b. Content. In addition to naming the members and setting the time and place of assembly of the court, the initial convening order will clearly specify the matter to be investigated and the scope of the findings required. The order will also prescribe the number of copies of the record to be prepared. If it is desired that the court express opinions or make recommendations the order must specifically so state. When appropriate, the convening order will designate the parties whose conduct is subject to inquiry.

10-5. Designation of parties

a. Person “whose conduct is subject to inquiry”. Any person subject to the UCMJ whose conduct is subject to inquiry will be designated as a party. The conduct of a person is “subject to inquiry” when the court of inquiry is directed in the convening order to inquire into any past transactions or any accusation or imputation against that person.

b. Person who has “a direct interest in the subject of inquiry.”

(1) Any person subject to the UCMJ or employed by DOD who has a direct interest in the inquiry will have the right to be named as a party on request to the court.

(2) A person has a direct interest in the subject of inquiry when the findings, opinions, or recommendations of the court may, in view of the person’s relation to the incident or circumstances being inquired into—

- (a)* Reflect questionable or unsatisfactory conduct, efficiency, fitness, or performance of duty, or
- (b)* Affect the person’s pecuniary responsibility.

(3) The question of whether a person has a direct interest in the subject of the inquiry rests in the discretion of the court. Any doubts should be resolved in favor of the person claiming such an interest.

c. Designation of parties by court. When it appears to the court during the course of an inquiry that a person subject to the UCMJ or employed by DOD has a “direct interest in the subject of inquiry” (as that term is defined in *b* , above) the court, before completing its inquiry, will inform the person concerned, orally or in writing, of—

(1) The precise nature of the person’s interest in the case.

(2) The right to be designated as a party to the inquiry. The fact that the person was notified and the person’s desires with respect to being designated as a party will be made a part of the record.

d. Procedure on designation of party by court.

(1) When the court designates a person as a party, it will take appropriate action to ensure that the person—

- (a)* Understands the person’s rights as such.
- (b)* Is fully informed of the evidence pertaining to the person that was received by the court.

(2) Any reasonable request by the party for recall of previous witnesses for the purpose of cross-examination will be granted by the court if practicable. If the witness cannot be recalled, cross-examination may be accomplished by written interrogatories. Any testimony already given by such a party remains in the record but, after the party’s designation as a party, these rights as a witness are governed by paragraph 10-7*b*, below.

10-6. Rights of parties

A party to the inquiry, whether designated initially or during the course of the inquiry, has the following rights:

- a.* To be given due notice of such designation.
- b.* After a party’s designation, to be present and to have counsel present during all proceedings in open court.
- c.* To be represented by civilian counsel if provided by the party at no expense to the Government, by appointed military counsel, or by military counsel of the party’s own selection, if reasonably available.
- d.* To challenge members, but only for cause stated to the court.
- e.* To cross-examine witnesses.
- f.* To introduce evidence and to examine and object to the introduction of evidence.
- g.* To testify as a witness under the rules set forth in paragraph 10-7*b* , below.
- h.* To make a voluntary statement in any form, personally or through counsel.
- i.* To make an argument at the conclusion of presentation of the evidence.
- j.* To submit a written brief at the conclusion of the inquiry, after examination of the record of proceedings.

10-7. Witnesses

a. General. Witnesses may be subpoenaed to appear, testify, and be examined before courts of inquiry. A court of inquiry and counsel for such court have the same powers with respect to obtaining the attendance of witnesses as a court-martial and the trial counsel of a court-martial (R.C.M. 703).

b. Party to the inquiry. In all proceedings in courts of inquiry the person charged will, at the person’s own request, be a competent witness. The party’s failure to make such a request will not create a presumption against the party (18 USC 3481). Any party to the inquiry who is charged with or suspected of an offense that is then the subject of inquiry

by the court is deemed to be “charged” within the meaning of the above act and is, on request, a competent witness. A party to the inquiry who is not charged with or suspected of an offense may be called as a witness and required to testify under oath on any matter on which the party might be a material witness, subject to the limitations imposed by Article 31, UCMJ.

c. Examination.

(1) The examination of a witness may be conducted, at the discretion of the court, by members and counsel for the court.

(2) Any person designated as a party to the inquiry and the person’s counsel will have the right to examine and cross-examine witnesses.

(3) M.R.E. 301, 305, 502, and 503 pertaining to the right against self-incrimination and to privileged communications are applicable to the examination of witnesses before a court of inquiry.

10–8. Procedure

a. General. Except as otherwise provided by this regulation, the procedure before courts of inquiry will be governed by the provisions of AR 15–6 for formal boards of officers.

b. Duties of counsel for court. The counsel for a court of inquiry will perform substantially the same duties as are prescribed by AR 15–6 for the recorder of a board of officers. Counsel will be present during all proceedings in open court and may be present when the court is closed. An assistant counsel for the court is competent to perform any duty of counsel for the court. The counsel will perform such duties in connection with the inquiry as counsel for the court may designate.

c. Quorum. Three members of the court will constitute a quorum and must be present at all its sessions. An exception is that a member who was previously absent from, or newly appointed to a court may participate in the proceedings if the substance of all proceedings and the evidence introduced previously have been made known to the member.

d. Challenges. Members of a court of inquiry may be challenged by a party, but only for cause stated to the court. The procedure for presenting and determining challenges will be substantially the same as that provided for presenting and determining challenges for cause in SPCMs without a military judge (R.C.M. 912(h)).

e. Oaths.

(1) Before a court commences the inquiry directed by the convening order, the counsel for the court will administer to the members the following oath or affirmation:

Do You, (Names), swear (or affirm) that you will faithfully perform all the duties incumbent upon you as members of this court of inquiry and that you will examine and inquire, according to the evidence, into the matter now before you without partiality. So help you God?

(2) When the oath or affirmation has been administered to the members of the court, the president of the court will administer to the counsel (and assistant counsel, if any) the following oath or affirmation:

Do you, (Name), swear (or affirm) that you will faithfully perform the duties of counsel for this court? So help you God?

(3) Every reporter and interpreter will, before performing duties, make oath or affirmation, administered by the counsel for the court, in the following form:

Do you, (Name), swear (or affirm) that you will faithfully perform the duties of reporter (interpreter) to this court? So help you God?

(4) All persons who testify before a court of inquiry will be examined on oath or affirmation, administered by the counsel for the court, in the following form:

Do you, (Name), swear (or affirm) that the evidence you will give in the case now in hearing will be the truth, the whole truth, and nothing but the truth? So help you God?

(5) The counsel for the court will administer the following oath to a challenged member who is to be examined under oath as to his or her competency:

Do you, (Name), swear (or affirm) that you will answer truthfully to the questions touching your competency as a member of the court in this case? So help you God?

f. Presence of party. Although a party to the inquiry has the right to be present during all proceedings in open court, his or her presence is not essential and the absence does not affect the authority of the court to proceed with the

inquiry. An absent party may be represented by counsel. If a party is absent because of sickness or other good reason and was not represented by counsel during the absence, the court will, if practicable, adjourn the inquiry until the party or counsel can be present. Otherwise the court will, upon request of the absent party—

- (1) Make known to the party the evidence pertaining to the party that was received during the party's absence.
- (2) Give the party a reasonable opportunity to cross-examine available witnesses and to present evidence in the party's own behalf.

g. Rules of evidence.

(1) Although not generally bound by the rules of evidence contained in the MCM (but see para 10–7c (3), above), courts of inquiry will, as far as practicable, observe those rules to ensure an orderly procedure and a full, fair, and impartial investigation. Thus a court may consider certificates of officers or affidavits of enlisted personnel or civilians if it is impossible or impracticable to secure their personal testimony or depositions.

(2) Similarly, if it is impracticable to produce a witness to authenticate a document, the court may dispense with formal proof of its authenticity. However, the court must be satisfied that the document is what it purports to be. When a deposition is taken under the provisions of Article 49, UCMJ, and R.C.M. 702, all known parties to the inquiry will be given notice and permitted to submit cross-interrogatories. In determining the materiality of evidence, the court should consider that the scope of the inquiry is limited by the directions contained in the convening order or in subsequent communications of the convening authority.

10–9. Report

a. General. After all the evidence has been presented and briefs, if any, submitted, the court will close to consider the evidence and formulate its findings and, if any are required, its opinions and recommendations. Only the members and counsel for the court may be present during its closed sessions. The findings, opinions, and recommendations of the court will not be divulged to anyone other than the convening authority; nor will the vote or opinion of any member be disclosed unless disclosure is required by these regulations or by a court of justice in due course of law.

b. Findings. After careful consideration of the evidence of record and the instructions contained in the convening order, the court will record its findings. A finding is a clear and concise statement of a fact or a conclusion of the court that may reasonably be inferred from the evidence. On request of the court, the counsel for the court will assist the court in putting the findings in proper form. Each finding must be supported by evidence of record. In arriving at its findings with respect to disputed facts, the members of the court should use their professional knowledge, best judgment, and common sense in weighing the evidence. They will consider the probability or improbability of the disputed facts and should regard as established facts those that are supported by evidence deemed most worthy of belief.

c. Opinions. If the convening order directs the submission of opinions, the court will set forth the opinions that it believes may reasonably be inferred from the facts. The opinions consist of a concise summary of the results of the inquiry consequent from the evidence supported by the facts. They may consider matters in extenuation or mitigation. The court's opinions may include conclusions of law; for example, whether the facts found establish the commission of an offense that is punishable under the UCMJ.

d. Recommendations. If the convening order requires that recommendations be submitted, the court will make such recommendations as are specifically directed and any others that, in its opinion, are appropriate and advisable in view of the nature of the inquiry and the facts found. Recommendations must be appropriate and warranted by the findings and opinions. In general, they should cover the punitive, pecuniary, and corrective phases of the matter under investigation. If any member of the court recommends trial by court-martial, a charge sheet, signed and sworn to by that member, will be prepared and submitted to the convening authority with the record of proceedings. These charges may be signed and sworn to before the counsel for the court.

e. Minority report. The report of the court will be based on the opinion of the majority of the members sitting at the inquiry. If a member does not concur with the findings, opinions, or recommendations of the majority of the court, the member will prepare a minority report. It will contain an explicit statement of the parts of the majority report with which the member disagrees and the reasons therefore.

10–10. Preparation and submission of record

a. Contents. The record of proceedings of a court of inquiry will include—

- (1) The convening order.
- (2) Any other communication from the convening authority.
- (3) An accurate transcript of the proceedings, including a verbatim report of the testimony.
- (4) The findings of fact.
- (5) The opinions and recommendations, if any were required.
- (6) The exhibits that were received in evidence.

b. Form. The provisions of appendix 14, MCM, so far as they are applicable, will serve as a general guide for the preparation of the record of the proceedings of a court of inquiry.

c. Copies. The convening authority ordinarily will provide in the convening order for preparation of sufficient copies

of the record to permit distribution to agencies directly concerned with the subject of the inquiry. If the convening order fails to prescribe the number of copies, the record will be prepared in duplicate.

d. Authenticating and forwarding. All copies of the record will be authenticated below the findings, opinions, and recommendations of the court, including any minority report, by the signature of the president and counsel for the court. In case the record cannot be authenticated by the president, it will be authenticated by a member in lieu of the president. In case the record cannot be authenticated by the counsel for the court, it will be authenticated by a member instead of counsel. After the record is authenticated, all copies will be forwarded to the convening authority or, in the case of a court convened by the President or the SA, to TJAG.

10–11. Action of convening authority

a. Revision. If not satisfied with the investigation, facts, opinions, or recommendations, the convening authority may return the record to the court with explicit instructions to—

(1) Have the investigation pursued further, or the facts, opinions, or recommendations stated in greater detail, or in more definite and unequivocal terms.

(2) Correct some other error or defect or supply some omission.

b. Review and formal action. The convening authority will review the record of proceedings of a court of inquiry and consider the findings, opinions, and recommendations. The convening authority will state at the end of the record over the convening authority's own signature, approval or disapproval in whole or in part, of the findings, opinions, and recommendations. In taking this action, the convening authority is not bound by the findings, opinions, or recommendations of the court.

10–12. Disposition of record

Immediately after taking action on a record of the proceedings of a court of inquiry, the convening authority will forward the original copy of the record, by letter of transmittal, through normal command channels, to TJAG. The letter of transmittal will contain a statement as to what action the convening authority has taken or proposes to take on the matter investigated by the board. Superior commanders may take such action as they deem appropriate on the subject of the inquiry and the action of subordinate commanders thereon. A notation of any action taken by such a superior commander will be included in an endorsement forwarding the record. The original copy of each record of a Court of Inquiry will be permanently filed by the Clerk of Court, U.S. Army Trial Judiciary, in the same manner as records of trial by GCM (see para 5–47b).

Chapter 11 Oaths

11–1. General

This chapter implements Articles 42(a) and 136(a)(6), UCMJ, and various rules of the MCM. It authorizes commanders to administer oaths related to military justice. It also authorizes other military personnel who are empowered to authorize searches and seizures (MRE 315(d)) to administer oaths for such searches and seizures and for apprehensions. This chapter prescribes the form and procedures of oaths to be administered to—

a. Personnel of courts-martial.

b. Persons providing sworn information supporting requests for authorizations to search and seize and authorizations to apprehend. (See chap 9 for issuance of search and seizure authorizations.)

11–2. Persons required to be sworn

a. All court-martial personnel including the following, will take an oath to perform their duties faithfully (UCMJ, Art. 42(a)):

- (1) The military judge.
- (2) Members of GCMs and SPCMs.
- (3) Trial counsel.
- (4) Assistant trial counsel.
- (5) Defense counsel.
- (6) Assistant defense counsel.
- (7) Reporters.
- (8) Interpreters.

b. Additionally, an individual defense counsel, military or civilian, will take a similar oath (R.C.M. 807(b)(1); 901(d)(5)).

c. Oaths to court-martial personnel need not be administered in the presence of the accused.

d. Commanders are authorized to administer oaths for all military justice purposes. All other military personnel who

are empowered to authorize searches and seizures (MRE 315(d)) are authorized to administer oaths for such searches, seizures, and apprehensions.

11-3. Oath administration procedure-military judges

a. A military judge will take a written oath before an officer qualified to administer oaths by UCMJ, Art. 136(a), to faithfully and impartially perform his or her duties in all cases to which the military judge is detailed (UCMJ, Art. 26(b) and R.C.M. 807(b)(1)(A)). An oath need not be taken again when the military judge is detailed to a court-martial. A military judge of another armed force who has taken an oath to perform his or her duties properly in all cases to which he or she is detailed need not take an oath when detailed as a military judge at courts-martial convened in the Army.

b. It is unlikely that a military judge, not previously sworn, will be detailed in a particular case. In such event, however, the military judge will follow the procedure in paragraph *c.*, below, ordinarily prior to trial. In any case the procedure will be followed not later than the first UCMJ, Art. 39(a), session.

c. After a military judge is certified, the order announcing the certification will be forwarded to him or her. The military judge will take the prescribed oath before an officer empowered to administer oaths under UCMJ, Art. 136(a), and execute DA Form 3496 (Military Judge's Oath) in triplicate. One copy of the completed form will be retained by the military judge. The remaining copies will be forwarded to the Personnel, Plans, and Training Office, ATTN: DAJA-PT, Office of The Judge Advocate General, HQDA, 1777 North Kent Street Rosslyn, VA 22209-2194.

d. The first person oath is the only oath that may be administered for cases to which a military judge is detailed.

11-4. Oath administration-counsel

a. A counsel certified under UCMJ, Art. 27(b), who is a member of the JAGC will take the oath on DA Form 3497 (Counsel's Oath) before an officer qualified to administer oaths under UCMJ, Art. 136(a).

b. Once executed on DA Form 3497, an oath need not be taken again when previously sworn counsel are individually requested or detailed to that duty. Counsel who are members of other armed services (who have taken oaths to perform their duties faithfully in any case to which they are individually requested or detailed as counsel) need not take an oath when they participate as counsel at courts-martial convened in the Army. All other counsel will be administered the appropriate counsel's oath (see para 11-8*b*) for any case referred to the court to which they have been detailed, or in any case in which they enter an appearance on the record.

c. Generally, the oath for faithful performance of duty in all cases, DA Form 3497, will be administered to members of the JAGC as part of their certification under UCMJ, Art. 27(b)(2). It may also be administered at any time by an officer qualified to administer oaths under UCMJ, Art. 136(a). At the time the oath is administered, DA Form 3497 will be completed. One copy of the form will be retained by the JA who took the oath and two copies will be forwarded to the Personnel, Plans and Training Office, ATTN: DAJA-PT, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194.

11-5. Oath administration procedure-court members

The trial counsel will normally administer the oath to court members in open session. As a matter of policy, such oaths should be administered at every court-martial to impress on the participants the solemnity of the proceedings. At the discretion of the officer who convened the court, however, the court members may take a written oath to perform their duties faithfully in all cases referred to that court. The convening authority authorizing the administration of this type of oath will maintain a copy of the oath so that it may readily be determined that court members have been previously sworn. When court members are not sworn because they have been administered such an oath previously, this fact will be noted in the record of trial.

11-6. Oath administration procedure-reporters

a. The trial counsel will administer the oath to the reporter at the court-martial. At the discretion of the SJA of the command to which the reporter is assigned (or employed), reporters may execute a written oath to perform their duties faithfully in all cases to which they are detailed (or employed), before an officer qualified to administer oaths (UCMJ, Art. 136(a)).

b. When a reporter who has been so sworn is used by, reassigned to, or employed by a different GCMCA, a copy of the oath will be given to the SJA of the new convening authority. The SJA authorizing the administration of a written oath will maintain a copy of such oath so that it may readily be determined that the reporter has been previously sworn. When reporters are not sworn because they have been administered such an oath previously, this fact will be noted in the transcript or record of trial.

11-7. Oath administration procedure-interpreters

a. The trial counsel or SCM officer will administer the oath to interpreters at the court-martial. At the discretion of the SJA of the command to which an interpreter is assigned (or employed), interpreters may take a written oath to interpret truly in all cases to which they are detailed or employed. The SJA will maintain records of the written oath so that it may be readily determined that an interpreter has been previously sworn.

b. When an interpreter so sworn is used by, reassigned to, or employed by a different GCMCA, a copy of the oath will be given to the SJA of the new convening authority. When interpreters are not sworn because they have previously been administered a written oath, this fact will be noted in the transcript or record of trial.

11–8. Forms of oaths for court-martial personnel

a. *Oath for military judge.* The following oath will be administered if the military judge has not been previously sworn according to paragraph 11–3 of this regulation. (See R.C.M. 807(b)(2), Discussion (A)):

Do you, (name of military judge), swear (or affirm) that you will faithfully and impartially perform, according to your conscience and the laws applicable to trials by courts-martial, all the duties incumbent upon you as a military judge? So help you God?

b. *Oath for counsel.* The following oath, as appropriate, will be administered to trial counsel, assistant trial counsel, defense counsel (individually requested, detailed, or civilian), and each assistant defense counsel (if they are not members of the JAGC or other Services who have been previously sworn according to paragraph 11–4 of this regulation. (See R.C.M. 807(b)(2), Discussion (C)):

Do you (name(s) of counsel) swear (or affirm) that you will faithfully perform the duties of (individual) (detailed) counsel in the case now in hearing? So help you God?

c. *Oath for court members.* The following oath, as appropriate, will be administered to court-martial members according to paragraph 11–5 of this regulation. (See R.C.M. 807(b)(2), Discussion (B)):

Do you (name(s) of member(s) (each of you)) swear (or affirm) that you will answer truthfully the questions concerning whether you should serve as a member of this court-martial; that you will faithfully and impartially try, according to the evidence, your conscience, and the laws applicable to trials by court-martial, the case of the accused now before this court; and that you will not disclose or discover the vote or opinion of any particular member of the court (upon a challenge or) upon the findings or sentence unless required to do so in due course of law? So help you God?

d. *Oath for reporters.* The following oath, as appropriate, will be administered to court reporters (R.C.M. 807(b)(2), Discussion (D)):

Do you (Name) swear (or affirm) that you will faithfully perform the duties of reporter (to this court) (to any court to which you will be detailed)? So help you God?

e. *Oath for interpreters.* The following oath, as appropriate, will be administered to every interpreter in the trial of any case before a court-martial before he or she enters upon his or her duties (R.C.M. 807(b)(2), Discussion (E)):

Do you (Name) swear (or affirm) that (in the case now in hearing) (in any case to which you are detailed) you will interpret truly the testimony? So help you God?

11–9. Oath administration procedure-persons providing sworn information in support of requests for authorizations to search and seize and authorizations to apprehend

a. *General.* Oaths are not required to be given to persons providing information in support of requests for authorizations to search and seize. However, if the authorization is to be based on sworn information, the procedures set forth in b, below should be followed. Nothing in this regulation is intended to prohibit the issuance of authorizations to search, seize, or apprehend on the basis of unsworn written or oral statements. Sworn or affirmed information, however, is generally more credible and often entitled to greater weight than information not given under oath (see para 9–9).

b. Procedure.

(1) Commanders and other military personnel empowered to authorize searches and seizures, on probable cause, may administer oaths to persons presenting information in support of requests for such authorizations. The information presented may be oral or in writing. Where written information is provided by message or written statement, other persons authorized to administer oaths may do so. The authorizing official may accept representations by the person providing the information that this has been done. The representations should include the name and authority of the person administering the oath and the date and place of administration.

(2) If the information presented to the authorizing official consists solely of previously sworn affidavits, the individual requesting the authorization need not be sworn. If the requestor or any other individual also provides any additional information based on his or her personal knowledge to the authorizing official for use in the probable cause

determination, that individual must do so under oath or affirmation. Sworn or affirmed information, however, is generally more credible and often entitled to greater weight than information not given under oath (see para 9–9).

(3) Information may also be presented by telephone, radio, or similar device to those empowered to authorize searches, seizures, and apprehensions. The authorizing official may administer the oath over such devices.

(4) In addition to sworn or affirmed information presented to the authorizing official pursuant to a request for authorization to search and seize or apprehend, the authorizing official may consider any information he or she has, provided such information would not preclude him or her from acting in an impartial manner.

11–10. Form of oaths for probable cause searches and seizures and apprehensions

No specific form of oath or affirmation is required as long as it imposes upon the requester a moral or legal responsibility for the correctness of the information. The following oath or affirmation, as appropriate, may be administered to persons providing information supporting requests for authorizations to search and seize or to apprehend:

Do you (Name) swear (or affirm) that the information you are providing is, to the best of your knowledge, information, and belief, the truth? So help you God?

11–11. Form of oath for the accused following a plea of guilty

The following oath will be administered to the accused prior to the military judge questioning the accused concerning the accuracy of his or her plea (see R.C.M. 910(e)):

Do you (swear)(affirm) that the statements you are about to make will be the truth, the whole truth, and nothing but the truth? So help you God?

Chapter 12 Court-Martial Orders

12–1. Types of court-martial orders

a. Convening orders. A convening order is used to announce the detail of a SCM or of the members of a SPCM or GCM (R.C.M. 504(d)).

b. Promulgating orders. An initial promulgating order is used to promulgate the results of trial by a GCM or SPCM and the initial action of the convening authority thereon. A supplementary promulgating order is used to promulgate any subsequent action taken by the convening or higher authority on findings or sentence of a GCM, SPCM, or SCM (R.C.M. 1114).

12–2. Convening orders

The convening authority will issue convening orders for each GCM or SPCM as soon as practicable after he or she personally determines the members of a court-martial. The convening authority may issue a convening order for each SCM at the time of referral by annotating the charge sheet (R.C.M. 1302(c)). Oral convening orders will be confirmed by written orders as soon as practicable. Convening orders may be amended. SCM convening orders may be amended by an attachment to the charge sheet (see MCM, app 4).

12–3. Promulgating orders

a. Initial promulgating orders. The convening authority will issue an order promulgating the results of trial for all GCMs and SPCMs (see fig 12–1). An initial SCM promulgating order need not be issued (R.C.M. 1114(a)(3)). A copy of the initial promulgating order, or a copy of the record in SCM cases, will be immediately forwarded to the commander of the proper confinement facility and the finance and accounting officer providing finance service to that facility (see also, para 5–32b, requiring 24 hour notification of convening authority's action).

b. Supplementary promulgating orders (see figs 12–2 through 12–7). Action taken on the findings or sentence of a GCM, SPCM, or SCM subsequent to the initial action by the convening authority will be promulgated, as appropriate, by—

- (1) The convening authority who took the initial action in the case.
- (2) The commanding officer of the accused who is authorized to take the action being promulgated.
- (3) An officer exercising GCM jurisdiction over the accused at the time of the action, or
- (4) The Secretary of the Army.

c. Designation. Initial or supplementary promulgating orders in GCMs, SPCMs, and SCMs are designated GENERAL COURT–MARTIAL ORDER, SPECIAL COURT–MARTIAL ORDER, or SUMMARY COURT–MARTIAL ORDER, respectively.

12-4. Format for SCM Court-Martial Orders (CMOs)

a. SCM convening order. A SCM may be convened at the time of referral by annotating section V of the charge sheet (see MCM, app 4) after the words convened by as follows: this detail of (insert GRADE and NAME) as a Summary Court-Martial on (Date). If the convening authority has been empowered under UCMJ, Art. 24(a)(4), the charge sheet will reference the order granting SCM authority (see R.C.M. 504(d)). Amendments to SCM convening orders will be made by attachments to the charge sheet. SCM convening orders need not be numbered (see para 12-5a (2)).

b. SCM promulgating order. Initial SCM promulgating orders are not required. Supplemental promulgating orders will be issued using the format in paragraph 12-5 below and appendix 17, MCM.

12-5. Format for court-martial orders

a. Heading.

(1) The heading of CMOs is the same as that used for other orders, except that the words “COURT-MARTIAL CONVENING ORDER,” “GENERAL COURT-MARTIAL ORDER,” “SPECIAL COURT-MARTIAL ORDER,” or “SUMMARY COURT-MARTIAL ORDER” are substituted for the word “Orders” (see AR 600-8-105, para 1-27).

(2) Courts-martial orders within each category convening (except SCM convening orders), special, or general courts-martial are numbered consecutively beginning anew with the start of each calendar year. The first numbered order in each series issued in any calendar year will bear a notation above the heading of the first page, showing the number of the last order issued for that series during the preceding year, for example, “Court-Martial Convening Order Number 37 was the last of the series for 1997.”

(3) The type of order will be written in capital letters beginning at the left margin immediately opposite the date. The word “NUMBER” in capital letters will be placed immediately below the type of order. An arabic numeral indicating the serial number of the order will be placed so that the last number is immediately below the last letter of the word “ORDER.” Dates will be indicated as follows:

(a) A court-martial convening order will bear the date of its publication.

(b) An initial promulgating order will bear the date of the action of the convening authority on the record of trial.

(c) An initial order promulgating an acquittal or termination, or a supplementary order will bear the date of its publication.

(4) If the initial promulgating order for a general or special court-martial contains findings of guilty as to any qualifying military offense, the Staff Judge Advocate will ensure that the top of the first page of the order is annotated in bold with “DNA processing required. 10 USC 1565.” A “qualifying military offense” is an offense determined by the Secretary of Defense to be a qualifying military offense for the purposes of 10 USC 1565. (See DOD interim policy at appendix F for qualifying military offenses.)

b. Body.

(1) Detailed instructions on CMOs are contained in appendixes 6 and 17, MCM.

(2) Court-martial convening orders (see R.C.M. 504(d) and MCM, app 6). Social security account numbers should be used to verify that the members actually detailed by the convening authority are present. Each member should be asked to verify name, unit, and social security account number. After verification, no document including social security account numbers of court members should be attached to the record of trial (see appendix 8, MCM, and R.C.M. 813).

(3) Initial GCM and SPCM promulgating orders (see fig 12-1). The body of the order will contain the elements outlined in R.C.M. 1114 in the format of appendix 17, MCM. If the order promulgates the proceedings of a rehearing, it will recite that fact together with the number and date of the court-martial order publishing the former proceedings.

(4) Supplementary GCM, SPCM, and SCM promulgating orders (see figs 12-2 through 12-7). The order will be in the format contained in appendix 17, MCM, and the order will include, if applicable, the following:

(a) The date the sentence was adjudged if the supplementary action in any manner affects a sentence of confinement.

(b) The courts-martial case number (ARMY0000000) inserted in parentheses at the end of the distribution list.

c. Authentication. Court-martial orders are authenticated in the same manner as other orders discussed in AR 600-8-105, paragraph 2-18, with the exception of the authority line. The authority line in convening orders indicates that the commander has personally acted with respect to the selection of the personnel named in the order. In court-martial orders, the authority line reads—

(1) BY COMMAND OF (grade and last name) when the commander is a general officer.

(2) BY ORDER OF (grade and last name) when the commander is below the grade of brigadier general.

d. Distribution designation.

(1) The word “DISTRIBUTION” is placed beginning at the left margin opposite the signature block. A list of the individuals, organizations, and installations to which copies of the order will be sent and the number of copies to be furnished will be indicated under “DISTRIBUTION.” Distribution includes one copy for the reference set, when needed, and the record set of military publications.

(2) Standard distribution of orders within a command and to agencies requiring full distribution may be designated by letters, for example, distribution A, B, or combinations thereof, to indicate all or part of the distribution made. Agencies included in each letter designation are shown in a distribution list prepared and published by the headquarters or agency concerned (see AR 600–8–105, para 2–19).

e. Corrections. Court-martial orders are corrected in the same manner as other orders discussed in AR 600–8–105, paragraph 2–22, with the following exceptions:

- (1) Changed material will be underscored.
- (2) Further corrections will be made by additional corrected copies, as necessary, with the figure “2d,” “3d,” and so forth, inserted before the words “CORRECTED COPY.” Extreme care should be used in preparing court-martial orders to avoid the need for corrections.

12–6. Modification of findings or sentence

a. Orders modifying the findings or all or any part of the sentence of a GCM, SPCM, or SCM issued subsequent to the order promulgating the result of a trial are published in appropriate supplementary CMOs.

b. Supplemental orders for Article 66 cases in which a petition to the USCAAF has not been filed.

(1) No supplementary CMO is necessary if the accused waives or withdraws appellate review under R.C.M. 1110 (and no modification of the action in the initial promulgating order is necessary after review under R.C.M. 1112) or if the USACCA affirms the findings and sentence without modification, and

(a) In a case involving a sentence to a punitive discharge in which the accused has waived or withdrawn appellate review under R.C.M. 1110, the supplementary CMO will be promulgated on completion of review under R.C.M. 1112 or subsequently, after final review by TJAG pursuant to R.C.M. 1201(b)(2) if review by TJAG is required under R.C.M. 1112(g)(1).

(b) In a case involving a sentence to dismissal in which the accused has waived or withdrawn appellate review under R.C.M. 1110, the supplementary CMO will be promulgated after the record has been forwarded to TJAG under R.C.M. 1112(g)(2) for action under R.C.M. 1206.

(3) A supplemental CMO is necessary in all other cases in which competent authority modifies the findings or sentence.

(4) When the accused is enlisted, or is an officer not under an approved or affirmed sentence to dismissal, the supplemental CMO will be promulgated by the officer (or successor) exercising GCM authority over the accused at the time the court-martial was held if the case receives final review under R.C.M. 1112, or otherwise by the officer presently exercising GCM authority over the accused or by HQDA. If the accused is under an approved sentence to dismissal, the supplementary CMO will be promulgated by HQDA.

c. Supplementary or Final orders for Article 66, UCMJ cases in which a petition to USCAAF or the Supreme Court has been filed, or review is final under Article 76, UCMJ. Chapter 13 Appellate Review Matters

13-1. Scope

This chapter discusses appellate review matters pertaining to—

- a. Appeals under Articles 62 and 66, UCMJ.
- b. The waiver or withdrawal of an appeal under Article 61, UCMJ.
- c. Petitions for habeas corpus representation in death penalty cases.
- d. Petitions for extraordinary relief filed by the United States.

13-2. Petitions for extraordinary relief

Prior to filing a petition for extraordinary relief with the USACCA or the USCAAF on behalf of the United States or Government officials, in their capacity as Government officials, trial counsel, SJAs, or their representatives will coordinate with the Chief, Government Appellate Division (GAD). However, counsel from GAD will not represent the Government until appointed to do so by TJAG under Article 70, UCMJ.

13-3. Appeals under Article 62

a. A trial counsel will not file a notice of appeal with the Chief, Government Appellate Division (GAD), under R.C.M. 908 unless authorized to do so by the GCMCA or the SJA. Appeals forwarded under R.C.M. 908(b)(6) will be sent to the Chief, Government Appellate Division, ATTN: JALS-GA, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837. The Chief, GAD, will, after coordination with the Assistant Judge Advocate General for Military Law and Operations, decide whether to file the appeal with USACCA and will notify the trial counsel of this decision by expeditious means.

b. The trial counsel will serve a certificate of notice of appeal under R.C.M. 908(b)(3) on the military judge. The certificate will reflect the date and time of the military judge's ruling or order from which the appeal is taken, and the time and date of service on the military judge.

c. The matters forwarded under R.C.M. 908(b)(6), including an original and three copies of the verbatim record of trial (only those portions of the record that relate to the issue to be appealed), together with the certificate of notice of appeal, will be forwarded to the Chief, GAD, within 20 days from the date written notice of appeal is filed with the trial court. If the decision is made not to file the appeal with the USACCA, the Chief, GAD, will return all copies of the record to the trial counsel.

d. Following a decision of the USACCA, the Clerk of Court will notify the military judge and the convening authority, who will ensure the accused is notified promptly as required by R.C.M. 908(c)(3). Whether the accused is notified orally on the record or by other means, the trial counsel's certificate as to the fact, date, and method of notification will be sent immediately to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837.

13-4. Appellate advice after trial

a. Apart from the advice an accused has received pursuant to R.C.M. 1010, the trial defense counsel will explain to the accused the rights to appellate review that apply to the case. The trial defense counsel will submit for attachment to the record of trial a record of advice given to the accused concerning appellate review and appellate counsel and the accused's election concerning representation by military or civilian counsel before the USACCA.

b. The Chief, USATDS will prescribe policies and procedures to ensure compliance with this paragraph.

c. With regard to appellate advice after a decision by the USACCA, see paragraph 13-9 of this regulation and DA Form 4917 (Advice as to Appellate Rights), DA Form 4918 (Petition for Grant of Review in the United States Court of Appeals for the Armed Forces), and DA Form 4919 (Request for Final Action).

13-5. Waiver or withdrawal of appellate review

a. A waiver of appellate review or withdrawal of an appeal pursuant to UCMJ, Art. 61 and R.C.M. 1110 will be made on DD Form 2330 (Waiver/Withdrawal of Appellate Rights in General and Special Courts-Martial Subject to Review by a Court of Military Review) or DD Form 2331 (Waiver/Withdrawal of Appellate Rights in General Courts-Martial Subject to Examination in the Office of The Judge Advocate General). (See MCM appendix 19, DD Form 2330, and appendix 20, DD Form 2331.) In GCM cases and in SPCM cases in which a BCD or confinement for 1 year has been approved, review pursuant to R.C.M. 1112 will be completed before the record of trial is forwarded pursuant to paragraph 5-46 of this regulation. The withdrawal of an appeal must be filed with, or immediately forwarded to, the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837.

b. The Clerk of Court will refer the withdrawal to the Court before which the appeal is pending or to the Criminal Law Division, ATTN: DAJA-CL, Office of the Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194 and thereafter will return all copies of the record for review pursuant to R.C.M. 1112 under the rules or instructions of the cognizant Court or division.

c. An accused may not revoke a waiver or withdrawal of appellate review made in substantial compliance with R.C.M. 1110. When, however, review under R.C.M. 1112 or R.C.M. 1201(b)(2) results in a rehearing, the accused is entitled to any applicable appellate rights, unless he or she again waives or withdraws further appellate review.

13-6. Identifying companion and other cases

a. The trial counsel will annotate the cover of each original record of trial forwarded for review under Article 66 to identify each person (grade, name, social security number) tried or expected to be tried separately in a case potentially subject to appellate review pursuant to Article 66 for involvement in an offense that is the same as or related to one tried in the case being forwarded. These co-accused, co-actors, or co-conspirators, as the case may be, will be identified under a heading "Companion Cases." The purpose of this is to facilitate assignment of cases among the panels of USACCA and to avoid conflicts of interest in the assignment of appellate defense counsel. If there are no companion cases, the words "no companion cases" will be entered under the above heading.

b. In addition, the trial counsel will annotate the cover of each original record of trial forwarded for review under Article 66 to identify any prosecution witness or victim known to have been tried for any offense by court-martial subject to review pursuant to Article 66 so that potential conflicts of interest in the assignment of appellate defense counsel can be avoided.

13-7. Rules of appellate procedure

(See AR 27-13, for the rules of appellate procedure.)

13-8. Clerk of Court, U.S. Army Judiciary

a. The Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837, receives records of trial, petitions for extraordinary relief, petitions for a new trial in pending cases, withdrawals of appeals, and other appellate matters forwarded to TJAG and acts in a ministerial capacity for TJAG in referring such matters to the USACCA or USCAAF and in designating appellate counsel for the parties.

b. In cases remanded to TJAG, the Clerk of Court acts for TJAG under the order of remand and refers records of trial to the USACCA or a convening authority, with necessary instructions, for compliance with the mandate.

c. The Clerk of Court keeps the Chief, U.S. Army Judiciary, and TJAG informed of the state of the military appellate process and of the need for any statutory, regulatory, or rule changes.

13-9. Serving USACCA decisions on the accused

a. To protect the rights of the Government and the accused, a copy of each USACCA decision (opinion or order disposing of an appeal or petition) must be served as expeditiously as possible on each accused and counsel for the accused and a record maintained of the date and manner of service.

b. The Clerk of Court is responsible for serving decisions on counsel for the accused and has discretionary authority to serve the accused. In cases where all of the accused's appellate counsel are Defense Appellate Division counsel, service of the decision on Defense Appellate Division, ATTN: JALS-DA U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington VA 22203-1837 will constitute service on the accused's appellate counsel of record.

c. The decision copy to be served on the accused, as well as a copy to be placed in the accused's CMIF, will be sent to the GCM authority currently exercising jurisdiction over the accused. If the GCM authority who receives the correspondence is not currently exercising GCM authority over the accused, he or she will cause the correspondence to be sent by endorsement to the new GCM authority over the accused, ATTN: SJA (this correspondence will not be sent to commanders of stockades, correctional holding detachments, personal control facilities, or similar organizations, who do not exercise GCM authority over the accused). The GCM authority will also send a copy of the endorsement to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837.

d. Information copies of decisions will be sent to the confinement facility in which the accused is confined and to the GCM authority exercising jurisdiction over the accused at the time of trial and the GCM authority who took initial action on the record of trial if one or both of them are different from the GCM authority indicated in *c*, above.

e. The USACCA decision will be served on the accused in person whenever possible. In addition to the decision, unless the decision sets aside all findings of guilty and the sentence and dismisses the charges or involves a case referred to the USACCA under UCMJ, Art. 69, the accused will be given a completed copy of DA Form 4917, five copies of DA Form 4918 on which the accused's name, grade, service number, and USACCA docket number will be entered, and a postage paid envelope addressed to USCAAF. The person who served the decision personally on the accused will complete the certificate in Section A of DA Form 4916, Certificate of Service/Attempted Service, and ensure that the original and two copies are sent to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837.

f. If personal service cannot be made because the accused is absent from his or her unit without proper authority, Section B of DA Form 4916 will be used to certify the circumstances. The original and two copies with any available documentary evidence of the absence (for example, DA Form 4187, Personnel Action, will be sent to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837.

g. If there is any other reason, such as illness of an accused who is present in the command, that appears to preclude personal service, the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837 should be contacted for advice.

h. When personal service cannot be made because of the authorized absence of an accused (such as excess leave), the decision copy will be served by first class certified mail, return receipt requested. The use of special postal service is authorized as an exception to AR 25-51. The decision will be sent to the address provided by the accused at the inception of the absence or subsequently. If the accused provided no address, the packet will be sent to the most recent home address reflected in the accused's official military personnel records. Except when the decision sets aside all approved findings of guilty and the sentence and orders the charges dismissed, the documents described in *e*, above, will be prepared and sent with the decision.

i. As soon as the decision is mailed, the person mailing it must complete item 1 of the Section C, DA Form 4916. The form is then held for return of service to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837 when the earliest of the following happens:

(1) The signed certified mail receipt, PS Form 3811 (Domestic Return Receipt), is received (complete item 2a, Section C, DA Form 4916).

(2) The packet is returned undeliverable (complete item 2b, Section C, DA Form 4916).

(3) Sixty-five days have passed since the decision was mailed and nothing has been returned or received (complete item 2c, Section C, DA Form 4916).

j. When Section C of DA Form 4916 is used, the return of service to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837 will include the original and two copies of the completed DA Form 4916, and any material returned by the USPS, such as the signed return receipt (PS Form 3811), the receipt for certified mail, PS Form 3800, Certified Mail Receipt, or the unopened envelope with its contents.

k. If a petition for grant of review by the USCAAF is received by the GCM authority, the date of receipt will be noted and the petition will be forwarded to USCAAF immediately.

13-10. Cases remanded by the USACCA or USCAAF

a. When a decision of the USACCA or USCAAF directs or authorizes further proceedings, such as a rehearing, a

limited hearing, or a new action by the convening authority, the accused must be located and furnished a copy of the decision. Further proceedings in USACCA cases need not be delayed, however, solely to permit an accused to petition USCAAF for a grant of review or otherwise appeal the matter.

b. Any special instructions deemed necessary to carry out the mandate of the Court will be transmitted by the Clerk of Court with the record of trial that was remanded.

(1) The original and any copies of a record of trial that was remanded for further proceedings must remain intact except for documents needed for reintroduction in the further proceedings, such as the original charge sheet and exhibits to be readmitted into evidence. Documents and copies of documents withdrawn should be replaced if not used, or, if used, replaced by a trial counsel memorandum explaining their disposition. In particular, the original copies of a decision of a Court, action of a convening authority, post-trial review or recommendation, pretrial advice, and Article 32 investigation must not be withdrawn. All copies of the record remanded should be returned with the record of further proceedings except that, if action on the sentence is such that no further review pursuant to Article 66 or 67 is required, only the original record need be returned to the Clerk of Court. All copies of the record remanded should be returned with the record of further proceedings.

(2) In addition to any new document in the nature of a pretrial advice and referral to a court-martial, the authenticated record of further proceedings must be accompanied by the original of any new action by a convening authority and the same number of copies of an order promulgating the action as required when a record is initially forwarded for review pursuant to Article 66 or 69, as the case may be.

(3) In the absence of specific advice to the contrary, the GCM authority should consider that an accused's right to speedy disposition of criminal charges, right to address matters to a convening authority, and right of counsel to comment on a SJA's recommendation to the convening authority apply to the further proceedings.

13–11. Leave or transfer pending appellate review

a. An accused who is under sentence to a dismissal or punitive discharge, approved by the convening authority and unsuspended, and who is not serving a sentence to confinement, may, under AR 600–8–10, voluntarily or involuntarily be authorized by the officer exercising GCM jurisdiction to take leave, including excess leave, until there is a final judgment in the case. The accused who is on excess leave should be transferred to the nearest GCMCA with a regional confinement facility immediately after action is taken by the convening authority.

b. The GCM authority will ensure that the Clerk of Court, ATTN: JALS–CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203–1837 is expeditiously furnished copies of all transfer orders and excess leave orders, or a copy of DA Form 31, when an accused has been transferred from his or her jurisdiction or is placed on excess leave.

13–12. Habeas corpus representation

Military prisoners sentenced to death by a court-martial, who seek to file in Federal civilian courts post-conviction habeas corpus petitions, will, upon request to The Judge Advocate General, be detailed military counsel by The Judge Advocate General to assist counsel appointed by the District Court or individually retained for representation in such proceedings and any appeals therefrom. See UCMJ, Art. 70(e). This right exists irrespective of any decision by the accused Soldier to hire civilian counsel at his own expense for such representation.

13–13. Tenure for military appellate judges

Judge advocates are certified as military judges by TJAG and assigned to the USACCA for a minimum of 3 years, except under any of the following circumstances:

- a.* The military judge voluntarily requests to be reassigned to others duties, and TJAG approves such assignment;
- b.* The military judge retires or otherwise separates from military service;
- c.* The military judge is reassigned to other duties by TJAG based on the needs of the Service in a time of war or national emergency;
- d.* The officer's certification as a military judge is withdrawn by TJAG for good cause. See section III, chapter 16, Suspension of Military Judges.

Chapter 14

Application for Relief under Article 69, UCMJ

14–1. General

a. This chapter implements R.C.M. 1201(b)(3) and UCMJ, Art. 69(b). It prescribes the procedures for applying to TJAG for relief from the findings or sentence in a SPCM or SCM court-martial case that has been finally reviewed, but has not been reviewed by the USACCA.

- (1) TJAG may vacate or modify the findings or sentence in whole or in part and may grant relief on grounds of—

- (2) Newly discovered evidence.
- (3) Fraud on the court.
- (4) Lack of jurisdiction over the accused or the offense.
- (5) Error prejudicial to the substantial rights of the accused.
- (6) Appropriateness of the sentence (except that the quality of the behavior or duty performance of the accused after trial, or any evidence of personal hardship not admitted at trial, is normally not a basis on which relief on grounds of sentence appropriateness may be considered).

b. No provision exists for a hearing or personal appearance before TJAG.

c. Relief under Article 69(b), UCMJ; the R.C.M.; and this chapter is authorized only when the court-martial is final within the meaning of R.C.M. 1209(a)(2), and when at least one of the grounds set forth in *b.*, above, has been established to the satisfaction of TJAG. If TJAG sets aside the sentence, TJAG may, except when the setting aside is based on lack of sufficient evidence to support the findings, order a rehearing. A new trial may be granted only under UCMJ, Art. 73. The denial of relief by TJAG under the provisions of this chapter does not preclude application on clemency grounds under UCMJ, Art. 74 (see AR 190–47 or AR 15–185).

14–2. Procedures for making application

a. Application for relief should be made on DA Form 3499 (Application for Relief from Court-Martial Findings and/or Sentence under the Provisions of Title 10, United States Code, Section 869), which may be obtained through normal publications supply channels.

b. DA Form 3499 will be prepared and submitted according to the requirements set forth in the instructions contained on the form. DA Form 3499 must be filed in the Office of The Judge Advocate General by the accused, or by a person with authority to act for the accused, on or before the last day of the 2-year period beginning on the date the sentence was approved by the convening authority.

c. Failure to file within the prescribed time may be excused by TJAG for good cause established by the accused.

14–3. Submission of application

a. When an applicant seeks relief from the findings or sentence, or both, of a SPCM or SCM and is a member of the command that convened the court-martial (or of a unit within the same GCM jurisdiction), the application will be sent through the office of the SJA of that GCM jurisdiction. That office will forward the application to Criminal Law Division, ATTN: DAJA–CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209–2194.

- (1) The original record of trial.
- (2) Copies of all court-martial orders in the case.
- (3) Any matter related to the allegations of the applicant.
- (4) Responsive comments on the merits of the applicant’s allegations, signed by the SJA of the GCM jurisdiction.
- (5) Original post-action review of the case in accordance with R.C.M. 1112(a).

b. All other applications will be submitted directly to the Criminal Law Division, ATTN: DAJA–CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209–2194. A copy of the application will be referred to the SJA of the command that convened the court-martial (or of a unit within the same GCM jurisdiction) for processing in accordance with paragraph *a.* of this section.

14–4. Timeliness

a. Timely submission of an application for relief is necessary. (See para 14–2.) As time passes, it may become difficult, if not impossible, for the applicant to establish the facts upon which relief could have been granted.

b. Applicants on active duty are encouraged to consult a member of the JAGC, when available, before preparing an application for relief.

Chapter 15

Report of Judicial and Disciplinary Activity in the Army, Requirement Control Symbol JAG–2 (R12)

15–1. Preparation

a. The SJA of each command having GCM jurisdiction will prepare the DA Form 3169 (Report of Judicial and Disciplinary Activity in the Army), Requirement Control Symbol JAG–2(R12)). The SJA will fill in all information required in the heading of the DA Form 3169, including the Report Control Number assigned to the jurisdiction submitting the report.

b. The SJA will obtain data for the report from the commands attached or assigned to the GCM jurisdiction. For

USAR units located within the CONUS Major Subordinate Command (MSC), SJAs will collect and forward disciplinary statistics to the supporting USARC, SJA. Such statistics will be included in the report by the USARC SJA in the month when received regardless of the date of imposition of the punishment or the date of the convening authority's action.

15-2. Frequency and content

a. The report will be prepared monthly and will include—

- (1) Total nonjudicial punishments (formal and summarized) during the month.
- (2) Total SCMs reviewed under UCMJ, Art. 64, during the month.
- (3) Processing time for SCMs.
- (4) Civilian felony convictions.
- (5) Total number of chapter 10s approved in all court-martial cases.

b. If a GCM jurisdiction is dissolved, unless the records are transferred to the office of the SJA of another GCM jurisdiction, the report will include data up to the date of dissolution.

15-3. Routing and due date

a. The report will be sent by the SJA (with a copy to the MACOM SJA) to Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street, Arlington, VA 22203-1837, not later than 5 working days after the last day of the month, or if the GCM jurisdiction is dissolved, as soon as possible after the dissolution.

b. For USAR units located within the CONUS, MSC SJAs will collect and forward disciplinary statistics to their AA (as defined in AR 135-210) GCMCAs with copies furnished to USARC SJA (ATTN: Military Law Division) and their respective CONUSA SJA. Such statistics will be included in the report by the USARC SJA in the month when received regardless of the date of imposition of the punishment or the date of the convening authority's action. The JAG-2 Report provided to USARC and CONUSA SJAs should be for informational purposes only. The supporting AA (as defined in AR 135-210) GCMCA is responsible for forwarding the JAG-2 Reports to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA, 901 North Stuart Street Arlington, VA 22203-1837.

15-4. Negative reports

Negative reports are required and may be submitted by memorandum or message, phone, or facsimile to the Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA.

15-5. Instructions for completing DA Form 3169

a. *Section A-Nonjudicial Punishment.*

(1) Item 1a. Total Soldiers punished. In the "summarized" column, enter the number of soldiers who received nonjudicial punishment through summarized procedure during the report period. In the "formal" column, enter the number who received punishment through formal procedures. Add the two entries and enter the total in item 5a.

(2) Item 1b. Total imposed for drug offenses. Enter in the respective columns the number of soldiers shown in item 1a on whom punishment was imposed for a drug offense (whether or not a nondrug offense was also involved). For this report, do not report alcohol as a drug.

(3) Item 2. Total number of appeals from punishment. Enter the number of appeals received in the report period, according to whether the punishment appealed from was imposed by summarized or formal procedures. Report an appeal even though the punishment might have been imposed during an earlier report period and regardless of whether the appeal has been finally acted on. The unit in which the appeal is acted on (not the unit in which the punishment was imposed, if the two are different) will report the appeal from punishment.

(4) Item 3. Number of appeals granted. Enter the number of appeals granted during the report period in whole or in part according to the type of procedure (summarized or formal) used in the punishment appealed from. The unit in which the appeal is acted on (not the unit in which the punishment was imposed, if the two are different) will report the appeal granted.

(5) Item 4. Number of Soldiers who were offered but refused to accept Article 15. Enter the number of soldiers offered nonjudicial punishment who, during the report period, demanded trial by court-martial in lieu of the type of nonjudicial punishment (summarized or formal) offered.

(6) Item 5a. Combined total. This is the total of the two entries in Item 1a.

(7) Item 5b. Profile of Soldiers punished by Article 15. When entering information here, assure that the column totals are correct and, when added together, agree with the information shown in item 1a or 1b. For example, the number of enlisted males and enlisted females shown here as receiving summarized punishment must agree with the number entered in the item 1a "summarized" column. The number shown as receiving punishment for drug offenses must agree with the number shown in the item 1b "summarized" column. Similarly, the number of male and female officers and enlisted Soldiers shown as receiving "formal" punishment must agree with those shown in the respective formal columns of items 1a (total for all offenses) and 1b (total for drug offenses).

b. Section B—Summary Courts-Martial.

(1) Item 6a. Total number of SCM. For the first four blocks of item 6a, enter the number of SCM during the report period—

- (a) Terminated prior to findings.
- (b) Resulting in acquittal.
- (c) Resulting in disapproval of all findings of guilty by the convening authority.
- (d) Reviewed by a JA.

(2) Item 6a. Total number of SCM drug specifications. Enter in the last three blocks of item 6a the total number of charged drug specifications for all tried SCM, by categories of—

(a) *Use or possession.* Wrongful introduction of a controlled substance and wrongful importation or exportation of a controlled substance will be reported as “use or possession” in this block.

(b) *Distribution.* C.

(c) *Manufacture.* Note that, because of potentially multiple drug specifications in any SCM case, the numbers of drug specifications in any or all of the last three blocks of item 6a may total more than the numbers of drug-related SCM cases in the third or fourth block of item 6a.

(3) Item 6b. Tried by military judge. Enter the number of cases shown in 6a in which a military judge was the SCM.

(4) Items 7a, 7b, 8. Self-explanatory.

(5) Item 9. Profile of soldiers tried and profile of soldiers convicted by SCM. Enter in each of the four columns in items 9a and 9b the number of soldiers in each ethnic category listed. The total for each column must equal the sum of the numbers in the ethnic categories in the same column.

c. Section C—Processing Time.

(1) Item 10. In the “summary court-martial” column, enter the number of SCMs completed during the report period (same as “total tried” in item 6a). In the “special court-martial” column, enter the number of SPCMs during the report period—

- (a) Terminated prior to findings.
- (b) Resulting in acquittal.
- (c) Resulting in disapproval of all findings of guilty by the convening authority.
- (d) Reviewed by a JA and not including approved sentences to a BCD.

(2) Items 11, 12, and 13. Compute the averages by examination of the records of trial and allied papers reflected in item 10. Round fractions of one-half or more to the next higher whole number.

d. Section D—chapter 10s.

(1) Item 14. Total chapter 10s. In the first column enter the numbers, for each category, of all approved discharges (including those based on drug charges) under AR 635–200, chapter 10. Enter the total number of chapter 10s at the bottom of the first column.

(2) Item 14. Total drug-related chapter 10s. In the second column enter the numbers, for each category, of all approved discharges under AR 635–200, chapter 10, based wholly or in part on drug charges. Enter the total number of drug-related chapter 10s at the bottom of the second column.

(3) Item 14. Total drug-related specifications. Enter in the last three columns of item 14, for each category, the total number of charged drug specifications of—

(a) *Use or possession.* Wrongful introduction of a controlled substance and wrongful importation or exportation of a controlled substance will be reported as “use or possession” in this column.

(b) *Distribution.* C.

(c) *Manufacture.* Note that, because of potentially multiple drug specifications in any court-martial case, the numbers of drug specifications in any or all of the last three columns of item 14 may total more than the numbers of drug-related chapter 10 cases.

e. Section E—Civilian Felony Convictions. Item 15. Enter the number of persons (including those on leave, TDY, or AWOL) assigned or attached to units of the reporting jurisdiction reported during the reporting period as having been convicted in any U.S. Federal or State jurisdiction of an offense amounting to a felony under the laws of that jurisdiction.

Chapter 16

Allegations of Misconduct and Suspension of Counsel and Military Judges

Section I

General

16-1. Scope

This chapter implements and amplifies R.C.M. 109. It sets forth standards and procedures for handling complaints by and against counsel, including civilian counsel, and military judges. Counsel before courts-martial, appellate counsel, and military judges play a vital role in the preservation of military justice and discipline. A consequent obligation of this role is the maintenance of the highest standards of ethical conduct. Fundamental ethical principles are available as guides in maintaining this integrity (see para 5-8).

16-2. Withdrawal of certification by TJAG

Nothing contained in this regulation is to be construed as a limitation on the power of TJAG to issue or withdraw—

- a.* Any certification of qualification to act as military judge made pursuant to UCMJ, Art. 26, or
- b.* Any certification of competency to act as counsel before GCM made pursuant to UCMJ, Art. 27(b).

Section II

Suspension of Counsel

16-3. General

a. Action may be initiated to suspend counsel (R.C.M. 109) when a person acting or about to act or likely to act, as counsel before proceedings governed by the UCMJ or the MCM—

(1) Is, or has been guilty, of professional or personal misconduct of such a serious nature as to show that he or she is lacking in integrity or good demeanor, or

(2) Is otherwise unworthy or unqualified to perform the duties of counsel.

b. Action to suspend under this chapter may be taken against a person who—

(1) Is certified as qualified to perform the duties of counsel of GCM under UCMJ, Art. 27(b), or

(2) Has been selected or obtained as counsel by the accused under UCMJ, Art. 38(b).

(3) Has appeared as counsel for the accused in proceedings governed by the UCMJ or the MCM, or is likely to represent the accused at such proceedings in the future.

16-4. Grounds for suspension

a. Grounds for suspension include, but are not limited to—

(1) Demonstrated incompetence while acting as counsel during pretrial, post-trial, or appellate stages of the proceedings.

(2) Preventing or obstructing justice, including the deliberate use of frivolous or unwarranted dilatory tactics.

(3) Fabricating or attempting to fabricate papers, testimony, or evidence.

(4) Tampering or attempting to tamper with a witness.

(5) Abusive conduct toward the members of the court, the military judge, or other counsel.

(6) Conviction of a felony or any offense involving moral turpitude.

(7) Conviction, receipt of nonjudicial punishment, or nonpunitive disciplinary action for a violation of Article 98, UCMJ.

(8) Attempting to act as counsel in a case involving a security matter by one who is a security risk.

(9) Disbarment or suspension by a Federal, State, or foreign court.

(10) Suspension from practice as counsel before courts-martial by the JAG of another armed force or by the USCAAF.

(11) Flagrant or continued violations of any specific rules of conduct prescribed for counsel in paragraph 5-8 of this regulation, or other applicable standards.

(12) Violation of the Army Rules of Professional Conduct for Lawyers (AR 27-26) or other applicable ethical standards, whether such misconduct occurs before a military court or other tribunal.

b. Action to suspend should not be initiated because of—

(1) Personal prejudices or hostility toward counsel, because he or she has presented an aggressive, zealous, or novel defense, or

(2) When the apparent misconduct as counsel stems solely from inexperience or lack of instruction in the performance of legal duties.

16-5. Action to suspend military counsel

a. General. Action to suspend a person from acting as counsel before courts-martial or as appellate counsel may be initiated when other available remedial measures, including punitive action—

- (1) Are inappropriate.
- (2) Have failed to induce proper behavior.

b. Remedial measures. Full consideration will be given to the appropriateness and effectiveness of such measures as—

- (1) Admonition.
- (2) Instruction.
- (3) Temporary suspension.
- (4) Proceedings in contempt.
- (5) Nonjudicial punishment under UCMJ, Art. 15.
- (6) Trial by court-martial.
- (7) Relief of the person from duties as appointed counsel, assistant counsel, or appellate counsel.

c. By a court-martial. The trial judge or court-martial without a trial judge may determine initially and on his or her or its own motion whether a person is qualified to act as counsel before the court-martial in a particular case. If a counsel is guilty of misconduct, the trial judge or a court-martial without a trial judge may admonish him or her. If the misconduct is contemptuous, the trial judge or court-martial may punish him or her (Article 48, UCMJ; R.C.M. 109). If admonition or punishment is inappropriate or fails to achieve the desired standard of behavior, the court should recess and report the fact to the supervising staff or command judge advocate or Regional Defense Counsel for processing according to AR 27-1.

d. By an appellate court. Action to suspend a person acting as appellate counsel will be referred to the supervising JA for processing according to AR 27-1.

16-6. Action to suspend civilian counsel

The procedures and actions set forth above for suspending military counsel or civilian counsel within the Judge Advocate Legal Service (JALS) will also apply, insofar as practicable, against civilian counsel who represent the accused, or are likely to represent the accused, at courts-martial or other proceedings governed by the UCMJ or the MCM.

16-7. Modification or revocation of suspension or decertification

TJAG may (on petition of a person who has been suspended or decertified as counsel (UCMJ, Art. 27(b)), and on good cause shown) modify or revoke a prior order to suspend or decertify.

16-8. Removal of counsel or reassignment of duties

Nothing in this chapter will prevent the military judge or other appropriate official from removing a counsel from acting in a particular court-martial, nor prevent the permanent reassignment or assignment temporarily to different duties prior to, during, or subsequent to proceedings conducted under the provisions of this chapter.

Section III

Suspension of Military Judges

16-9. General

Action may be initiated to suspend or revoke the certification to act as military judge (UCMJ, Art. 26; R.C.M. 109) when a person acting or about to act as trial or appellate judge—

- a.* Is, or has been found guilty of professional, personal, or judicial misconduct or of unfitness of such a serious nature as to show that the individual is lacking in integrity or judicial demeanor, or
- b.* Is otherwise unworthy or unqualified to perform the duties of a military judge.

16-10. Grounds

A military judge may be censured, suspended from acting as military judge, or removed from the judicial role by revocation of his or her certification (UCMJ, Art. 26) for actions that—

- a.* Constitute misconduct, or constitute judicial misconduct or unfitness, or
- b.* Violate the Code of Judicial Conduct for Army Trial and Appellate Judges, the Army Rules of Professional Conduct for Lawyers, or other applicable standards.

16-11. Removal of a military judge

a. Action to suspend a person from acting as military judge, or to revoke his or her certification as military judge, may be initiated when other available remedial measures are inappropriate or have failed to induce proper behavior. Accordingly, consideration will be given to other measures such as—

- (1) Relief from duties as military judge.
- (2) Censure.
- (3) Admonition.
- (4) Instruction.
- (5) Other sanctions, including punitive ones, as may be warranted.

b. In appropriate cases, the Chief Judge, U.S. Army Judiciary, may temporarily suspend military judges from participation in the trial of cases until completion of the inquiry. In appropriate cases, TJAG may temporarily suspend military judges from participating in the trial of cases or appellate judges from participating in the appellate review of cases, until completion of the inquiry.

16–12. Procedure

Information on alleged judicial misconduct or unfitness will be reported to the Chief Trial Judge in the case of trial judges or the Chief Judge, U.S. Army Court of Criminal Appeals, in the case of appellate judges, for processing according to AR 27–1.

16–13. Modification or revocation of suspension or decertification

TJAG may (on petition of a person who has been suspended or decertified as a military judge (UCMJ, Art. 26), and on good cause shown) modify or revoke a prior order to suspend or decertify, on the advice of the Chief Judge, USACCA. TJAG may (on petition of a person who has been suspended or decertified as a military judge (UCMJ, Art. 26), and on good cause shown) modify or revoke a prior order to suspend or decertify on the advice of the Chief Judge, U.S. Army Judiciary.

Chapter 17 Custody Policies Overseas

17–1. General

This chapter establishes the authority and procedures for exercise of custody over U.S. military personnel subject to the criminal jurisdiction of foreign courts. The authority to exercise appropriate forms of custody over such military members pending the outcome of foreign criminal proceedings (pursuant to provisions of Status of Forces Agreements (SOFAs)) does not abrogate, in any manner, the authority of the commander granted under the UCMJ.

17–2. Custody policies

a. It is U.S. policy to seek the release from foreign custody of Soldiers pending final disposition of their criminal charges under foreign law. (Final disposition of foreign criminal charges incorporates all stages of the host country's criminal proceedings, including appeals, up to commencement of any sentence to confinement resulting from conviction on the foreign criminal charges.) Release from foreign custody will be sought through—

- (1) The exercise of U.S. custody rights under applicable international agreements.
- (2) The posting of bail.
- (3) The exercise of other rights under local law.

b. U.S. Army personnel charged with offenses in foreign courts will not be transferred or removed from the jurisdiction of such courts without approval of the commanding officer or country representative until final disposition of the charges. In cases of serious offenses (for example, felonies), TJAG's approval is required if transfer or removal, including authorized leave, involves the return of the accused to the United States. Requests for such approval will be sent to the International and Operational Law Division, ATTN: DAJA–IO, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209–2194. The procedures set forth in AR 600–8–2 will be used as required in that regulation.

c. While U.S. Army personnel under charges in foreign courts are personally responsible for attending scheduled hearings, commanders will ensure that appropriate assistance is rendered to such personnel. When U.S. Army authorities have pretrial custody or custody pending appeal, the individual will be made available for all court hearings in his or her case at which his or her presence is required (under SOFA or other international agreements).

d. U.S. Army personnel stationed in foreign countries who are involved in incidents subject to the jurisdiction of foreign courts will not be curtailed, reassigned, or transferred to avoid jurisdiction by host-country authorities.

17–3. Exercise of custody provisions granted under international agreements

a. The degree of custody required to meet any custodial obligations under pertinent SOFAs is at the discretion of the commander of the Soldier under foreign criminal charges. Such custody may include restriction to certain prescribed limits or confinement in a U.S. installation confinement facility. Confinement in a U.S. installation confinement facility will only be authorized when it is necessary to ensure the presence of the accused at trial or other foreign criminal

proceeding, or to avoid foreseeable future serious criminal misconduct by the accused. The seriousness of the offense charged and circumstances surrounding it are factors that may be used to determine whether the accused need be confined to ensure the accused's presence or whether future serious criminal misconduct is foreseeable.

b. Immediate steps will be taken to inform the individual confined of—

- (1) The specific offense of which the individual is accused.
- (2) The proposed action to be taken against the individual by foreign authorities.

c. Confinement under these provisions pending the final disposition of foreign criminal charges may be authorized by a GCM convening authority responsible for exercising U.S. custody over the Soldier.

d. Minimum due process standards (to be included in procedures drawn to implement these provisions as set forth in para 17-4) will include review of foreign criminal charges by the local SJA to determine whether—

(1) Probable cause exists to believe that confinement is necessary to ensure the accused's presence at trial or other foreign criminal proceeding, or to avoid foreseeable future serious criminal misconduct by the accused within the host country.

(2) Provision of a military legal advisor is necessary under the terms of AR 27-50, paragraph 1-6, for individuals placed in pretrial confinement under this chapter.

e. In addition, SOFA confinement will be reviewed as follows—

(1) A military magistrate or comparable legal officer (an officer other than the officer who ordered the Soldier into confinement) will review the issue of whether probable cause exists to believe that confinement is necessary. The review will be made in light of the SOFA and other international agreements between the United States and the host country. Consistent with the provisions of applicable international agreements and the policy of seeking release of Soldiers from foreign custody, the magistrate or comparable legal officer may also consider any pertinent factors, including specific requests by the host country to confine or by the Soldier to be confined in the U.S. in lieu of foreign custody. Unless otherwise provided for under SOFA obligations, the military magistrate or comparable legal officer will not inquire into the issue of whether probable cause exists to believe that the accused has committed the offenses charged under foreign law. The military magistrate or comparable legal officer may recommend release from confinement if the military magistrate determines that it is not necessary to ensure the accused's presence and that it is not foreseeable that the accused will engage in future serious criminal misconduct.

(2) The provisions of R.C.M. 305 do not apply to review of SOFA confinement (see para 17-4). If the military magistrate or comparable legal officer recommends that confinement is not necessary to ensure the accused's presence at trial or other foreign criminal proceeding, and that it is not foreseeable that the accused will engage in future serious criminal misconduct within the host country, that recommendation will be communicated to the designated commanding officer (DCO). The DCO (see AR 27-50, app C) may, in the DCO's discretion, direct release from confinement or order such other disposition deemed appropriate. Coordination with host country authorities is also within the discretion of the DCO as specified in AR 27-50, paragraph 1-7. If the DCO was also the GCM authority who ordered the Soldier into confinement and does not direct release based on the recommendation of the military magistrate or comparable legal officer, the DCO will forward the recommendation, together with comments, to the International and Operational Law Division, ATTN: DAJA-IO, HQDA, Office of The Judge Advocate General, 1777 North Kent Street, Rosslyn, VA 22209-2194. Under such circumstances, TJAG is delegated authority to direct release from U.S. confinement or order such other disposition deemed appropriate.

17-4. Implementation by major commands

Each Army overseas commander may, after prior approval by Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194, supplement this chapter and require—

a. A publication for each country in which the Army overseas commander's subordinate commands or assigned units and activities are located.

b. Procedures for the implementation of Army policy regarding custodial rights and responsibilities by Army commands in that country.

Chapter 18 Victim/Witness Assistance

Section I General Description

18-1. Purpose

This chapter implements P.L. 97-291 (Victim and Witness Protection Act of 1982), P.L. 98-473 (Victims of Crime

Act of 1984), P.L. 101–647 (Victims’ Rights and Restitution Act of 1990), P.L. 102–484 (National Defense Authorization Act for Fiscal Year 1993), P.L. 103–160 (National Defense Authorization Act for Fiscal Year 1994), and DODD 1030.1. It also establishes policy, designates responsibility, and provides guidance for the assistance and treatment of those persons who are victims of crime and those persons who may be witnesses in criminal justice proceedings.

18–2. Policy

a. The military justice system is designed to ensure good order and discipline within the Army and also to protect the lives and property of members of the military community and the general public consistent with the fundamental rights of the accused. Without the cooperation of victims and witnesses, the system would cease to function effectively. Accordingly, all persons working within and in support of the system, that is, commanders, JAs, law enforcement and investigative agencies, corrections officials, and other personnel of Army multidisciplinary agencies, must ensure that victims and witnesses of crime are treated courteously and with respect for their privacy. Interference with personal privacy and property rights will be kept to an absolute minimum.

b. In those cases in which a victim has been subjected to attempted or actual violence, every reasonable effort will be made to minimize further traumatization. Victims will be treated with care and compassion, particularly in circumstances involving children, domestic violence or sexual misconduct.

c. Effective victim/witness programs are multidisciplinary and utilize all related military and civilian agencies. Victim/witness liaison (VWL) must be familiar with all such agencies and programs to ensure that necessary services are provided. Multidisciplinary participants include, but are not limited to, investigative and law enforcement personnel, chaplains, health care personnel, family advocacy/services personnel, JAs and other legal personnel, unit commanding officers and noncommissioned officers, and corrections/confinement facility personnel. In most instances, installations are expected to provide required services without referral to outside agencies. In death cases, the VWL will coordinate with the installation/community casualty working group (AR 600–8–1, chap 7) and the U.S. Army Criminal Investigation Command (Criminal Investigation Command points of contact are listed on the Internet at <http://www.cid.army.mil/contact/default.htm>).

d. A person’s status as a victim or witness does not preclude and should not discourage a DA official’s appropriate recognition of conduct of the victim or witness during or following the perpetration or attempted perpetration of a crime, that clearly demonstrates personal courage under dangerous circumstances. Examples of such conduct include: saving of human life under hazardous conditions; or extraordinary sacrifice that aids or supports military law, order, or discipline, and that would otherwise merit official recognition (see ARs 672–20 and 600–8–22). Such recognition normally should be delayed until after local disposition of the incident.

e. The provisions of this chapter are intended to provide internal DA guidance for the protection and assistance of victims and witnesses, and for the enhancement of their roles in the military criminal justice process, without infringing on the constitutional and statutory rights of the accused. These provisions are not intended to and do not create any entitlements, causes of actions, or defenses, substantive or procedural, enforceable at law, by any victim, witness, or other person in any matter, civilian or criminal, arising out of the failure to accord a victim or witness the services enumerated in this chapter. No limitations are hereby placed on the lawful prerogatives of DA or its officials.

18–3. Application

a. This chapter applies to those DA components engaged in the detection, investigation, or prosecution of crimes under the UCMJ or Federal statutes, and in the detention and incarceration of military accused. This chapter is intended to apply to all victims and witnesses in UCMJ or Federal court proceedings or investigations. While special attention will be paid to victims of serious or violent crime, all victims and witnesses of crime will receive the assistance and protection to which they are entitled.

b. Provisions of this chapter may also apply to victims or witnesses of crimes under the jurisdiction of State, other Federal, or foreign authorities during any portion of the criminal investigation or military justice proceedings conducted primarily by the Army or other DOD components.

18–4. Objectives

The objectives of the policies and procedures set forth in this chapter are—

a. To mitigate, within the means of available resources and under applicable law, the physical, psychological, and financial hardships suffered by victims and witnesses of offenses investigated by DA authorities.

b. To foster the full cooperation of victims and witnesses within the military criminal justice system.

c. To ensure that victims of crime and witnesses are advised of and accorded the rights described in this chapter, subject to available resources, operational commitments, and military exigencies.

18–5. Definitions

For purposes of this chapter, the following definitions apply:

a. Victim. A person who has suffered direct physical, emotional, or pecuniary harm as a result of the commission of a crime committed in violation of the UCMJ, or in violation of the law of another jurisdiction if any portion of the

investigation is conducted primarily by the DOD components. Such individuals will include, but are not limited to, the following:

- (1) Military members and their family members.
- (2) When stationed outside the continental United States, DOD civilian employees and contractors and their family members. This applies to services not available to DOD civilian employees and contractors, and their family members, in stateside locations, such as medical care in military medical facilities.
- (3) When a victim is under 18 years of age, incompetent, incapacitated or deceased, the term includes one of the following (in order of preference): a spouse; legal guardian; parent; child; sibling; another family member; or another person designated by a court or the Component responsible official, or designee.
- (4) For a victim that is an institutional entity, an authorized representative of the entity. Federal Departments and State and local agencies, as entities, are not eligible for services available to individual victims.

b. Witness. A person who has information or evidence about a crime and provides that knowledge to a DOD component concerning an offense within the component's investigative jurisdiction. When the witness is a minor, this term includes a family member or legal guardian. The term "witness" does not include a defense witness or any individual involved in the crime as a perpetrator or accomplice.

Section II

Victim/Witness Assistance Program

18-6. General

a. The Victim/Witness Assistance Program is designed to accomplish the objectives set forth in paragraph 18-4, through—

- (1) Encouraging the development and strengthening of victim/witness services.
- (2) Consolidating information pertaining to victim/witness services.
- (3) Coordinating multidisciplinary victim/witness services by and through victim/witness liaisons.

b. TJAG is the component responsible official in the DA for victim/witness assistance. As such, TJAG exercises oversight of the program to ensure integrated support is provided to victims and witnesses.

c. SJAs are the local responsible officials for victim and witness assistance within their GCM jurisdictions. Accordingly, they will—

- (1) Establish and provide overall supervision for the Victim/Witness Assistance Program within their GCM jurisdictions.
- (2) Ensure coordination, as required, with other GCM jurisdictions, or State or Federal victim and witness assistance programs.
- (3) Establish a Victim and Witness Assistance Council, to the extent practicable, at each significant military installation to ensure interdisciplinary cooperation among victim and witness service providers. Existing installation councils, such as The Family Advocacy Case Management Team, may be utilized as appropriate.
- (4) Ensure development of appropriate local management controls to ensure compliance with this chapter.

d. Department of the Army and installation inspector generals will provide additional oversight and review of the management of the victim/witness assistance program during staff assistance visits and inspections.

18-7. Victim/Witness Liaison

a. Designation. SJAs will designate, in writing, one or more VWLs they have certified as qualified to administer the Victim/Witness Assistance Program for their jurisdictions. This requirement continues in the event of deployment such that at least one officer or, if not practicable, an E-6 or above, accompanying a GCMCA is appointed as a VWL. SJA's will provide a copy of such designation to the Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194 including the name, duty address, duty phone number (including DSN prefix), facsimile number, and duty e-mail address of the new VWL.

b. Criteria and Certification. The designated VWL should, when practicable, be a commissioned or warrant officer, or civilian in the grade of GS-11 or above. When necessary, an enlisted person in the grade of E-6 or above, or civilian in the grade of GS-6 or above, may be designated as a VWL if a commissioned or warrant officer is not reasonably available. A VWL is certified to perform VWL duties upon completion of the Judge Advocate General's Officer Basic Course, or Graduate Course; or attendance at a DOD or HQDA-sponsored VWL regional training event; or after completing training designated by HQDA or the certifying SJA. When for geographic or operational reasons, it is necessary to designate more than one VWL within a GCM jurisdiction, the SJA will ensure that the responsibilities for cases or areas of each VWL are clearly defined. VWL responsibilities should be outside the military justice section to the extent permitted by resources. To be most effective, VWLs must be perceived as impartial actors in the prosecution process. To the extent permitted by resources, SJAs should refrain from appointing attorneys as VWLs. Attorneys assigned as VWLs must ensure that victims and witnesses understand the attorney's role as a VWL. The attorney must clearly explain that no attorney-client relationship is formed as a result of VWL services provided by the attorney.

c. Role. The role of the VWL is one of facilitator and coordinator. The VWL will act as a primary point of contact through which victims and witnesses may obtain information and assistance in securing available victim/witness services. The VWL will act in conjunction with the Unit Victim Advocate (UVA) who is responsible for providing crisis intervention, referral, and ongoing non-clinical support to a sexual assault victim. (See AR 600–20, chap 8).

18–8. Identification of victims and witnesses

At the earliest opportunity after the detection of a crime, and where it may be done without interfering with an investigation, the law enforcement official or commander responsible for the investigation or other individual with victim/witness assistance responsibilities under this chapter will—

- a.* Identify the victims or witnesses of the crime in accordance with the definitions in paragraph 18–5.
- b.* Inform the victims and witnesses of their right to receive the services described in this regulation, and the name, title, official address, and telephone number of the VWL and how to request assistance from the VWL in obtaining the services described in this regulation. DD Form 2701 (Initial Information for Victims and Witnesses of Crime) will be used for this purpose. This notification is required in all cases, regardless of maximum punishment under the UCMJ or other statutory authority, or intended disposition of the offense. In cases where the victim is no longer located at the military installation where the alleged crime occurred, the victim should be referred to the nearest available VWL, who may not necessarily be the VWL where the alleged crime occurred. To determine where the nearest VWL is located, consult appendix E, military justice area support responsibilities, or consult OTJAG, DAJA–CL.
- c.* Report victim and witness notification in accordance with DOD Instruction (DODI) 1030.2 and this regulation.
- d.* Insure that victims receive assistance under the guidelines set forth in this chapter for victims identified as a result of investigations of potential UCMJ violations conducted in accordance with AR 15–6.

18–9. Initiation of liaison service

a. SJAs or their designees will coordinate with military law enforcement, criminal investigative, and other military and civilian multidisciplinary agencies to ensure that victims and witnesses of crime are provided the name, location, and telephone number of a VWL. Procedures should be established to ensure timely notification, however, notification by law enforcement and criminal investigative personnel should not interfere with ongoing investigations. SJAs are encouraged to establish Memoranda of Agreement to ensure a cooperative relationship with local civilian agencies to identify, report, investigate, and provide services and treatment to victims.

b. At the earliest opportunity, but no later than appointment of an Article 32 investigative officer or referral of charges to court-martial, the VWL, trial counsel, or other Government representative will ensure that victims are informed of the services described in this chapter (sections III and V) and are provided a Victim/Witness Information Packet. They also will ensure that witnesses are informed of the services described in this chapter (sections IV and V) and provided a Victim/Witness Information Packet. DD Form 2701 will be used for this purpose, if available. The Victim/Witness Checklist (appendix D) should be used by the VWL to ensure that victims and witnesses are notified of the services described in this chapter.

18–10. Rights of crime victims

- a.* As provided for in 42 USC 10601 et seq, and DODI 1030.2, a crime victim has the following rights:
- (1) The right to be treated with fairness, dignity, and a respect for privacy.
 - (2) The right to be reasonably protected from the accused offender.
 - (3) The right to be notified of court proceedings.
 - (4) The right to be present at all public court proceedings related to the offense, unless the court determines that testimony by the victim would be materially affected if the victim heard other testimony at trial, or for other good cause.
 - (5) The right to confer with the attorney for the Government in the case.
 - (6) The right to restitution, if appropriate.
 - (7) The right to information regarding conviction, sentencing, imprisonment, and release of the offender from custody.
- b.* SJAs will ensure establishment of local policies and procedures to accord crime victims the rights described above.

18–11. Training and publicity

a. SJAs will ensure annual victim/witness assistance program training is provided to representatives of all agencies performing victim/witness assistance functions (JAs and legal, investigative and law enforcement personnel; chaplains; health care personnel; family advocacy/services personnel; unit commanding officers and noncommissioned officers; and corrections/confinement facility personnel) within their GCM jurisdictions. At a minimum, training will cover victims' rights; available compensation through Federal, State, and local agencies; providers' responsibilities under the victim/witness assistance program; and requirements and procedures established by this chapter.

b. SJAs also will ensure that the provisions of this chapter are publicized to all military and civilian agencies

providing victim/witness services and to commands within their jurisdictions. SJAs will ensure that the DOD Victim and Witness Bill of Rights is displayed in the offices of commanders and Army multidisciplinary agencies that provide victim/witness assistance and that victim/witness brochures and pamphlets are available at appropriate locations throughout their jurisdictions. Installation public affairs resources should be used to obtain maximum publicity within the military community. Use of command policy letters endorsing the victim/witness assistance program is encouraged.

Section III

Victim Services

18–12. Medical, financial, legal, and social services

a. Investigative or law enforcement personnel, the VWL, trial counsel, or other individuals with victim/witness assistance responsibilities under this chapter will inform the victim of the place where the victim may receive emergency medical care and social service support. When necessary, these personnel will provide appropriate assistance in securing such care. Victims suffering from or indicating injury or trauma will be referred to the nearest available medical facility for emergency treatment. When required for completion of criminal investigations, examination and treatment of civilian victims of assaults committed on Army installations may be provided without charge at the discretion of Medical Treatment Facility (MTF) commanders (AR 40–400, para 3–60). MTF commanders will construe liberally their authority to waive charges unless inappropriate in view of the unique circumstances. Abused dependents of soldiers who receive a dishonorable or bad conduct discharge, or a dismissal, for an offense involving abuse of the dependent, may receive medical and dental care in uniformed services facilities for injuries resulting from that abuse (10 USC 1076(e)).

b. The VWL or other Government representative will assist victims of crime in obtaining appropriate financial, legal, and other social service support by informing them of public and private programs that are available to provide counseling, treatment, and other support to the victim, including available compensation through Federal, State, and local agencies. The VWL will assist the victim in contacting agencies or individuals responsible for providing necessary services and relief. Examples of assistance and services that may be available to victims, in addition to those available through MTFs, include the following:

- (1) Army Community Services Program (AR 608–1).
- (2) Army Emergency Relief (AR 930–4).
- (3) Legal Assistance (AR 27–3).
- (4) The American Red Cross (AR 930–5).
- (5) Chaplain Services (AR 165–1).
- (6) Civilian community-based victim treatment, assistance, and compensation programs.
- (7) For dependents of soldiers who are victims of abuse by the military spouse or parent, payment of a portion of the disposable retired pay of the soldier under 10 USC 1408 or payment of transitional compensation benefits under 10 USC 1059.
- (8) For families of soldiers, transportation and shipment of household goods may be available even if the soldier receives a punitive or other than honorable discharge (see Joint Travel Regulations for specifics).

c. Judge Advocates will serve on the Sexual Assault Review Board (SARB). (See AR 600–20.)

d. When victims are not eligible for military services, or in those cases in which military services are not available, the VWL will provide liaison assistance in seeking any available nonmilitary services within the civilian community.

18–13. Stages and role in military criminal justice process

Victims should be advised of stages in the military criminal justice system, the role that they can be expected to play in the process, and how they can obtain additional information concerning the process and the case. This information will be set forth in a Victim Information Packet (DD Form 2701 and DD Form 2702 (Court-Martial Information for Victims and Witnesses of Crime)), and should be further amplified, as required, by the VWL or trial counsel (for example, some offenses may be tried in U.S. Magistrate or U.S. District Court).

18–14. Notification and description of services provided victims of crime

a. During the investigation and prosecution of a crime, the VWL, trial counsel, or other Government representative will provide a victim the earliest possible notice of significant events in the case, to include—

- (1) The status of the investigation of the crime, to the extent that it will not interfere with the conduct of the investigation, the rights of the accused, or the rights of other victims or witnesses.
- (2) The apprehension of the suspected offender.
- (3) The decision whether to prefer (or file in a civilian court) or dismiss the charges against a suspected offender.
- (4) The initial appearance of the suspected offender before a judicial officer at a pretrial confinement hearing or at an UCMJ, Art. 32, investigation.
- (5) The scheduling (date, time, and place) of each court proceeding that the victim is either required or entitled to attend and of any scheduling changes.

- (6) The detention or release from detention of an offender or suspected offender.
- (7) The acceptance of a plea of guilty or the rendering of a verdict after trial.
- (8) The opportunity to consult with trial counsel about providing evidence in aggravation concerning financial, social, psychological, and physical harm done to, or loss suffered by, the victim.
- (9) The result of trial or other disposition.
- (10) If the sentence includes confinement, the probable date by regulation on which the offender will be eligible for parole.
- (11) General information regarding the corrections process, including information about work release, furlough, probation, parole and other forms of release from custody, and the offender's eligibility for each.
- (12) The right to request, through the VWL, trial counsel, or designee of the commander of the corrections facility to which the offender is assigned, notice of the matters set forth in paragraph *b*, below.
- (13) How to submit a victim impact statement to the Army Clemency and Parole Board for inclusion in parole and clemency considerations. (See AR 15–130, chap 3.)
 - b*. Upon a sentence to confinement, the trial counsel or a representative for the Government will—
 - (1) Formally inform the victim regarding post-trial procedures, and the right to be notified if the offender's confinement or parole status changes, and when the offender will be considered for parole or clemency by providing the victim DD Form 2703 (Post-Trial Information for Victims and Witnesses of Crime).
 - (2) Ensure the victim's election regarding notification is recorded on DD Form 2704 (Victim/Witness Certification and Election Concerning Inmate Status), in every case, regardless of election. One copy of DD Form 2704 will be given to the victim. One copy of the form will be forwarded to the commander of the gaining confinement facility. One copy of the form will be forwarded to the Army's central repository, the U.S. Army Military Police Operations Agency, at the following: Headquarters, Department of the Army, Office of the Provost Marshal General, ATTN: Victim Witness Central Repository Manager, 2800 Army Pentagon, Washington DC 20310–2800.
 - (3) Ensure that a copy of DD Form 2704 is not attached to any portion of a record to which the offender has access.

18–15. Consultation with victims

- a*. When appropriate, trial counsel, VWL, or other Government representative will consult with victims of crime concerning—
 - (1) Decisions not to prefer charges.
 - (2) Decisions concerning pretrial restraint of the alleged offender or his or her release.
 - (3) Pretrial dismissal of charges.
 - (4) Negotiations of pretrial agreements and their potential terms.
- b*. Consultation may be limited when justified by the circumstances, such as to avoid endangering the safety of a victim or a witness, jeopardizing an ongoing investigation, disclosing classified or privileged information, or unduly delaying the disposition of an offense. Although the victim's views should be considered, nothing in this regulation limits the responsibility and authority of appropriate officials to take such action as they deem appropriate in the interest of good order and discipline and to prevent service-discrediting conduct.

18–16. Property return and restitution

- a*. In coordination with criminal investigative agents and Government Appellate Division, SJAs or their designees will ensure that all noncontraband property that has been seized or acquired as evidence for use in the prosecution of an offense is safeguarded and returned to the appropriate person, organization, or entity as expeditiously as possible per AR 195–5, paragraph 2–8 or AR 190–30, as applicable. The VWL or other Government representative will ensure that victims are informed of applicable procedures for requesting return of their property. SOFAs or other international agreements may apply overseas. SJAs should review provisions of applicable agreements.
- b*. Victims who suffer personal injury or property loss or damage as a result of an offense should be informed of the various means available to seek restitution. Article 139, UCMJ, may provide some relief if the property loss or damage is the result of a wrongful taking or willful damage by a member of the armed forces (care must be taken to ensure that Article 139 investigations are conducted in a manner that does not interfere with any ongoing criminal investigations or courts-martial proceedings). Victims should also be informed of the possibility of pursuing other remedies, such as claims, private lawsuits, or any crime victim compensation available from Federal (for example, Transitional Compensation Program for abused family members under 10 USC 1059) or civilian sources, and of appropriate and authorized points of contact to assist them; for example, local claims office, legal assistance or lawyer referral services, and State victim assistance or compensation programs.
- c*. Court-martial convening authorities will consider the appropriateness of requiring restitution as a term and condition in pretrial agreements, and will consider whether the offender has made restitution to the victim when taking action under R.C.M. 1107. The ACPB will also consider the appropriateness of restitution in clemency and parole actions.

Section IV Witness Services

18–17. Notification and description of services provided witnesses

a. Trial counsel, VWL, or other Government representative will make reasonable efforts to notify witnesses and representatives of witnesses who are minors (to include legal guardians, foster parents, or other persons in lawful custody of minors or incompetent individuals), when applicable, and at the earliest opportunity, of significant events in the case, to include—

(1) The status of the investigation of the crime, to the extent that it will not interfere with the conduct of the investigation, the rights of the accused, or the rights of other victims or witnesses.

(2) The apprehension of the suspected offender.

(3) The referral (or the filing in a civilian court) or dismissal of charges against a suspected offender.

(4) The initial appearance of the suspected offender before a judicial officer at a pretrial confinement hearing or at an UCMJ, Art. 32, investigation.

(5) The scheduling (date, time, and place) of each court proceeding that the witness is either required or entitled to attend and of any scheduling changes.

(6) The detention or release from detention of an offender or suspected offender.

(7) The acceptance of a plea of guilty or the rendering of a verdict after trial.

(8) The result of trial or other disposition.

(9) If the sentence includes confinement, the probable date by regulation on which the offender will be eligible for parole.

(10) General information regarding the corrections process, including information about work release, furlough, probation, the offender's eligibility for each, and the witnesses' right to be informed of changes in custody status.

b. Witnesses should be advised of the stages in the military criminal justice system, the role that they can be expected to play in the process, and how to obtain additional information concerning the process and the case. This information will be set forth in a Victim and Witness Information Packet (DD Forms 2701, 2702, and 2703) and should be further amplified, as required, by the trial counsel, VWL, or designee.

c. Upon a sentence to confinement, the trial counsel or other representative of the Government will—

(1) Formally inform those witnesses adversely affected by the offender regarding post-trial procedures and the right to be notified if the offender's confinement or parole status changes, and when the offender will be considered for parole or clemency by providing DD Form 2703. Appropriate cases include, but are not limited to, cases where the life, well-being, or safety of the witness has been, is, or in the future reasonably may be, jeopardized by participation in the criminal investigative or prosecution process.

(2) Ensure the witness' election regarding notification is recorded on DD Form 2704 in every case, regardless of election. One copy of DD Form 2704 will be given to the witness. One copy of the form will be forwarded to the commander of the gaining confinement facility. One copy of the form will be forwarded to the Army's central repository, Headquarters, Department of the Army, Office of the Provost Marshal General, ATTN: Victim Witness Central Repository Manager, 2800 Army Pentagon, Washington, DC 20310–2800.

(3) Ensure that a copy of DD Form 2704 is not attached to any portion of a record to which the offender has access.

18–18. Limitations

The trial counsel, VWL, or other Government representative will determine, on a case-by case basis, the extent to which witnesses are provided the services set forth in sections IV and V of this chapter. For example, it may be unnecessary to provide some or all of these services to active duty military witnesses or to expert or character witnesses. Trial counsel or designee will apprise a witness' chain of command of the necessity for the witness' testimony (and the inevitable interference with and absence from duty). Ordinarily, however, doubt whether to provide the foregoing information or services should be resolved in favor of providing them, especially when services have been requested by the witness.

Section V Victim and Witness Services

18–19. Protection of victims and witnesses

a. Victim/Witness intimidation. The SJA will ensure that victims and witnesses are advised that their interests are protected by administrative and criminal sanctions. In the criminal context, for example, 18 USC sections 1512 and 1513 make tampering with or retaliation against a victim or witness punishable under Federal law; intimidation and threats to victims or witnesses are punishable under UCMJ, Art. 134. Obstruction or attempted obstruction of justice and subornation of perjury are also offenses under the UCMJ. Victims and witnesses should be further advised that any attempted intimidation, harassment, or other tampering should be promptly reported to military authorities (for example, commander, SJA, CID, PM, trial counsel or VWL), that their complaints will be promptly investigated, and

that appropriate action will be taken. In the administrative context, the commander may provide victim protection by issuing a written order to the suspect not to contact the victim except when supervised by a member of the chain of command, or by revoking the suspect's pass privileges. Commanders should normally use DD Form 2873, Military Protective Order, when issuing a written no-contact order. Commanders should consult with their servicing judge advocate before taking administrative measures to protect a victim.

b. Victim/witness protection. In cases where the life, well-being, or safety of a victim or witness is jeopardized by his or her participation in the criminal investigation or prosecution process, the SJA will ensure that appropriate law enforcement agencies are immediately notified. Commanders, in conjunction with the law enforcement agency concerned, will promptly take, in appropriate circumstances, those measures necessary to provide reasonable protection for the victim or witness. These measures may include temporary attachment or assignment, or permanent reassignment, of military personnel, or in some cases the provision of State, other Federal, or foreign protective assistance. The trial counsel, VWL, or other Government representative will immediately notify the SJA whenever a victim or witness expresses genuine concern for his or her safety. The SJA should contact USACIDC for all victim and witness requests to be in the Federal Witness Protection program, and for Fear of Life (FOL) transfers.

c. Separate waiting area. At courts-martial and investigative proceedings, victims and Government witnesses should, to the greatest extent possible, be afforded the opportunity to wait in an area separate from the accused or defense witnesses to avoid embarrassment, coercion, or similar emotional distress. In a deployed environment, victims and Government witnesses should be afforded a separate waiting area to the greatest extent practicable.

d. Arranging witness interviews. Within the guidelines of R.C.M. 701(e) and at the request of the victim or other witness, a VWL or designee may act as an intermediary between a witness and representatives of the Government and the defense for the purpose of arranging witness interviews in preparation for trial. The VWL's role in arranging witness interviews is to ensure that witnesses are treated with courtesy and respect and that interference with their lives and privacy is kept to a minimum. This paragraph is not intended to prevent the defense or the Government from contacting potential witnesses not previously identified or who have not requested a VWL to act as an intermediary.

18-20. Notification to employers and creditors

On request of a victim or witness, trial counsel, VWL, or other Government representative will inform an employer that the victim's or witness's innocent involvement in a crime or in the subsequent prosecution may cause or require their absence from work. In addition, if a victim or witness, as a direct result of an offense or of cooperation in the investigation or prosecution of an offense, suffers serious financial hardship, a Government representative will assist the victim or witness in explaining to creditors the reason for such hardship, as well as ensuring that legal assistance is available to soldiers, retirees, and their family members for this purpose.

18-21. Witness fees and costs

Witnesses requested or ordered to appear at UCMJ, Art. 32, investigations or courts-martial may be entitled to reimbursement for their expenses under Articles 46 and 47, UCMJ; R.C.M. 405(g); and chapter 5 of this regulation. The VWL must be familiar with the provisions of these directives and appropriately advise and assist witnesses. Victims and witnesses should be provided assistance in obtaining timely payment of witnesses fees and related costs. In this regard, coordination should be made with local finance officers for establishing procedures for payment after normal duty hours if necessary.

18-22. Civilian witness travel to proceedings overseas

a. When a civilian witness, other than a DOD employee, is located in the CONUS and is to testify in courts-martial or other legal proceedings overseas, a representative of the convening authority may request that the Clerk of Court, U.S. Army Judiciary issue invitational travel orders and arrange for transportation. The witness request should be faxed as follows: Overseas Witness Liaison, Office of the Clerk of Court, U.S. Army Judiciary, (facsimile, (703) 696-8777; DSN 426-8777 and voice (703) 588-7922, DSN 425-7922).

b. Requests should be timely submitted to ensure receipt by the Clerk of Court at least 10 days before the desired arrival date, particularly if passports must be obtained for the witness. Otherwise, the request must be accompanied by a brief explanation of the delay. Each request will include the following information numbered according to the subparagraphs below:

- (1) Name of witness (and age if a minor).
- (2) Name of the case or other proceedings (include grade and complete name of the accused).
- (3) Type of court, investigation, or board, including general nature of the charges.
- (4) Date proceedings are to begin.
- (5) Desired arrival date of witness, destination/city, and estimated duration of stay.
- (6) Address of witness, including name of occupant if different from that of witness.
- (7) Witness' day and evening telephone numbers, if known.
- (8) Whether witness already has been contacted concerning attendance, by whom, and with what result.
- (9) Whether witness is known to possess a current U.S. passport.

(10) Relationship of witness to the proceedings (for example, victim, prosecution witness other than victim, relative of the accused, defense witness not related to the accused).

(11) If the witness is a minor or disabled, the information required by (6) through (9), above, as to the witness' parent, guardian, or other escort.

(12) Name, title, and telephone number of counsel requesting the witness and name, location, and telephone number of the victim/witness liaison.

(13) Fund citation to be used in invitational travel orders and any limitation as to the amount available. (Early citation of funds is essential to issue of invitational travel orders so that prepaid tickets can be placed at the departure air terminal.)

(14) Lodging information should include the name, address, and telephone number of the facility where the command has made reservations for the witness.

c. When the office of the Clerk of Court is arranging a witness' travel, any proposed change by local authorities in the travel arrangements or itinerary must be coordinated first with that office.

d. If the requirement is cancelled after the witness has been contacted and agreed to proceed overseas, an explanation to be given the witness will be provided to the Clerk of Court.

18–23. Local services

The trial counsel, VWL, or designee will ensure that victims and witnesses are informed of, and provided appropriate assistance to obtain, available services such as transportation, parking, child care, lodging, and court-martial translators/interpreters.

18–24. Transitional compensation

The Transitional Compensation Program provides financial support, dependent upon the Soldier's ETS, for family members of Soldiers who are discharged or sentenced to total forfeitures by court-martial or administrative separation proceedings for charges that include dependant abuse offenses. VWLs and all judge advocates will be familiar with transitional compensation procedures and benefits for victims as described in AR 608–1, DOD Instruction 1342.24, and 10 USC 1059. VWLs and judge advocates will inform victims of their potential eligibility for this program and refer them to Army Community Services when appropriate. Judge advocates will advise transitional compensation approving officials on the standards for certifying transitional compensation applications (block 22 of DD Form 2698 (Application for Transitional Compensation)). Judge advocates will not conduct an independent legal review of the underlying basis for the transitional compensation.

18–25. Requests for investigative reports or other documents

The SJA will ensure that victims' and witnesses' requests for investigative reports or other documents are processed under applicable Freedom of Information Act or Privacy Act procedures. In appropriate cases, the SJA may authorize release of a record of trial to a victim when necessary to ameliorate the physical, psychological, or financial hardships suffered as a result of the criminal act.

Section VI

Confinement Facilities and Central Repository

18–26. Confinement facilities

a. On entry of an offender into confinement, the commander of the confinement facility to which the offender is assigned will ensure receipt of DD Form 2704 and determine whether the victim and/or witness requested notification of changes in confinement status in the offender's case. If the DD Form 2704 is not available, the commander will make inquiry of the trial counsel or central repository to obtain the form.

b. If the victim and/or witness requested notification on DD Form 2704, the commander of the confinement facility will—

(1) Advise the victim and/or witness of the offender's place of confinement and the offender's projected minimum release date.

(2) Provide the victim and/or witness with the earliest possible notice of the following:

(*a*) The escape, work release, furlough, emergency or special temporary home parole, or any other form of release from custody of the offender;

(*b*) The transfer of the offender from one facility to another; this includes temporary custody by State or Federal officials for the purpose of answering additional criminal charges.

(*c*) The scheduling of a clemency or parole hearing for the offender;

(*d*) The release of the offender from supervised parole;

(*e*) The death of the offender, if the offender dies while in confinement.

(3) In cases involving escape of a confinee, emergency leave or temporary home release, confinement facilities will make immediate efforts to notify victims and witnesses. The following will constitute reasonable effort:

- (a) Attempted telephonic notification;
- (b) Faxed notification, if possible;
- (c) Written notification by overnight mail.
- c. Methods used and attempts made will be recorded (including date, time and person notified). DD Form 2705 (Victim/Witness Notification of Inmate Status) may be used for this purpose.
- d. On transfer of the offender, the commander of the confinement facility will notify the gaining confinement facility of the victim's and/or witness' request by forwarding the completed DD Form 2704 with an information copy to the central repository.
- e. Annually, no later than 31 January of each year, the commander of the confinement facility will report to the DA central repository the number of victims and witnesses who were notified of changes in confinement status during the reporting period, and the total number of confinees on whom notification is required.

18–27. Reporting requirements and responsibilities

a. Headquarters, Department of the Army, Office of the Provost Marshal General, ATTN: Victim/Witness Central Repository Manager, 2800 Army Pentagon, Washington DC 20310–2800 is the Army central repository for tracking notice of the status of offenders confined in Army confinement facilities and for tracking the following information:

- (1) Number of victims and witnesses who received DD Form 2701 or DD Form 2702 from law enforcement or criminal investigative personnel;
- (2) The number of victims and witnesses who were informed (as recorded on DD Form 2704 or otherwise) of their right to be notified of changes in confinee status;
- (3) The number of victims and witnesses who were notified by confinement Victim and Witness Assistance officials using DD Form 2705 of changes in confinee status;
- (4) The number of confinees, by Service, in Army confinement facilities as of 31 December of each year, about whom victim/witness notifications must be made.

b. Annually, no later than 15 February of each year, the central repository will report to Criminal Law Division, ATTN: DAJA–CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209–2194, cumulative figures for the previous calendar year on the notification and reporting requirements in paragraph *a*, above. DD Form 2706 (Annual Report on Victim and Witness Assistance) will be used for this purpose.

c. Annually, not later than 15 February of each year, the SJA of each command having GCM jurisdiction will report, through MACOM channels, to the Criminal Law Division, ATTN: DAJA–CL, HQDA, Office of The Judge Advocate General, 1777 North Kent Street, Rosslyn, VA 22209–2194, cumulative information on the following:

- (1) The number of victims and witnesses who received DD Form 2701 or 2702 from trial counsel, VWL or designee;
- (2) The number of victims and witnesses who received DD Form 2703 from trial counsel, VWL or designee.
- d. SJAs will obtain data for their reports from subordinate commands attached or assigned to their GCM jurisdiction for military justice purposes, including supported RC units. Negative reports are required. DD Form 2706 will be used for this purpose. Criminal Law Division, OTJAG, will prepare a consolidated report on DD Form 2706 for submission to the Department of Defense (Under Secretary for Personnel and Readiness, Legal Policy Office).

18–28. Evaluation of Victim/Witness Liaison Program Services

a. SJAs will ensure that each victim and witness in an incident that is prosecuted at a GCM or SPCM, or investigated pursuant to UCMJ, Art. 32, in those cases not disposed of by GCM or SPCM, receives a victim/witness evaluation form. These forms may also be provided to other victims and witnesses.

b. SJAs will use DA Form 7568 (Army Victim/Witness Liaison Program Evaluation).

c. Evaluation forms will be reviewed locally by the SJA and copies forwarded quarterly to Criminal Law Division, ATTN: DAJA–CL, ATTN: Victim/Witness Coordinator, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209–2194, by mail or electronically.

d. The evaluation form may be provided to victims and witnesses by hand, by mail or otherwise, but must be returned in an anonymous manner, for example, by providing a drop box away from the military justice section, or by providing a pre-addressed envelope or other anonymous means of return. The recipients of the evaluation form must be advised that the form will be returned in an anonymous manner and cannot be accepted in any other manner. The evaluation form will be accompanied by a cover letter under the signature of the SJA. The cover letter will thank the victim/witness for assisting in the prosecution, and emphasize the need for a response and the anonymous nature of the response.

Chapter 20 Complaints Under Article 138, UCMJ

Section I General

20–1. Purpose

This chapter establishes procedures for the preparation, submission, and disposition of complaints made pursuant to UCMJ, Art. 138, (see fig 20–1) by a member of the Armed Forces against a commanding officer.

20–2. Applicability

This chapter applies to all Army members of the Armed Forces. Complaints from members of the Army National Guard and U.S. Army Reserve are limited to matters concerning their Federal service (title 10 duty status).

20–3. Policy

- a. *Resolution of complaints.* The DA policy is to resolve complaints at the lowest level of command and to provide

adequate administrative procedures for such resolution. Article 138, UCMJ, is one of several methods available. It provides for consideration at three successive levels.

(1) The first attempt to resolve a perceived wrong must be between the Soldier and the commanding officer whom the Soldier believes committed the wrong. If conventional measures are unsuccessful, the Soldier may submit a request for redress under Article 138 (see para 20–6). Every reasonable measure should be taken to resolve complaints at this level.

(2) The principal responsibility for acting on an Article 138 complaint lies with the officer exercising GCM jurisdiction over the respondent at the time of the alleged wrong.

(3) The action of the officer exercising GCM jurisdiction is reviewed at HQDA.

b. Right to complain. A member of the Armed Forces has a statutory right to submit an Article 138 complaint. Commanders will not restrict the submission of such complaints or retaliate against a Soldier for submitting a complaint.

c. Complaint to be forwarded. Every Article 138 complaint will be expeditiously forwarded to the officer exercising GCM jurisdiction unless voluntarily withdrawn by the complainant.

d. Complainant not a participant. A Soldier who submits an Article 138 complaint does not have a right to participate in any ensuing procedures under this regulation. However, the Soldier may be asked to testify, provide additional information, or otherwise assist in resolving the complaint.

e. Presumption of regularity. If the available evidence does not establish the validity of a complaint, despite vigorous good faith efforts to obtain the relevant facts, a commanding officer is presumed to have acted properly.

20–4. Explanation of terms

For purposes of this chapter, these terms used in Article 138 are defined as follows:

a. Member of the Armed Forces. A member of the U.S. Army, Navy, Air Force, Marine Corps, or Coast Guard. A member of the Armed Forces who has submitted an Article 138 complaint is referred to in this chapter as the complainant.

b. Commanding officer. An officer in the complainant's chain of command, up to and including the first officer exercising GCM jurisdiction over the complainant, authorized to impose nonjudicial punishment (UCMJ, Art. 15) on the complainant (whether or not the authority to impose nonjudicial punishment or to exercise GCM jurisdiction has been limited or withheld by a superior commander). A commanding officer against whom an Article 138 complaint has been made is referred to in this regulation as the respondent. (This should not be confused with the respondent designated in connection with formal proceedings under AR 15–6.)

c. Superior commissioned officer. A commissioned officer in the complainant's current chain of command who is senior to the complainant in grade or position.

d. Officer exercising GCM jurisdiction. The officer exercising GCM jurisdiction over the respondent at the time of the alleged wrong, including jurisdiction as a result of an attachment, area jurisdiction, or a similar basis. (Such officer may transfer a complaint under paragraph 20–10c). If there is no such officer below HQDA, the complaint will be referred to HQDA, ATTN: DAJA–ZD, so that the Secretary of the Army or his designee may appoint a GCMCA for the sole purpose of acting on the complaint.

e. Wrong. A discretionary act or omission by a commanding officer, under color of Federal military authority, that adversely affects the complainant personally and that is—

- (1) In violation of law or regulation;
- (2) Beyond the legitimate authority of that commanding officer;
- (3) Arbitrary, capricious, or an abuse of discretion; or
- (4) Materially unfair.

f. Redress. Authorized action by any officer in the complainant's chain-of-command to effect the revocation of a previous official action or otherwise to restore to the complainant any rights, privileges, property, or status lost as a result of a wrong.

20–5. Inappropriate subject matter for Article 138 complaints

a. General. The procedures prescribed in this chapter are intended to ensure that an adequate official channel for redress is available to every Soldier who believes the Soldier's commanding officer wronged the Soldier. For many adverse actions, however, there are other, more specific channels and procedures to ensure the Soldier has an adequate opportunity to be heard. Those specific procedures usually are more effective and efficient for resolving such matters, and Article 138 procedures should neither substitute for, nor duplicate, them. Thus, a complaint is generally not appropriate under this chapter if other procedures exist that provide the Soldier notice of an action, a right to rebut or a hearing, and a review by an authority superior to the officer originating the action. Generally, an action is an inappropriate subject for resolution under Article 138 procedures when—

(1) Review is provided specifically by the UCMJ, or the action is otherwise reviewable by a court authorized by the UCMJ or by a military judge or military magistrate.

(2) It is taken pursuant to the recommendation of a board authorized by Army regulation at which the complainant was afforded substantially the rights of a respondent (see AR 15–6, chap 5).

(3) Army regulations specifically authorize an administrative appeal.

(4) It is a commander's recommendation or initiation of an action included in (1), (2), or (3) above. The fact that the wrong complained of could be redressed by the ABCMR (AR 15–185) or the Army Discharge Review Board (AR 15–180) does not make Article 138 inappropriate.

b. Examples. Examples of actions for which Article 138 is inappropriate include—

(1) Matters relating to courts-martial, nonjudicial punishment, confinement, and similar actions taken pursuant to the UCMJ, the MCM, or military criminal law regulations. However, a complaint concerning a vacation of suspended nonjudicial punishment is reviewable under UCMJ, Art. 138, procedures because there is no review by an authority superior to the officer vacating the punishment.

(2) Officer or enlisted elimination actions (AR 600–8–24; AR 635–200).

(3) Whistleblower reprisal allegations reported under 10 USC 1034.

(4) Withdrawals of flying status (AR 600–105).

(5) Appeals from findings of pecuniary liability. (See AR 37–104–4 and AR 735–5 for examples.)

(6) Appeals from administrative reductions in enlisted grades (AR 600–8–19).

(7) Appeals from OERs (AR 623–105) or enlisted evaluation reports (AR 623–205).

(8) Filing of adverse information (for example, administrative reprimand) in official personnel records (AR 600–37).

c. Referral to alternate channels. When the officer exercising GCM jurisdiction receives an Article 138 complaint apparently involving an adverse action for which more specific channels and procedures are available, the officer will act on it as prescribed in paragraph 20–11. A decision to leave the matter to be processed in those alternate channels and to so advise the complainant (see para 20–11b(1)) constitutes “proper measures for redressing the wrong complained of” within the meaning of Article 138.

d. Inappropriate complaints. Complaints determined to be inappropriate for review must be forwarded to the Office of The Judge Advocate General, ATTN: DAJA–ZD, 2200 Army Pentagon, Washington, DC 20310–2200 for final action.

Section II

Making a Complaint

20–6. Request for redress

a. Request by the member. Before submitting a complaint under Article 138, a member of the Armed Forces must make a written request for redress of the wrong to the commanding officer the member believes has wronged the member. The request for redress—

(1) Generally should be prepared in the format shown in figure 20–2 of this regulation.

(2) Must clearly identify the commanding officer against whom it is made, the date and nature of the alleged wrong, and if possible, the specific redress desired.

(3) Will be submitted through command channels to the commanding officer who is alleged to have committed the wrong.

b. Response by the commanding officer. A commanding officer receiving a request for redress submitted under this regulation will respond, in writing, in a timely manner so that the complainant will receive the response within 15 days. (Paras 20–10a and 20–11b may be used as a guide in determining action on the request.) If a final response within 15 days is not possible, an interim response will be provided that indicates the estimated date of a final response. RC commanders who are not on active duty must respond to a request for redress, in writing, in a timely manner so that the complainant will receive the response within 60 days from receipt of the request for redress. This will allow sufficient time (two drill periods) for RC commanders who are not on active duty to respond to requests for redress.

20–7. Complaint

A member of the Armed Forces may submit an Article 138 complaint for any act or omission by the member's commanding officer that the member believes to be a wrong (see para 20–4e), and for which the member has requested redress and been refused. A member who, through no fault of the member's own, has not received a final response within 15 days (or 60 days from an RC commander) may elect to treat that as a refusal of redress.

a. Form. Figures 20–3 and 20–4 contain sample formats for Article 138 complaints. The complaint should—

(1) Be in writing and signed by the complainant.

(2) Identify the complainant as a member of the Armed Forces.

(3) Identify the complainant's current military organization and address.

(4) Identify the complainant's military organization at the time of the wrong.

(5) Identify the commanding officer whose act or omission is complained of.

(6) Indicate the date a written request for redress was submitted to that commanding officer and either that—

- (a) The request was refused in whole or in part and the date thereof, or
- (b) A final response was not received within 15 days.
- (7) Include a statement that it is a complaint submitted under the provisions of Article 138 and this regulation.
- (8) Clearly and concisely describe the specific wrong complained of. When not readily apparent, state the reason the complainant considers it a wrong.
- (9) State the specific redress the complainant seeks. Unless it is readily apparent, state the reason the complainant considers that redress appropriate.
- (10) Have attached to it—
 - (a) The complainant's request to the complainant's commanding officer for redress and the commanding officer's response, if any.
 - (b) Any supporting information or documents the complainant desires to be considered.
- b. Submitting the complaint.*
 - (1) The complainant will deliver the complaint to the complainant's immediate superior commissioned officer within 90 days of the date of complainant's discovery of the wrong, excluding any period during which the request for redress was in the hands of the respondent.
 - (2) If the complainant corrects and resubmits the complaint after the officer exercising GCM jurisdiction has returned it as deficient (see para 20–10a), the days the complaint was in military channels between submission by and return to the complainant will also be excluded in computing the 90-day period.
 - (3) In the case of a complainant that uses the mail as a means of delivery, the complaint will be considered to have been submitted on the date the complaint is received by the commander.
- c. Withdrawal.* The complainant may withdraw the complaint at any time before final action is taken at HQDA. If a complaint is withdrawn, it must be a completely voluntary act on the part of the complainant.
 - (1) Prior to receipt by the officer exercising GCM jurisdiction, the complaint may be withdrawn by an oral request of the complainant.
 - (2) After receipt by the officer exercising GCM jurisdiction, the complainant must submit a written request to the officer in possession of the complaint.

20–8. Legal advice

- a. Complainant.* A member who desires to submit an Article 138 complaint may—
 - (1) Consult a military lawyer for advice and assistance in drafting the complaint. Such advice will include whether, under the circumstances, an Article 138 complaint is authorized and appropriate. The member should also be advised of any other laws or regulations under which he may proceed to seek redress. In connection with Article 138 complaints, a military lawyer will be provided only for such consultation and advice, but not to represent the member in any ensuing Article 138 proceedings.
 - (2) Consult or retain other legal counsel at no expense to the Government. Such counsel may attend any proceedings under this regulation that are open to other members of the public, but may not participate in them.
- b. Respondent.* A commanding officer who receives a request for redress, or against whom an Article 138 complaint is submitted, may obtain necessary legal advice from the commanding officer's servicing JA.

Section III

Action on the Complaint

20–9. Action by the person receiving the complaint

- a. Forwarding.* A superior commissioned officer who receives an Article 138 complaint will promptly forward it to the officer exercising GCM jurisdiction. Any other person receiving a complaint (except the officer exercising GCM jurisdiction) will forward it to the complainant's immediate superior commissioned officer or to the officer exercising GCM jurisdiction.
- b. Other action.* The person receiving the complaint, or through whom it is forwarded, may add pertinent material to the file or grant any redress within that person's authority. If either action is taken, it will be noted in the transmittal.

20–10. Determination not required by officer exercising GCM jurisdiction

- a. Deficient complaint.*
 - (1) If a complaint does not substantially meet the requirements of Article 138, as implemented by this chapter, no determination as to the merits of the complaint is required. Unless the deficiency is waived (see *b*, below), such a complaint will be returned to the complainant with a written explanation of the deficiency and, if correctable, how it may be corrected.
 - (2) Neither the deficient complaint, nor the convening authority's action on the complaint is forwarded to HQDA.
- b. Waivers.*

(1) Except as provided in (2) and (3), below, the officer exercising GCM jurisdiction may waive deficiencies when that officer considers it necessary in the interest of fairness.

(2) The following deficiencies should be waived only for good cause. The reason waiver is considered appropriate will be explained in the correspondence forwarding the complaint (see para 20–11*d* or 20–11*b*(2)(*c*)).

(*a*) The complaint was not delivered to complainant’s superior commissioned officer within 90 days of the date of discovery of the wrong.

(*b*) Redress has not been requested and refused.

(*c*) The complaint is repetitive in that it is substantially the same as a previous complaint by the same complainant on which official action has already been taken.

(3) The following deficiencies may not be waived:

(*a*) The complainant was not a member of the Armed Forces when the complaint was submitted (or in the case of a member of the Army National Guard of the United States, was not in Federal service (title 10 status)).

(*b*) The wrong complained of was not a discretionary act or omission, or it was not by the complainant’s commanding officer, or it was not under color of Federal military authority, or it did not adversely affect the complainant personally (see para 20–4*e*).

(*c*) The complaint does not adequately identify a respondent or the wrong complained of.

c. Transfer of complaint.

(1) Jurisdiction to act on an Article 138 complaint lies with the officer exercising GCM jurisdiction described in paragraph 20–4*d*. If the respondent has been transferred after the alleged wrong, the officer exercising GCM jurisdiction may transfer action on the Article 138 complaint to the first GCMCA in the respondent’s current chain-of-command. However, the action may be transferred only if that convening authority consents and if the transfer will facilitate compliance with this regulation. Thereafter, the officer to whom the complaint was transferred is responsible for all actions prescribed by this regulation for the officer exercising GCM jurisdiction.

(2) The officer exercising GCM jurisdiction described in paragraph 20–4*d*, as a result of an attachment, area jurisdiction, or similar basis may transfer a complaint to a general court-martial convening authority in the command to which the respondent is assigned if that convening authority consents and the transfer will facilitate compliance with this regulation, considering such factors as the nature of the subject matter of the complaint, the interests of the command in the resolution of the complaint, location of the command, and the effect of operational requirements of the command on the ability to investigate the complaint.

(3) TJAG (or that officer’s designee to act on complaints under this chapter) may direct a transfer under this paragraph.

d. Withdrawal of complaint. Once a voluntary request for withdrawal has been received, no further action will be taken under this chapter. This does not preclude other appropriate action to resolve any matters raised by the complaint.

20–11. Determination required by officer exercising GCM jurisdiction

Except when that officer’s determination is not required on the Article 138 complaint (see para 20–10), the officer exercising GCM jurisdiction will take the following actions:

a. Examination into the complaint. The officer exercising GCM jurisdiction will examine into the complaint. Except as provided below, the nature and method of the examination is discretionary with this officer. The examination may be delegated but not to a person subordinate to the respondent in the chain of command nor, except for good cause, explained in the correspondence forwarding the complaint (see para *b* (2)(*c*) or *d*, below), to a person junior in grade to the respondent. Examinations so delegated will be conducted in accordance with AR 15–6, and will include a specific recommendation regarding the appropriateness of the redress requested and of any other corrective action.

(1) Cases of the type described in paragraph 20–5 of this regulation. Unless the officer exercising GCM jurisdiction believes that established channels for redressing the alleged wrong would be inadequate in the particular case, the examination will be limited to determining whether the other channels are, in fact, available for resolving the alleged wrong.

(2) All other cases. Specific findings will be made as to whether the act or omission complained of was—

(*a*) In violation of law or regulation.

(*b*) Beyond the legitimate authority of the respondent.

(*c*) Arbitrary, capricious, or an abuse of discretion.

(*d*) Materially unfair.

(3) The GCMCA should describe the factual basis and reasoning for each finding in paragraph (2).

b. Action on the complaint. The officer exercising GCM jurisdiction must act personally on the Article 138 complaint. This authority may not be delegated. After examination into the complaint is completed, such officer will take the first of the following actions that applies to the particular complaint:

(1) If the alleged wrong is of the type described in paragraph 20–5, unless the officer exercising GCM jurisdiction believes that established channels for redressing the alleged wrong would be inadequate in the particular case, such commanding officer will advise the complainant that—

- (a) The alleged wrong is already being considered in other official channels, if that is the case; or
 - (b) A more appropriate official channel is available to redress the alleged wrong. The officer will specify that channel, any applicable regulation under which the complainant may proceed, and any Army assistance available to the complainant in using that channel.
- (2) Determine the merits of the complaint and of the redress requested.
- (a) If no redress is appropriate, such officer will deny the redress.
 - (b) Such officer will grant whatever redress is appropriate and is within such officer's authority to provide.
 - (c) If such officer determines that appropriate redress is beyond such officer's authority to provide, but that another Army commander or agency could provide appropriate redress, such officer will forward the following to the commander or agency with the necessary authority:

The documents described in d(1) through d(3), below.

An explanation of why such officer considers redress appropriate.

Such officer's specific recommendations as to what redress should be granted.

A request that, upon completion of the action, the file be forwarded to Headquarters, Department of the Army in accordance with d below.

c. Notice to the complainant. The officer exercising GCM jurisdiction will notify the complainant in writing of the action taken on the complaint.

d. Forwarding complaint to Headquarters, Department of the Army. Upon completion of action on the complaint, the officer exercising GCM jurisdiction (or the commander to whom the complaint was forwarded under *b(2)(c)*, above) will forward the following to the Office of The Judge Advocate General (DAJA-ZD), HQDA, 2200 Army Pentagon, Washington, DC 20310-2200 or to The Judge Advocate General of the respondent's service, if the respondent is not a member of the Army:

- (1) The complaint, the original request for redress, the refusal thereof, and any supporting materials submitted by the complainant.
- (2) The results of the examination into the complaint, together with any supporting documentation (*a* , above).
- (3) A copy of the notice to the complainant (see para *c*, above).
- (4) An endorsement or memorandum of transmittal—
 - (a) Indicating that the officer exercising GCM jurisdiction (or the commander to whom the complaint was forwarded) personally acted on the complaint.
 - (b) Describing such officer's action (see para *b* , above), and the reasons therefore.
 - (c) Explaining when applicable, explaining any waiver of deficiencies in the complaint (see para 20-10*b*) or inadequacy of established channels see para *b(1)*, above).

20-12. Action by Headquarters, Department of the Army

a. Upon receipt at HQDA, each Article 138 file will be reviewed by TJAG (or that officer's designee) on behalf of the SA. TJAG may, in that officer's discretion, return the file for additional information or investigation or for other action.

b. The complainant, the respondent, and the officer exercising GCM jurisdiction will be informed of the final disposition of the complaint.

"Any member of the armed forces who believes himself wronged by his commanding officer, and who, upon due application to that commanding officer, is refused redress, may complain to any superior commissioned officer, who shall forward the complaint to the officer exercising general court-martial jurisdiction over the officer against whom it is made. The officer exercising general court-martial jurisdiction shall examine into the complaint and take proper measures for redressing the wrong complained of; and he shall, as soon as possible, send to the Secretary concerned a true statement of that complaint, with the proceedings had thereon."

MEMORANDUM FOR Commander, F Troop, 3d Squadron, 23rd Cavalry 13th Infantry Division (Mechanized),
Fort Reno, Texas 77777

SUBJECT: Request for Redress Under Article 138, UCMJ (AR 27-10)

1. On 3 December 1995, at company formation you announced that all members of the unit were encouraged, but not required, to join in a work project on the following Saturday, 10 December 1995. The work project was a domestic action activity which involved trimming a Christmas tree and decorating an auditorium at the nearby Youth Town Orphanage. As I previously had made plans for the day, I elected not to participate. On 12 December 1995, I requested Christmas leave from 24 December 1995 to 30 December 1995 and, even though I have more than enough leave accrued to cover this period, you denied my request.

2. I think your refusal to approve my leave is unreasonable and is in retaliation for my absence from the voluntary domestic action program at the orphanage. I consider this a wrong within the meaning of Article 138, UCMJ, and AR 27-10.

3. As redress, I request approval of my leave request

MEMORANDUM THRU Commander, Troop F, 3d Squadron, 23d Cavalry, 13th Infantry Division (Mechanized),

FOR Commander, 3d Squadron, 23d Cavalry 13th Infantry Division (Mechanized), Fort Reno, Texas 77777

SUBJECT: Complaint of Wrong (Article 138, UCMJ)

1. I, SGT Megan A. Dickerson, 000-00-0000, am a member of the U.S. Army on active duty, subject to the Uniform Code of Military Justice, and currently assigned to Troop F, 3d Squadron, 23d Cavalry, 13th Infantry Division (Mechanized), Fort Reno, Texas. On 12 December 1995 while assigned to my present unit, I was wronged by my commanding officer, CPT Fred G. Robinson, Commander, Troop F, 3d Squadron, 23rd Cavalry, 13th Infantry Division (Mechanized), Fort Reno, Texas. I made a written request for redress to CPT Robinson on 14 December 1995, but on 17 December 1995 he refused to grant it. The request for redress and his response are attached (Encl). I therefore submit this complaint against CPT Robinson under the provisions of Article 138, UCMJ, and Army Regulation 27-10.

2. The wrong which is the subject of this complaint is improper denial of Christmas leave. The circumstances are as follows: On 3 December 1995, CPT Robinson requested volunteers for a domestic action work project the following Saturday at his favorite charitable activity - the Youth Town Orphanage. Because I already had plans for the date of the project, I did not participate. On 12 December 1995, I requested leave for the Christmas holiday season. CPT Robinson denied the leave even though I have more than enough leave accrued to cover the requested period.

3. CPT Robinson's action in denying my request for leave was improper because it was only done in retaliation for my failure to participate in the volunteer program. It also is contrary to paragraph 2-7e, AR 630-5, which advises commanders to place special emphasis on holiday leave.

4. I hereby ask as redress that you authorize my leave from 24 December 1995 through 30 December 1995

MEMORANDUM THRU

Commander, Battery B, 2d Battalion, 22d Artillery, 20th Infantry Division, Fort Blank, West Dakota 88888

Commander, 2d Battalion, 22d Artillery, 20th Infantry Division, Fort Blank, West Dakota 88888

FOR Commander, 20th Infantry Division, Fort Blank, West Dakota 88888

SUBJECT: Complaint of Wrong (Article 138, UCMJ)

1. I, SGT Charles T. Phillips, 000-00-0000, am a member of the U.S. Army on active duty, subject to the Uniform Code of Military Justice, and currently assigned to Battery B, 2d Battalion, 22d Artillery, 20th Infantry Division, Fort Blank, West Dakota. On 26 May 1995 while assigned to Headquarters and Headquarters Company, 222d Maintenance Battalion, 20th Infantry Division, Fort Blank, West Dakota, I was wronged by LTC Marie R. Brennan, then commander, 222d Maintenance Battalion, but currently assigned to Division Support Command, 13th Infantry Division (Mechanized), Fort Reno, Texas. I made a written request to LTC Brennan on 5 September 1995 but she failed to provide a final response to my request within 15 normal duty days. The request for redress is attached (Encl). I therefore submit this complaint against LTC Brennan under the provisions of Article 138, UCMJ, and Army Regulation 27-10.

2. The wrong which is the subject of this complaint is improper suspension of my military driver's license. The circumstances are as follows: As battalion commander, LTC Brennan directed that members of the battalion convicted of driving more than 10 miles per hour over any posted speed limit would have their military driver's license suspended for 1 year. On 14 January 1995, while home on leave, I was issued a speeding ticket for driving my POV 38 military per hour in a 25 mile per hour speed zone. I really did not think I was going that fast but, rather than having to take the time off to contest the ticket, I paid the fine through the mail. I happened to mention the ticket to my first sergeant while discussing other matters, and he initiated the suspension of my military driver's license in accordance with LTC Brennan's policy. LTC Brennan suspended my license on 26 May 1995. I now need a military driver's license in my duties, but my new commander says he will honor LTC Brennan's 1-year suspension even though I have been transferred. Not having a military driver's license affects my performance of duty and adversely affects my career.

3. LTC Brennan's action was improper in that her policy was absolutely inflexible; it provided no consideration of the merits of any particular case or of mitigating circumstances. In my case, the suspension was based on a purely civilian offense while I was hundreds of miles away on leave. That has no relevance to the Army as a standard for a military license. I believe LTC Brennan's policy was so arbitrary and extreme as to be an abuse of a commander's authority under AR 600-35.

4. I hereby ask as redress that you restore my military driving privileges

5. This complaint was not submitted within 90 days of the date of the wrong because I thought that when I was reassigned, the year's suspension would be terminated. I did not find out until 4 September 1995 that my new commander would honor the suspension period. I request a waiver of the 90-day time limit for filing a complaint under Article 138, UCMJ.

Chapter 21

Military Justice Within the Reserve Components

Section I

General

21-1. Purpose

a. This chapter prescribes policies and procedures for implementing title VIII, National Defense Authorization Act for Fiscal Year 1987 (Military Justice Amendments of 1987) and R.C.M. 202(a) (Persons Subject to the Code), 204 (Jurisdiction over Certain Reserve Component Personnel), 707(a)(3) and (c)(8) (Speedy Trial), and 1003(c) (Punishments), in the Reserve Component (RC).

b. The above referenced amendments to the UCMJ and the MCM apply to offenses committed on or after 12 March 1987. AA commanders may exercise this jurisdiction accordingly. As a matter of policy, RC commanders could not impose punishment under Article 15 or convene SCM until 1 July 1988.

c. The provisions of this chapter supplement the policies and procedures pertaining to the administration of military justice set out in other parts of this regulation, including the training requirements of paragraph 19-4.

21-2. Policy

a. USAR Soldiers will be subject to the UCMJ whenever they are in a title 10, United States Code, duty status. Examples of such duty status are active duty (AD); active duty for training (ADT); annual training (AT); Active Guard/Reserve (AGR) duty; inactive duty training (IDT). IDT normally consists of weekend drills by troop program units, but may also include any training authorized by appropriate authority. USAR Soldiers are subject to the UCMJ from the date scheduled to report to AD, ADT, AT, or IDT until the date the Soldier is released from that status. For examples of IDT, see AR 140-1, paragraph 3-4, 3-11, 3-12, 3-14, 3-14.1, and 3-30.

b. ARNG Soldiers will be subject to the UCMJ when in Federal service as Army National Guard of the United States (ARNGUS) under title 10, USC, and when otherwise called into Federal service. ARNG Soldiers are not subject to the UCMJ while in State service under title 32, USC.

c. RC commanders must be in a title 10 duty status (see para *a*, above), whenever they take action such as offering or imposing nonjudicial punishment, referral or referral of court-martial charges, conducting open hearings under Article 15, or vacating suspended sentences under Article 15. However, RC commanders may forward charges (R.C.M. 401c(2)(A)), initiate or forward requests for involuntary active duty (R.C.M. 707c(8)), or act on Article 15 appeals (chap 3, sec VI) anytime, even when not in a title 10 duty status.

d. Costs associated with disciplining USAR Soldiers will normally be paid from Reserve Personnel, Army (RPA), appropriations. However, costs associated with disciplining USAR Soldiers, when involuntarily ordered to active duty or involuntarily extended on active duty by an Active Army commander, will be paid from Military Personnel, Army (MPA), appropriations.

Section II

Involuntary Active Duty and Extension on Active Duty

21-3. Involuntary active duty

a. RC Soldiers who are not serving on AD are subject to UCMJ jurisdiction under Articles 15 and 30, UCMJ, for offenses allegedly committed while serving in a title 10 duty status (see paras 21-2*a* and *b*), and involuntary orders may be issued for the purpose of:

- (1) Investigation pursuant to UCMJ, Art. 32.
- (2) Trial by courts-martial.
- (3) Article 15, UCMJ, proceedings.

b. An involuntary order to AD for a(1) through a(3) may be issued only by an AA (as defined in AR 135-210) GCMCA. No other authority is required to approve the order to AD. However, no Soldier ordered to active duty by an AA GCMCA may be confined or deprived of liberty (to include pretrial confinement or restriction) without prior approval of the involuntary order to AD by the SA or SA's designee.

c. Under paragraph *b* above, not all involuntary orders to AD require the SA or SA's designee approval. An AA GCMCA may issue an involuntary order to AD and process a Soldier for any purpose in paras a(1) through a(3), above, without the SA or SA's designee approval provided no confinement or deprivation of liberty occurs. For example a Soldier may be involuntarily ordered to AD charged with an offense under the UCMJ and then granted a resignation in lieu of court-martial under chapter 10, AR 635-200 for enlisted personnel or a resignation in lieu of court-martial under chapter 3, AR 600-8-24 for officers without the SA or SA's designee approval. For those cases

where pretrial confinement arrest or restriction in lieu of arrest are contemplated or where sentences to confinement or deprivation of liberty are anticipated the request for SA or SA's designee approval should be made sufficiently in advance of the deprivation of liberty or confinement so that no delay occurs in the execution of the confinement.

d. RC unit commanders who become aware of misconduct committed by RC members while serving on active duty who consider the misconduct appropriate to request an involuntary recall to active duty will forward a request through command channels, including the appropriate State Adjutant General, MSC or Human Resources Command - St. Louis (HRC-STL) to an appropriate AA (as defined in AR 135-210) GCMCA. AA commanders who become aware of misconduct by RC members who are no longer on active duty will forward requests for involuntary recall to active duty to an appropriate AA GCMCA.

e. Ordinarily, the appropriate AA (as defined in AR 135-210) GCMCA authorized to involuntarily order a reserve member to active duty is either:

- (1) The AA GCMCA specified in appendix E of this regulation with area of support or responsibility; or
- (2) The AA GCMCA for the AA component unit where the member performed duty when the offense occurred.

f. Not all misconduct committed by RC personnel before departure from active duty requires involuntary recall. Commanders should consider the gravity of the alleged misconduct, the ability to prosecute the case, the effect on good order and discipline of an involuntary recall and other factors listed in the discussion to R.C.M. 306. Before a request for involuntary recall is made, commanders will consult with servicing AA and RC SJA personnel. Normally, commanders should not request an involuntary recall to AD solely for the purpose of administering non-judicial punishment under Article 15. In such cases, commanders should normally administer non-judicial punishment during the member's next period of inactive training or active duty. However, there may be cases where an involuntary recall solely to administer nonjudicial punishment is appropriate and that determination is left to the discretion of the commander with the advice from the servicing SJA.

g. Preferral of charges is not necessary before an involuntary order of a reserve Soldier to active duty is issued. However, preferral must be contemplated. A Soldier may not be involuntarily recalled to active duty under this provision solely for the purpose of investigating an offense. In those cases where charges are preferred prior to the order to active duty, great care should be exercised to avoid triggering the speedy trial provisions of R.C.M. 707.

h. Requests for an order to active duty under this paragraph should include the following:

- (1) Complete identity of the accused including grade, full name, social security number, current military status of the accused to include component to which assigned, unit to which assigned and its location, and home address of the accused at the time of the request;
- (2) Detailed summary of the contemplated charges and specifications or a copy of a preferred charge sheet;
- (3) Prior convictions and nonjudicial punishment if known;
- (4) Summary of the evidence of the case and a copy of the report of investigation, if available;
- (5) Analysis of the evidence demonstrating the need for and likelihood of successful prosecution at trial by courts-martial or the need for imposition of nonjudicial punishment through involuntary order to AD; and
- (6) Indication of where the accused should be ordered to AD and why the order is advisable.

i. AA GCMCAs who involuntarily order a Soldier to active duty will immediately inform the MSC and FORSCOM commanders or the State Adjutant General and the Chief National Guard Bureau, as appropriate, of the initiation of UCMJ action against RC Soldiers.

j. Requests for the SA or SA's designee approval of an involuntary recall to active duty necessary to confine or deprive liberty of a Soldier involuntarily ordered, will be forwarded to Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194. The request should include the initial request for the order to AD including the information specified at paragraph *h*, above, and the order to AD issued by the AA GCMCA (see para *b*, above.) HQDA (DAJA-CL) will notify the forwarding AA GCMCA of the SA or SA's designee action on the request.

21-4. Extending RC soldiers on AD

a. The requirements for AA GCMCA activation and/or Secretarial approval in paragraph 21-3 above do not apply to RC Soldiers on AD. RC Soldiers serving on AD, ADT, or AT in a title 10 duty status may be extended on AD involuntarily, so long as action with a view toward prosecution is taken before the expiration of the AD, ADT, or AT period (AR 635-200, para 1-22). Any such extensions must be completed pursuant to the provisions of AR 135-200, chapter 7. AA GCMCAs will make every attempt to complete administrative measures to be taken against a Soldier prior to release from AD.

b. A RC Soldier who is suspected of or accused of an additional offense after being ordered to AD for any of the purposes in paragraph 21-3*a*, above, may be retained on AD pursuant to R.C.M. 202(c)(1).

21-5. Preservation of jurisdiction and punishment

a. RC Soldiers remain subject to UCMJ jurisdiction for offenses committed while serving in a title 10 duty status (see para 21-2) notwithstanding termination of a period of such duty, provided they have not been discharged from all further military service (R.C.M. 204(d)).

b. All lawful punishments remaining unserved when RC Soldiers are released from AD, ADT, AT, or IDT, including any uncollected forfeitures of pay, are carried over to subsequent periods of AD, ADT, AT or IDT. However, an RC Soldier may not be held beyond the end of a normal period of IDT for trial, or service of any punishment, nor may IDT be scheduled solely for the purpose of UCMJ action (R.C.M. 204(b)(2)). Involuntary activation pursuant to paragraph 21–3*a*, above is authorized only in accordance with the procedures set out in paragraph 21–3*c*, above.

Section III

Nonjudicial Punishment (Article 15) and Courts-Martial

21–6. Nonjudicial punishment (Article 15)

a. The provisions of chapter 3 of this regulation that are not otherwise inconsistent with this chapter are applicable to the administration of nonjudicial punishment in the RC. In particular, commanders are reminded of the policy in paragraph 3–2 of this regulation that nonpunitive or administrative remedies should be exhausted before resorting to nonjudicial punishment.

b. RC Soldiers may receive nonjudicial punishment pursuant to UCMJ, Art., while serving in a title 10 status on AD, ADT, AT, or IDT. RC Soldiers may be punished pursuant to Article 15 while serving on IDT provided that the proceedings are conducted and any punishment administered is served during normal IDT periods (see Discussion, R.C.M. 204(b)(2)). Prior to taking such actions, RC commanders should consult with their supporting RC or AA staff or command judge advocate.

c. Either RC or AA commanders may punish RC enlisted Soldiers of their commands (see para 3–8).

d. Unless further restricted by higher authority (see para 3–7*c*), punishment for RC officers is reserved to the AA or RC GCMCA to whose command the RC officer is assigned or attached for disciplinary purposes or to commanding generals in the RC officer's chain of command.

21–7. Summary courts-martial

a. RC Soldiers may be tried by SCM while serving in a title 10 status on AD, ADT, AT, or IDT. RC Soldiers may be tried by SCM while serving on IDT provided that the trial is conducted and punishment is served during normal IDT periods (see R.C.M. 204(b)(2), Discussion).

b. Either RC or AA SCM convening authorities may refer charges against RC Soldiers to trial by SCM. An RC SCM convening authority may refer charges to SCM while on IDT. However, Article 25, UCMJ requires that the summary court officer must be on AD at the time of trial.

c. MSC commanders should attach all Soldiers without an intermediate commander authorized nonjudicial punishment or SCM authority under UCMJ, Arts. 15 and 24, to an appropriate subordinate commander for such purposes.

21–8. Special and general courts-martial

a. RC Soldiers may be tried by SPCM or GCM only while serving on AD. Orders to involuntary AD must be approved by the SA or the Secretary's designee before an RC Soldier may be sentenced to confinement or otherwise deprived of liberty.

b. Ordinarily, only an active duty convening authority may refer charges against a RC Soldier to a SPCM or GCM. Such courts-martial will normally be conducted at the installation of the supporting active duty GCMCA, as designated at appendix E of this regulation, or based upon an agreement of the active duty GCMCA with the general officer in command of the RC unit. As a matter of policy, authority to convene GCM or SPCM is withdrawn, except as provided below, for USARC officers qualified as GCMCA or SPCMCA under Articles 22(a)(5), 23(a)(3), and 23(a)(6), but not those specifically designated under UCMJ Articles 22(a)(8), 23(a)(7) (Secretarial designation), or those designated as an exception to policy by TJAG or designee.

c. All commanders of USAR Regional Readiness Commands (RRC) with full-time JAs available have the authority to convene special courts-martial for members of their organizations and all units that report to them. Any USAR unit that does not report to a RRC may convene special courts-martial when it has access to a full-time JA.

21–9. Forfeitures

a. Consistent with DOD 7000.14–R, volume 7A, chapter 48, paragraph 4813, forfeitures imposed on RC Soldiers pursuant to Article 15 or court-martial will be calculated in whole dollar amounts. Forfeitures are calculated by converting the stated amount of forfeiture to a percentage using the base pay for an AA Soldier of the same grade and time in service on the date the forfeiture sentence is approved. Apply the resulting percentage to the Soldier's pay for every period of duty the Soldier actually performs during the stated time period of the forfeiture. For example—

(1) A Soldier (SPC or CPL) over 2 years of service (for pay purposes) receives a sentence (either nonjudicial punishment or court-martial sentence) that includes a forfeiture of \$200 a month for 2 months (\$400).

(2) Determine the Soldier's monthly rate of base pay. In this example, it is \$912.60.

(3) Convert the original forfeiture to a percentage: $200/912.60 = 21.92$ percent.

(4) For each period of duty performed during the stated period of the sentence, collect 21.92 percent of the Soldier's pay from the Soldier's AD and IDT pay.

b. The forfeiture sentence is satisfied by collecting from the pay the Soldier receives for periods of duty the Soldier performs during the stated period of forfeiture. If a Soldier performs duty without forfeiture collections, the amount of forfeitures not collected becomes an amount due the U.S.

c. The forfeiture sentence is satisfied by collection from pay for duty performed only during the stated period of forfeiture (for example, forfeitures are imposed for 2 months, then collections may only be made for 2 months, with the 2-month period beginning on the date the forfeitures are imposed). If a Soldier performs no duty, or the Soldier's pay is insufficient to satisfy the forfeiture in full during the stated period of the forfeiture, no further collection action is authorized.

d. This paragraph applies only when the RC Soldier receives forfeitures from a court-martial or from nonjudicial punishment and the forfeitures are carried over to subsequent periods of IDT or ADT. If the RC Soldier receives forfeitures from a court-martial or from nonjudicial punishment in an AD status and does not revert to an inactive duty status during the execution of the punishment, then forfeitures are to be based upon the base pay for an AA Soldier of the same grade and time in service.

Section IV

Support Personnel and Responsibilities

21–10. Support personnel

a. The SJA of the AA command designated to support a USAR command will supervise prosecutions of USAR Soldiers, including coordinating requirements for advice and personnel support, when the AA commander convenes a court-martial against a USAR Soldier. USAR JAs may be used when feasible. AA JAs may also be used. When a supporting AA SJA decides to use a USAR JA, the SJA will inform the USAR JA's immediate commander of that decision. If a question arises as to the feasibility of using a particular USAR JA assigned within CONUS, the CONUSA commander will decide whether use of the USAR JA is feasible. If a question arises as to the feasibility of using a particular USAR JA assigned OCONUS, Commander USARPAC, USARSO, USARJ, EUSA, or USAREUR, as appropriate, will decide whether use of the USAR JA is feasible.

b. The USATDS office servicing the AA command will detail either AA or RC defense counsel in accordance with guidelines established by the Chief, USATDS.

c. The senior military judge designated to support the AA GCM jurisdiction supporting the RC command will detail AA or RC military judges in accordance with guidelines established by the Chief, U.S. Army Trial Judiciary.

21–11. Support responsibilities AA GCMCAs

AA (as defined in AR 135–210) GCMCAs designated in accordance with appendix E of this regulation to support RC commands will—

a. Order RC Soldiers to AD for the purposes set out in paragraph 21–3 of this regulation except when approval of the SA or the Secretary's designee is required. The orders will cite 10 USC 802(d) for authority.

b. Forward requests for involuntary active duty orders requiring approval of the SA pursuant to paragraph 21–3j of this regulation to HQDA (DAJA–CL) for processing.

c. Coordinate the allocation of personnel, funds, and other resources to support the administration of military justice in the supported RC command.

d. Inform the MSC or State Adjutant General, CONUSA commanders and Commander, FORSCOM as appropriate, of USAR UCMJ actions involving USAR Soldiers assigned to USAR units located in CONUS.

e. Inform Commander, USARPAC, USARSO, USARJ, EUCOM or USAREUR, as appropriate, of RC UCMJ actions involving RC Soldiers assigned to RC units located OCONUS.

f. When appropriate, order pretrial confinement for RC Soldiers in accordance with R.C.M. 305 following involuntary active duty approved by the SA or the Secretary's designee.

g. Make appropriate disposition of charges against RC Soldiers including referral to court-martial, imposition of punishment under Article 15, or administrative measures. Every attempt to complete administrative measures (to include separation or grade reduction actions) will be taken prior to that RC Soldier's release from AD.

h. Arrange for orders placing RC Soldiers on AD for duty as witnesses, counsel, military judges, court members, or other personnel of the court-martial.

21–12. Multiple component units

a. Commensurate with their positions and subject to restrictions found elsewhere in this regulation, AA and USAR officers will exercise UCMJ authority (that is, nonjudicial punishment and courts-martial) over AA and USAR Soldiers assigned to their multiple component units (MCUs).

b. Authority and responsibility for military discipline over ARNG Soldiers not in Federal status rests with each State. Every ARNG element will have a designated State chain of command for purposes of military justice. Non-

ARNGUS MCU commanders will forward recommendations for disciplinary action pertaining to ARNG Soldiers to the designated ARNG commander from the State of the respective ARNG element. The ARNGUS MCU commanders whose MCU includes ARNG elements from outside their own State, will forward recommendations for disciplinary action pertaining to such ARNG Soldiers to the designated ARNG commander from the State of that element.

c. For AA and USAR Soldiers assigned to a MCU with an ARNGUS commander, the AA and USAR will attach these Soldiers on orders for purposes of UCMJ to the nearest appropriate AA or USAR command. The ARNGUS unit commander will forward recommendations for disciplinary action pertaining to USAR or AA Soldiers to the designated USAR or AA commander.

Chapter 22

United States Army Trial Counsel Assistance Program

22-1. General

This chapter governs the operations of the Trial Counsel Assistance Program (TCAP). It sets forth information, policies, and procedures applicable to the support of trial counsel throughout the Army.

22-2. Mission

The SJA and the chief of military justice are responsible for the daily supervision and training of trial counsel. TCAP's mission is to provide assistance, resources, and support for the prosecution function throughout the Army and to serve as a source of resolution of problems encountered by trial counsel. TCAP provides publications and references for chiefs of military justice and trial counsel and conducts periodic advocacy training. TCAP can also assist an SJA office in the prosecution of specific cases. TCAP serves as the liaison between chiefs of military justice and the GAD concerning potential Government appeals pursuant to UCMJ, Art. 62.

22-3. Organization

TCAP functions as a part of GAD and is an activity of USALSA, a field operating agency of TJAG. Operational control and supervision of TCAP is exercised by the Chief, GAD, for the Assistant Judge Advocate General for Military Law and Operations. Command functions other than operational control are provided by the Commander, USALSA. The office is composed of a chief, a publications officer, and training officers as necessary.

22-4. Training

a. TCAP conducts regional advocacy courses for chiefs of military justice and trial counsel as determined by the Chief, TCAP. The Chief, TCAP, is responsible for the content of these training courses, and structures training to meet specific needs after a review of questions raised by counsel within the region, recent court decisions, and the input of SJAs, chiefs of justice, and military judges.

b. In order to properly perform their duties, chiefs of military justice should attend every TCAP seminar offered within their region. Similarly, trial counsel should attend at least one TCAP seminar each year.

c. TCAP provides training through monthly updates for chiefs of military justice and trial counsel. These updates inform counsel of time-sensitive decisions of appellate military courts and also address specific problem areas of interest to trial counsel.

22-5. Technical assistance

a. Chiefs of military justice may request technical assistance or guidance from TCAP. Trial counsel may initiate such requests after coordination with the chief of justice or the SJA. Such requests may be telephonic, by electronic means, or in writing.

b. TCAP counsel are available for on-site assistance in unique or difficult cases. SJAs may request such assistance through the Chief, TCAP; Chief, GAD; or the Assistant Judge Advocate General for Military Law and Operations. The request should specify the name of the case, unique factors requiring TCAP assistance, the period of time involved, and the extent of assistance desired. The Assistant Judge Advocate General for Military Law and Operations determines whether TCAP assistance can be provided and the extent of such assistance. The Chief, TCAP, and the requesting SJA will coordinate such assistance to include the specific involvement of TCAP counsel. SJAs requesting TCAP technical assistance will fund all TCAP travel connected with the request. Exceptions to these funding rules may be made by the Assistant Judge Advocate General for Military Law and Operations with the concurrence of the Commander, USALSA.

Chapter 23 Prosecution of Criminal Offenses in Federal Courts

23–1. Scope

a. This chapter contains policies and procedures for prosecutions in United States District Court before either a District Judge or a Magistrate Judge for violations of Federal law committed on Army installations or violations that involve Army interests or property. This chapter does not apply to military courts-martial.

b. An individual (whether civilian or military) who violates Federal law can be prosecuted in U.S. District Court or Magistrate Division. These prosecutions can include, but are not limited to, the following situations: The violation of Federal law on a military installation by a civilian not subject to the UCMJ; or the commission of a serious offense by a Soldier where the DOJ seeks a Federal indictment and prosecution despite existing UCMJ jurisdiction. Routine traffic violations, whether the offender is military or civilian, are referred to the local U.S. Magistrate Division.

23–2. Authority

The following authorities apply to this chapter:

- a.* 18 USC, chapter 219 (Trial By United States Magistrate Judges).
- b.* 28 USC 515 (Authority for Legal Proceedings; Commission, Oath, and Salary for Special Attorneys).
- c.* 28 USC 543 (Appointment of Special Attorneys by The Attorney General).
- d.* Rule 58, Federal Rules of Criminal Procedure (Procedures for Petty Offenses and Other Misdemeanors).
- e.* AR 190–29 (Misdemeanors and Uniform Notices Referred to U.S. Magistrate or District Courts).

23–3. Felony prosecution programs

a. General. DOJ is responsible for prosecuting Federal offenses in U.S. District Court, whether before a District or a Magistrate Judge. It is often beneficial to both the Army and DOJ, however, to prosecute offenses in which the Army has an interest through a felony prosecution program, whereby one or more Army attorneys are appointed Special Assistant U.S. Attorneys (SAUSAs). A felony prosecution program can promote rapid and efficient prosecution of offenses in which the Army has an interest.

b. Authorization. If an installation SJA or legal advisor believes a felony prosecution program would be in the Army's best interest, the SJA or legal advisor will seek the views of the appropriate U.S. Attorney. If the U.S. Attorney agrees, the installation SJA or legal advisor will draft a mutually agreeable MOU. The SJA will forward the MOU and a request to begin the program to the Criminal Law Division, OTJAG.

23–4. Appointment of attorneys as Special Assistant U.S. Attorneys

a. General. Prosecutions in Federal court are a DOJ responsibility. SJAs or legal advisors often find it beneficial, however, to have one or more JA or DA civilian attorneys appointed as SAUSA under 28 USC 543 to prosecute crimes in which the Army has an interest.

b. Procedure. The appropriate United States Attorney must agree to the appointment of an Army attorney as a SAUSA. The U.S. Attorney may find such an appointment to be in his/her best interest, as the U.S. Attorney gains an additional prosecutor at no additional expense to DOJ. If the U.S. Attorney agrees, he/she will forward the request for appointment to the Attorney General for approval (28 USC 543).

c. Supervision. Army attorneys acting as SAUSAs will be supervised in that role primarily by the U.S. Attorney's office. SAUSAs will perform their duties consistent with the MOU between the U.S. Attorney and the SJA or legal advisor. SJAs and legal advisors will monitor prosecutions conducted by SAUSAs and will, if necessary, provide additional supervision.

d. Civil litigation. SAUSAs appointed to prosecute criminal cases will not undertake representation of the United States in civil litigation unless authorized by the Chief, Litigation Division.

23–5. Misdemeanors

a. General. Any individual, whether military or civilian, who commits a misdemeanor or infraction on a military installation or on Federal property can be prosecuted before a Magistrate Judge. The Magistrate system is particularly well-adapted to dispose of traffic cases. Army Attorneys appointed as SAUSAs can represent the United States before a Magistrate Judge.

b. Petition to District Court. If no Magistrate Judge has been designated to try misdemeanors committed on an installation, the SJA or legal advisor should request that the U.S. Attorney petition the U.S. District Court to designate a Magistrate Judge for that purpose. Criminal Law Division, OTJAG should be notified of any unsuccessful attempts to have a Magistrate Judge designated.

c. Complaints, warrants, and citations. A Magistrate Judge has authority to issue arrest warrants based upon complaints filed with the court. Assistant U.S. Attorneys and SAUSAs prepare complaints and warrants in accordance with local court rules and procedures. See figure 23–1 for a sample of a completed AO Form 91, Criminal Complaint.

As a rule, petty offenses committed in the presence of a police officer may be prosecuted on a citation or violation notice, however, SAUSAs should consult local State law for exceptions.

d. Consent to be tried. A person charged with a misdemeanor may elect to be tried before a District Judge rather than before a Magistrate Judge (18 USC 3401). The defendant must be informed of this right. (See fig 23–2 of this regulation for a sample of a completed AO Form 86A, Consent to Proceed-Misdemeanor.) If permitted by MOU, an Army SAUSA may prosecute misdemeanors before a District Judge when a defendant declines to consent to be tried by the Magistrate Judge.

e. Procedure. Attorneys designated to prosecute cases before a Magistrate Judge must familiarize themselves with the local rules of court and Rule 58, Federal Rules of Criminal Procedure.

f. Memorandum of Understanding and request for authorization. The SJA or legal advisor should execute an MOU with the U.S. Attorney covering responsibilities and procedures for trials in Magistrate Court. Installations with a felony prosecution program should also include specific procedures for District Court in the MOU governing that program. If the installation only has a Magistrate Court program, then an MOU should be prepared and forwarded to Criminal Law Division, OTJAG, for approval of the program.

23–6. Reports

a. Installation SJAs or legal advisors will send an annual report to their MACOM SJA concerning prosecutions in Federal Magistrate Court and felony prosecutions. The MACOM SJA will review these reports and forward copies for each installation in their MACOM to: Criminal Law Division , ATTN: DAJA–CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street Rosslyn, VA 22209–2194, by 15 February of each year. This report will provide the following information:

(1) The number of indictments or felony prosecutions filed in the past calendar year and tried by Army attorney's in U.S. District Court; and location of felony courtroom whether on or off post;

(2) The number of DWIs, other misdemeanors and traffic citations tried by the Army military or civilian attorneys serving as Special Assistant United States Attorneys (SAUSA); location of magistrate courtroom whether on or off post; and

(3) Name and point of contact information for each Army military or civilian attorney serving as a SAUSA and whether their SAUSA duties are full or part time.

(4) The number of military and civilian paralegals supporting the felony and Magistrate Program.

b. SJAs are responsible for ensuring the accuracy of the information provided. The format for the report is provided at figure 23–3.

23–7. Witness expenses

Special Assistant U.S. Attorney (SAUSA)s will follow the procedures outlined in the U.S. Attorneys Manual (<http://www.usdoj.gov/index.html>) for obtaining witnesses and funding for their travel. In misdemeanor prosecutions, however, witness expenses that would be funded from the DA witness travel account if the case were a felony prosecution are the responsibility of the installation prosecuting the case.

Chapter 24 Registration of Sexually Violent Military Offenders Who Are Not Confined

24-1. General

This chapter implements section 14071, title 42, of U.S. Code and Department of Defense Instruction (DODI) 1325.7, which requires military officials to notify State officials upon release of Soldiers or transfer of unconfined Soldiers who are convicted at special or general courts-martial of sexually violent offenses and offenses against minor victims. Soldiers convicted of covered offenses are designated "military sexual offenders" in this chapter. This chapter also requires military sexual offenders to register with the Provost Marshal. Military sexual offenders who fail to register with the installation Provost Marshal as described in this chapter may be punished for violating Article 92, UCMJ. A military sexual offender whose conviction of covered sexual offenses is reversed on appeal will be removed from military sexual offender registrations and not required to register at any new duty locations during the period the

conviction is overturned. In the event an authorized retrial leads to another conviction for a covered offense, the registration requirements go back into effect.

24-2. Covered offenses

DODI 1325.7, enclosure 27, lists covered UCMJ offenses as follows:

- a.* Rape and carnal knowledge in violation of Article 120;
- b.* Forcible sodomy and sodomy of a minor in violation of Article 125;
- c.* Conduct unbecoming an officer (involving any sexually violent offense, a criminal offense of a sexual nature against a minor, or kidnapping of a minor) in violation of Article 133;
- d.* Prostitution involving a minor, indecent assault, assault with intent to commit rape or sodomy, indecent act with a minor, indecent language to a minor, kidnapping of a minor (not by a parent);
- e.* Pornography involving a minor;
- f.* Conduct prejudicial to good order and discipline or assimilative crime conviction (involving any sexually violent offense or a criminal offense of a sexual nature against a minor or kidnapping of a minor), in violation of Article 134;
- g.* Attempt to commit any of the foregoing, in violation of Article 80;
- h.* Conspiracy to commit any of the foregoing in violation of Article 81;
- i.* Solicitation to commit any of the foregoing in violation of Article 82.

24-3. Trial counsel and Provost Marshal responsibilities

Corrections officials will ensure the registration requirements of DODI 1325.7, paragraph 6.18.5 are met for military sexual offenders in Army confinement facilities. For cases in which the sentence of a special or general court-martial involves a finding of guilty of a covered offense without adjudged confinement, the trial counsel, within five duty days and in the presence of the defense counsel, will provide notice that the military sexual offender is subject to a registration requirement as a sex offender by requiring the military sexual offender to complete the acknowledgment, DA Form 7439 (Acknowledgment of Sex Offender Registration Requirements).

a. The trial counsel will ensure that a copy of the acknowledgment is filed in the allied papers of the record of trial, provided to the installation Provost Marshal where the military sexual offender is assigned or will be assigned, and filed in the military sexual offender's Performance Section of the Official Military Personnel File and unit file. The Clerk of Court, ATTN: JALS-CCZ, U.S. Army Legal Services Agency, HQDA will provide a copy of the acknowledgment to Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA.

b. Installation Provost Marshals will ensure that a copy of the acknowledgment is filed in the United States Army Crime Record Center along with any report of investigation related to the military sexual offender. Installation Provost Marshals in the United States will provide written notice of the conviction or transfer to the chief law enforcement officer of the State; the chief law enforcement officer of the local jurisdiction in which the accused will reside; the State or local agency responsible for the receipt or maintenance of a sex offender registration in the State or local jurisdiction in which the person will reside; and officials of foreign countries upon request. The Provost Marshal notifications to State and local officials are described in DODI 1325.7, paragraph 6.18.6.

24-4. Sexual offenders

a. Sexual offenders are required by this chapter to register with the installation Provost Marshal and with State and local officials. Violations by military sexual offenders of the registration requirement are punishable under UCMJ, Art. 92. Military sexual offenders, who are subject to registration requirements as a sex offender in any State or U.S. territory in which they reside, who are employed, carry on a vocation, or are a student, are also required to register with the Provost Marshal at the Army installation where assigned, or when they reside on a military installation, or are employed on a military installation, whether or not they are on active duty.

b. Military sexual offenders will provide the installation Provost Marshal, State sexual offender registration official, and chief local law enforcement officer of the jurisdiction in which the sexual offender will reside, written notice of the date of their arrival in their jurisdictions, the sexual offense(s) of which convicted, and their requirement to register as a sex offender. Military sexual offenders must report every address change in the manner provided by State law and to the installation Provost Marshal at least 5 calendar days or sooner if required by state law before reporting to a new duty assignment and after being discharged from the service. Military sexual offenders must report any change in address to the responsible agency in the State they are leaving, and comply with registration requirements in the new State of residence. Military sexual offenders who fail to register or change or update such registration as required under a State sex offender registration program may be subject to criminal prosecution under State law and under Article 92, UCMJ for failure to obey this regulation. Civilian employees who fail to comply with these requirements may be subject to adverse personnel action and/or criminal prosecution.

c. This section also applies to Soldiers who are convicted by foreign governments of the equivalent or closely analogous covered offenses. The servicing Office of the Staff Judge Advocate, within five duty days of notice of the conviction of the Soldier of the equivalent of a covered offense, is responsible for notifying the Soldier of the registration requirements. DA Form 7934 may be used for this notice.

(1) The servicing office of the Staff Judge Advocate will ensure that a copy of the acknowledgement is provided to the installation Provost Marshall where the military sexual offender is assigned or will be assigned, and filed in the military sexual offender's Performance Section of the Official Military Personnel File unit file, and will provide a copy of the acknowledgement to the Criminal Law Division, ATTN: DAJA-CL, Office of The Judge Advocate General, HQDA, 1777 North Kent Street, Rosslyn, VA 22209-2194.

(2) Installation Provost Marshals will ensure that a copy of the acknowledgement is filed in the United States Army Crime Record Center along with any report of investigation related to the military sexual offender.

Chapter 25 United States Army Court Reporter Program

25-1. General

This chapter governs the training, detailing, performance standards, technology to be used, and certification of military and DOD civilian court reporters (CR) throughout the Army.

25-2. Training of Court Reporters

a. General. The training of military CRs and court reporter doctrine is the responsibility of The Judge Advocate General's Legal Center and School (TJAGLCS). Training is accomplished during various court reporter courses and at field locations as directed by the Commander and Commandant, TJAGLCS. TJAGLCS is also responsible for testing and evaluating court reporter technology, and training of judge advocates, warrant officers, court-reporters and PLNCOs on courtroom and court reporting technology. As a JAG Corps standard, digital audio recording devices are required for Army courtrooms.

b. Staff Judge Advocates are encouraged to send CRs to the annual court reporting symposium, generally held in November at TJAGLCS. Funding is the responsibility of the individual command, not TJAGLCS.

c. Awarding of the ASI C5 qualifier for military personnel is dependent upon successful completion of TJAGLCS court reporter training course in accordance with AR 611-1, para 6-9, AR 614-200, para 3-13b(2), and DA Pam 611-21, table 12-2.

25-3. Detailing of Court Reporters and Oath Requirements

a. See chapter 5-11 for additional guidance concerning the detailing of CRs.

b. See chapter 11 for administering oaths to CRs.

25-4. Court Reporter Metric Performance Standards

TJAGLCS will publish standards that establish the minimum acceptable level of performance for Army court reporters.

25-5. Exemption from Other Duties

Court-Martial Convening Authorities at any level may excuse military CRs from the performance of some or all additional duties, if the production of court-martial records is adversely impacted by such duties.

25-6. RC Court Reporters

a. Eligible RC and DOD civilian candidates are encouraged to attend, and should attend TJAGLCS court reporter course. Funding is the responsibility of the individual command, not TJAGLCS.

b. RC CRs are encouraged to partner with an AD OSJA for the purpose of transcribing records of trial during unit drill periods. AA and RC SJAs may award retirement points in the form of 2 points for each 50 pages of the transcript typed (1 eight-hour day) during non-drill periods. Such retirement points will be recorded on DA Form 1380 (Record of Individual Performance of Reserve Duty Training).

25-7. Removal of C5 Designation

All recommendations requesting the removal of ASI C5 from military court reporters will be forwarded by the Staff Judge Advocate through the MACOM Staff Judge Advocate to the Senior Court Reporter of the JAG Corps, 600 Massie Road, Charlottesville, Virginia 22901. The authority to remove the C5 designation rests with the Commander and Commandant, TJAGLCS.

Chapter 26

Prosecution of Criminal Offenses Under the Military Extraterritorial Jurisdiction Act of 2000 (MEJA)

26–1. Applicability and Purpose

a. The MEJA establishes Federal criminal jurisdiction over whoever engages in conduct outside the United States that would constitute an offense punishable by imprisonment for more than one year (that is, a felony offense) for civilians employed by or accompanying the Armed Forces of the United States, certain members of the Armed Forces subject to the Uniform Code of Military Justice (UCMJ), and former members of the Armed Forces.

b. No action should be taken under the authority of the MEJA without referring to the appropriate provisions of the Act, and to DODI 5525.11 and its accompanying Code of Federal Regulations version, 32 C.F.R. Part 153 (“Criminal Jurisdiction Over Civilians Employed By or Accompanying the Armed Forces Outside the United States, Certain Service Members, and Former Service Members”). Judge Advocates should also reference directives established by their Combatant Commanders and Designated Commanding Officers (DCO) for procedures in handling cases under the MEJA. This chapter outlines procedures for qualified military counsel under the MEJA.

26–2. Qualified Military Counsel and Responsibilities of USATDS

a. Ordinarily, the TDS will provide qualified military counsel from amongst the defense counsel assigned within the TDS Region supporting the Combatant Command or DCO where the MEJA case arises. However, when the RDC determines that the workload within that Region temporarily exceeds the capability of the defense counsel in that Region to perform the regular TDS mission, the RDC will state in writing the inability of TDS to provide such counsel and the rationale behind that decision. In such instances, SJAs have the ultimate responsibility for providing qualified military counsel.

(1) The RDC may seek assistance from other RDCs in order to provide qualified military counsel. Whenever the RDC fails to provide qualified military counsel, either from within that Region or from another Region, the SJA may seek the opinion of the Chief of TDS. Whenever the Chief of TDS determines that the TDS workload does not allow for TDS to provide qualified military counsel, the SJA will provide qualified military counsel from amongst SJA counsel assets.

(2) Whenever TDS counsel must incur TDY costs in order to serve as qualified military counsel, such expenses will be funded by the SJA.

b. Any Judge Advocate assigned to USATDS and certified under UCMJ, Art. 27(b), may be considered qualified military counsel under DODI 5525.11. Those qualified military counsel within the region supporting the Combatant Command or DCO’s command may be considered reasonably available for any initial proceedings within their AOR. The Federal Magistrate will appoint qualified military counsel, as necessary, to represent an individual for initial proceedings under the MEJA.

c. USATDS will establish procedures to assist Combatant Command SJAs and DCO SJAs in preparing, updating as necessary, and making available to Federal Magistrate Judges upon request, a list of qualified military counsel who are determined to be reasonably available for the purpose of providing limited representation at initial proceedings required by the MEJA.

d. RDCs will ensure that each field and branch office under his or her supervision maintains or has readily available a current copy of the MEJA and DODI 5525.11 and its implementing Code of Federal Regulations version, 32 C.F.R. Part 153. RDC will assist Combatant Command SJAs and DCO SJAs by ensuring that in all cases in which a qualified military counsel is provided for initial proceedings required by the MEJA, the person arrested or charged under the MEJA is informed that any qualified military counsel will be made available only for the limited objective of representing that person in any initial proceedings required by the Act. Such individuals will also be informed that such representation does not extend to further legal proceedings. Qualified military counsel will use an “Acknowledgement of Limited Representation” form to complete this notice. (See enclosure 4 to DODI 5525.11).

e. RDC will ensure that a copy of the “Acknowledgement of Limited Representation” form is provided to the person arrested or charged under the MEJA, as well as to the qualified military counsel. The RDC will also ensure the original acknowledgement form is forwarded to the office of the DCO SJA for filing in accordance with DODI 5525.11.

Appendix B Suggested Guide for Conduct of Nonjudicial Punishment Proceedings

B-1. General

This guide is designed to ensure that the proceedings comply with all legal requirements. It contemplates a three-step process conducted in the presence of the Soldier, consisting of the following: (1) notification, (2) hearing (that may be omitted if the Soldier admits guilt), and (3) imposition of punishment (if the findings result in determination of guilt). This guide may be tailored for formal and summarized nonjudicial punishment proceedings.

B-2. Notification

If the notification of punishment is to be accomplished by other than the imposing commander, the procedures under this provision should be appropriately modified (see note q(4), below).

a. *Statements of CO.*

(1) As your commander, I have disciplinary powers under Article 15 of the UCMJ. I have received a report that you violated the Uniform Code, and I am considering imposing nonjudicial punishment. This is not a formal trial like a court-martial. As a record of these proceedings I will use DA Form 2627. I now hand you this form. Read items 1 and 2. Item 1 states the offense(s) you are reported to have committed and item 2 lists the rights you have in these proceedings. Under the provisions of Article 31 of the UCMJ, you are not required to make any statement or provide any information concerning the alleged offense(s). If you do, it may be used against you in these proceedings or in a trial by court-martial. You have the right to consult with a lawyer as stated in item 2.

Note. Wait for the Soldier to read items 1 and 2 of DA Form 2627. Allow him or her to retain a photocopy of the form until the proceedings are finished and you have either imposed punishment or decided not to impose it.

(2) Do you understand item 1? Do you understand the offense(s) you are reported to have committed?

b. *Response of Soldier.* Yes/No. If the Soldier does not understand the offense(s), explain the offense(s) to him/her.

c. *Statement of CO.* Do you understand item 2? Do you have any questions about your rights in these proceedings?

d. *Response of Soldier.* Yes/No. *Note.* If the Soldier does not understand his or her rights, explain them in greater detail. If the member asks a question you cannot answer, recess the proceedings. You probably can find the answer in one of the following sources: Article 15, UCMJ; part V of the Manual for Courts-Martial (MCM); or contact your JA office.

e. *Statement of CO.* There are some decisions you have to make—

(1) You have to decide whether you want to demand trial by court-martial. If you demand a court-martial these proceedings will stop. I then will have to decide whether to initiate court-martial proceedings against you. If you were to be tried by court-martial for the offense(s) alleged against you, you could be tried by summary court-martial, special court-martial, or general court-martial. If you were to be tried by special or general court-martial you would be able to be represented by a military lawyer appointed at no expense to you or by a civilian lawyer of your choosing at no expense to the Government.

(2) If you do not demand trial by court-martial, you must then decide whether you want to present witnesses or submit other evidence in defense, extenuation, and/or mitigation. Your decision not to demand trial by court-martial will not be considered as an admission that you committed the offense(s); you can still submit evidence on your behalf.

(a) Evidence in defense is facts showing that you did not commit the offense(s) stated in item 1. Even if you cannot present any evidence in defense, you can still present evidence in extenuation or mitigation.

(b) Evidence in extenuation is circumstances surrounding the offense showing that the offense was not very serious.

(c) Evidence in mitigation is facts about you showing that you are a good Soldier and that you deserve light punishment.

(3) You can make a statement and request to have a spokesperson appear with you and speak on your behalf. I will interview any available witnesses and consider any evidence you think I should examine.

(4) Finally, you must decide whether you wish to request that the proceedings be open to the public. Do you understand the decisions you have to make?

f. *Response of Soldier.* Yes/No.

g. *Statements of CO.*

(1) If you do not demand trial by court-martial and after you have presented your evidence, I am convinced that you committed the offense, I could then punish you. The maximum punishment I could impose on you would be (punishment). (See table 3-1 for maximum punishments.)

(2) You should compare this punishment with the punishment you could receive in a court-martial. (If the Soldier requests to be informed of the maximum court-martial sentence you may state the following: The maximum sentence you could receive in a court-martial is (sentence) for the offense(s).)

Note. Part IV, MCM lists for each punitive Article the punishments a court-martial may impose for violations of the various Articles of the UCMJ. The CO—

(a) May inform the Soldier that referring the charges to a summary or special court-martial would reduce the maximum sentence. For example, a summary court may not impose more than 1 month of confinement at hard labor. A special court may not impose more than 12 months of confinement.

(b) Should not inform the Soldier of the particular punishment you may consider imposing until all evidence has been considered.

(3) As item 2 points out, you have a right to talk to an attorney before you make your decisions. A military lawyer whom you can talk to free of charge is located at (location). Would you like to talk to an attorney before you make your decisions?

h. Response of Soldier. Yes/No. If the Soldier desires to talk to an attorney, arrange for the Soldier to consult an attorney. The Soldier should be encouraged to consult the attorney promptly. Inform the Soldier that consultation with an attorney may be by telephone. The Soldier should be advised that he or she is to notify you if any difficulty is encountered in consulting an attorney.

i. Statements of CO.

(1) You now have 48 hours to think about what you should do in this case. You may advise me of your decision at any time within the 48-hour period. If you do not make a timely demand for trial or if you refuse to sign that part of DA Form 2627 indicating your decision on these matters, I can continue with these Article 15 proceedings even without your consent. You are dismissed.

Note. At this point, the proceedings should be recessed unless the Soldier affirmatively indicates that he or she has made a decision and does not want additional time or to consult with an attorney. In the event the Soldier does not make a decision within the specified time or refuses to complete or sign item 3 of DA Form 2627, see paragraph 3–18f. When you resume the proceedings, begin at item 3, DA Form 2627.

(2) Do you demand trial by court-martial?

j. Response of Soldier. Yes/No. (If the answer is yes, continue with next statement.)

k. Statements of CO.

(1) Initial block a, sign and date item 3. Because you have demanded trial by court-martial, these proceedings will stop. I now must decide whether to initiate court-martial proceedings against you. I will notify you when I have reached a decision. You are dismissed. (If the answer is no, continue with next statement.)

(2) An open hearing means that the proceeding is open to the public. If the hearing is closed, only you, I, designated Soldiers of the chain of command, available witnesses, and a spokesperson, if designated, will be present. Do you request an open hearing?

l. Response of Soldier. Yes/No.

m. Statement of CO. Do you wish to be accompanied by a spokesperson?

n. Response of Soldier. Yes/No.

o. Statement of CO. Initial block 3b(1) and (2) indicating your decision. Do you want to submit any evidence showing that you did not commit the offense(s), or explaining why you committed the offense(s), or any other information about yourself that you would like me to know? Do you wish to have any witnesses testify, including witnesses who would testify about your good past military record or character?

p. Response of Soldier. Yes/No.

q. Statement of CO. Now initial block 3b(3) indicating your decision, and sign and date the form in the space provided under that item.

Note. The CO will—

(1) Wait until the Soldier initials the blocks and signs and dates the form. If the answers to all the questions are no, you may proceed to impose punishment.

(2) If the answer regarding witnesses and evidence is yes and the Soldier is prepared to present his or her evidence immediately, proceed as follows. Consider the evidence presented. If the evidence persuades you that you should not punish the Soldier, terminate the proceedings, inform the Soldier, and destroy all copies of DA Form. If you are convinced that the Soldier committed the offense(s) beyond a reasonable doubt and deserves to be punished, proceed to impose punishment.

(3) If the Soldier needs additional time to gather his or her evidence, give the Soldier a reasonable period of time to gather the evidence. Tell the Soldier when the proceedings will resume and recess the proceedings.

(4) If someone else conducted the notification proceedings, the imposing commander should conduct the remainder of the proceedings. When you resume the proceedings, consider the Soldier's evidence. Ensure that the Soldier has the opportunity he or she deserves to present any evidence. Ask the Soldier, "Do you have any further evidence to present?" "If the evidence persuades you that you should not punish the Soldier, terminate the proceedings, inform the Soldier of your decision, and destroy all copies of DA Form 2627. If you are still convinced that the Soldier committed the offense(s) and deserves to be punished, impose punishment."

B–3. Imposition of punishment

Statement of CO: I have considered all the evidence. I am convinced that you committed the offense(s). I impose the

following punishments: (Announce Punishment.)

Note. After you have imposed punishment, complete items 4, 5, and 6 of DA Form 2627 and sign the blank below item 6.

B-4. Appellate advice

Main paragraphs are required to have title followed by either paragraph text or two or more subparagraphs.

Note. The CO will hand the DA Form 2627 to the Soldier.

a. Statement of CO. Read item 4, which lists the punishment I have just imposed on you. Now read item 6, which points out that you have a right to appeal this punishment to (title and organization of next superior authority). You can appeal if you believe that you should not have been punished at all, or that the punishment is too severe. Any appeal should be submitted within 5 calendar days. An appeal submitted after that time may be rejected. Even if you appeal, the punishment is effective today (unless the imposing commander sets another date). Once you submit your appeal, it must be acted upon by (title and organization of next superior) within 5 calendar days, excluding the day of submission. Otherwise, any punishment involving deprivation of liberty (correctional custody, restriction or extra duty), at your request, will be interrupted pending the decision on the appeal. Do you understand your right to appeal?

b. Response of Soldier. Yes/No.

c. Statement of CO. Do you desire to appeal?

d. Response of Soldier. Yes/No.

Note. If the answer is yes, go to note at e(2). If the answer is no, continue with next statement.

e. Statements of CO.

(1) If you do not want to appeal, initial block a in item 7 and sign the blank below item 7.

Note. Now give the Soldier detailed orders as to how you want him or her to carry out the punishments.

(2) You are dismissed. If the answer is yes, continue with next statement.

(3) Do you want to submit any additional matters to be considered in an appeal?

f. Response of Soldier. Yes/No. (If the answer is yes, go to note at g(1). If the answer is no, continue with next statement.)

g. Statements of CO.

(1) Initial block b in item 7 and sign the blank below item 7. I will notify you when I learn what action has been taken on your appeal. You are dismissed.

Note. If the answer is yes, continue with next statement.

(2) If you intend to appeal and do not have the additional matters with you, item 7 will not be completed until after you have obtained all the additional material you wish to have considered on appeal. When you have obtained this material, return with it by (specify a date 5 calendar days from the date punishment is imposed) and complete item 7, by initialing the box and signing the blank below. After you complete item 7, I will send the DA Form 2627 and the additional matters you submit to (title and organization of next superior authority). Remember that the punishment will not be delayed (unless the imposing commander sets another date). You are dismissed.

Appendix C Attorney-Client Guidelines

These guidelines have been approved by TJAG. Military personnel who act in courts-martial, including all Army attorneys, will apply these principles insofar as practicable. However, the guidelines do not purport to encompass all matters of concern to defense counsel, either trial or appellate. As more problem areas are identified, TJAG will develop a common position and policies for the guidance of all concerned.

C-1. Problem areas in general

a. Applicability of the attorney-client relationship rules to military practice generally. Military attorneys and counsel are bound by the law and the highest recognized standards of professional conduct. The DA has made the Army Rules of Professional Conduct for Lawyers and the Code of Judicial Conduct of the ABA applicable to all attorneys who appear in courts-martial. Whenever recognized civilian counterparts of professional conduct can be used as a guide, consistent with military law, the military practice should conform.

b. Attorney-client relationship in the military criminal practice.

(1) *Establishment.* When an officer holds himself or herself out as an attorney or is designated on orders as a detailed defense counsel, he or she is regarded for the purposes of these guidelines as an attorney and is expected to adhere to the same standards of professional conduct. Any authorized contact with a service Soldier seeking his or her services as a defense counsel or as an attorney for himself or herself results in at least a colorable attorney-client relationship, although the relationship may be for a limited time or purpose. When an attorney's assigned or reasonably anticipated military duties indicate that the relationship is for a limited time or purpose, he or she must inform the prospective client of these limitations. There is no service obligation to appoint an attorney as detailed counsel merely because an attorney-client relationship has been established. However, an attorney will not later place himself or herself in the position of acting adversely to the client on the same matter.

(2) *Dissolution.* An attorney should not normally be assigned as a counsel to a case unless he or she can be expected to remain for the trial. If it appears that he or she will not be available for the trial, the client must be notified at the inception of the relationship. Military requirements or orders to move the attorney (as proper personnel management requires) will be respected. An attorney will not, without his or her own agreement, be retained on duty beyond a service appointment merely to maintain an existing relationship with respect to a particular case or client. Since no authority exists to hire a civilian attorney at Government expense to represent a Soldier in a court-martial, no former officer should expect to be retained by the Government to represent a Soldier with whom that officer has developed an attorney-client relationship. It is regarded as unethical for an attorney to arrange that only he or she could continue in any particular case.

(3) *Content.* The attorney should represent his or her Soldier client to the fullest extent possible within the limits of the law and other directives. No information obtained in an attorney-client relationship may be used against the interests of the client except in accordance with the Army Rules of Professional Conduct for Lawyers.

c. Restrictions in exhausting legal and administrative remedies. Military attorneys will normally confine their activities to proceedings provided for in the UCMJ and Army regulations (see app C, para C-2c). They will be guided by local policies as to the extent that a military defense counsel is allowed to handle other matters; for example, general legal assistance. The activities of USATDS counsel are governed by paragraph 6-8.

C-2. Problems associated with trials

a. Steps to ensure that conflicts of attorney's interest do not arise because of multiple clients.

(1) Barring unusual circumstances, a military attorney will not undertake or be detailed to represent more than one client where there are multiple accused. Prior to the time that defense counsel are detailed, the Chief, USATDS, or his or her delegate (see para 6-9), will ensure that co-accused are initially contacted by separate defense counsel. Once detailed to represent one of two or more co-accused, a military attorney will not represent another co-accused in the absence of a request for individual counsel processed under Article 38(b), UCMJ; R.C.M. 506; and this regulation.

(2) Requests for individual counsel will not be approved unless—

(a) Each co-accused to be represented by the same attorney has signed a statement reflecting informed consent to multiple representation.

(b) It is clearly shown that a conflict of interest is not likely to develop.

(3) In no instance will a military attorney knowingly establish an attorney-client relationship with two or more co-accused prior to gaining approval from the appropriate authority.

(4) If a civilian or military attorney is representing two or more co-accused at the commencement of trial, the defense counsel concerned will bring the matter to the attention of the military judge. The military judge will then determine the issue of adequate representation with respect to each co-accused who is before the court as a defendant at that time. For additional guidance see The Defense Function, section 3.5, and the Function of the Trial Judge, section 3.4(b), ABA Standards; and Rule 1.7, Army Rules of Professional Conduct for Lawyers.

(5) If additional defense counsel are required by a command due to the prohibition on multiple representation, the SJA concerned will contact the senior defense counsel supporting his or her jurisdiction who will act expeditiously on

such requests according to USATDS procedures. Funding for USATDS counsel will be provided in accordance with chapter 6.

b. Relationship between military and civilian defense counsel.

(1) Military counsel will not recommend any specific civilian counsel. The best method is to show the accused a list of local attorneys. This list should be compiled by personnel in the SJA office and representatives of the local bar association. This will ensure that local attorneys who have no interest in such referrals will not appear on the list. The accused must be told that—

(a) This list is not exclusive.

(b) He or she is not limited to the services of a local attorney.

(c) The listing of an attorney is not necessarily an endorsement of the attorney's capability or character. The accused should be reminded that the responsibility for the choice is solely his or hers.

(2) The civilian counsel is expected to treat an associated military attorney as a professional equal. Military and civilian counsel are expected to treat each other with the respect and courtesy due their professional status.

(3) Where the conflict concerns defense tactics, the military counsel must defer to the civilian counsel if the accused has made the civilian counsel chief counsel. If counsel are co-counsel, the client should be consulted as to any conflicts between counsel. If the military counsel determines that the civilian counsel is conducting himself or herself contrary to the Army Rules of Professional Conduct for Lawyers or violating the law, the military counsel should first discuss the problem with the civilian counsel. If the matter cannot be resolved, the military counsel has the duty to inform the accused of the civilian counsel's actions. The military counsel should inform the civilian counsel of his or her intention to discuss the matter with the accused. If the accused approves of the civilian counsel's conduct, the military counsel must inform the accused that he or she will—

(a) Inform the convening authority or request an Article 39(a), UCMJ, session, whichever is appropriate.

(b) Ask to be relieved of his or her responsibilities as counsel.

c. Collateral civil court proceedings.

(1) Extent of military counsel's ability to initiate and prosecute such proceedings. Military defense counsel's ability to act in such matters is regulated by Army policy in AR 27-40.

(2) Responsibility with respect to habeas corpus petition (28 USC 2242). The military defense counsel is not required to prepare a habeas corpus petition pursuant to 28 USC 2242 and is prohibited from doing so unless the provisions of AR 27-40 are followed. However, nothing prohibits the military counsel from explaining a pro se petition to the accused. This would entail the accused's writing to the Federal District Court Judge requesting a writ of habeas corpus or other relief. Also, nothing prohibits the military defense counsel's explaining to the accused the right to retain civilian counsel in the matter.

(3) Extent of participation when civilian counsel has initiated such proceedings. Military counsel would be acting contrary to the spirit of AR 27-40 if he or she acted through civilian counsel to perform a service for the client that military counsel could not perform on his or her own (for example, preparation of pleadings in habeas corpus proceedings) and should not do so.

d. Scope of trial defense counsel's responsibility after appellate defense counsel has been appointed. After appellate defense counsel has been appointed, trial defense counsel should assist the appellate defense counsel where such assistance does not interfere with his or her regularly assigned duties. Trial defense counsel has an obligation to answer pertinent questions posed by appellate defense counsel. Trial defense counsel has no right or obligation to assist in preparation of briefs for anyone other than appellate defense counsel after appellate defense counsel has been appointed.

e. Ability of trial defense counsel to provide otherwise privileged information when his or her conduct at trial has been attacked on appeal. When the issue of trial defense counsel's conduct at trial has been raised on appeal, any privilege has been waived to the extent necessary to meet the challenge when the accused has argued through his or her appellate defense counsel that he or she was inadequately represented at trial. Trial defense counsel must be allowed to protect his or her professional integrity. In protecting his or her professional integrity against such a challenge, he or she may reveal, to the extent necessary, otherwise privileged matters.

C-3. Problems associated with appeals

a. Appellate defense attorney-client relationship.

(1) Creation. The attorney-client relationship exists between the accused and counsel designated to represent the accused as authorized by Article 70, UCMJ. Generally, TJAG initially directs the Chief, Defense Appellate Division, to represent an accused. The Chief, Defense Appellate Division, as the chief appellate defense counsel, designates other appellate counsel assigned to the Defense Appellate Division to assist as appellate defense counsel. The duty of representation is established at the time of the appointment for the purpose of the appointment and the relationship remains in effect until—

(a) The accused terminates it.

(b) The counsel is relieved from active duty or duly assigned to other duties, or

(c) The representation ceases upon termination of the appellate processes under the UCMJ.

(2) Termination. There is less objection to the administrative termination of an appellate defense attorney-client relationship than one at the trial level. The client has no right to select specific military appellate defense counsel. When the purpose for which the designation is made has been accomplished, the relationship terminates. The designation may be terminated earlier for administrative purposes.

(3) Relationship generally. There appears to be no necessity for face-to-face interviews in an appellate defense attorney-client relationship. Telephonic facilities are available at no cost to the client for communication between the appellant and his or her counsel. If the chief appellate defense counsel determines that a face-to-face interview is essential between either himself or herself or a military associate and the appellant, necessary travel funds will be provided, if available. General legal assistance is provided at the installation to which the appellant is assigned.

b. Extent of attorney's duties.

(1) *Collateral attacks in civilian courts.* Article 70 mandates appellate counsel to represent the accused before the military appellate courts and to “perform such other functions in connection with the review of court-martial cases as TJAG directs.” The proper review of a court-martial is set out in the UCMJ and full representation of the accused does not include collateral attacks in the Federal Courts except as permitted pursuant to AR 27-40 (app C, para C-2c).

(2) *Clemency petitions.* At the request of the accused, appellate defense counsel may submit clemency petitions to the proper Army authority.

(3) *Administrative proceedings in confinement facilities.* Military attorneys, assigned to the installations containing confinement facilities, have the responsibility to provide counsel to the confined accused when he or she is entitled to such counsel.

c. Conflict between appellate attorneys. Divergent views between military appellate defense counsel and retained civilian counsel must be worked out in the same manner as at trial (app C, para C-2b (3)). Military counsel assisting the chief appellate defense counsel must defer to the experience and professional views of the chief appellate defense counsel as an associate in a civilian law firm would defer to the senior partner. If irreconcilable differences appear, the assisting military counsel should ask to be relieved from the case. The chief appellate defense counsel has the discretion to grant this request.

MEMORANDUM FOR ASSISTANT SECRETARY OF THE ARMY FOR
MANPOWER AND RESERVE AFFAIRS
ASSISTANT SECRETARY OF THE NAVY FOR
MANPOWER AND RESERVE AFFAIRS
ASSISTANT SECRETARY OF THE AIR FORCE FOR
MANPOWER AND RESERVE AFFAIRS
ASSISTANT COMMANDANT FOR HUMAN RESOURCES,
U.S. COAST GUARD

SUBJECT: DoD Policy on Collecting DNA Samples from Military Prisoners

This directive-type memorandum implements 10 U.S.C. § 1565 as amended by section 203(c) of the Justice for All Act of 2004. This policy will be published in a future revision of DoDI 1325.7, "Administration of Military Correctional Facilities and Clemency and Parole Authority." This policy supersedes the May 16, 2001 memorandum, subject: "Policy for Implementing the DNA Analysis Backlog Elimination Act of 2000."

DoD (and the Department of Homeland Security, when the Coast Guard is not operating as part of the Navy) shall collect DNA samples from each person subject to the Uniform Code of Military Justice (UCMJ) who is or has been convicted of a "qualifying military offense" (QMO). A QMO is any offense under the UCMJ punishable by a sentence of confinement for more than one year (regardless of the sentence imposed), or any other UCMJ offense on the enclosed list. Although this memorandum authorizes the Services to collect DNA samples at any time after a general or special court-martial sentence is adjudged for one or more QMOs, it is the Court-Martial Convening Authority's action under Article 60, UCMJ that determines whether the result of trial concludes with a QMO conviction. The requirement to collect DNA samples does not apply to the findings of a summary court-martial or a proceeding under Article 15, UCMJ.

The U.S. Army Criminal Investigation Laboratory (USACIL) shall analyze all DoD DNA samples collected under authority of 10 U.S.C. § 1565. USACIL shall submit the results to the Federal Bureau of Investigation for inclusion in FBI's Combined DNA Index System (CODIS).

Figure F-1. Memorandum for DOD policy for collecting DNA samples from military prisoners

Beginning not later than June 1, 2005, the cognizant commander, Staff Judge Advocate (SJA), or Legal Officer (LO) shall annotate the top of all post-trial Confinement Orders, DD Form 2707, or Service equivalent, and the top of the first page of all initial promulgating orders, in bold with **“DNA processing required. 10 U.S.C. § 1565.”** SJAs and LOs shall ensure that a copy of each annotated promulgating order is provided to USACIL and, as applicable, to the correctional facility or unit to which the convicted member is assigned. Periodically, USACIL shall reconcile promulgating orders received with DNA samples received. Service Secretaries shall designate a point of contact for USACIL to contact concerning any discrepancies not explained by normal processing time.

Correctional facility or command representatives are authorized to collect DNA samples at any time after a QMO sentence is adjudged when based on a court-martial’s finding of guilt of one or more QMOs, even if the convening authority has not taken action on the sentence. Each DoD correctional facility shall identify and collect DNA samples from all of its prisoners who have a QMO conviction, regardless of Service affiliation. Service Secretaries shall identify and collect DNA samples from those members under their jurisdiction who have a QMO conviction but are not confined. Samples normally will be collected as part of confinement facility inprocessing or, in the case of Service members with QMOs but no sentence to confinement, as soon as possible after trial, but not later than the member’s separation physical exam. Commanders may authorize the use of such means as are reasonably necessary to detain, restrain, and collect a DNA sample from an individual who refuses to cooperate in the collection of a sample. Services will cooperate in the collection of DNA samples from members on appellate excess leave, regardless of the member’s particular Service.

USACIL shall develop and provide a DNA collection kit to locations the Services designate. Correctional facility or command representatives shall ensure that qualified medical personnel use the kits and procedures prescribed by USACIL to collect all DNA samples. Correctional facility representatives shall ensure that the member’s confinement file reflects that a DNA sample has been collected.

Once the sample is packaged in the kit, the kit shall be mailed to the USACIL promptly, and the sender shall notify the USACIL by electronic mail that the sample has been mailed. The notification shall include only the name of the individual from whom the sample was taken, the kit number, and the location from which the sample is being mailed. USACIL shall confirm receipt of the sample electronically and notify the sender if problems are encountered that require the DNA sample to be redrawn.

The Army shall designate a point of contact to answer all questions from Federal Bureau of Prison facilities pertaining to whether prisoners have a QMO. Service

Figure F-1. Memorandum for DOD policy for collecting DNA samples from military prisoners –continued

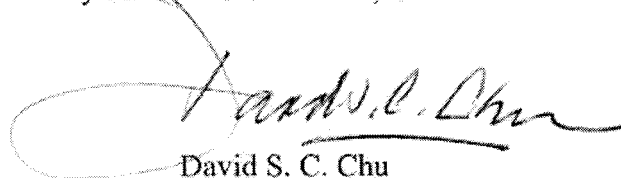

Secretaries shall designate points of contact to answer questions from Federal probation offices pertaining to whether former prisoners still under supervision have a QMO.

The correctional facility or command representative responsible for ensuring that a DNA sample is collected from a member shall give the member a card informing him or her that if conviction for all QMOs is disapproved under Article 60 or reversed during appellate review, the member may request that his or her DNA sample be expunged from CODIS. Such requests will be directed to the member's Service-designated point of contact. USACIL shall provide preprinted cards as part of the collection kit.

In cases where each QMO conviction has been disapproved under Article 60, UCMJ, or reversed in the appellate process, the Service Secretaries shall establish procedures to initiate expungement by USACIL independently of a request from the member or former member concerned.

Upon receipt of an expungement request, Service-designated points of contact shall provide to USACIL a certified copy of a final order establishing that conviction of all QMO offenses were disapproved or overturned. USACIL shall then determine whether the requester has a conviction for a qualifying Federal offense (42 U.S.C. § 14135a) or qualifying District of Columbia offense (42 U.S.C. § 14135b) before taking action to expunge the record based on a QMO. Only in those cases where USACIL has verified that the requester has no other qualifying military, Federal, or District of Columbia conviction will USACIL expunge the DNA analysis from CODIS. When USACIL expunges a DNA analysis, USACIL shall destroy the DNA sample and report back to the Service-designated point of contact. The Service-designated point of contact shall notify the requester of the result of each expungement request.

Collection of DNA samples in accordance with this memorandum shall begin not later than June 1, 2005. Collection of DNA samples in accordance with the May 16, 2001 memorandum, subject: "Policy for Implementing the DNA Analysis Backlog Elimination Act of 2000" may continue until June 1, 2005.
