

## U.S. Department of Energy State Energy Program (SEP) Narrative Information Worksheet

Grant Number:

**1. Market (choose one):**

- |  |  |
|--|--|
| <input type="checkbox"/> Buildings                           | <input type="checkbox"/> Industry                              |
| <input type="checkbox"/> Electric Power and Renewable energy | <input type="checkbox"/> Policy, Planning, and energy Security |
| <input type="checkbox"/> Energy Education                    | <input type="checkbox"/> Transportation                        |

2. State:

3. Program Year:  Date Start:  Date End:

**4. Topics involved in the overall program market (choose all that apply):**

- |  |   |  |
|--|---|--|
| <input type="checkbox"/> Agriculture                             | <input type="checkbox"/> Federal, state, and local facilities   | <input type="checkbox"/> Procurement of efficient products **        |
| <input type="checkbox"/> Alternative fuels                       | <input type="checkbox"/> Federal Energy Management Program      | <input type="checkbox"/> Public information                          |
| <input type="checkbox"/> Appliance efficiency and standards      | <input type="checkbox"/> Financing energy programs              | <input type="checkbox"/> Rating and labeling                         |
| <input type="checkbox"/> Bioenergy and biobased products         | <input type="checkbox"/> Fuel cells                             | <input type="checkbox"/> Rebuild America                             |
| <input type="checkbox"/> Biomass power                           | <input type="checkbox"/> General energy efficiency for industry | <input type="checkbox"/> Residential buildings                       |
| <input type="checkbox"/> Building America                        | <input type="checkbox"/> Geothermal                             | <input type="checkbox"/> Right turn on red **                        |
| <input type="checkbox"/> Carpools, vanpools, and ridesharing     | <input type="checkbox"/> Green power programs                   | <input type="checkbox"/> Schools                                     |
| <input type="checkbox"/> Clean Cities                            | <input type="checkbox"/> Heavy vehicles and trucks              | <input type="checkbox"/> Solar power                                 |
| <input type="checkbox"/> Climate change planning                 | <input type="checkbox"/> Home energy ratings                    | <input type="checkbox"/> State energy strategic plans                |
| <input type="checkbox"/> Combined heat and power                 | <input type="checkbox"/> Hydrogen                               | <input type="checkbox"/> Telecommuting                               |
| <input type="checkbox"/> Commercial buildings                    | <input type="checkbox"/> Hydropower                             | <input type="checkbox"/> Thermal **                                  |
| <input type="checkbox"/> Curriculum development                  | <input type="checkbox"/> Industrial processing                  | <input type="checkbox"/> Traffic signals                             |
| <input type="checkbox"/> Demand reduction                        | <input type="checkbox"/> Industries of the future               | <input type="checkbox"/> Transmission and infrastructure reliability |
| <input type="checkbox"/> Distributed energy generation           | <input type="checkbox"/> Lighting **                            | <input type="checkbox"/> Transportation alternatives                 |
| <input type="checkbox"/> Energy and environment                  | <input type="checkbox"/> Low-income weatherization              | <input type="checkbox"/> Waste management and recycling              |
| <input type="checkbox"/> Energy building codes                   | <input type="checkbox"/> Manufacturing                          | <input type="checkbox"/> Water systems                               |
| <input type="checkbox"/> Energy consumption and price statistics | <input type="checkbox"/> Motors and other industrial systems    | <input type="checkbox"/> Wind energy                                 |
| <input type="checkbox"/> Energy emergency planning               | <input type="checkbox"/> Performance contracting                |  |
| <input type="checkbox"/> ENERGY STAR                             | <input type="checkbox"/> Policy and energy legislation          |  |

\*\* Mandatory Requirement

5. Estimated Annual Energy Savings:  MBtus

# U.S. Department of Energy State Energy Program (SEP) Narrative Information Worksheet

Description (executive summary of goals and objectives)

A large yellow rectangular area intended for the executive summary of goals and objectives. The area is completely blank, indicating that the user is to provide the narrative information in this section.

### 8. Program Year Funds by Source

a. SEP grant (all funds in approved budget)	Planned
DOE	<input style="width: 90%;" type="text"/>
State	<input style="width: 90%;" type="text"/>
PVE	Planned
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
Third Party	Planned
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
Market Budget Total	<input style="width: 98%;" type="text"/>

b. Leveraged funds anticipated (outside approved budget)	
Leveraged fund sources	Planned
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
<input style="width: 98%;" type="text"/>	<input style="width: 98%;" type="text"/>
