

August 2011

Vision:

Naples Elementary School will provide rigorous learning opportunities to empower all students to become independent, creative, problem-solvers who demonstrate exemplary character in a global society.

SMART Goal 1:

All students, by June 2012, will improve in reading comprehension skills, by vocabulary development and application of word usage towards synthesis of information in a variety of contexts across the curriculum. Growth will be measured by the selected system-wide Terra Nova scores and school based assessments, the DRA and SRI.

SMART Goal 2:

All students, by June 2012, will improve in writing, by demonstrating the ability to apply organization to specific purpose, audience and context, in all curricular areas. Growth will be measured by the selected system-wide Terra Nova scores and internal school-wide writing assessments based on the organization portion of the 6+1 Traits writing rubric.
