**Italian Partial Language Immersion Program**
**Application for SY 2007-2008**

At Naples Elementary School, Italian Partial Language Immersion classes for SY 07/08 will be provided for students Kindergarten through 4th Grade. In these classes, part of each day's instruction is delivered in Italian. Students in the Italian Partial Immersion Program have the unique opportunity to learn a tremendous amount about our host nation culture and language.

**Goals of a Partial Language Immersion Program**

1. To work toward functional proficiency in the second language
2. To master DODDS subject content, including that taught in the second language
3. To acquire an understanding of and appreciation for another culture, which will in no way detract from appreciation of student's home culture
4. To maintain and continue to develop skills in English

**All NES students who will attend NES for the entire**
**SY 2007-2008**
**are eligible to apply for this program.**

**DEROS DATE**
*A student in an immersion class must be present for the entire school year.* You must provide a copy of orders that state you will be here at least May 18, 2008. A copy of your official orders must be attached with this application before your child can be considered for placement in the program. Applications without supporting orders will not be considered.

Italian Partial Immersion class lists are posted in the Fall at the time that other class lists are posted. Students who are currently in an Italian Partial Immersion classes will be placed in an Immersion class next year provided they will be attending NES for the entire SY 2007-2008 as documented with a copy of the sponsor's orders **And** complete this application as part of the registration packet.

Returning students from SY 06-07 and newly registered student applications will be placed in a lottery and all students will be considered on an equal basis for available slots in the Italian Partial Immersion classes.
