

DAU Registration Process for Foreign Students

For certification and assignment-specific courses

The following is the general process. Prospective students should plan WELL IN ADVANCE of their desired training date.

Prospective student should identify several class sections with different dates to allow for the greatest opportunity to get into a class. Goes to own country training officer to request approval for applying for the course.

Student's training officer contacts the US Security Assistance Officer in the Office of Military Cooperation, Office of Defense Cooperation or appropriate MILGROUP within his/her country to request desired DAU training.

SECURITY ASSISTANCE OFFICER

- Verifies student meets course prerequisites, including English comprehensive level
- Validates training requirement
- Transmits request to SATFA

US ARMY SECURITY ASSISTANCE TRAINING FIELD ACTIVITY

- Programs training against appropriate security assistance program
- Works quota issue with DAU quota manager if necessary
- Sends training application to DAU via ATRRS

DAU Foreign Student Registrar approves application
