You have been given the following consults: _____

Routine Consults, **call 912-435-6633 or 1-800-652-9221 3 business days** after your visit to either schedule an appointment at WINN or be advised that you have been referred to a network (off-post) provider.

If you are not going to be seen at Winn Army Community Hospital you will receive a letter in the mail in 7 – 10 working days. This will provide you with the doctor's name and phone number and authorization information. Call the provider's office to schedule your appointment. If you have trouble booking your appointment within four weeks or if the provider requires more information, please call TRICARE at 800-444-5445. Once you know the date of your appointment, please contact TRICARE. They will help insure the consult information gets to your provider. Make sure you take your medical records and x-rays to the specialist appointment.
