

PROJECT PURPOSE

Construct a four-lane, divided connector from Route 564 to the Norfolk Naval Station and the Norfolk International Terminals in order to improve traffic flow in the region.

PROPOSED IMPROVEMENTS

The primary components of the roadway improvements include a new Route 564 (I-564) Intermodal Connector, a relocated Naval Station Norfolk Gate 6 (entry control point), a reconfigured commercial vehicle inspection station for Naval Station Norfolk, and consideration for a future Air Terminal Interchange with the Intermodal Connector roadway.

PUBLIC INFORMATION PURPOSE

To provide the public with information regarding the project's preliminary design.
