Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for the later of the next November general election or next Federal general election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than the registration deadline for the primary election.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your Social Security number is required. If you do not have a Social Security number, write "none." Virginia will assign a number that will serve to identify you for voting purposes only.

Block 5: Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Virginia allows Uniformed Service members and their families, as well as overseas citizens, to receive their ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide

your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you. More transmission options may be available. Check www.fvap.gov for updates.

Block 7: Complete street address of your Virginia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the city or county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: You must provide your complete Virginia residence address where you last registered and voted if applicable. If you have never voted, please write "I have never voted." Enter the last day of residency at your Virginia voting residence address only if you have given up that address permanently or have no intent to return.

Uniformed Service members and their families must provide the service identification number of the member.

Uniformed Service members, Merchant Marine members, and their spouses and dependents must provide the branch of service, and grade or rank of the military member.

Overseas citizens should provide the name and address of their employer (if applicable). Virginia registrants who moved overseas for employment on or after July 1, 1999, may be eligible to vote in State and local elections.

In addition to mailing a regular ballot, Virginia provides an Early Absentee Ballot before general elections for governor, lieutenant governor or attorney general to any overseas Uniformed Service member, family member, or overseas citizen who will not be able to vote and return the regular absentee ballot by the ballot return deadline. To request it, you must return your FPCA no later than 90 days before the election and you must write in Block 9 either: "I am unable to vote in any other manner due to overseas military service. I request an Early Voting Absentee Ballot." OR "I am unable to vote in any other manner due to living in an isolated or extremely remote overseas area. I request an Early Voting Absentee Ballot."

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness required except when you are unable to sign the application due to a physical disability or inability to read or write.

How and Where to Submit Your FPCA:

Virginia allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at www.sbe.virginia.gov.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at www.sbe.virginia.gov. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov. If legible, Virginia does not require mailing the signed FPCA that is faxed or emailed as a scanned attachment.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Virginia's voter registration verification website at: www.sbe.virginia.gov.

Your jurisdiction will contact you if your application is denied.

Late Registration

Active duty military, Merchant Marine, their spouses and dependents residing with them who are deployed or assigned to a duty station that requires them to be away from the locality claimed for Virginia voting residence on Election Day may register by mail by submitting a FPCA (or a FWAB) up until the deadline for applying for an absentee ballot one week before the election.

These applicants may also register in person up to and including Election Day if their active duty requires them normally to be absent from their Virginia voting residence locality, they have returned to reside in their Virginia voting residence locality within 28 days before the election, or they were discharged within 60 days before the election.

Overseas citizens can also register late in person based on being normally absent or having returned within the 28 days before the election.

Voting Your Ballot

Local election officials send absentee ballots no later than 45 days before most elections.

Voted ballots must be received by the local election office by close of polls on Election Day.

The oath on the voted ballot's return envelope **must be** witnessed by an adult 18 or older.

Voted ballots may be returned by mail or commercial delivery service, but may not be delivered by a personal courier service or another individual. Virginia does not allow voted ballots to be returned by fax or email.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD." This label is available at APO/FPO locations and can only be used for the general Federal election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: www.sbe.virginia.gov.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Virginia allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in any election in which you are eligible to vote. You may use the FWAB to vote a back-up ballot before an election. Submit a new FPCA if you want to register and request ballots for future elections. The State Board of Elections may in some situations issue a FWAB directly to a voter to help avoid delays. Please contact the State Board of Elections if you are unable to obtain a ballot from your locality in time.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Virginia allows you to use this form for registration.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your Social Security number is required. If you do not have a Social Security number, write "none". Virginia will assign a number that will serve to identify you for voting purposes only.

Block 5: Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: If you are using this form to register and wish to vote in primary elections, you must enter your political party affiliation.

Block 7: Complete street address of your Virginia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current military or overseas mailing address.

Block 9: You must provide your complete Virginia residence address where you last registered and voted if applicable. If you have never voted, please write "I have never voted." Enter the last day of residency at your Virginia voting residence address only if you have given up that address permanently or have no intent to return. If previously registered in Virginia, your voter registration number may be located using your Social Security number.

Uniformed Service members and their families must provide the service identification number of the member.

Uniformed Service members, Merchant Marine members, and their spouses and dependents must provide the branch of service, and grade or rank of the military member.

Overseas citizens should provide the name and address of their employer (if applicable). Virginia registrants who moved overseas for employment on or after July 1, 1999, may be eligible to vote in State and local elections.

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date in the presence of one witness. The oath on the voted ballot's return envelope **must be witnessed** by an adult 18 or older.

Vote Your FWAB:

Vote in any election in which you are eligible. Citizens residing overseas indefinitely may only be eligible to vote for Federal offices. Please contact the Virginia State Board of Elections or your local General Registrar's office in Virginia if you have any question about the elections in which you are eligible to vote in Virginia. Virginia prohibits under felony penalty illegally voting in any election in which you know you are not eligible to vote.

For each office in which you vote, write in either a candidate's name or political party designation. For each

issue on which you vote, identify the issue and write either "yes" or "no". To find out the offices and issues in your locality, go to www.sbe.virginia.gov.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

If using the FWAB simultaneously for registration, absentee ballot application and voted ballot, it must be received by the local election office by the applicable deadline.

If using the FWAB simultaneously for absentee ballot application and voted ballot, it must be received by the local election office by the ballot return deadline.

If using the FWAB as a voted ballot only, it must be received by the local election office by the ballot return deadline.

If you receive the State ballot after submitting the voted FWAB, you should vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official. Virginia does not allow voted FWABs to be returned by fax or email.
