## TEMPORARY LODGING ALLOWANCE (TLA) HOUSE HUNTING LOG VALIDATION

I understand that I must aggressively search for housing to continue to qualify for TLA. Housing may not be turned down for reasons such as landlord does not accept pets, too small, furniture will not fit, leave status, not in a preferred school district or for personal convenience. My TLA claim must be validated in the Housing Office every 10 days. Unexcused failure to comply with the house-hunting requirement could cause forfeiture of TLA entitlement.
