

The SORAH Creed
(Sister of Resilience and Honor)

*Bold and Brave,
Decided to defend,
There was no draft to reel us in.
Yet we stood up tall,
We raised our right,
To protect what we love both
day and night.
Whether a New Recruit or
a seasoned Vet,
We all deserve patriotic respect.
SORAH'S around the world hold your
head up high!
You played a part,
and our flag still flies!*
