DUBLIN, CA 94568-5201

IMWE-CST-PPW

21 November 2011

MEMORANDUM FOR ALL Parks Reserve Forces Training Area Personnel

SUBJECT: PRFTA Policy #20, Parks Reserve Forces Training Area Environmental Management System (EMS) Policy Statement.

1. REFERENCES.

a. Executive Order 13423, Subject: Strengthening Federal Environmental, Energy and Transportation Management, 7 January 2007.

b. Memorandum, Assistant Chief of Staff for Installation Management, Department of the Army, Subject: New Installation Management Requirements. 6 August 2001.

c. Memorandum, Assistant Chief of Staff for Installation Management, Department of the Army, Subject: Re-issuance and Clarification of Army Environmental Management System (EMS) Policy, 23 September 2005.

2. PURPOSE. To establish and maintain a Mission focused EMS program.

3. SCOPE. This policy applies to all military, civilian and contract personnel located on Parks Reserve Forces Training Area (PRFTA) facilities including tenants/organizations, residents, and units/agencies utilizing PRFTA facilities.

4. POLICY.

a. The Garrison Commander has the overall responsibility for ensuring compliance with environmental laws, regulations and other requirements. The EMS Management Representative is responsible for overseeing and managing the implementation of EMS which incorporates elements of the International Organization for Standards (ISO) 14001 EMS into the existing management structure. Environmental policy statement shall be available to all personnel at the installation and the public.

b. The mission of PRFTA is to enhance the training and readiness of Army Reserve Component. PRFTA is committed to accomplishing this mission while assuring environmental preservation. This assurance is achieved through a commitment to environmental management strategies and principles. Specific requirements of all members of the PRFTA community are:

(1) Providing a clean and safe environment in our community.

IMWE-CST-PPW

SUBJECT: PRFTA Policy #20, Parks Reserve Forces Training Area Environmental Management System (EMS) Policy Statement.

- (2) The conservation and protection of natural and cultural resources.
- (3) Compliance with relevant environmental laws, regulations, and other requirements to which the organization subscribes.
- (4) The reduction of both solid and hazardous waste generated
- (5) Maximizing the amounts of materials recycled.
- (6) Minimizing hazardous materials purchased and used.
- (7) Promoting environmental preservation through education, training and awareness.
- (8) Commitment to energy and water conservation.
- (9) Commitment to continual environmental management improvement and prevention of pollution.
- (10) Continually assessing environmental effects due to the installation's operations.
- (11) Setting objectives and targets to minimize adverse environmental impacts.

6. PROPONENT. The proponent for this policy is the Camp Parks Environmental Office at (925) 875-4682.
