Volume 16

## INDEX 1990

This index covers the twelve monthly issues of the 1990 Record (volume 16) and the Record Supplement on Allocation (published in November 1990). In citations to the monthly issues, the first number refers to the "number," or month, of the Record issue. The second number indicates the page number in that issue. Thus, "5:3" means the article is on page 3 of the May Record. The Supplement is cited as "November Supplement."
