About ICARDA

The International Center for Agricultural Research in the Dry Areas (ICARDA) is an international autonomous, non-profit, research center based in Aleppo, Syria, supported by the Consultative Group on International Agricultural Research (CGIAR - www.cgiar.org). We are committed to the improvement of livelihoods of the resource-poor in dry areas by enhancing food security and alleviating poverty through agricultural research, and the equitable use and conservation of natural resources. For more details please look at www.icarda.org.
