Subject: FW: Phase 3 Addendum Number 5 to Master Work Plan for Subarea 3 and 6

Stephie and John,  
The Department of Toxic Substances Control (DTSC) reviewed Addendum No. 5 to the Chemical Data Gap Investigation Work Plan, Phase 3 Soil Chemical Sampling at Area IV for Subareas 3 and 6 (Addendum No. 5; CDM Federal Programs Corporation, October 2012). The Chemical Data Gap Investigation Work Plan, Phase 3 Soil Chemical Sampling at Area IV (Phase 3 Work Plan; CDM Programs Corporation, April 2012) was approved by DTSC on April 11, 2012.

DTSC has been reviewing Addendum No. 5 since its first submittal on October 2, 2012. Based on our review, DTSC approves the final Addendum No. 5 for implementation.

Please note, EPA and DTSC are copied on this email for posting of this DTSC-approved Addendum No. 5 to their respective web sites.

If you have any questions regarding this approval, please don't hesitate to contact me at (714) 484-5434 or Mr. Mark Malinowski at (916) 255-3717.  
Thank you,  
Laura Rainey

Subject: Phase 3 Addendum Number 5 to Master Work Plan for Subarea 3 and 6

Attached to this email is Addendum No. 5 to the Chemical Data Gap Investigation Work Plan, Phase 3 Soil Chemical Sampling at Area IV for Subarea 3/6. (Addendum No. 5; CDM Federal Programs Corporation, October 2012). The Chemical Data Gap Investigation Work Plan, Phase 3 Soil Chemical Sampling at Area IV (Phase 3 Work Plan; CDM Programs Corporation, April 2012) was approved by DTSC on April 11, 2012.

This addendum includes the data gap analysis and the proposed sampling locations and objectives for each sample. This version reflects the incorporation of all DTSC and input we received at the technical stakeholder meeting we had on October 25, 2012.

DOE requests DTSC approval of this addendum.

Thanks,

Stephie Jennings, PMP  
Deputy Federal Project Director
